1. AM RADIO

Excellent reception of AM stations. All transistor receiver. Available as a three-box system for ALL MODELS. Radio chassis kit — Basic Part No. 18806. Radio antenna kit — Basic Part No. 18813. Radio speaker and hardware kit — Basic Part No. 18819. Complete single package radio kits available for prior model years — Basic Part No. 18805.

2. AM/FM MONAURAL RADIO

Push-button, all-transistor receiver. Fine FM listening for the economy-minded. Handsome dial grouping harmonizes with instrument panel. MAVERICK (illustrated) — COMET, MUSTANG II, PINTO (now shown). Chassis — Basic Part No. 18806. Antenna Kit — Basic Part No. 18813. Radio Speaker and Hardware Kit — Basic Part No. 18819.

3. AM/FM MULTIPLEX STEREO RADIO

Enjoy high-quality sound through the four speaker output of this new car radio. 5 x 10 push-button selection provides 5 AM and 5 FM pre-selected stations. All-transistor unit comes as a three-box system for ALL MODELS. Radio chassis kit — Basic Part No. 18806. Speaker and Hardware Kit — Basic Part No. 18819. Antenna Kit — Basic Part No. 18813.

4. AM/FM MULTIPLEX STEREO RADIO TAPE SYSTEM

Excellent sound performance from this precision-built AM/FM stereo radio and 8 track tape system. Easy tape operation. Available as a three-box system for COUGAR, FORD, GRANADA, LINCOLN-CONTINENTAL*, MARK IV*, MERCURY (illustrated), MONTEGO, MONARCH, MUSTANG II, TORINO and THUNDERBIRD*. Radio chassis kit — Basic Part No. 18806. Radio antenna kit — Basic Part No. 18813. Radio speaker and hardware kit — Basic Part No. 18819.

*Chassis only required.

REAR SEAT SPEAKERS — AM RADIO (not shown)

Extra speakers to increase your in-car field of sound. Dual or single, designed to blend with interior decor. Selected models. Basic Part No. 18875.

ELECTRIC ANTENNA (not shown)

Great convenience and easy interior control of antenna length. Chrome finished. Available all models except Capri, Lincoln-Continental, Mark IV, Pinto, Thunderbird and Station Wagons. Basic Part No. 18813.

AM/FM MULTIPLEX STEREO RADIO — CAPRI (not shown)

Designed for classic, compact CAPRI, full stereo sound for FM reception. Chassis — Basic Part No. 18806. Antenna Kit — Basic Part No. 18813. Speaker and hardware kit — Basic Part No. 18819.

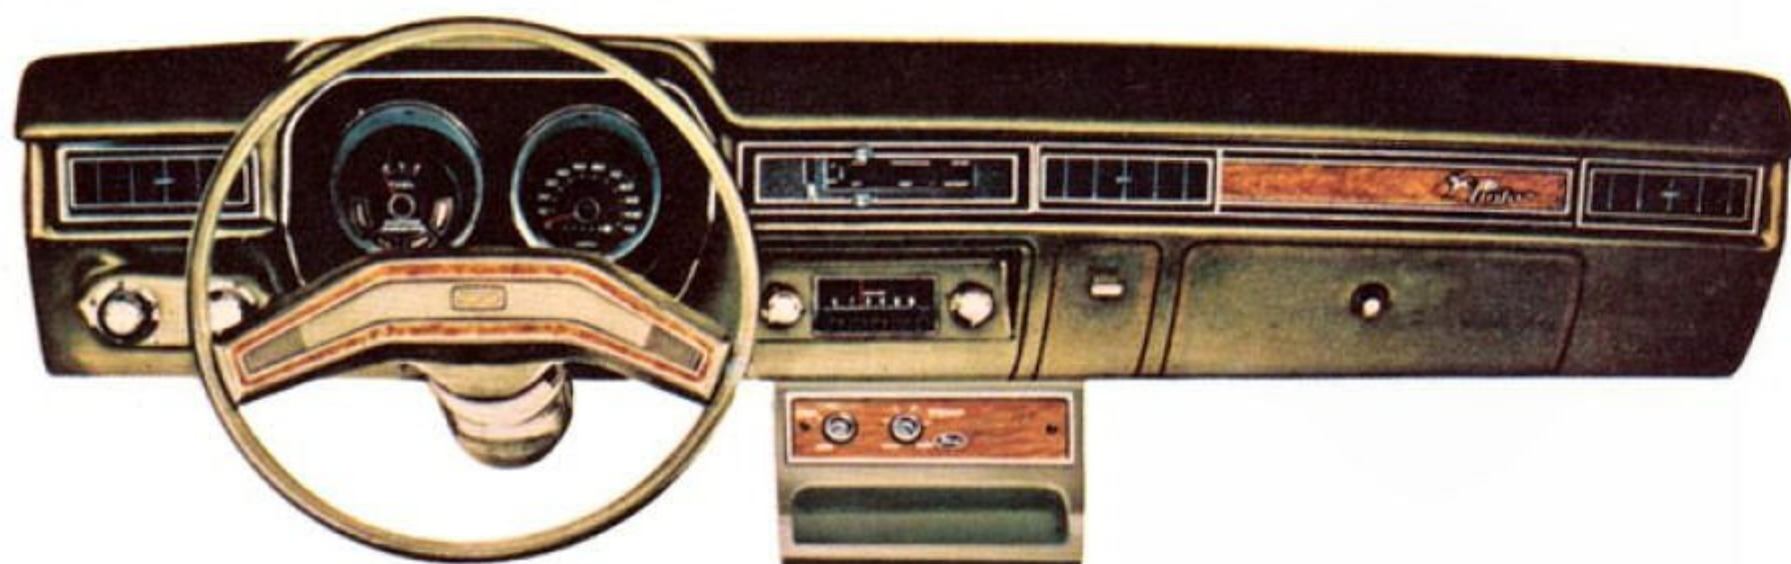

FORD STEREO 8 TAPE CLUB (not shown)

Enjoy the finest in 8-track tapes at reduced cost by joining the Ford Stereo 8 Tape Club. Full information by writing Ford Stereo 8 Tape Club, Box 26883, Lawrence, Indiana 46216.

