

# FORD **C-MAX** + FORD **GRAND C-MAX**

Go Further

## Go Further

These two words capture the spirit of Ford and our commitment to you. We go further so that you can, too.

### 2-9 Ford kinetic Design

Ford kinetic Design is the reason why our vehicles look more exciting than ever before. Bold, dynamic lines that create energy in motion.

### 10-13 Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

### 14-15 Green

Using advanced Ford ECOnetic Technology, we're committed to creating vehicles with improved fuel economy, reduced CO<sub>2</sub> emissions and a lower overall cost of ownership.

### 16-17 Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

### 18-19 Smart

Cars that park themselves, windscreen wipers that know when it's raining – just some of the many clever solutions from Ford that make life a little easier.

### 20-25 Choose your Ford C-MAX

- Zetec
- Titanium
- Titanium X

### 26-33 Add those extra touches

- Objects of desire
- Wheels
- Infotainment
- Take a lot more

### 34 Ownership

### 35-43 Specifying your Ford C-MAX

### 44-45 Colour and trim

The Ford C-MAX is a spacious five-seater, while the larger Ford Grand C-MAX has either five or seven seats and dual sliding rear doors.

Do a lot more

The new Ford Grand C-MAX has practicality in its DNA. With dual sliding rear doors and seven seats, it helps you get the most out of family life.

**Note:** Model shown is the Grand C-MAX Titanium X in Midnight sky metallic paint (option), featuring Appearance Pack (option).

Fit a lot in

Ford Grand C-MAX's spacious and versatile interior is packed with innovative features. The centre second row seat can be neatly stowed away to allow easy walkthrough to the third row seats. Power child locks on the sliding doors and seat belt reminders on all rear seats help ensure your family stays secure.

**Note:** Model shown is the Grand C-MAX Titanium

Go a lot further

Ford ECONetic Technologies give the Ford C-MAX and Grand C-MAX better fuel economy than you would expect from such spacious cars. Ford PowerShift dual clutch automatic transmission, EcoBoost fuel-efficient petrol engines and Duratorq TDCi advanced diesel engines all help you travel much further between fill-ups\*.

**Note:** Model shown is the Grand C-MAX Titanium in Midnight Sky metallic paint (option) featuring Appearance Pack (option).  
\*See fuel and performance table in the specifications section for full details of fuel economy and CO<sub>2</sub> emissions.

Turn a lot more heads

The new Ford C-MAX is not only a highly-capable car, it's also the latest evolution of Ford kinetic Design. In short, it's the perfect blend of style and substance.

Model shown is a Ford C-MAX Titanium X in Frozen White paint (option) with Privacy Glass (option).

**Relentless testing**

Ford C-MAX and Grand C-MAX have been tested to endure a level of punishment far beyond the stresses and strains of everyday driving. For example, a total of 37 complete suspension systems were tested for the equivalent of 13 million kilometres under arduous conditions to ensure each component will stand the test of time.

**World-class dependability**

Our test vehicles were put through rigorous trials that included slamming the doors, tailgates and bonnets more than 300,000 times, spraying them with salt, dust and dirt, and subjecting them to temperatures ranging from -40°C to +80°C. Our aim? You can depend on Ford C-MAX and Grand C-MAX wherever in the world you are.

**Proven quality**

The attention to detail which has been lavished on Ford C-MAX and Grand C-MAX is immediately evident, from the exterior finish to the quality of the interior. Ford has engineered every single component for dependability, safety and strength with one objective clearly in mind – quality that’s built to last.

**Pushing the limits**

From the deep cold of a Scandinavian winter to the searing heat of the desert, the Ford C-MAX and Grand C-MAX team spent countless hours in our climate test laboratory developing, testing and pushing the boundaries so your new car performs faultlessly, whatever the conditions.

**Only the best**

Premium leather seat trim with specially-designed stitching brings an added sense of luxury. (Option on Titanium X)

**No detail too small**

Not just great to drive, but it's great to sit in too, thanks to a leading-edge interior design, high-quality materials and first class fit and finish.

**Obsessively driven**

During their development, we test drove the Ford C-MAX and Grand C-MAX the equivalent of 112 times around the globe. They are cars you can rely on, right down to the smallest ball bearing.

12,999,976 km  
9,136,765 km  
1,276,765 km  
499,892 km  
245,066 km  
112,907 km  
36,765 km  
24,159 km  
7899 km  
2408 km  
76 km

**Same sky, better view**

Enjoy a brighter, more airy interior with a full-length glass Panorama Roof. A Solar Reflect coating helps keep the interior cool, while a power-operated internal blind provides shade and privacy when required. (Standard on Titanium X)

**Torque Vectoring Control**

Torque Vectoring Control improves traction, road holding and agility when cornering by continuously optimising the engine torque distributed to each front wheel to match the amount of grip each has available. The result is greater control, particularly under difficult driving conditions. (Standard)

©Uses sensors.

