

NEW CITROËN C4 PICASSO & GRAND C4 PICASSO

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1934

CITROËN revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

2014

CITROËN C4 CACTUS is launched, incorporating the innovative AIRBUMP® protection system.

Discover the models that make up CITROËN's extraordinary history, from 1919 to the present day.

The pioneering CITROËN Type A enters mass-production.

CITROËN launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous type H, above, launched in 1948.

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

The 70s and 80s see CITROËN technology triumph, with models such as the AX, BX, CX and advanced XM, a prestigious vehicle equipped with Hydractive suspension.

Winners of the manufacturer's Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers Champion four times in a row; eight manufacturer's Champion titles in WRC plus two in WTCC ... CITROËN continues to demonstrate its exceptional motorsport pedigree, year after year.

— INDIVIDUAL AMBIENCE

Everyone has an ideal interior ambience. The fundamentals of true comfort, natural light and great design will always be there, but then it gets more personal. Whether you seek dynamic boldness or refined exclusivity, you will find it inside NEW CITROËN C4 PICASSO and GRAND C4 PICASSO.

WILD BLUE AMBIENCE: THE DYNAMICS OF COMFORT.

Designed to enhance your outdoor adventures and activities, Wild Blue adds another layer of flexibility to NEW CITROËN C4 PICASSO's spacious, versatile interior. The rear seat slides, and the front passenger seat can be quickly converted into a table, giving you a perfect mobile living space when you're out and about. Standard on Feel.

DUNE BEIGE AMBIENCE: THE ESSENCE OF COMFORT.

Bright, relaxing and with a strong emphasis on pure comfort, Dune Beige allows you to really unwind and enjoy the drive. Every element contributes, such as the RELAX function, which features electric massage technology and adjustable lumbar support.

HYPE GREY AMBIENCE: COMFORT WITH ELEGANCE.

Standard on Flair models, Hype Grey is definitely business class. Filled with meticulously designed details, such as the perfectly integrated retractable rear sun blinds and gloss finish grey dashboard, this is a prestigious and pleasing place to travel in.

INNER
CALM

A PLACE
FOR EVERYTHING

A NEW KIND OF COMFORT
CITROËN ADVANCED COMFORT® delivers unrivalled comfort levels to each passenger. Using new technology and intelligent design, it's an approach that keeps you relaxed and refreshed in body and mind. In typically CITROËN style, everything that contributes to comfort has been carefully considered and rethought. Four core themes are used to create the perfect driving environment: soft contact points and noise levels, interior space and versatility, intuitive and useful technology and pure, calm comfort all round.

STRESS-FREE
TRAVEL

RELAX FUNCTION: EXCEPTIONAL COMFORT

NEW CITROËN C4 PICASSO and GRAND C4 PICASSO perfectly demonstrate CITROËN's interior expertise. Welcoming, bright, spacious and warm, they feel like home from the moment you jump in. A key part of this exceptional feel is the RELAX function*, which provides ultimate MPV comfort for everyone through inspired use of technology. Featuring electric massage and adjustable lumbar support on front seats, an electrically adjustable footrest on the front passenger seat, and three position head rests for ultimate support on both front and rear seats, everyone is assured an individually tuned, comfortable ride. Thoughtful details are everywhere, such as the rear aircraft-style tables with integral reading lights**.

Combine the advanced RELAX function* with advanced suspension and you'll enjoy an effortless balance between driving pleasure and pure refinement.

** Available with Dune Beige or Hype Grey ambience*

*** Available with Hype Grey ambience*

— SPACIOUS AND FLEXIBLE FOR GREATER COMFORT

In the rear of NEW CITROËN C4 PICASSO and GRAND C4 PICASSO you'll find three equally accommodating tilt and slide seats. Aircraft-style tables* with individual LED reading lights are integrated into the back of the front seats, providing precise, clear illumination without disturbing other passengers. Everywhere, there is usable space, for people and their belongings. Even the front passenger seat folds into a table*, or completely flat to fit really long loads.

Naturally there are plenty of useful storage spaces. In the front there's a ventilated glove box, a central compartment with audio jack, USB, and 230V socket*, and a roomy storage box between the front seats. There are also handy drawers* under each front seat for personal odds and ends. In the back you'll find two under floor storage spaces and generous seat back pockets.

** Available on selected models.*

NEW

HANDS-FREE ACCESS

One of many useful innovations in NEW CITROËN C4 PICASSO and GRAND C4 PICASSO is the hands-free tailgate. Approach the car with your hands full and all you have to do to get access to the boot is move your foot in front of the sensor mounted under the rear bumper and the tailgate will open or close. Loading just became hassle-free.

Available on selected models.

NEW ULTRA CONNECTED

Through the clear, smart phone inspired 7-inch Touch Drive interface, you can instantly access all the information offered by a new 3D navigation system, CITROËN Connect Nav. With a comprehensive range of real time navigation details, the system includes route planning, traffic information, potential hazards, weather conditions, fuel prices and even parking availability. High points such as monuments can be displayed with lifelike clarity. CITROËN Connect Nav can also read your emails and text messages audibly, so you never have to take your eyes off the road to read them.

