

FordFiesta

Feel the difference

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

The first rule of staring:
wear sunglasses

Model shown is a Ford Fiesta Titanium 3-door with Hot Magenta metallic paint (option at extra cost) and Titanium X pack (option at extra cost on the 1.6 Petrol only).

Get stuck in traffic
so everyone can have
a good look

Model shown is a Ford Fiesta Zetec S 3-door with Vision metallic paint (option at extra cost), side skirts and 16" 5-spoke alloy wheels (standard).

Life in the limelight.
Bask in the afterglow

Model shown is a Ford Fiesta Titanium 3-door with Soho upper instrument panel colour and Syracuse environment colour. Keyless Entry inc Power Start Button fitted (option at extra cost).

Bluetooth® Voice Control and USB.
Use your voice to change radio stations or CD tracks, make and receive mobile calls, control volume and temperature (where EATC fitted). See specification pages for availability.

Untangle your life when you step into your car.
The Ford Fiesta has all the right connections already built-in.

Make the
connection

Much more than music

The central control console is inspired by the latest mobile phone design and is as functional as it is beautiful. It gets you connected with Bluetooth®, Voice Control, USB and AUX for your MP3, and a screen for your phone and track info. (See specification pages for availability).

Capless refuelling with Ford Easy Fuel

No dirty fuel caps to touch. Plus Ford Easy Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard)

Rear-view camera

Select reverse and the rear-view camera appears in the rear-view mirror, allowing you to see objects behind your car for easy manoeuvring and parking. (Option from June 2010. Please see specifications for availability)

Power-operated folding door mirrors

Just the thing for parking in narrow streets. (Standard on Titanium, option at extra cost as part of City Pack).

Ambient lighting

A soft red glow discreetly highlights the interior of your Ford Fiesta.
(Standard on Zetec and Titanium)

All the experience of Ford's renowned development engineers has been poured into the Ford Fiesta to create a driving experience where every journey is an event to savour. Form and function combine perfectly to keep you relaxed and in full control.

You won't want to get out

Steering that adapts to its environment

Ford Fiesta's sophisticated new Electric Power-Assisted Steering (EPAS) achieves a balance that's just not possible with conventional power steering systems. At parking speeds, full power is delivered for feather-light manoeuvring. Once you're on the move, it steadily weights up to just the right extent for optimum feel and control.

Ford Key-Free System with 'Ford Power' engine start/stop button

Start the car and lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Option on Titanium)

Cruise control

Set your speed. Relax. Enjoy the drive. (Standard on Titanium)

Height- and reach-adjustable steering

Find your ideal steering wheel position for a more relaxed driving experience.

Long term investment
Some possessions are made to last. The Ford Fiesta has quality and durability built in from the beginning and inspires a sense of confidence that's priceless.

With sparkling accents and high quality details, the Ford Fiesta is polished and poised. Look a little deeper and you discover every single component is engineered with one objective clearly in mind: quality that's built to last.

Precious metal

Intelligent Protection System (IPS)

Ford's advanced IPS uses a range of sophisticated technologies to keep you protected, including ultra-high strength steel safety cage, anti-lock brakes with emergency brake assist and front, side, knee and optional curtain airbags (at extra cost).

Glittering details

The attention to detail lavished on the Ford Fiesta is clear from the jewel-like quality of its exterior design.

Relentless

During its development, we test drove the Ford Fiesta the equivalent of 87 times around the globe. Pushed it through the extremes of real world weather from -40°C to +80°C and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

Model shown is finished in Moon dust Silver metallic paint (option at extra cost) with 15" wheels and 6-spoke covers.

Generous levels of equipment and a stylish package start with Edge

Features

(Standard)

Body colour door mirror housings with power-operated and heated mirrors
(Standard)

Body colour door handles
(Standard)

Model shown is finished in Squeeze metallic paint (option).

Better for the environment

Like you, everyone at Ford is concerned about the potential impact of climate change. So we're developing new ideas to make our cars more environmentally sustainable, without compromising on style or performance. Some of these ideas will take time to bear fruit. Others can have an impact now. Ford ECONetic is the result of this philosophy: low-emission diesel cars that are affordable, stylish and rewarding to drive.

Better for you

The new Ford Fiesta ECONetic achieves an amazing fuel consumption of just 76.3mpg (combined cycle). And with CO₂ emissions of just 98 g/km, it is exempt from Vehicle Excise Duty as well as the fees charged for resident parking permits by some local authorities.