Wherever life takes you, the new Ford C-MAX and Grand C-MAX will make getting there a pleasure. Designed to be as rewarding to drive as it is versatile and accommodating, there's simply no better place for you and your family to be.

A great place to be

**Designed for driving**

The instrument panel puts the most important controls and information displays exactly where you need them. Better still, it looks and feels stunning.

**Feel the power, not the shift**

Using the very latest gearbox technology, Ford PowerShift delivers the perfect combination between the convenience of an automatic and the performance normally associated with a manual. This new 6-speed dual clutch automatic transmission cleverly selects the next appropriate gear at precisely the right moment for lightning-fast gear changes, with no disruption to the flow of power. Fuel economy is improved, compared to a conventional automatic too<sup>1</sup>. It also has a manual mode that allows you to switch gears at the flick of the shifter, but without the need for a clutch pedal. (Option)

<sup>1</sup>Combined fuel consumption figure for Ford C-MAX with 2.0 Duratorq TDCi (140 PS) engine with PowerShift is 51.4 Mpg.

**Boosting efficiency**

Our turbo diesel engines include the 1.6 Duratorq TDCi 115 PS, with combined fuel consumption of 62.8 mpg\*. These are now joined by a high-efficiency EcoBoost petrol engine, which combine higher power with reduced emissions and lower fuel consumption. The 1.0 EcoBoost 125 PS delivers combined fuel consumption of 55.4mpg\*.

\*Figures for Ford C-MAX with standard 6-speed manual transmission. See page 39 for fuel economy table.

**Steering that adapts to its environment**

Ford C-MAX and Grand C-MAX's sophisticated Electric Power-Assisted Steering (EPAS) is designed to achieve a balance that's just not possible with conventional power steering systems. At parking speeds, full power is delivered for feather-light manoeuvring. Once you're on the move, it steadily weights up to just the right extent for optimum feel and control.

**Hill Start Assist**

Briefly keeps the car still so you can hill start without using the handbrake. (Standard on Titanium & Titanium X)

### Ford EcoBoost

With direct petrol injection, turbocharging and variable valve timing, Ford EcoBoost engines deliver power and torque consistent with larger displacement engines. For example, the 1.0 125 PS EcoBoost petrol engine in the C-MAX and Grand C-MAX has the same power as the 1.6 Duratec petrol engine it replaces, and yet it achieves around 25% better fuel economy and 22% lower CO<sub>2</sub> emissions.

Ford EConetic Technology is designed to reduce your cost of ownership through improved fuel economy and lower CO<sub>2</sub> emissions, without any compromise on performance or driving quality. Much of this technology is brought together in our EConetic engines, which deliver some of the lowest fuel consumption and CO<sub>2</sub> emissions in their class.

### Technology for economy and sustainability

#### Ford EConetic Technology

- Ford EcoBoost fuel-efficient petrol engines
- Ford Duratorq TDCi
- Ford PowerShift dual clutch automatic transmission – combines the efficiency of manual transmission with the convenience of a conventional automatic
- Ford Auto-Start-Stop (see left)
- Ford Smart Regenerative Charging – charges the battery every time you lift off the accelerator when driving
- Ford Electric Power-Assisted Steering – a more efficient system that uses less engine power than conventional power-assisted steering
- Active Grille Shutter – improves aerodynamics and lowers fuel consumption
- Ford Eco Mode (see left)
- Shift Indicator – advises you when to change gear for maximum fuel efficiency

#### A family of advanced engines

In addition to our multi award-winning Ford EcoBoost petrol engines, we offer two more technologically advanced engines. Our Duratorq TDCi diesel engines feature common rail systems that deliver remarkably low fuel consumption and CO<sub>2</sub> emissions\*, plus a quiet drive thanks to a two-stage fuel injection process. Our Duratec petrol engines offer you a great balance of performance and economy. They're made from ultra-light aluminium and feature state-of-the-art fuel injection for optimum fuel efficiency and reduced CO<sub>2</sub> emissions\*.

\*see specification tables for fuel economy and CO<sub>2</sub> figures

### Ford power of choice

Ford's alternative fuel vehicles all harness our latest advances in engine technology. They're the answer if you want low tax and even better fuel economy without compromising on design or drive dynamics.

International Engine of the Year  
Ford 1.0 litre EcoBoost

#### Focus Electric

Powered exclusively by a lithium-ion battery system, the Focus Electric is one of the most technologically advanced cars on the road today.

#### Ford Auto-Start-Stop

When your vehicle is idling at a standstill, the engine automatically shuts down to save fuel. When you want to drive off, the engine immediately restarts.

#### Ford Eco Mode

This intelligent driver information system helps you achieve optimum fuel efficiency.

#### Ford Duratorq TDCi

Our advanced diesel engines provide exceptional fuel economy and low CO<sub>2</sub> emissions.

(See specification tables for fuel economy and CO<sub>2</sub> figures)

### Play it safe

Beneath a stylish exterior is an ultra-rigid safety cell<sup>1)</sup>, engineered to cocoon you and your passengers wherever the journey takes you.

