MUSTANG SHADOW EDITION

Go Further

# Dare to be different.

Distinctive, exclusive and potent, the Mustang Shadow Edition puts other sports cars in the shade. The black bonnet stripes, lower door stripes, black badging and unique 19" black painted alloy wheels, provide a striking contrast to your chosen exterior colour. Available in both Fastback and Convertible bodystyles, and powered by the legendary 5.0-litre V8, the Mustang Shadow Edition looks every bit as special as it drives.

## Equipment highlights include:

- Fastback or Convertible bodystyles
- 19" black painted alloy wheels
- Black styling pack – adds black highlights to the exterior, including bonnet stripes, lower door stripes, black Pony logo in the front grille and black '5.0' front wing badging
- Heated and cooled leather-trimmed front seats with six-way power adjustment
- Shaker Pro audio sound system with twelve premium speakers, including an 8" boot-mounted subwoofer
- SYNC 3 satellite navigation system
- Performance braking system featuring Brembo 6-piston front calipers
- Electronic line lock (track use only)
- Launch Control (manual transmission only; track use only)
- Limited slip differential
- Track Apps with accelerometer technology (track use only)
- Automatic headlights, rain-sensing wipers and auto-dimming rear-view mirror
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Rear-view camera with rear parking distance sensors
- Ford MyKey
- ISOFIX rear seats
- 5.0-litre V8 available with 6-speed manual or SelectShift automatic transmission
- Choice of Grabber Blue, Race Red, Triple Yellow\* or White Platinum\* body colours

## FORD MUSTANG SHADOW EDITION Facts & Figures

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

	Euro Stage	Maximum power @ RPM	Torque Nm	CO <sub>2</sub> emissions (g/km) <sup>100</sup>	Fuel consumption in MPG (L/100 km) <sup>100</sup>			Performance <sup>100</sup>	
					Urban	Extra Urban	Combined	Max. speed (mph)	0-62 mph (secs)
5.0L TiVCT V8 Fastback Manual	6	416 PS (306 kW) @ 6500	530	299	14.1 (20.1)	29.4 (9.6)	20.9 (13.5)	155	4.8 secs
5.0L TiVCT V8 Fastback Automatic	6	416 PS (306 kW) @ 6500	530	281	15.2 (18.6)	34.5 (8.2)	23.5 (12.0)	155	tbc
5.0L TiVCT V8 Convertible Manual	6	416 PS (306 kW) @ 6500	530	306	14.1 (20.1)	28.8 (9.8)	20.8 (13.6)	155	tbc
5.0L TiVCT V8 Convertible Automatic	6	416 PS (306 kW) @ 6500	530	289	14.2 (19.9)	32.5 (8.7)	22.1 (12.8)	155	tbc

<sup>100</sup>Ford test figures <sup>100</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dtf.gov.uk/>.

**Grabber Blue**  
Standard body colour

**White Platinum**  
Exclusive body colour\*

**Race Red**  
Standard body colour

**Triple Yellow**  
Exclusive body colour\*

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. Insurance groups are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
