

MY 2008 GBR en

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation. **Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. ***Ford Information Service.** Calls are charged at national rate and may be recorded for training purposes.

Allergy-tested interior
All materials used in the manufacture of the interior of the Ford Focus meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.

Ford recommends BP.

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Note Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional.

This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers [MARKET NOTE – THE FOLLOWING COPY IS OPTIONAL, SUBJECT TO LOCAL LEGAL REVIEW] and do not lie within the responsibility of Ford.

'Note: A child seat should never be placed on the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

The Studio starts the Ford Focus range with a stylish and spacious package.

- New Ford kinetic Design exterior styling
- Chrome bonnet appliqué
- Ford Intelligent Protection System (IPS)♦, including driver and passenger's front airbags, and side airbags
- Anti-lock brakes (ABS) with Electronic Brake-force Distribution (EBD)
- Electronic Stability Programme (ESP)
- Independent Control Blade multi-link rear suspension
- Electrically-operated door mirrors with side turn indicators
- Audio pre-equipment pack
- Remote control central locking
- Power-operated front windows

Add a little extra flair with the Ford Focus Style, an eye-catching blend of comfort, practicality and elegance.

Additional to Studio

- Electrically-operated and heated door mirrors with side turn indicators and body colour housings
- Front fog lights
- Air conditioning
- Steering wheel with silver-effect accents
- Trip/fuel computer
- Remote audio controls
- Sporty instrument cluster design with satin aluminium-finish trim rings
- Aluminium-finish interior door handles and handbrake release button
- Roof curtain airbags
- Attractive option packs

With sports suspension, and a choice of lively high-output engines, the Ford Focus Zetec represents the definitive drivers car.

Additional to Style

- 7x16" 5-spoke alloy wheels
- Quickclear heated windscreen
- Sports Suspension
- Perimeter Alarm
- Sports-style front seats
- Dark headlamp surrounds
- Body colour rear spoiler (3-/5-door models)
- Driver Lumbar adjust
- Premium centre console with integrated stowage box and armrest

With its modern interpretation of refinement and technology, the sophisticated Ford Focus Titanium just begs to be driven.

Additional to Zetec

- 7x16" multi-spoke alloy wheels
- Sony CD audio system
- Electrically-operated rear windows with global opening and closing
- Privacy Glass (Not 4-door models)
- Thatcham Category 1 alarm
- Automatic headlight control
- Rain-sensing wipers
- Auto-dimming rear-view mirror
- Chrome grille
- Leather gear knob
- Aluminium scuff plates
- Front floor mats

Love driving? Then the sensational Ford Focus ST is for you. With 225 PS of turbocharged power and the looks to match, this is one hot, yet remarkably civilised, car.

Standard features

- 8x18" 5-spoke alloy wheels with 225/40 WR18 Continental tyres
- 2.5 Duratec ST turbocharged engine
- Exclusive ST sports bodystyling
- Front fog lights
- Unique sports interior styling, including Recaro front sports seats with driver's 8-way adjustment and manual lumbar support
- Unique ST-design leather-wrapped sports steering wheel
- Performance suspension
- High-performance front and rear disc brakes
- Unique interior seat trim and exterior colours

*In 4th gear. ^o Ford test figures. ^{oo} All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are tested in accordance with 80/1268/EEC as amended. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Core equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 50 km/h, average 19 km/h over a theoretical distance of 4 km. **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 120 km/h over a distance of 7 km. **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part. **Note** All vehicles are 5-speed manual unless stated, and petrol engines are equipped with a catalytic converter. DPF = Diesel Particulate Filter. ¹⁾ The fuel economy data published above relate to use of petrol 95 RON; use of alcohol fuel or a mixture of petrol and alcohol will lead to other fuel economy data. ^{ooo}Tested in accordance with ISO 1585. ^{**}With transient overboost. ^{***} = Optional transmission. **Note** Ranges shown are dependent on bodystyle. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Roof rack load is a maximum of 75 kg on all models. Nose weight limit is a maximum of 75 kg on all models.

Dimensions

	3 and 5-door	4-door	Estate	ST
Exterior (mm)				
Overall length	4337	4481	4468	4357
Overall width with mirrors	2019	2019	2019	1991