### Active Speed Limiter<sup>2)</sup>

Available as part of cruise control, this system lets you set your top speed within a range of 20 to 110 mph. The engine management system ensures the vehicle remains within your set limit. (Standard on Titanium & Titanium X)

Ford C-MAX and Grand C-MAX's advanced Intelligent Protection System (IPS)<sup>1)</sup> uses a range of sophisticated technologies to keep you protected, including an ultra-high strength steel safety cage<sup>1)</sup>, an anti-lock braking system (ABS)<sup>1)</sup> with electronic brake-force distribution (EBD)<sup>1)</sup> and front, side thorax and curtain airbags<sup>1)</sup>.

## Intelligent Protection System<sup>1)</sup>

### The Ford C-MAX and Grand C-MAX IPS<sup>1)</sup> includes:

1. Driver and front passenger's\* airbags <sup>1)</sup>★
2. Driver and front passenger's side thorax airbags<sup>1)</sup>
3. Side curtain airbags for both front and outer second-row rear passengers<sup>1)</sup>
4. Robust computer-optimised body structure with ultra-rigid safety cell<sup>1)</sup> and crumple zones
5. Advanced lap and diagonal inertia reel seat belts on all seats. Pre-tensioners<sup>1)</sup>, load-limiting retractors and height-adjustable mounts on front seats
6. ISOFIX child seat mountings on second row rear outer seats<sup>1)</sup>
7. Anti-submarining seat bases
8. Anti-lock brakes (ABS)<sup>1)</sup> with electronic brake-force distribution (EBD)<sup>1)</sup>
9. Electronic Stability Control (ESC)<sup>1)</sup> and Traction Control<sup>1)</sup>
10. Emergency Brake Assist (EBA)<sup>1)</sup> (included with ESP)<sup>1)</sup>
11. Emergency Brake Warning<sup>2)</sup>: the brake lights automatically flash under heavy braking as a warning to following drivers
12. Collapsible (horizontal-stroking) steering column for optimised energy absorption and leg protection

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second-row seats

\*A passenger airbag deactivation switch is available as a Dealer-fitted option.

<sup>1)</sup>Safety feature.

<sup>2)</sup>Driver assistance feature.

### Power child locks<sup>1)</sup>

Secure your most precious cargo with a flick of a switch on the driver's door. (Standard on C-MAX Titanium & Titanium X and all Grand C-MAX)

### Second and third row seat belt reminder system<sup>1)</sup>(Grand C-MAX)

To ensure the safety of your second and third row passengers, visual and audible warnings alert you if a seat belt is unfastened whilst on the move. (Standard on Grand C-MAX)

### The high life

Ford C-MAX and Grand C-MAX's elevated seating position and generous glass area give everyone on board a great view of the outside world.

**Sliding rear doors (Grand C-MAX)**

Designed to open and close smoothly with one hand, the sliding doors make life much easier. Getting small children in and out requires less effort, while tight spaces and concrete pillars in car parks are no longer a problem.

**Active Park Assist**

Ultrasonic sensors confirm whether a gap is large enough to park in, and then operate the steering while you control the pedals. (Option as part of the Convenience Pack)

**Power tailgate**

Can be opened with the tailgate handle, key fob or from the front seats. It can be programmed to open to your preferred height and will automatically stop closing if it senses an object in the way. (Option)

**Rear-view camera**

Select reverse gear and the rear-view camera activates automatically in the Sony DAB navigation display, allowing you to see objects behind your car. Special guidance graphics indicate the width and centre line of the car, based on the steering angle, for more reliable and easier manoeuvring. (Included with optional Sony DAB Navigation)

The new Ford C-MAX and Grand C-MAX have some of the most advanced technology you can find on a car. Here are a few of the insightful features that can make every journey easier and more enjoyable.

That's clever!

**Active City Stop<sup>®</sup>**

Designed to help reduce the likelihood or consequences of your car colliding with the vehicle in front in slow-moving traffic by applying the brakes if it is detected that a collision is likely. (Option and part of the Driver Assistance Pack)

**Fold flat system**

Second and third row seats fold flat in seconds, creating a spacious load area. Second row seats also slide forward and back to optimise leg room, while the seat backs tilt for improved comfort. The centre seat in the second row easily folds away to create a walk-through to the third row, or to provide a spacious 2+2+2 layout. (Grand C-MAX only)

**Driver Alert<sup>®</sup>**

The Driver Alert system is designed to warn you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, followed by a warning chime if driving alertness further declines. (Option as part of Driver Assistance Pack)

<sup>®</sup>Uses sensors.  
<sup>®</sup>Designed to operate at speeds below 20 mph.  
<sup>\*</sup>Operates at speeds over 40 mph on multi-lane roads with clearly visible lane markings.