ALL MODELS FEATURE:

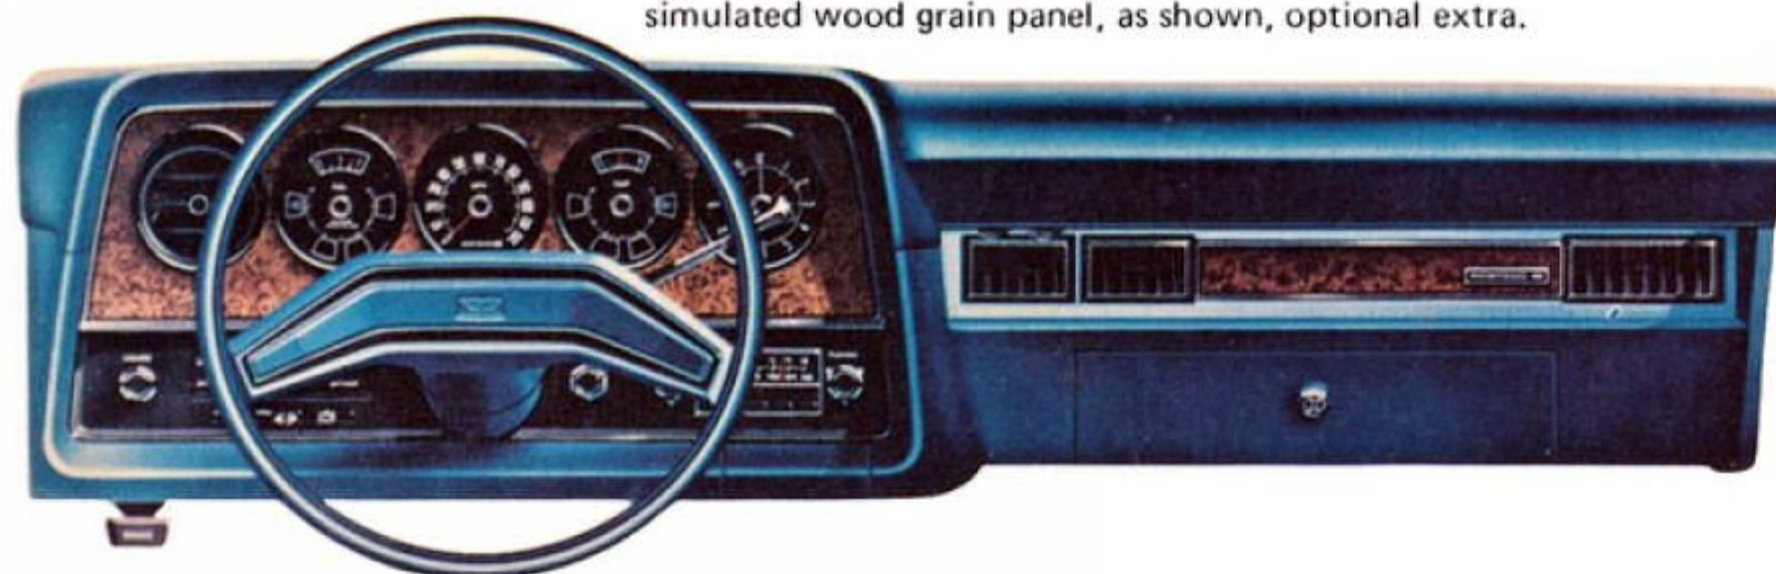

- FULL CHOICE BLOWER SPEEDS — High air output for rapid cooling. Lower speeds for moderate cooling.
- COMFORT-RANGE SELECTION — Dial desired temperature.

PINTO Built-in model. Tailored for optimum efficiency in Pinto.