In addition to the 7-inch Touch Drive screen, there is also a 12-inch panoramic HD display, which brings you all the vital driving information. It also allows you to see 3D navigation maps in perfect HD in large format for easy reading. An automatic zoom feature makes it safe, quick and straightforward to change direction. This impressive screen can be easily personalised to feature driving aids, multimedia or trip computer information. Wherever you go, you'll be very well connected*.

* Standard on Feel and Flair. Connection is made via a smart phone. Data charges may apply, check with your network provider. Connect Box standard from November 2016.

One third of the screen permanently displays core driving information, while the other two thirds can be personalised.

Dual zone air conditioning means that driver and front passenger can set their individual ideal temperatures.

Two thirds of the 12-inch panoramic HD screen can be personalised to display your choices, such as trip computer information or 3D navigation.

The ingenious Mirror Screen function lets you access compatible applications from your smartphone on the 7-inch Touch Drive interface* *.

**Works with CarPlay™, Android Auto and MirrorLink on compatible handsets.

360 vision gives you an all-round view of your vehicle and helps you to spot obstacles during tricky manoeuvres.

CITROËN Connect Nav brings you a wealth of traffic information in real time, such as alternative route planning, petrol stations and available car parking.

DRIVER ASSISTANCE TECHNOLOGY*

NEW SPEED LIMIT RECOGNITION SYSTEM

This technology recognises and conveys speed limits as you drive, displaying them clearly in the instrument cluster. All recorded limits can then easily be set in the cruise control or speed limiter.

360 VISION

A prime example of technology making life easier, 360 Vision uses four cameras discreetly positioned around the car to make every manoeuvre stress free. You can choose the 360-degree view that gives you a bird's eye picture of any hidden obstacle around you, rear view for accurate reversing, or front panoramic views for both the left and right sides. When it comes to narrow gaps and tricky moves, nothing stands in your way.

REVERSING CAMERA

The moment you engage reverse gear, this system brings you a clear picture of what's going on behind you, complete with visual guides to assist accurate placement. The reversing camera uses the 12-inch panoramic HD screen where this is fitted, or the 7-inch Touch Drive interface.

AUTO INTELLIGENT BEAM HEADLIGHTS

A great safety feature, your lights switch from main beam to dipped automatically when oncoming traffic is detected.

PARK ASSIST

All you need to do is find a parking space, then let Park Assist do the rest. It automatically manoeuvres the car perfectly into place while you simply look after acceleration and braking.

*Available as standard or an option depending on version. See price list for details.

— NEXT GENERATION SAFETY

NEW

ACTIVE BLIND SPOT MONITORING SYSTEM

This system gives you an instant visual warning if there's a vehicle in your side mirror's blind spot, and it's active from 10mph. If a driver doesn't react to the flashing warning and moves into the path of a hidden vehicle, Active Blind Spot Monitoring guides the steering back in the direction of safety.

NEW

ADAPTIVE CRUISE CONTROL WITH STOP FUNCTION*

Using its sensor, Adaptive Cruise Control detects the vehicle in front and automatically maintains a safe distance, selected by the driver in advance. The system will bring the car to a stop if necessary.

**This feature is available with BlueHDi 150 S&S EAT6 from November 2016 and other engines without the Stop function.*

NEW

DRIVER ATTENTION ALERT SYSTEM

An advanced safety feature, Driver Attention Alert System can sense if a driver is becoming drowsy and send clear visual and audible signals – it knows when you need a break.

NEW

ACTIVE SAFETY BRAKE

Here's a reassuring emergency system that helps you to avoid low speed collisions. It detects obstacles such as vehicles that have stopped in front of you and provides a warning of possible impact. If the driver fails to react, the system will apply the brakes automatically.

NEW

EMERGENCY COLLISION ALERT SYSTEM

Using a front mounted sensor, the Emergency Collision Alert System alerts you to the risk of a collision and operates from 20mph.

CLASS LEADING ENGINES

NEW CITROËN C4 PICASSO and GRAND C4 PICASSO feature a range of diesel and petrol engines that simply don't compromise. Strong, flexible performers, they produce competitive CO₂ emissions and achieve favourable fuel consumption figures. There are two refined and advanced PureTech petrol engines, the PureTech 110 and PureTech 130, plus three diesel options, the BlueHDI 100, 120 and 150. Each one is equipped with Stop & Start technology to minimise consumption and emissions. The optional EAT6 automatic gearbox also drives down CO₂ and maximises fuel efficiency, by managing engine speed smoothly and precisely during gear changes.

Our PureTech petrol engine was named "2016 Engine of the Year" in its category for the second consecutive year. The engine also offers one of the most comfortable driving experiences on the market – even at the lowest speeds. With 120 patents to its name, the three-cylinder Turbo PureTech petrol engine cuts fuel consumption and CO₂ emissions by 18% compared with its four-cylinder petrol predecessor. The engine holds two fuel economy records.

GOING LOWER, GOING FURTHER

Whichever engine you choose for NEW CITROËN C4 PICASSO and GRAND C4 PICASSO, you will benefit from benchmark CO₂ emissions and fuel consumption. Both BlueHDi and PureTech are designed to go lower than ever, whilst delivering inspiring performance and long distance refinement. The PureTech 130 S&S EAT6 is a clear demonstration. Combining petrol power with the relaxed driving experience offered by the EAT6 automatic gearbox, it still produces just 115g/km of CO₂. Both models can be specified with engines that achieve 99g/km CO₂ for ultimate efficiency.

CITROËN CARE

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.