**Lane Keeping Alert and Lane Keeping Aid<sup>®\*</sup>**

It only takes a momentary slip in concentration to drift out of your lane when driving on the highway. Lane Keeping Alert is designed to recognise when you approach the road markings without using the indicator, and alerts you with vibrations through the steering wheel. Lane Keeping Aid is designed to apply a steering torque back towards the lane you were in to help you recognise that corrective action is required. (Option, as part of Driver Assistance Pack)

**Blind Spot Information System<sup>®</sup>**

This high-tech visual aid is designed to make longer journeys a far more relaxing experience. As another vehicle – a car, van or lorry – enters your blind spot, it alerts you with a discreet warning light built into the driver's and passenger's door mirrors. (Option)

**Traffic Sign Recognition<sup>®</sup>**

Designed to automatically read standard format road-speed signs and display the posted speed limit in the HMI-enhanced cluster. (Option as part of Driver Assistance Pack)

# Zetec

The Ford C-MAX/Grand C-MAX Zetec makes a great impression inside and out, with its eye-catching style and added refinements.

**C-MAX Zetec**

- Thatcham Category 1 alarm
- FordEasyFuel – capless refuelling
- 16" 5-spoke alloy wheels
- Ford DAB audio system
- Ford SYNC with Emergency Assist, Bluetooth® and voice control
- USB connectivity
- Quickclear heated windscreen
- Body colour door mirrors with integrated side indicators
- Body colour door handles
- Electrically-operated front windows with 'bounce-back' anti-trap feature
- Air conditioning

- Trip computer
- Rake and reach adjustable steering column
- Auxiliary power socket
- Lumbar adjustment on driver seat
- Front-to-rear curtain airbags
- ISOFIX child safety seat attachments on 2nd row outer seats
- Front fog lights
- Leather steering wheel and gearshift knob

**Grand C-MAX Zetec**

(Additional to C-MAX)

- Dual sliding rear doors
- Rear parking sensors
- Power-operated child locks
- Fold away centre seat in 2nd row
- Second & third row seat belt reminder
- Electrically operated front & rear windows with 'bounce-back' anti-trap feature and global closing
- Tonneau cover

Image left shows Grand C-MAX Zetec interior with optional cruise control.  
Image above shows C-MAX/Grand C-MAX Zetec in Panther Black metallic paint (option)

Air conditioning  
(Standard)

Electrically-operated front and rear windows  
(Front - standard; Rear - standard on Grand, option as part of pack on C-MAX)

Lower front grille with chrome surround  
(Standard)

Body colour door handles  
(Standard)

Ford Easy-Fuel capless refuelling system  
(Standard)

Eco Mode  
(Standard)

# Titanium

Surround yourself with contemporary luxury and technical innovation in the stunning new Ford C-MAX/Grand C-MAX Titanium.

**C-MAX/Grand C-MAX Titanium (additional to C-MAX/Grand C-MAX Zetec)**

- 17" 15-spoke alloy wheels
- Sony DAB audio system with USB Connectivity port
- Gloss black upper and lower front grilles
- Electrically-operated front and rear windows with 'bounce-back' anti-trap feature and global closing
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Instrument cluster with Human-Machine Interface (HMI) display
- Ford Power starter button
- Auto-dimming rear-view mirror
- Ambient lighting in front compartment
- Hill Start Assist
- Rain sensing front wipers
- Automatic headlights
- Power-operated rear door child locks
- Cruise control with active speed limiter
- Deflation detection system
- Premium front and rear floor mats

Image above shows Ford C-MAX/Grand C-MAX Titanium in Midnight Sky metallic paint (option).

Dual-zone Electronic Automatic Temperature Control (DEATC)  
(Standard)

Auto-dimming rear-view mirror  
(Standard)

Ford Power Starter Button  
(Standard)

Sony DAB radio/CD audio system  
with Ford SYNC, Emergency Assist, Bluetooth®  
and voice control (Standard)

Ambient interior lighting  
(Standard)

Automatic headlights and auto-wipers  
(Standard)

Panorama roof  
(Standard)

Bi-xenon headlights  
(Standard)

Partial leather seats  
(Standard)

SYNC with Emergency Assistance\*  
(Standard)

17" 5x2-spoke alloy wheels  
(Standard)

Power-foldable door mirrors  
(Standard on Grand C-MAX)

# Titanium X

For the ultimate in comfort and new technology, look no further than Ford C-MAX/Grand C-MAX Titanium X.

**C-MAX/Grand C-MAX Titanium X (additional to Titanium)**

- 17" 5x2-spoke alloy wheels
- Panorama roof with electrically operated sunblind
- Bi-xenon headlights with Jet washers
- Partial leather seats
- Heated front seats
- Driver's power-adjustable seat
- Comfort rear seat system (5-seat C-MAX only)

Image shows Ford C-MAX/Grand C-MAX Titanium X in Moondust Silver metallic paint (option).

\*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags and rear inflatable safety belts, if equipped) or the fuel pump shut off switch is activated.

