

Fast and Agile

Ford's famed 2.3-litre EcoBoost turbo engine is the most powerful ever offered for a Focus ST, using advanced turbocharging technology delivering 206kW of power and 420Nm of torque².

Take Your Pick

For the first time, the new Focus ST is available with a new 7-speed automatic transmission and 6-speed manual transmission. This along with Adaptive Shift Scheduling, which alters gearshift timings depending on different driving styles, delivers driving performance that is optimised whether you're on the road or the track.

Ride Quality

The Focus ST comes armed with Ford's sophisticated Continuously Controlled Damping technology. This smart system continuously monitors vehicle suspension. It then adjusts individual damping responses to deliver enhanced comfort and outstanding driving dynamics.

Faster Off The Line

Designed to deliver a consistent take off and maximise acceleration off the line, Focus ST is equipped with Launch Control. Set the maximum rpm for the engine and you can put your foot flat on the throttle whilst the car holds your desired engine evolution.

Notes

BUILT TO PERFORM

Blending track-day performance with everyday driving fun, Ford Performance have engineered the 2020 Focus ST hot-hatch to make the most of every driving experience. 2143.4 km 🔊 🗈 26 ° Drive mode 💥 🗟 🗐 🗞 Sport

Drive Modes

With Selectable Drive Modes, including Normal, Slippery, Sport and Track, you can seamlessly change between drive modes that suit the driving conditions and your driving scenario at the push of a button.

Take The Driver's Seat

So you get the most out of your Focus ST, it comes with race-inspired RECARO sport seats. Highly supportive, these seats are optimised to give you the perfect position for every drive.

No Strings Attached

No need for cables thanks to the sophisticated wireless charging pad. Charge your compatible device just by placing it on the pad.

Stay Focused

The Focus' 180-degree split view camera gives you incredible awareness of your surroundings. You'll be able to spot hazards that can't be seen over your shoulder or in the mirrors.

Listen Up

Not only does the Focus look good, it sounds good too, thanks to the B&O PLAY sound system. With 10 premium speakers it will transform your road trip with any playlist.

Speak Up

It's all in the power of the voice. With Apple CarPlay and Android Auto you'll be able to control music, hear text messages and find your nearest restaurant, all with voice commands⁷. Plus, the SYNC[®]3 system allows you to set and clear directions and view traffic conditions.

2020 Fiesta ST

Looking for something smaller but just as exciting? The new Ford Fiesta ST is the most responsive, engaging and fun-to-drive Fiesta ST ever. Featuring a range of sports technologies that enhance power, performance, cornering and agility, for a thrilling driving experience.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured

1. The 2.3L EcoBoost must be filled with 95RON (or EI0) as a minimum. 2. All performance data for petrol models measured using 98RON fuel. 3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 4. Capless refueling with misfuel inhibitor. 5. Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Sin Eyes Free, IPod and IPhone are trademarks of Apple Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Autial Pty Ltd (Intelematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangement with Intelematics case for any reason. 8. Not all SYNC® and SYNC® features are compatible with all phones. For compatibility, see ford com.u/sync. 9. Wireless Charging not compatible with all phones. 10. Driver-assist features are supplemental and on out replace the driver's attention, judgment and need to control the vehicle. Way not operate in some driving and Cyclist Detection operates at speeds between 5km/hand 80km/h. 12. Dynamic Stability Control also known as Electronic Stability Control. 13. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pumpshut off.

FORD SERVICE BENEFITS

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do. Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

This brochure details specifications and features of the 2020.25MY Focus ST. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire2020.25MY Focus ST. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford⁴ reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any lability to any prospective purchasers. The latest specifications sheet should be refered to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
