EDGE

Go Further

Visionary. Ingenious. Remarkable.
Every car bears his signature.

Henry Ford

Download the FordStand App to view the
Ford Edge Interactive Brochure.

hello

Information any way you like it.

At Ford we always like to go further. So, we've made choosing your new Ford Edge more fun, engaging and informative than ever before.

discover

This printed brochure lets you explore all the top level features available on the Ford Edge.

explore

For a fully immersive experience, simply download the FordStand App from the Google Play or App Store, to view the Ford Edge Interactive Brochure.

choose

When it comes to making your detailed choice, you will find full specifications and recommended price list in your Buyer's Guide at www.ford.co.uk

build

Build and price your new Edge to your exact specification and see how it looks at www.ford.co.uk

Use the Ford Edge Interactive Brochure
for immersive 360° views.

*For your
real life.*

The new Ford Edge is ready for your next adventure. Negotiate city streets or pack it up for the weekend. No matter where you go, **Intelligent All-Wheel Drive** provides an extra measure of confidence on every trip.

***All the space
you want.***

Use the **Ford Edge Interactive Brochure** to explore different load space options.

The Ford Edge scores big on legroom, headroom and luggage capacity. It seats five adults in supreme comfort. And with the fold-flat rear seats down, it can really offer you all the space you want.

➤ Ford Adaptive Steering
Less turn.
More control.

Learn more through our
Choose brochure.

This new generation of steering technology makes the Edge easy to manoeuvre at low speeds and in tight spaces. At higher speeds, it makes the vehicle more agile, precise and fun to drive.

➤ Collision Avoidance System

Reacts before you know it.

Learn more through our Choose brochure.

If the system detects a slow-moving or stationary object ahead, it first displays a warning and then sounds a chime. If you don't steer or brake, Ford's collision avoidance technology applies the brakes to reduce the severity of and, in some cases, eliminate frontal collisions.

➤ Active Noise Control
An oasis of calm.

Experience more with the Ford
Edge Interactive Brochure.

Sophisticated suspension and acoustic glass already help to dampen exterior sounds. **Active Noise Control** diminishes unwanted noise even further from within the cabin. Three concealed microphones detect background noise, which is then cancelled out by offset sound waves played through the in-car speakers.

➤ Intelligent All-Wheel Drive (AWD) system
Added confidence from commuting to exploring.

Learn more through our
Choose brochure.

Ford Edge's Intelligent All-Wheel Drive system continually monitors your driving environment, optimising traction whatever the surface to direct power between wheels as required.

A special cluster panel display keeps you informed of the power split and the conditions beneath front and rear wheels.

➤ Ford SYNC 2 with Voice Control and Touchscreen
Stay connected and focused.

Take an interactive tour of the SYNC 2 features.

Simple voice commands let you select music, control temperature, navigation (optional on Zetec), and make hands-free calls from your phone list. SYNC 2 will even read out your incoming text messages.

Please see your Ford dealer or www.ford.co.uk for Bluetooth/Mobile phone compatibility (mobile phone not included).

enjoy

Zt Zetec

● **Standard features:**

- 19" alloy wheels
- Power-foldable mirrors with side indicators & puddle lights
- Ford DAB Radio/CD with SYNC 2, Voice Control and colour Touchscreen

- Sports suspension
- Black roof rails

● Standard interior features in addition to Titanium:

- Sony DAB Radio/CD Navigation system
- Pedal set with aluminium covers

● 20" Black alloy wheels

● Exterior sports styling

Ford Adaptive Front lighting System with Ford Dynamic LED headlights

Helps you see around bends and identify hidden objects. Their bright white light provides an intense and uniform illumination of the road. (Option)

Front wide-view camera

Provides an extensive view from the very front of your car to the left- and right-hand sides. Particularly useful at junctions and when driving forwards out of parking spaces where your lateral view is impaired.

The optional Front wide-view camera is only available on Titanium, if the optional Sony DAB Navigation system is also selected.

Inflatable rear seat belts

Crash forces are distributed over an area five times as wide as a conventional seat belt to help to reduce the risk of injury. (Option)

Active Park Assist

Helps you park into parallel or perpendicular parking spaces. Once activated, it automatically steers you in while you operate the pedals. Plus it can even steer you out of a parallel parking space. (Option)

Hands-free tailgate

Opening or closing Edge's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the hands-free tailgate will operate without you having to touch a thing. (Option on Zetec)

The Ford Edge offers a choice between two applications of its impressive 2.0-litre Duratorq diesel engine.

Automatic

2.0 Duratorq TDCi (210 PS (154 kW))

The 210 PS engine, with twin turbochargers, is mated to the PowerShift automatic gearbox, featuring all the benefits of conventional automatic transmission, and allowing drivers the option to manually shift gears if they choose to via the steering wheel mounted paddle shift.

Maximum Power PS

210

154 (kW)

0-62 mph (secs)

9.4

CO₂ emissions (g/km)

149

Manual

2.0 Duratorq TDCi (180 PS (132 kW))

The 180 PS single turbo engine is paired to a robust 6-speed manual gearbox. Light and easy to use, this gearbox is designed to cope with high torque levels while delivering smooth and precise gear changes.

Maximum Power PS

180

132 (kW)

0-62 mph (secs)

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

¹In 4th gear. ²Ford test figures. ^{3a}the declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of european directive 80/1268/ee or the european regulation (ec) 715/2007 amended by (ec) 692/2008 as last amended. fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. a guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/> DPF = diesel particulate filter. All engines include Auto-Start-Stop. ^{3b}Vehicles with 19" Alloy wheels ^{3c}Vehicles with 20" Alloy wheels.

A smaller wheel and larger tyre makes for a quieter, more comfortable drive. A larger wheel with a smaller (low profile) tyre offers a sportier performance with enhanced handling and braking.

Load retention guard

Robust retention system keeps dogs or items of luggage safely in the load compartment (removable when not in use). Separate guards can be ordered for fitment either behind the first or the second row of seats. (Accessory)

Luggage compartment mat

Provides load compartment protection. A choice between a reversible carpet mat with the Ford Edge logo, or a durable rubber bootliner ideal for carrying wet or dirty items. It can be extended over the rear seats. (Accessory)

Detachable tow bar

For extra transport and stowage capability, the tow bar can tow up to 2,200 kg depending on engine on an 8 degree gradient. The tow bar can be detached if not in use. (Option and accessory)

Rubber front and rear floor mats

The tray-style all-weather floor mats with Edge nameplate are tailor-made to fit perfectly and protect against dirt and damp. (Accessory)

Thule®+ roof box

Designed to carry a wide variety of loads and protect them from weather and theft. Most models come with dual opening for easy access. (Accessory, available in various sizes)

Crossbars

Sturdy crossbars allow you to transport a range of loads safely and easily. Lockable crossbars are only available in combination with roof rails. (Accessory)

Thule®+ roof ski/snowboard carrier

Elegant, fully-lockable ski carrier suitable for up to six pairs of skis or three snowboards. (Accessory)

Thule®+ roof bike carrier

High-quality, easy-to-install roof bike carrier from leading manufacturer Thule®+. (Accessory)

Uebler®+ rear bike carrier

High-quality tow bar-mounted bike carrier. Features practical tilting mechanism for easy access to the load compartment. (Accessory)

ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain and whilst on the move. (Accessory)

Mudflaps

Contoured mudflaps help to keep your Ford Edge clean by protecting it from road spray and stone chips. Available as sets for front and rear. (Accessory, not available on Sport)

20" 5x2-spoke alloy wheel
(Option and accessory on Titanium only)

*Item covered by third party supplier's warranty, please see back cover for details.