#### Luxury leather seats

Heated leather seats with power-adjustable driver's seat. (Option on Titanium X)

#### Cruise control

With steering wheel-mounted controls for extra comfort and convenience. (Standard on Titanium & Titanium X)

The new Ford C-MAX and Grand C-MAX are no ordinary cars. While offering the highest levels of comfort, quality and versatility as standard, you will find an impressive list of optional features designed to adapt perfectly to your lifestyle.

## Objects of desire

#### Bi-xenon headlights

Ford C-MAX and Grand C-MAX's Bi-xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. Also includes static cornering lights and headlight washers. (Standard on Titanium X)

#### Rear parking sensors

An audible warning helps you safely judge the distance between the rear of your car and an obstacle for easier parking and manoeuvring. (option on C-MAX, standard on Grand C-MAX)

#### Integrated sunblinds

Neatly hidden within the rear doors when not in use, the integrated sunblinds can be easily raised to protect rear occupants from the sun's rays. (Option as part of Family Pack)

#### Rear privacy glass

Dark glass in rear windows for privacy and reduced glare. (Option on C-MAX, part of Appearance Pack on Grand C-MAX)

#### Illuminated scuff plates

Stainless steel front scuff plates with blue LED-illuminated C-MAX logo both welcome you on board and protect the paintwork. (Accessory for Titanium and Titanium X)

#### Scuff plates, stainless steel

Brushed stainless steel scuff plates look great and protect your vehicle. (Option and accessory)

#### Fog lights

Cut through the gloom with Ford C-Max's powerful front fog lights. (Standard)

**Ford Individual 17" alloy wheel**  
Eye-catching 5x2-spoke alloy wheels, with a unique premium 'luster-nickel' look finish, offer the ultimate synthesis of sportiness and top-level exclusivity. (Standard on Titanium X and available as an accessory)

**Eibach suspension-lowering kit**  
Enhances driving performance and handling as well as giving a more sporty appearance. Lowers the car by approximately 30 mm. (Accessory)

Take your pick from a range of sophisticated alloy wheels, each specially designed to enhance the dynamic lines of the new Ford C-MAX.

Wheels

**Scuff plates**  
Polished stainless steel front scuff plates with 'C-MAX' logo both welcome and protect. (Accessory)

**Standard** = Standard on your vehicle.  
**Option** = Can be ordered only together with your new vehicle.  
**Accessory** = Available from your Ford Dealer.  
**Note** The 18" wheels and tyres available on Ford C-MAX are designed to deliver more sporting driving characteristics and a firmer ride quality compared to 16" and 17" wheels and tyres.  
\*Please see back cover for warranty information.

**16" 5-spoke 'Y-design' alloy wheel**  
(Standard on Zetec and available as an accessory)

**16" 7x2-spoke alloy wheel**  
(Accessory)

**16" 10x2-spoke alloy wheel**  
(Accessory).

**17" 5x2-spoke alloy wheel**  
(Accessory)

**Ford Individual 17" 5x2-spoke 'luster-nickel' look finish alloy wheel**  
(Standard on Titanium X and available as an accessory)

**17" 15-spoke alloy wheel**  
(Standard on Titanium and available as an accessory)

**18" 7-spoke alloy wheel**  
(Option and accessory)

**Ford Individual 18" 8-spoke Y-design alloy wheel in Panther Black machined-finish**  
(Accessory)

**Sony DAB audio system**

Sony DAB system with digital technology, includes Ford SYNC with Emergency Assist, Bluetooth® and voice control, and features a 4.2" TFT screen, CD player, remote audio controls, 9 premium speakers, MP3 playback capability, external AUX jack and USB connectivity port. (Standard on Titanium & Titanium X)

**Toggle controls**  
Steering wheel-mounted toggle controls let you operate the audio system and trip computer without taking your hands off the wheel.

Fill your new Ford C-MAX or Grand C-MAX with state-of-the-art sound – and connect to the outside world – with a choice of superb audio, navigation and entertainment systems. Easy to use and with exceptional performance, you don't have to think about the technology. Just sit back and enjoy it.

**Infotainment**

**Ford SYNC with Emergency Assistance\***

Enjoy hands-free communication and entertainment with Ford SYNC. The voice-controlled system allows you to play music, make and receive hands-free calls and choose contacts from your phone's contact list with remarkably simple voice commands. It will even read your incoming text messages\*\* out for you. And Bluetooth®-enabled audio-streaming means you can stream your personal music collection directly from your mobile phone or other Bluetooth®-enabled device directly to your in-car audio system. Plus the Ford Emergency Assistance feature is designed to assist the driver to place a call with the emergency services. Delivering convenience and safety, Ford SYNC's voice-activation means you will be able to keep your hands on the wheel and your eyes on the road. (Standard)

\*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed or the fuel pump shut off switch is activated.  
\*\*Text messaging feature not available in all countries.