The new Ford Fiesta ECONetic's generous standard specification proves that caring for the environment doesn't have to compromise your driving pleasure.

Additional to Edge (ECONetic emissions-reducing features)

- Lowered suspension**
 Lowers the height of the car to improve aerodynamic efficiency
- Rear-wheel air deflectors**
 Control airflow over the rear wheels and wheel arches to reduce drag and lift
- Special engine calibration**
 The 1.6-litre Duratorq TDCi 95 PS engine and 5-speed transmission have been modified for optimum fuel economy without compromising the acclaimed driveability of the new Ford Fiesta
- Special instrument cluster display**
 Contains Shift Indicator Lamp (SIL) to help improve fuel economy

Lowered suspension (Standard)

Body colour rear spoiler (Standard)

Special instrument cluster display (Standard)

Model shown is finished in Panther Black metallic paint with Bluetooth® and USB paint (options at extra cost) with 15" 8-spoke alloy wheels (standard).

It's the attention to the smallest detail that gives the Ford Fiesta Zetec a feeling of refined luxury.

Individual

The Individual finish
Experience a level of luxury usually found only in much larger cars. Our designers have worked with premium leather and high-grade materials to create the ultimate style statement. Take a look at the detailed craftsmanship. You're travelling first class.

Get behind the wheel and you feel like you're stepping into the pages of a fashion magazine. Always in season, red is the colour of passion, Individual Red Style will ignite yours.

Individual Red Style

Leather seat trim
Beautifully-stitched red and silver leather embossed with the 'Individual' logo.
Leather door insert

Steering wheel and instrument panel.

Leather gearshift knob

Premium leather with contrast stitching

Premium velour mat

Individual

Aluminium pedals
Pedal set with anti-slip rubber inserts. (Standard on Zetec S).

Dive into the Individual Blue Style and experience a sporty look that complements the Ford Fiesta's dynamic design. Bold and purposeful, it gives you a feeling of cool confidence when you're behind the wheel.

Individual Blue Style

Enhance the refinement of your Ford Fiesta with a choice of interior styling options. They include special illumination details that add extra ambience to the interior of your car.

Interior styling

Steering wheel and instrument panel

Scuff plates and premium velour floor mats
Elegant additions that welcome and protect. Scuff plates are also available without illumination. (Option at extra cost)

Leather handbrake
Chrome release button and high-grade leather in a choice of three colours, shown here in Syracuse. (Option at extra cost and accessory)

Leather gearshift knob

Premium velour mat

Leather seat trim with leather door insert

Leather gearshift knob
Aluminium look insert and high-grade leather. Also available without illumination. (Option at extra cost)

Leather sports seats

Premium leather with contrast stitching

Central control console
The elegantly designed console offers smooth fingertip control.

USB port
Built in connectivity for your gadgets like iPod® or MP3 player. Lets you listen to, and operate, your player via the car's audio system. (Option at extra cost with Bluetooth®, standard on Titanium). A dedicated iPod® connector cable is available as an accessory.

Choose your In Car Entertainment (ICE) pack and control it from the striking centre console.

Audio and connectivity

Mobile phone navigation
Turn your Bluetooth®-enabled mobile 'smart' phone into a navigation unit. (Option). Please visit www.ford-mobile-connectivity.com to view phone compatibility.

Remote audio controls
Your hands on the wheel and your MP3 on the right track. (Remote audio controls and MP3 controls are standard).

Pioneer premium loudspeakers
Pioneer's latest speakers offer unrivalled sound quality. (Accessory)

CD/Radio
CD/radio with multifunction display, MP3 compatibility, four front speakers, remote audio controls and AUX socket for external music devices.

Bluetooth® and USB
Bluetooth® handsfree phone and USB port with voice control and digital music streaming (Standard on Titanium).

Portable navigation
Leave your maps behind with a simple and intuitive portable GPS navigation system. Please contact your Ford Dealer for details. (Accessory)

Body colour front bumper extension and Anthracite spoiler lip*

Make a statement with this styling kit, perfectly designed to complement your Ford Fiesta and make it stand out from the crowd.

Exterior styling kit

Full exterior styling kit*

- Unique front bumper extension and spoiler lip
- Rear bumper skirt
- Side skirts
- Unique lower mesh grille
- Large rear spoiler

16" 7-spoke alloy wheel
Option at extra cost.

