

# Ford

TOURNEO CONNECT

Go Further

Visionary. Ingenious. Remarkable.  
Every vehicle bears his signature.

*Henry Ford*

Model on the left is a Ford Tourneo Connect Titanium with Solar exclusive body colour (option) and 17" alloy wheels (option).  
Model above is a Ford Grand Tourneo Connect Titanium with Metallicous exclusive body colour (option) and 17" black machined alloy wheels (option).

Life should be a balance not a compromise.

The Ford Tourneo Connect is a relaxing and comfortable place to be. Great to drive, great to sit in, it boasts premium finishes, high-quality materials and fuel efficiency without compromising everyday practicality.

Available in two sizes, the 5 seat Tourneo Connect and the 7 seat Grand Tourneo Connect, you'll find a model that fits your life perfectly.

Model shown is a Ford Tourneo Connect Titanium with Solar exclusive body colour (option) and 17" alloy wheels (option).

# Built for a long and adventurous life.

Real life is about taking the rough with the smooth. It involves the occasional bump and scrape. It's about opening and closing doors thousands of times, sitting in traffic jams and enjoying the open road.

Tested to extremes for toughness and durability, both in the laboratory and in real-world conditions, the Ford Tourneo Connect can take it all.

Model shown is a Ford Tourneo Connect Titanium with Solar exclusive body colour (option), 17" alloy wheels (option), roof rail crossbars (option) and Thule+ roof box (accessory).

+Item covered by third party supplier's warranty, please see back cover for details.

“Call John”

“Find town centre”

“I need to park”

“Listen to message”

“I need fuel”

“I’m hungry”

Use your voice like another pair of hands.

**Ford SYNC 3 with Voice Control and 6" Touchscreen**

New Ford SYNC 3 with Voice Control and 6" Touchscreen lets you control the audio system, satellite navigation<sup>®</sup> and your connected phone – all through remarkably simple voice commands. The intuitive 6" colour touchscreen display is able to integrate with your smartphone applications using AppLink, Apple CarPlay and Android Auto – allowing you to configure your home screen just the way you want it. While Emergency Assistance\* will help occupants place an emergency call to provide the emergency services with vehicle location in their own language. (Option)

<sup>®</sup>Satellite navigation is included with ICE Feature Pack 9 on Zetec and Titanium (option).  
 \*Ford Emergency Assistance operates in over 40 European countries. This feature works when paired with a compatible connected mobile phone that is with you and switched on when an airbag is deployed or a sensor that registers a crash deactivates the fuel pump. SYNC AppLink and Emergency Assistance are not supported by all European languages. See your local Ford website for latest information.  
 Please note: Full Ford SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

Petrol or diesel?

We've made both options equally tempting.

### 1.0 Ford EcoBoost petrol

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger traditional engines, but with much better fuel economy and lower emissions. Not available on Grand Tourneo Connect.

### 1.5 Duratorq TDCi diesel

Our 100PS and 120PS TDCi diesel engines impress with their refined power and superb efficiency. Cruising on the motorway or out on the highways and byways, their smooth torque delivery is invaluable on inclines or when overtaking. Both the 100PS and 120 PS 1.5 TDCi diesel engines are also available with a choice of manual or automatic transmission.

# Surround yourself with smart ideas.

At Ford, the smart ideas are the ones that make your life a little easier. In the Tourneo Connect, you'll find front and rear parking sensors, auto headlights and wipers and a rear-view camera. Another innovative programmable feature is MyKey®, which lets you tailor vehicle settings to suit individual users and encourages safer driving. There's also a multitude of storage compartments, including underfloor stowage and a hidden compartment in the instrument panel that can store and charge your portable electronic devices.

**Features listed above are optional and availability varies by series.**  
**Note:** Image shows automatic transmission, option on selected diesel models. Image also shows optional SYNC 3 with Satellite Navigation, DEATC and Medium Stone interior (Medium Stone interior is available on Titanium series).

# Flexibility is the mother of convenience.

The seats in the Tourneo and Grand Tourneo Connect take adaptability to a new level. The Tourneo second row seats are split 60:40. The seat backs fold flat and the whole seat tumbles forward or can be removed. In the Grand Tourneo Connect the second row drops flat for easy access to the third row, which can also be folded flat to create a totally level surface to make room for larger loads. Handy stowage solutions, including overhead lockers for your passengers' belongings, keep the cabin clutter free. From 7 adults to a kayak, and most things in between, if you need to move it, the Tourneo and Grand Tourneo Connect can take it.

1. Secure high-level stowage space\*
2. Aircraft style overhead lockers\*
3. Overhead stowage\*

\* Not all features are available on all models. Contact your Ford Dealer for more information.