**Ford DAB Audio system with USB connectivity**

Including Ford SYNC with Emergency Assist, Bluetooth® and voice control, DAB audio, stereo radio/CD player with 3.5" multifunctional display, remote audio controls and 6 speakers. Features include MP3 compatibility, AUX jack and USB connectivity port. (Standard on Zetec)

**Ford DAB Audio and Navigation system**

Including Ford SYNC with Emergency Assist, Bluetooth® and voice control, USB connectivity port, DAB Audio, SD Navigation system featuring a 5" TFT display and easy-to-follow audio-visual directions. (Option on Zetec)

**Sony DAB Audio and Navigation sytem**

Including Ford SYNC with Emergency Assist, Bluetooth® and voice control, USB connectivity port, Sony DAB Navigation system featuring a 5" TFT screen, enhanced instrument cluster navigation display with easy-to-follow route guidance and rear-view camera. (Option on Titanium and Titanium X)

**Note:** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. iPod® is a trademark of Apple Inc. Other trademarks and trade names are those of their respective owners.

**Note:** It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

**MP3 connection**

Connect your iPod®, MP3 player or USB stick and operate it via your Ford audio system – with track information shown on your audio display. A dedicated connector cable is available as an accessory for operating most iPods®.

**Portable navigation**

Leave your maps behind with a simple and intuitive mobile GPS navigation system. Please contact your Ford Dealer for details (accessory).

**Crossbars and roof rails (Grand C-MAX)**

Together with the stylish roof rails the crossbars form the perfect base for all roof transportation needs. (Accessory)

**Thule products for roof transportation**

Your Ford Dealer offers a wide range of high-quality Thule carrier systems and roof boxes (shown is the Dynamic 800 roof box). (Accessory)

**ClimAir® wind deflector**

Reduces turbulence and noise, allowing you a more enjoyable drive with the front windows down, even when it's raining. (Accessory)

Whatever your interests, you'll find a great range of options and accessories for your new Ford C-MAX or Grand C-MAX to help you make the most of every leisure opportunity.

Take a lot more

**1. Contoured mudflaps**

Available as sets for front and rear, these practical hard-wearing mudflaps protect the bodywork from stone chips, helping to keep your car clean by reducing road spray. (Accessory)

**2. Britax child seat with ISOFIX**

Various child seats available for all ages. (Accessory)

**3. Floor mats for all purposes**

Available in premium velour, standard carpet or rubber. (Option and accessory)

**4. Roof base carrier (C-MAX)**

This lockable aluminium carrier forms the base for all roof transportation attachments. (Accessory)

**5. Tow bar-mounted bike carrier**

(Accessory)

\*Meets European ECE-R17.07/DIN 75410-2 safety requirements.  
†Please see back cover for warranty information.

**3D rear floor mats (Grand C-MAX)**

Special single-piece 3-dimensional design for perfect fitment and protection. (Accessory)

**Reversible and foldable luggage compartment mat**

Reversible design offers choice of velour carpet or durable rubber surface. (Accessory)

**Loadspace liner**

Durable liner, designed to keep the luggage compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

**Luggage retention net\* (Grand C-MAX)**

This durable retention net keeps your items secure in the luggage compartment while you're on the move. (Accessory)

**Dog guard system\* (Grand C-MAX)**

Half-height or full-height, this modular system keeps dogs or items of luggage safely in the luggage compartment. (Accessory)

**Retractable tow bar**

The sturdy tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to the luggage compartment. (Option and Accessory)

# Making life easy

We have developed a simple three-step plan to help you choose, finance and drive your new Ford C-MAX.

# Choose

Use the form opposite to specify your new car right down to the wheels, audio, options and accessories, then take it to your Ford Dealer.

You can also specify your new car online using the Ford Configurator. It lets you instantly see what your car will look like – inside and out – from multiple angles. And a tally of your choices and their prices helps you keep to your budget.

Visit  
**[www.ford.co.uk/SBE/ConfigureYourVehicle](http://www.ford.co.uk/SBE/ConfigureYourVehicle)**

# Finance

When it comes to financing your car, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit\*\* provides straightforward finance products for your car whether you are a private or business user.

Ford Lease^ provides simple tailored funding solutions for your business. Business users only

For more information about our finance products visit  
ford.co.uk

# Drive

When you drive away in your new car, we're with you all the way. Ford has the largest authorised service network in the UK to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