*Kit is available as an option at extra cost (on 3-door Titanium only) and as an accessory. All items are also available separately as accessories.

Model shown is a Ford Fiesta Titanium 3-door with Squeeze metallic paint, Titanium X Pack and full exterior styling kit (Options at extra cost)

Large rear spoiler*
Gives an aerodynamic finish to the roof line.

Rear bumper skirt*
With integrated diffuser in Anthracite.

Make a bold statement with the 17" 5-spoke alloy wheel. (Option on 1.6 Petrol Zetec S and Titanium only as part of pack).

Eibach suspension-lowering kit
Enhances driving performance and handling as well as giving a more sporty appearance. Lowers the car by approximately 30 mm. (Accessory)

Add another personal touch to your Ford Fiesta from a wide choice of dazzling wheels.

Wheels

Scuff plate

Emblazoned with the Ford logo, these scuff plates welcome and protect.

Note The 16" and 17" wheels available on Ford Fiesta are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 14" and 15" wheels.

14" wheel cover
(Standard on Studio and ECOnetic)

15" 6-spoke wheel cover
(Standard on Edge)

15" 5-spoke alloy wheel
(Option and accessory)

15" 8-spoke alloy wheel
(Standard on Zetec and accessory)

16" 5-spoke alloy wheel
(Standard on Zetec S and accessory)

16" 7-spoke alloy wheel
(Option and accessory)

16" 15-spoke alloy wheel
(Standard on Titanium)

17" 5-spoke alloy wheel
(Option on Zetec S and Titanium 1.6 Petrol Engine only as part of pack)

Thule ProRide bike carrier
Shown with Ford Boutique mountain bike. (Accessory)

Make the most of the great outdoors with a wide range of travel accessories, all available from your local Ford Dealer.

More versatility

ClimAir® sunblinds

Tailored blinds filter and reduce sun glare through the rear windows. Can be used with the window open.

Britax Römer child seat

Various seats available for all ages, also with ISOFIX.

Thule ProRide bike carrier

Lockable carrier designed for frames up to 80 mm in diameter.

Base roof load carrier

Lockable base load carrier compatible with a range of attachments.

Thule lockable roof boxes

Protect your possessions from theft and the elements. Available in different sizes.

Tow bar*

Detachable tow bar with 7 or 13 pin electrical connector kit.

Mudflaps*

Kits for front and rear.

Waecoo 12v coolbox

High-performance 12v cool boxes available in a range of sizes.

Provides luggage compartment protection. Reversible design offers choice of carpet or durable rubber surface. Ideal for carrying wet or dirty items. (Accessory)

Anti-slip boot mat

Waterproof mat protects luggage compartment from dirt, wear and tear.

ClimAir® wind deflector

Reduces turbulence and noise for a more enjoyable drive with the windows down, even when it's raining. (Accessory)

Parking distance kit*

Audible warnings help you park in tight spaces. Available for front and rear (option), or just rear. (accessory).

* Not available on Zetec S or with full exterior styling kit.

* Available on all series except Zetec S. Not available with full exterior styling kit.

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Making a difference

New low emission diesel ECONetic derivatives are now available. Ford Fiesta ECONetic delivers more than 76.3 mpg, emitting just 98 g/km of CO₂ and Ford Focus ECONetic with Auto-Start-Stop delivers more than 74 mpg, emitting just 99 g/km of CO₂.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Breathe easier

The allergy-tested interiors of Ford Fusion, Ford Focus, Ford C-MAX, Ford Kuga, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

*For more about this topic, see www.ford.com/go/sustainability

**Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner Contract Hire*** provides an affordable, convenient and flexible way to finance your business vehicle; and **Ford Insure**** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB.

**Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792), Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

⁹⁰In 4th gear. ⁹⁰Ford test figures. ⁹⁰All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with EEC Directive 1999/100/EC. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the emissions or fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Note:** All vehicles are Durashift 5-speed manual unless otherwise stated. ¹The fuel economy data published above relates to use of petrol 95 RON; use of alcohol fuel or a mixture of petrol and alcohol will lead to other fuel economy data. BP Ultimate, a range of advanced performance fuels, the perfect partner to meet the most demanding needs of Ford's class-leading technology. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels. **M5** = 5 Speed Manual, **A4** = 4 Speed Auto.

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Allergy-tested interior All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.