## Zetec

### Key exterior features

- 16" steel wheels with full wheel covers
- Electrically-operated and heated door mirrors
- Front fog lights
- "Quickclear" heated windscreen and washer jets
- Body colour front bumper
- Power door deadlocks with remote central / double locking
- Immobiliser
- Dual sliding rear doors with rear liftgate
- Ford Easy-Fuel capless refuelling system

### Key interior features

- Power second row windows
- DAB radio/CD system with 3.5" dot-matrix multi-function display, MP3 capability, SYNC 1 with Emergency Assistance, Bluetooth® with Voice Control and six speakers
- Manual air conditioning
- Front dome light with two map lights
- 12V AUX power point in front and rear
- 8 way drivers seat with fore/aft, recline, height and lumbar adjustment
- Rake and reach adjustable steering column
- Front floor mats
- Front overhead shelf and instrument panel stowage box

### Engines:

- 1.5 TDCi 100 PS (74 kW)
- 1.5 TDCi 120 PS (88 kW)
- Automatic transmission available as an option on 100PS and 120PS TDCi diesel

### Key Options available:

- Sport styling kit, City safety pack, Front and rear parking aids

**Note** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

**Electrically-operated and heated door mirrors**

(Standard)

## Titanium

### Exterior features in addition to Zetec

- 16" 5-spoke alloy wheels
- Body colour door handles, bodyside mouldings and rear bumper
- Panorama roof and rear privacy glass
- Integrated roof rails
- Electrically-operated, auto-fold and heated body colour door mirrors
- Active City Stop
- Rear parking distance sensors
- Auto-headlamps & rain-sensing wipers
- Static cornering front fog lamps

### Interior features in addition to Zetec

- One-touch up/down power front windows with global opening/closing
- Child observation mirror
- Front floor mats
- Cruise control
- Leather-trimmed steering wheel & gearknob
- Auto-dimming rear-view mirror
- Chrome door handles
- Drivers seat armrest

### Engines:

- 1.0 Ford EcoBoost 100PS (74kW) (not available on Grand Tourneo Connect)
- 1.5 TDCi 100 PS (74 kW) (not available on Grand Tourneo Connect)
- 1.5 TDCi 120 PS (88 kW)
- Automatic transmission available as an option on 120PS TDCi diesel

### Key options:

- Dual automatic temperature control, 17" alloy wheels, SYNC 3 with Satellite Navigation

### Panorama roof with privacy glass

(Standard)

Image on far left shows Dual Automatic Temperature Control (option)

Designed to demist the screen in seconds, even on frosty mornings.

## Interior guide

Ford Tourneo Connect Titanium comes with a wealth of useful features to help make your life a little easier and delivers the most connected and enjoyable driving experience. Amongst the features you'll find (dependent on series) are:

- Leather-trimmed steering wheel with audio and cruise control toggles
- Leather-trimmed gearshift knob
- DAB Radio/CD with 6" touchscreen, MP3 capability, navigation and Ford SYNC 3 with Emergency Assistance, USB, Bluetooth® with Voice Control, AppLink, Apple Car Play, Android Auto and six speakers (option)
- Rear view camera (option)
- Dual-zone Electronic Automatic Temperature Control (DEATC) (optional)
- Trip computer
- Dual front cup holders
- 12 V power point in instrument panel
- Glovebox with illumination
- Drivers's instrument panel storage compartment
- Driver's sunglasses holder
- Quickclear heated windscreen
- Cruise control with Speed Limiter
- Height- and reach-adjustable steering column
- 1.5-litre bottle holder in door
- Card/ticket holders in lower instrument panel

## Audio technology

DAB Radio/CD with 6" touchscreen, navigation and Ford SYNC 3 with Emergency Assistance\*, USB and Bluetooth® connectivity with Voice Control, six speakers and rear-view camera. (Option)

**Shown left and right: DAB radio/CD with Ford SYNC 3 and 6" Touchscreen colour multi-functional display.**

\*Ford Emergency Assistance operates in over 40 European countries. This feature works when paired with a compatible connected mobile phone that is with you and switched on when an airbag is deployed or a sensor that registers a crash deactivates the fuel pump. SYNC AppLink and Emergency Assistance are not supported by all European languages. See your local Ford website for latest information.

Please note: Full Ford SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

Delete Third row seats	-	-	○	○

● = Standard, ○ = Option, at extra cost, □ = Part of an option pack, at extra cost.

### Folding seats

The seats in the Tourneo Connect take adaptability to a new level. Second and third row rear seats in Grand Tourneo fold flat, creating a myriad of passenger and load-carrying possibilities. Second row seats in Tourneo fold and tip to maximise luggage area and all rear seat backs tilt to optimise passenger comfort. In the Zetec series the front passenger seat can be folded forward to form a convenient flat surface or load-through area.