## Exterior equipment 5-Seat C-MAX/7-Seat Grand C-MAX

	Zetec	Titanium	Titanium X
Exterior design features			
Door mirrors – Body colour housing, heated, electric operation, integrated side indicator	●/●	●/-	●/-
Door mirrors – Body colour housing, heated, electric operation, power fold, integrated side indicator, approach lights	□/□	□/●	□/●
BLIS – Blind Spot Information System (includes power-foldable door mirrors with approach lights)	○/○	○/○	○/○
Doors – Sliding rear passenger's (Grand C-MAX only)	-/●	-/●	-/●
Front fog lights	●/●	●/●	●/●
Rear privacy glass – Dark glass on the rear windows (Part of Appearance Pack on Grand C-MAX)	○/○	○/○	○/○
Panorama roof (includes electric sunblind)	-/-	-/-	●/●
Roof rails – Silver finish (Grand C-MAX only)	-/□	-/□	-/□
Retractable tow bar (including 13-pin electrical kit)	○/○	○/○	○/○
Wheel availability			
Alloy – 16"x7", 5-spoke 'Y' finish, 205/55 tyres	●/●	-/-	-/-
Alloy – 17"x7", 15-spoke, 215/50 tyres.	-/-	●/●	-/-
Alloy – 17"x7", 5x2-spoke, Luster-Nickel finish, 215/50 tyres	-/-	-/-	●/●
Alloy – 18"x8", 7-spoke, 235/40 tyres	-/-	○/○	○/○
Locking wheels nuts	●/●	●/●	●/●
Tyre repair kit	●/●	●/●	●/●
Spare wheel - (Mini Steel wheel) – fitted in lieu of the Tyre repair kit	○/○	○/○	○/○
Exterior convenience features			
Ford Easy-Fuel capless refuelling system	●/●	●/●	●/●
Headlights – Automatic on/off – includes automatic wipers with rain sensor, variable dimming of instrument cluster and radio screen display, auto-dimming rear-view mirror, headlight courtesy delay	-/-	●/●	●/●
Rear parking distance sensors – Rear parking sensors are standard on Grand C-MAX	○/●	○/●	○/●
Tailgate wash/wipe	●/●	●/●	●/●
Wipers – Standard with 6-speed interval settings	●/●	-/-	-/-
Automatic wipers – Automatic with rain sensor (includes automatic headlights)	-/-	●/●	●/●
Quickclear, heated front windscreen – with heated windscreen washer jets	●/●	●/●	●/●
Power lift gate	○/○	○/○	○/○
Headlights – HID bi-xenon, with automatic height levelling and jet wash (includes static cornering lights and variable dimming of instrument cluster)	-/-	-/-	●/●
Option packs			
Appearance Pack – Silver finish roof rails and privacy glass (Grand C-MAX only)	-/○	-/○	-/○
Zetec Family Pack – Integrated rear door sunblinds, front and rear LED reading lights and seatback trays	○/○	-/-	-/-
Titanium Family Pack – Integrated rear door sunblinds, seatback trays and 230V/150W power converter	-/-	○/○	○/○
City Pack – Includes Rear parking sensors and powerfold mirrors (C-MAX only)	○/-	○/-	○/-
Convenience Pack – Active park assist, front and rear parking distance sensors, electric/heated and power fold door mirrors (power fold door mirrors are standard on Grand C-Max Titanium & Titanium X) Not available in combination with City Pack	○/○	○/○	○/○
Driver Assistance Pack – (includes Active City Stop, Lane Keeping Alert, Auto High Beam, Driver Alert and Traffic Sign Recognition)	○/○	○/○	○/○

Standard, ○ = Optional, at extra cost, □ = Part of an option pack, at extra cost. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under license. Other trademarks and trade names are those of their respective owners. **Note:** The 17" and 18" wheels available on Ford C-MAX are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16" wheels.