COUGAR/MONTEGO/TORINO

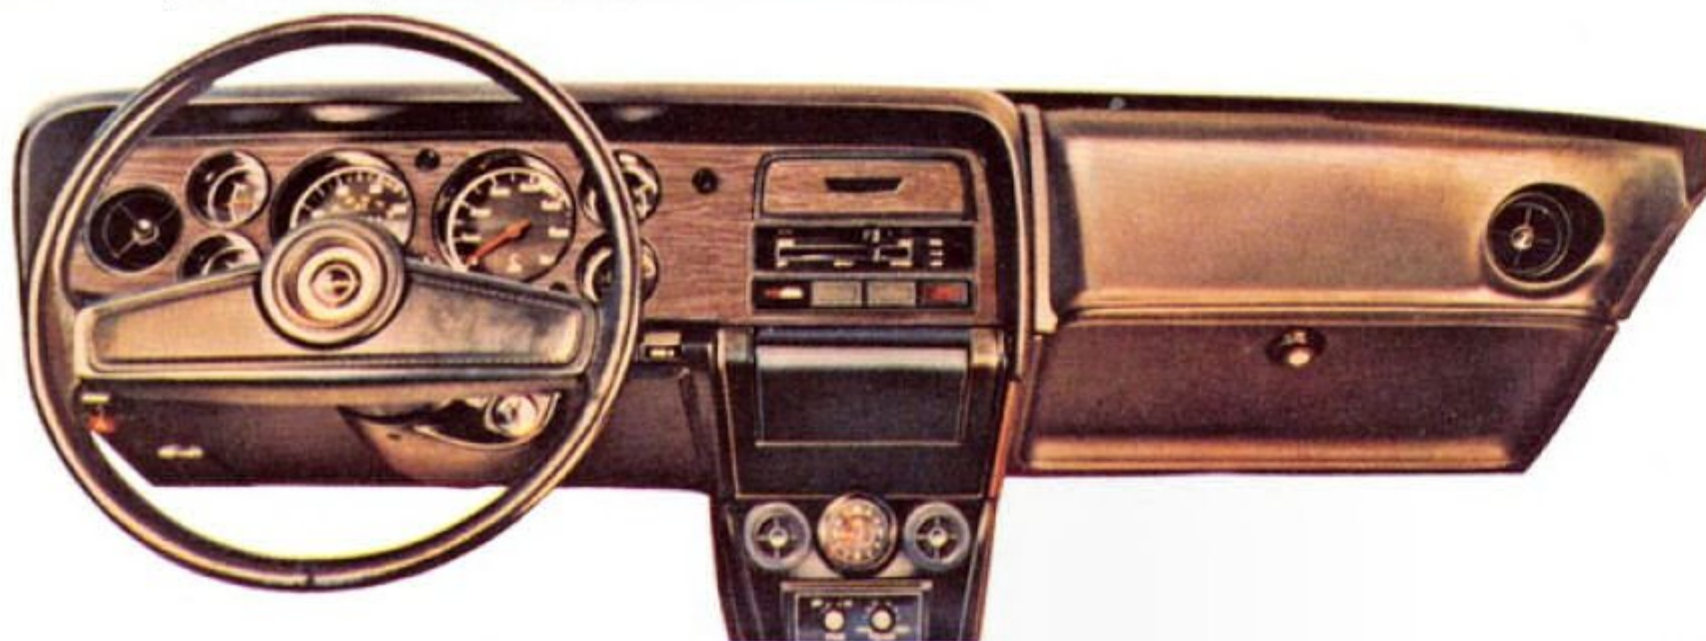

Custom design with simulated wood grain accents. Utilizes existing registers for fully controlled cooling. Right hand simulated wood grain panel, as shown, optional extra.

FORD Simulated wood grain accent control panel blends with car interior. LTD (illustrated); not available on Landau Models. Custom built-in using existing panel registers. Choice of three blower speeds with temperature set dial.

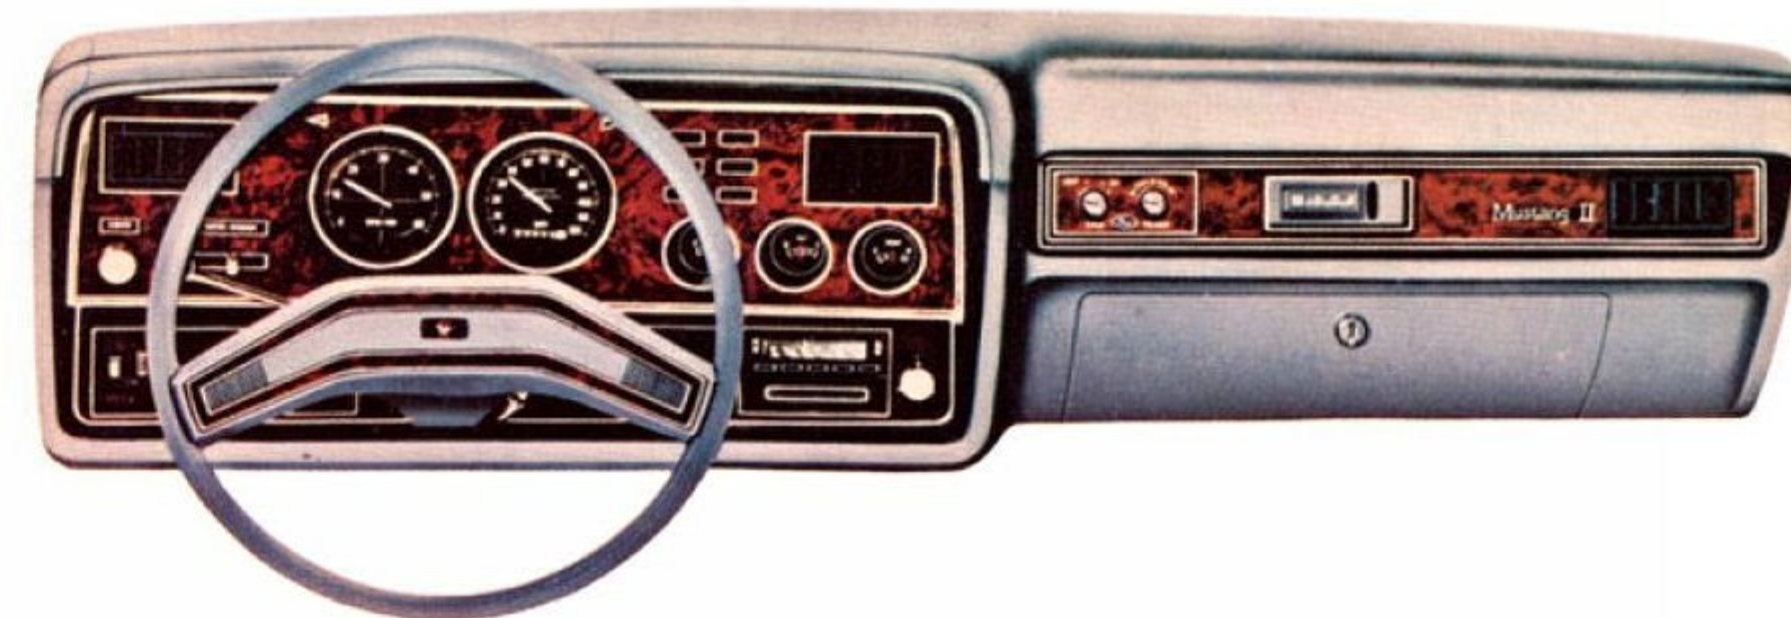

CAPRI Custom built-in, using existing registers. Controls installed centrally under instrument panel for easy driver access. (1974 model shown).