## Stowage space

Loadspace	Tourneo Connect		Grand Tourneo Connect	
	Zetec	Titanium	Zetec	Titanium
Horizontal cargo net for the load compartment floor	●	●	●	●
Front overhead parcel shelf	●	●	●	●

● = Standard, ○ = Option, at extra cost, □ = Part of an option pack, at extra cost.

<sup>0</sup>Uses sensors.

<sup>1</sup>Safety feature.

<sup>2</sup>Driver assistance feature.

\*Towing capacity depends on engine and vehicle series, please refer to vehicle weight and load specifications.

### Rear-view camera

Select reverse and the view from the rear-view camera (option) is displayed automatically in the SYNC screen (option). Marker lines overlaid on the camera image indicate where the vehicle is heading and help when reversing into a parking space or hitching up a trailer.

### Tow bar, fixed or detachable

Subjected to rigorous testing to ensure the highest safety standards. Towing capacity with a braked trailer is up to 1,200kg\* (Option and accessory)

### Traction Control<sup>1)</sup>

If wheel slip is detected at low speed, this system can distribute torque to the wheel with most traction. (Standard)

### Trailer Sway Control<sup>1)</sup>

When it detects trailer sway, the system is designed to reduce engine torque and apply the brakes to the appropriate wheel(s) to help maintain control. (Standard with Ford factory-fit tow bar)

### Hill Start Assist<sup>2)</sup>

Designed to prevent you from rolling down a slope temporarily when you move your foot from the brake pedal to the accelerator. It works in forward and reverse gears, so is ideal for towing when pulling heavy items and equipment for outdoor pursuits. (Standard)

### Electronic Stability Control (ESC)<sup>0)</sup>

ESC is designed to help you maintain control in unpredictable driving conditions. It senses when the vehicle is deviating from your chosen line and aims to keep you on track by automatically regulating engine output. (Standard)

### Emergency Brake Assist<sup>0)</sup>

Senses an emergency braking situation and increases the pressure within the braking system to ensure maximum stopping power is used. (Standard)

Model shown is a Ford Grand Tourneo Connect Zetec with Sport Pack, Panorama roof and privacy glass (options).

\*Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger airbag. The safest place for children is properly restrained on the rear seat.

†Uses sensors.

## Intelligent Protection System<sup>†</sup>

Awarded the NCAP 5-star rating, Ford Tourneo Connect's advanced IPS uses a range of sophisticated technologies designed to keep you protected, including an ultra-high strength steel safety cage, an anti-lock braking system with Emergency Brake Assist and front, side and curtain airbags.

### The Ford Tourneo Connect IPS includes:

1. Driver and front passenger airbags<sup>♦</sup>
2. Driver and front passenger side impact airbags
3. Side curtain airbags for front and rear seats (including third row on 7-seater)
4. Collapsible steering column and pedals for optimised protection of driver's legs and feet
5. Electronic Stability Control with anti-lock brakes, electronic brake-force distribution and Emergency Brake Assist
6. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
7. Pre-tensioners, load-limiting retractors and height-adjustable mounts on front seat belts
8. Anti-submarining seat bases

\*Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag.

### Ford Blind Spot Information System<sup>2)</sup>† and Cross Traffic Alert<sup>2)</sup>

The **Ford Blind Spot Information System** alerts you via discreet warning lights built into the door mirrors, when another vehicle enters your blind spot while driving. Similarly, as you reverse from a perpendicular parking space, **Cross Traffic Alert** scans left and right. If a moving vehicle or other hazard is detected, visual and audible alert warnings are given. (Part of an option pack)

### Traffic Sign Recognition<sup>2)</sup>

Designed to automatically read standard format road-speed signs and display the last posted speed limit in the driver's instrument cluster. Also available with optional Satellite Navigation for enhanced traffic sign recognition. (Part of an option pack)

<sup>2)</sup>Uses sensors.

<sup>1)</sup>Designed to operate at speeds above 10 km/h.

<sup>2)</sup>Driver assistance feature.

● = Standard, ○ = Optional, <sup>1)</sup>Safety feature, <sup>2)</sup>Driver assistance.