Interior equipment 5-Seat C-MAX/7-Seat Grand C-MAX

	Zetec	Titanium	Titanium X
Interior design features			
Door lever – Satin chrome-finish (front only on Grand C-MAX)	●/●	●/●	●/●
Floor mats – Front, velour	–/–	●/●	●/●
Floor mats – 2nd row rear, velour	–/–	●/●	●/●
Floor mats – 3rd row rear, velour (Grand C-MAX only)	–/–	–/●	–/●
Gearshift knob – Leather finish	●/●	●/●	●/●
Scuff plates – Front, aluminium-finish, with 'Ford' logo	–/–	●/●	●/●
Steering column – Rake and reach adjustable	●/●	●/●	●/●
Steering wheel – 4-spoke, leather-trimmed	●/●	●/●	●/●
Audio and communication systems			
Remote audio controls	●/●	●/●	●/●
Ford DAB Audio System – 3.5" Dot Matrix display, extended integrated control panel, Ford SYNC (includes Emergency Assist, Bluetooth® & voice control and audible text messaging) with USB/iPod® connectivity port, external AUX connection for external music devices, remote audio controls, 6 speakers	●/●	–/–	–/–
Ford DAB Radio/CD Navigation system – 5" TFT display, extended integrated control panel, with Ford SYNC (includes Emergency Assist, Bluetooth® & voice control and audible text messaging), USB/iPod connectivity port, external AUX connection for external music devices, 6 speakers, remote control and MFD controls, SD memory card slot for data (e.g. music) exchange; navigation data on SD card	○/○	–/–	–/–
SONY DAB Audio System – 4.2" TFT display, branded integrated control panel, Ford SYNC (includes Emergency Assist, Bluetooth® & voice control and audible text messaging) with USB/iPod® connectivity port, external AUX connection for external music devices, remote audio and MFD controls, 9 premium speakers	–/–	●/●	●/●
Sony DAB Radio/CD Navigation System with Rear View Camera – SD navigation system with 5" TFT multi functional display, integrated control panel, Ford SYNC (includes Emergency Assist, Bluetooth® & voice control and audible text messaging) with USB/iPod® connectivity port, rear view parking camera, external AUX connection for external music devices in glovebox, 9 speakers, remote audio and MFD controls, SD memory card slot for data (e.g. music) exchange, navigation data on SD card	–/–	○/○	○/○
Rear-view parking camera – (included with Sony DAB Radio/CD Navigation system)	–/–	□ / □	□ / □
Climate control			
Air conditioning – Manual control	●/●	–/–	–/–
Air conditioning – Dual-zone electronic automatic temperature control (DEATC)	–/–	●/●	●/●
Interior convenience features			
Ford Power Starter Button	–/–	●/●	●/●
Cruise control (includes Adjustable Speed Limiting Device (ASLD)	○/○	●/●	●/●
Accessory power socket (12V)	●/●	●/●	●/●
Centre console – Mid, with sliding armrest, open stowage bins, CD storage, and additional 12V front and rear power sockets	●/●	–/–	–/–
Centre console – Premium, with sliding armrest, open stowage bins, CD storage, additional 12V front and rear power sockets, 2nd row airvents, and bright finish cup holder surrounds (includes woven headliner), Z-shape handbrake	–/–	●/●	●/●
Overhead console, expanded, with A5 stowage, sunglasses holder and child observation mirror (not available in combination with fixed panorama roof)	–/–	●/●	–/–
Overhead console with sunglasses holder and child observation mirror	–/–	–/–	●/●
Courtesy light – For front and rear passengers, overhead lights, and in load compartment.	●/●	●/●	●/●
Courtesy light – Ambient LED courtesy lighting	–/–	●/●	●/●
Courtesy light – Footwell area, front and rear reading lights	–/–	●/●	●/●
Rear-view mirror – Auto-dimming	–/–	●/●	●/●
Trip/fuel computer, incorporating exterior air temperature	●/●	●/●	●/●
Windows – Electrically-operated front and rear with one-touch lowering/closing and global opening/closing (manual rear windows on C-MAX Zetec)	–/●	●/●	●/●

Equipment

Interior equipment 5-Seat C-MAX/7-Seat Grand C-MAX

	Zetec	Titanium	Titanium X
Seats			
Front seat – Driver's manual lumbar support adjustment	●/●	●/●	●/●
Front seat – Driver's manual height and fore/aft adjustment	●/●	●/●	–/–
Front seat – Passenger's manual fore/aft adjustment	●/●	–/–	–/–
Front seat – Passenger's manual lumbar support adjustment	–/–	●/●	●/●
Front seat – Passenger's manual height and fore/aft adjustment	–/–	●/●	●/●
Front seat – Driver's electric height, fore/aft and backrest angle adjustment	–/–	–/–	●/●
Rear seats (C-MAX) – Three 2nd row individual seats, with height-adjustable head restraints, 'Tip and tumble' (all rear seats are foldable and removable) (Not available on Grand C-MAX)	●/–	●/–	–/–
Comfort rear seating - (C-MAX Only) – Three 2nd row individual seats, with 40:20:40 split back and cushion, all seats are foldable and removable, centre seat can be folded to an armrest or slide rearward to create additional space for the two outer seats (Not available with Mini Spare Wheel)	○/–	○/–	●/–
Rear seats (Grand C-MAX) – Second row outer seats tip, slide (easy entry), recline and fold to create a flat floor. The centre seat folds away to create walk-through access to 3rd row seats	–/●	–/●	–/●
3rd Row, Rear seats (Grand C-MAX) – Two 3rd row individual fold-flat seats, with height-adjustable head restraints (seats are foldable to a flat floor), also with 3-point seat belts (Grand C-MAX only)	–/●	–/●	–/●
Leather Trim – Leather trim, heated front seats, and driver's 6-way electric seat adjustment	–/–	–/–	○/○
Loadspace			
Auxiliary power socket	●/●	●/●	●/●
Tonneau cover – (Grand C-MAX only)	–/●	–/●	–/●

● = Standard, ○ = Optional, at extra cost, □ = Part of an option pack, at extra cost. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under license. \*In 4th gear. <sup>9)</sup>Ford test figures. <sup>9a)</sup>The declared fuel consumptions and CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables you to compare between different vehicle types and different manufacturers. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter. **M5** = 5-speed manual, **M6** = 6-speed manual, **A6** = 6-speed PowerShift Automatic.

\*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 75 kg on all models. **Gross Train Mass** includes trailer weight.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **†**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

**Note** Ford C-MAX does not provide a cargo net or attachment points for it behind the first or second seat row; Ford Grand C-MAX does not provide a cargo net or attachment points for it behind the first seat row, but behind the second seat row only.

**International Engine of the Year**  
Ford 1.0 litre EcoBoost

**Sub 1-litre**  
Ford 1.0 litre EcoBoost

Ford and BP – working together to reduce fuel consumption and emissions.