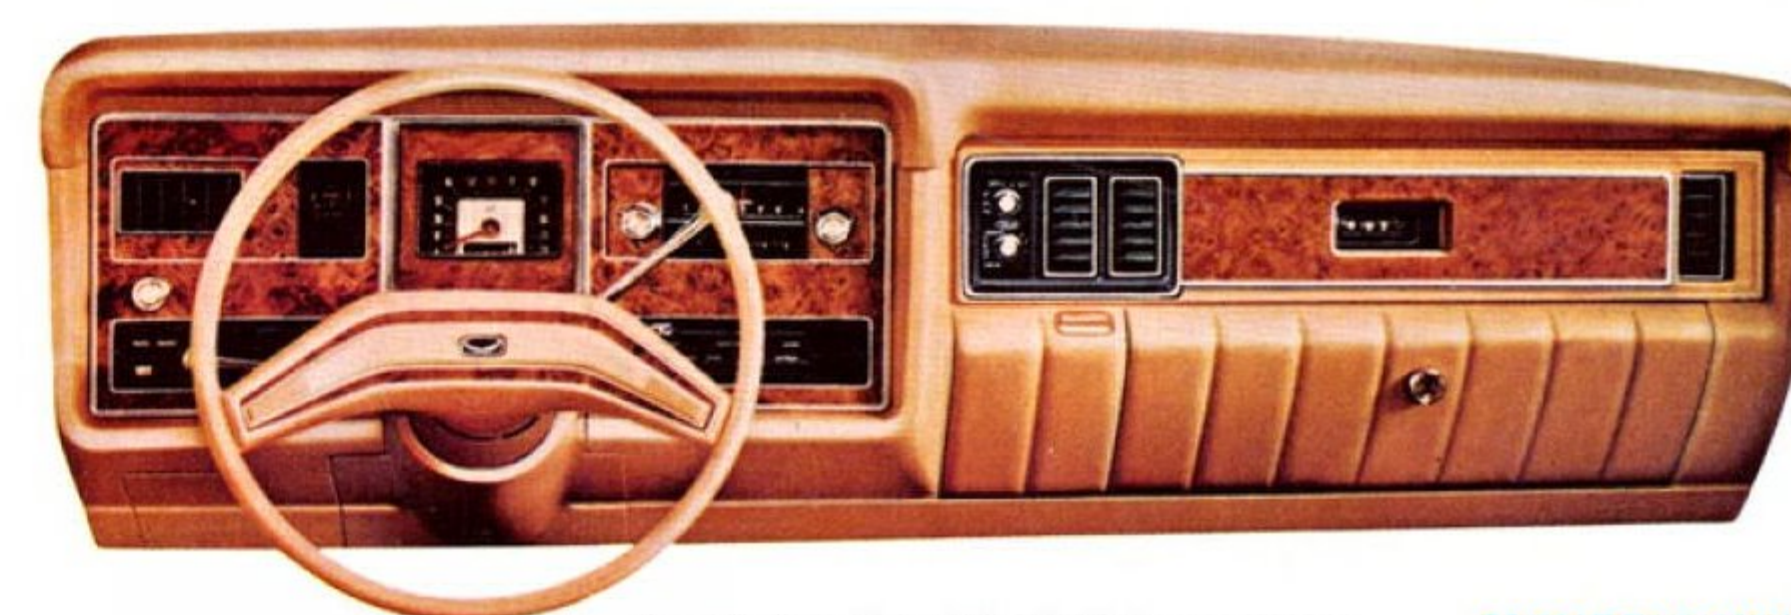

Simulated wood grain accent panel with comfort level controls.