### Active City Stop<sup>2)</sup>

Designed to help reduce the likelihood or consequences of your vehicle colliding with the vehicle in front in slow-moving traffic. Applies emergency braking if it is detected that a collision is likely. (Standard on Titanium)

### Lane Keeping Alert and Lane Keeping Aid<sup>2)</sup>

It only takes a momentary slip in concentration to drift out of your lane when driving on the highway. Lane Keeping Alert is designed to recognise when you approach the road markings without using the indicator, and alerts you with vibrations through the steering wheel. Lane Keeping Aid is designed to apply a steering torque back towards the lane you were in to help you recognise that corrective action is required. (Option)

## See round corners.

### Static cornering fog lights

Designed to provide additional illumination of the area to the side of the vehicle when cornering, making night-time parking and turning safer. (Option on Zetec, standard on Titanium)

## Fuel and performance

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

	Euro Stage	Transmission	Maximum Power PS (kW)	Torque Nm	CO <sub>2</sub> emissions (g/km) <sup>90</sup>	Fuel consumption mpg (L/100km) <sup>90</sup>			Performance <sup>9</sup> Max. speed (mph)

\*Ford test figures. Note: All Euro stage engines are stage VI. <sup>90</sup>The declared Fuel/Energy Consumptions and CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption and CO<sub>2</sub> emissions. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk> **Note** All engines are Euro Stage VI emissions. All petrol engines are equipped with a catalytic converter.

# 50.4 mpg\*

### Ford EcoBoost engine

Ford EcoBoost petrol technology gives you the power of a bigger engine with the fuel economy and emissions of a smaller one. The latest ultra-efficient, 3-cylinder 1.0-litre Ford EcoBoost engine produces an impressive 100 PS, yet it delivers a combined fuel consumption of just 50.4 mpg and CO<sub>2</sub> emissions of only 129 g/km.

\*1.0 EcoBoost 100 PS with standard Auto-Start-Stop.

Payload = Gross vehicle mass, less kerbweights. All kerbweights quoted in this brochure are subject to manufacturing tolerances and are for Base models with minimum equipment. Zetec and Titanium models will have greater kerbweights and, therefore, lower payloads due to the increased amount of standard equipment. Any additional options specified on the vehicle will reduce the payload accordingly. #Represents the lightest kerbweight assuming no driver (industry standard 75 kg) full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Note All engines are fitted with a standard vDPF (vapouriser Diesel Particulate Filter (vDPF)). \*\*Max Towable Mass will need to be reduced if maximum payload is achieved so as not to exceed maximum GTM.

## Enhanced versatility

### Thule®+ attachments

Choose from a wide variety of roof boxes and bike carriers. (Accessory)

### Roof cross bars, for roof rails

Aerodynamic-shaped aluminium profiles, for all attachments such as roof boxes, bike carriers and ski racks. (Option and accessory)

### Tow bar, fixed or detachable

For extra transport and stowage capability, the tow bar can tow up to 1,200 kg\* depending on engine. A detachable tow bar is also available that can be detached if not in use. (Option and accessory)

### Sport styling kit

Highlights include 17" alloy wheels, additional skid plates for the front and rear, plus many more features. Please refer to exterior specifications for details. (Option)

### ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain and whilst on the move. (Accessory)

### Mud flaps

Contoured mudflaps help to keep your Ford Tourneo Connect clean by reducing road spray and stone chips. Available as sets for front and rear. (Option and accessory)

### Load compartment tray

Durable tray, designed to keep the luggage compartment clean and tidy, ideal for transporting wet or dirty items (available as accessory for all 5-seater variants).

### Rubber floor mats

Rubber floor mats are tailor-made to fit your Ford perfectly and protect against dirt and damp. (Accessory)

+Item covered by third party supplier's warranty, please see back cover for details.

\*Towing capacity depends on engine and vehicle series, please refer to vehicle weight and load specifications.

## Choose

Specify your new car right down to the wheels, audio, options and accessories then visit your Ford dealer.

You can specify your new car online using the Ford Configurator. It lets you instantly see what your car will look like – inside and out – from multiple angles. And a tally of your choices and their prices helps you keep to your budget. Visit [www.ford.co.uk/ConfigureyourCar](http://www.ford.co.uk/ConfigureyourCar)

## Finance

When it comes to financing your car, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit provides a range of finance products for your car whether you are a private or business user.

Ford Lease specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business. Business users only.

For more information about our finance products visit [www.ford.co.uk](http://www.ford.co.uk)

## Drive

When you drive away in your new car, we're with you all the way. Ford has the largest authorised service network in the UK to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

## Contact

Ford Credit Customer Services 0345 712 5490

Ford Lease Customer Services 0344 600 1405

Calls to 0344 and 0345 numbers are charged at the same rate as standard 01 or 02 geographic numbers, even when calling from a mobile.

To configure your Ford online visit [www.ford.co.uk/ConfigureyourCar](http://www.ford.co.uk/ConfigureyourCar)

To look at finance for your Ford visit [www.fordcredit.co.uk/BuyingAndProtectingYourFord](http://www.fordcredit.co.uk/BuyingAndProtectingYourFord)  
Business users visit [www.ford.co.uk/FordFleet](http://www.ford.co.uk/FordFleet)

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