MUSTANG II

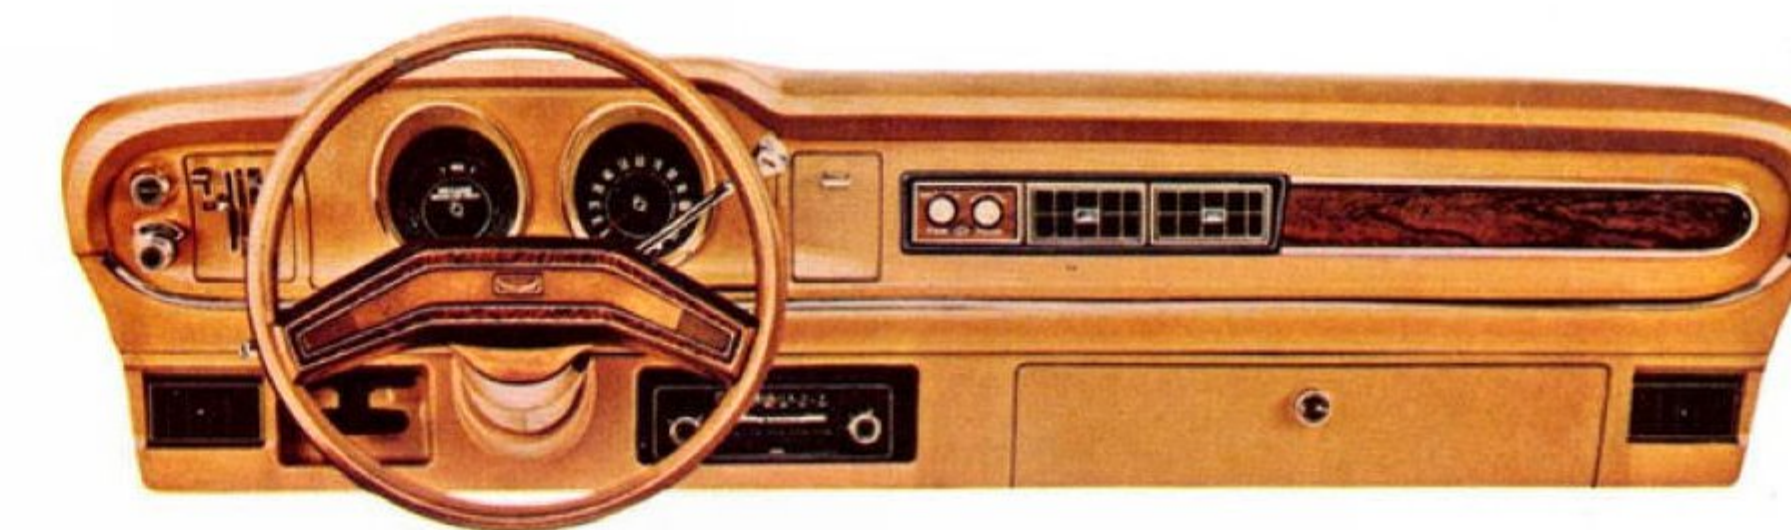

Custom built-in for maximum foot room, utilizes existing registers.

GRANADA/MONARCH

Excellent cooling with a built-in evaporator.

MAVERICK/COMET

Installs in most models. Same cooling capacity as custom models. Controls located for easy driver reach. Choice of three blower speeds and full temperature selection.

1. REAR DECK LUGGAGE RACK

Beautiful, chrome-finish cargo-carrying space for rear decks. Fits ALL MODELS (except Pinto, Mark IV and Mustang/Torino Fastbacks). Measures 20" x 48". Part No. C9AZ-6255100-A.

2. TRAILER HITCH AND BALL

Essential for hauling camper, light trailer or small boat. (SAE Class 1, for trailers to 2000 lbs.) ALL MODELS except Capri. Basic Part No. 19D520. Trailer Hitch for Pinto and Mustang II for hauling trailers up to 1000 lbs. is also available. Basic Part No. 19D520. Trailer Hitch Ball not included in hitch kit; offered separately. Basic Part No. 19F503.

3. DELUXE STATION WAGON LUGGAGE RACK

Permanent rack installation in attractive chrome and simulated woodgrain finish for added luggage space. Air deflector feature to keep dirt from rear window. MERCURY, FORD measure 39" x 54". MONTEGO, TORINO measure 38" x 44". Basic Part No. 55100.

4. LUGGAGE RACK COVER

Protects luggage/cargo in any weather, on FORD, MERCURY, MONTEGO and TORINO Station Wagons with roof luggage racks. Sturdy, handsome vinyl material, easy to install and remove. Measures 36" x 48". Folds for compact storage. Part No. C5AZ-19B507-A.

5. TRAILER TOWING MIRROR - FENDER MOUNTED

Provides excellent trailer area visibility. Mounts quickly on fender for utility and appearance. Right-hand and left-hand. ALL CAR MODELS. Part No. D3AZ-17696-D.

TRAILER TOWING MIRROR - DOOR MOUNTED (not shown)

Convenient adjusting, door installed. Provides clear view around trailer for safer towing. Right-hand and left-hand. ALL CAR MODELS. Part No. C7AZ-17696-D.

6. COOLANT RECOVERY SYSTEM

Catches radiator coolant overflow, stores and returns it for re-use after pressure reduces. Ideal for high temperature conditions obtained during towing, driving in heavy traffic or on long trips. Connects to cooling system. ALL MODELS. Part No. D0AZ-8522-A.

7. TRAILER WIRING HARNESS

Dependable hook-up for reliable wiring to trailer, with relays for preventing overload of circuit. ALL MODELS except CAPRI, GRANADA, MONARCH, PINTO. Part No. C7AZ-15A416-A.

TRAILER WIRING CONNECTOR KIT (INSET)

Wiring connection kit for ALL MODELS. Part No. C7AZ-14A347-A.

8. TRANSMISSION OIL COOLER HIGH CAPACITY AND EXTRA HIGH CAPACITY THIN LINE

Provides top cooling performance for all driving conditions, particularly when pulling heavy loads for automatic transmissions combined with 6 and 8-cylinder engines. Keeps fluids cooled for longer transmission life. Ideal for air conditioned cars and trailer towing. MOST MODELS. Part No. C9AZ-7K177-A (High Capacity); Part No. D3AZ-7K177-A (Thin Line High Capacity).

TRANSMISSION OIL COOLER - ECONOMY MODEL (not shown)

Produces added fluid cooling for 6 and 8 cylinder engines with automatic transmissions when pulling moderate loads. Increases transmission life and performance. ALL MODELS (except Capri). Part No. D2OZ-7K177-A.

9. HIGHWAY TOOL AND SAFETY KIT

Car owners will find this complete, versatile 'traveler's aid' helpful when emergency maintenance repairs are needed on the road or elsewhere. Can be removed from the vehicle and used to make repairs or adjustments around the home or shop. ALL MODELS. Part No. D4ZZ-19F515-A.

10. TRAILER PLATFORM HITCH - CLASS III

New, complete bolt-in unit for heavy duty hauling up to gross weight of 6000 lbs., and 700 lb tongue load. FORD and MERCURY - 7000 lbs. and 800 lb. tongue load. Bolts direct to frame to provide a strong base. Accepts most commercially available draw bars and weight-distributing hitches. Basic Part No. 19D520.

11. AIR SHOCKS

Helps keep loads on the level. Maintains a level ride on cars, station wagons and light trucks, while still maintaining a smooth, stable ride under heavy load conditions. Basic Part No. 18125.

12. ADJUSTABLE AIR SPRINGS AND DASH CONTROL

Improved ride while adding support to heavy loads with "air-cell" principle. Easy adjustment for any load. FORD, LINCOLN-CONTINENTAL, MERCURY, MONTEGO, MARK IV, THUNDERBIRD, TORINO. Basic Part No. 5A589. Handy Air Level Dash Control. Basic Part No. 5A589.

13. RECREATION TABLE

Multi-use travelling companion, portable table for use in rear passenger area of vehicle or to take to picnic areas. Handy at home as snack table. Can be folded for storage. Locks into position in FORD and MERCURY Station Wagons. Rugged construction. Complete with magnetized checkers. Part No. D3AZ-71279B76-A.

11

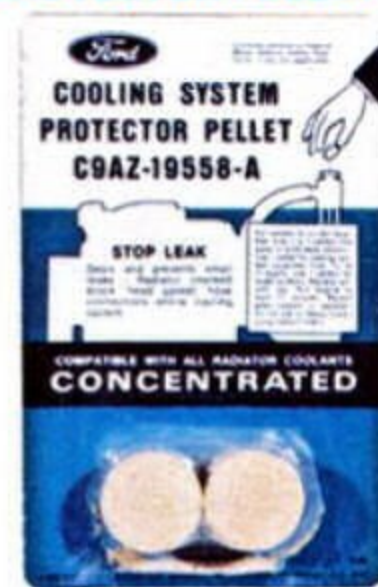

12

13

COOLING SYSTEM PROTECTOR PELLETS

- Designed to protect the entire cooling system from small leaks — stop them when they appear.
- Easy-to-use individual packages.
- Dissolves quickly. Controlled particle size minimizes any interference with heater core or thermostat operation.

GAS LINE ANTI-FREEZE

- Helps prevent carburetor icing and condensation from freezing in tank and gas lines.
 - Compatible with gasoline and diesel fuel.
- Container: 12 Oz. can — C8AZ-19C544-B.

CARBURETOR AND COMBUSTION CHAMBER CLEANER

- The first step in every tune-up. Goes to work while you change points, plugs and condenser.
 - Helps free sticky valves, reduces carbon, gum and varnish deposits from intake manifold, valve and piston area.
 - Reduces pre-ignition. An aid to quiet, smooth performance in any engine.
- Container: 24 Oz. can — B7AZ-19579-A. 19 Oz. aerosol can — C6AZ-19579-B.

SPOT LIFTER

- For use on most interior fabrics.
 - "Lifts" the soil out of the fabric.
 - Spray on, let dry, brush off. That's all there is to it.
 - Handy booklet describes methods for removing stains.
 - For those who prefer an aerosol product.
- Container: 8 Oz. aerosol can — C9AZ-19526-A.

BRIGHT METAL CLEANER

- Removes rust from pitted chrome — takes off salt and road chemicals *fast!*
 - Safe for metals or plated surfaces.
 - Restores shine to chrome, aluminum and brass. Protects metal finishes after application.
- Container: 1 Pt. can — 8A-19522.

ULTRA-CLEAR WINDSHIELD WASHER SOLUTION

- Anti-freeze protection in the windshield washer system, for sub-freezing temperatures when used as directed.
 - Clears off bugs, dirt, and road film fast.
 - Full strength — not pre-mixed.
- Container: 16 Oz. can — C9AZ-19550-A; 32 Oz. can — C9AZ-19550-B.

SPOT REMOVER

- Top quality spot remover for use on most automotive interior fabrics. Fast-acting.
 - Safe to use. Non-flammable. Does not contain carbon tetrachloride.
- Container: 1 Pt. can — B7A-19521-A.

CUSTOM AUTO WAX

- Top-of-the-line paste wax.
 - Produces a lasting shine.
 - Long lasting protection against weathering.
- Container: 8 oz. can — B4A-19534-A.

TOUCH-UP PAINTS

- For quick, easy touch-up of minor scratches, nicks and mars.
 - Color-matched to Ford master color standards.
 - Available in Glamour Colors.
- Container: 3 Oz. Brush-in-cap can — AE60 — (Color No.) — A Series (Enamel); 6 Oz. Aerosol can — AE60 — (Color No.) — S Series (Enamel); 1/2 Oz. Brush-in-cap can — AR60 — (Color No.) — B Series (Lacquer); 1/4 Oz. tube — TUP — (Color No.) — AA Series. (Enamel).

MULTI-PURPOSE CLEANER

- The all-in-one, inside and out cleaning product for Ford vehicles.
 - Effective on fabrics, rugs, carpeting, leather, vinyl, white sidewalls, exterior painted surfaces and trim, and wheel covers.
 - Cuts dirt and grime.
 - Ideal for washing new and used cars.
- Container: 1 Qt. plastic bottle — B8A-19523-A; 1 Gal. can — B8A-19523-B.

CUSTOM SILICONE GLOSS

- Easy-on, easy-off liquid polishing product.
 - High silicone content means less resistance when polishing.
 - Provides a tough, durable lustre with minimum effort.
- Container: 16 Oz. can — B7A-19530-A.

GLASS CLEANER

- One application gets rid of smudge, film and smear.
 - Spray on small amount, wipe off, buff with clean cloth — it's that simple.
 - Ideal for use on vehicle window interiors and exteriors. Not harmful to painted surfaces when used as directed.
- Container: 23 Oz. aerosol can — C8AZ-19C507-A.

TRIPLE CLEAN

- Easy-to-use dispenser features brush-top for regulated application.
 - Great for leather and vinyl trim.
 - Brush-top provides super scouring action for cleaning white sidewall tires, convertible and vinyl tops.
 - Shake bottle to create foam — then rub in.
- Container: 12 Oz. plastic bottle — C0AZ-19526-A.

TAR AND ROAD OIL REMOVER

- Cuts tar, asphalt, undercoating, road oils and gummy materials.
 - Safe for use on all car finishes. Won't stain or harm paint when used as directed.
 - Use as a general purpose clean-up solvent for cement smears, caulking and sealers.
- Container: 1 pt. can — B7A-19520-A.

WAX TREATED DUSTING CLOTH

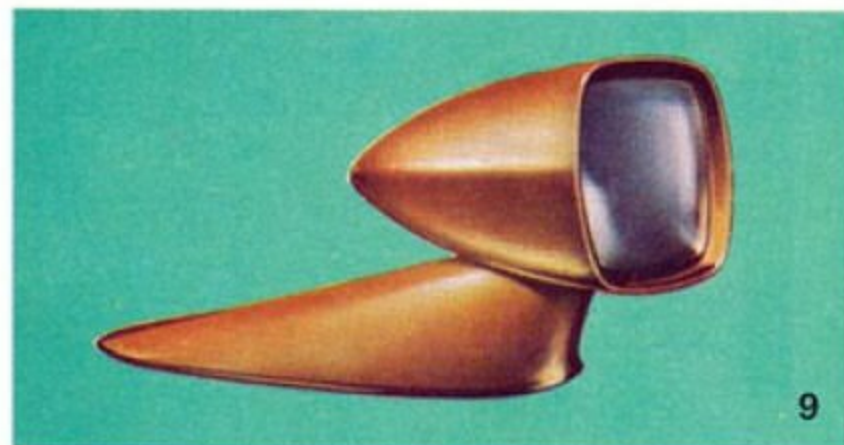

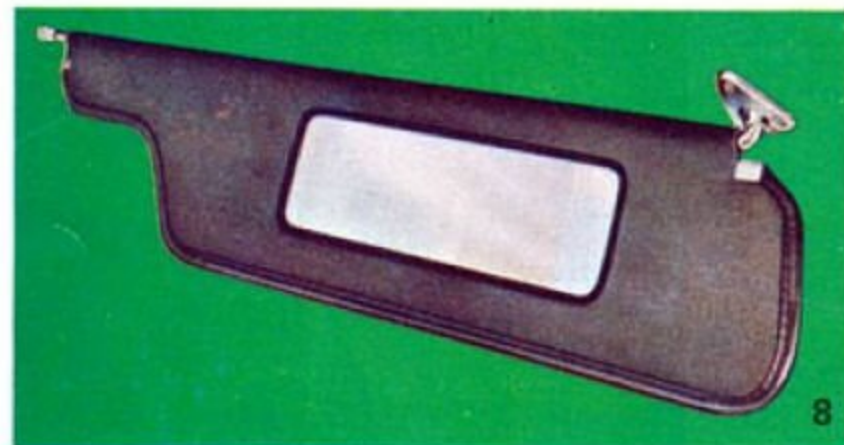

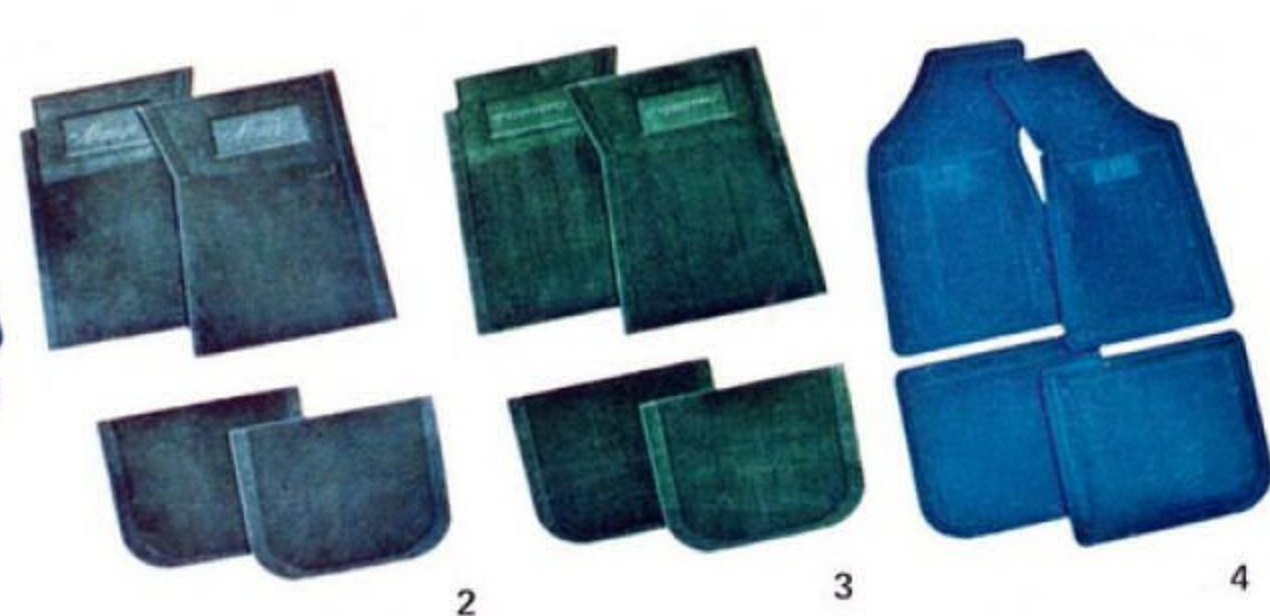

- Cleans up cars, office and home furniture quickly.
 - Special wax treatment polishes as you clean.
- Container: 1 cloth in plastic bag — D3AZ-19517-A.

LEATHER AND VINYL CLEANER

- Formulated to clean and protect as well as add a high sheen to leather and vinyl.
 - Sponge/brush top makes the one-step application an easy process to complete.
- Container: 12 Oz. squeeze bottle — D4AZ-19521-A.

1. FORD/MERCURY

Choice of black, blue, white, red, brown or green rubber mats. FULL FRONT, Basic Part No. 13086. FULL REAR, Basic Part No. 13106. TWO PIECE FRONT (not shown), Basic Part No. 13086. TWO PIECE REAR (not shown), Basic Part No. 13106.

2. MONTEGO

Montego identification in handsome script on two-piece rubber mats in black, blue, brown, green, white or red. TWIN FRONT, Basic Part No. 13086. TWIN REAR, Basic Part No. 13106.

3. TORINO

Rubber floor mat with Torino identification in black, blue, white, brown, green or red. TWO PIECE FRONT, Basic Part No. 13086. TWO PIECE REAR, Basic Part No. 13106.

4. MUSTANG II/PINTO

Black, white, red, blue, green or brown rubber mats with Mustang symbol (illustrated) or Pinto emblem (not shown).

Rubber mats in blue, black, white or green with Pinto emblem. TWO PIECE FRONT, Basic Part No. 13086. TWO PIECE REAR, Basic Part No. 13106.

5. CARPET INSERT

Give interiors a plush, luxury look. Fine rubber mats with harmonizing carpeted inserts available for ALL MODELS . . . in black, blue, red, brown, green or gold. TWO PIECE FRONT, Basic Part No. 13086. TWO PIECE REAR, Basic Part No. 13106.

6. COUGAR

Sporty-designed rubber mats bearing the Cougar "Cat" symbol . . . available in black, blue, red, green or brown. TWO PIECE FRONT, Basic Part No. 13086. TWO PIECE REAR, Basic Part No. 13106.

ECONOMY RUBBER (not shown)

Budget rubber mats in black, white, red, blue. FULL FRONT, Basic Part No. 13086. TWO PIECE REAR, Basic Part No. 13106.

FLOOR MATS, ALL MODELS (not shown)

Provides cutlines for two-piece conversion. UNIVERSAL OPAQUE VINYL, black, blue, white, red, ivy gold. UNIVERSAL TRANSPARENT VINYL, clear, red, blue, black ivy gold. FULL FRONT - Basic Part No. 13086; FULL REAR - Basic Part No. 13106.

UNIVERSAL OPAQUE VINYL car set . . . black, blue, green, red. TRANSPARENT car set . . . clear. TWO PIECE FRONT, TWO PIECE REAR, Basic Part No. 13088.

7. REAR WINDOW DEFOGGER

Installs in rear window deck to keep rear window fog-free. Blends with interior finish. FORD, MONTEGO, TORINO (all except Station Wagons), COMET, COUGAR, MAVERICK, PINTO 2-Door. Part No. D3AZ-18397-B.

8. VANITY MIRROR

Handsome mirror fastens rigidly to the back of visor. ALL MODELS. Part No. C6AZ-17A679-A.

9. DUAL RACING MIRRORS

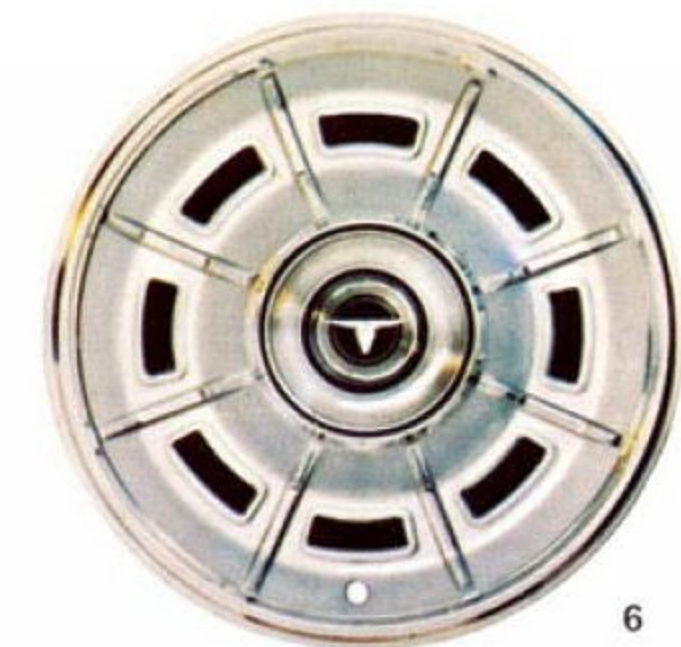

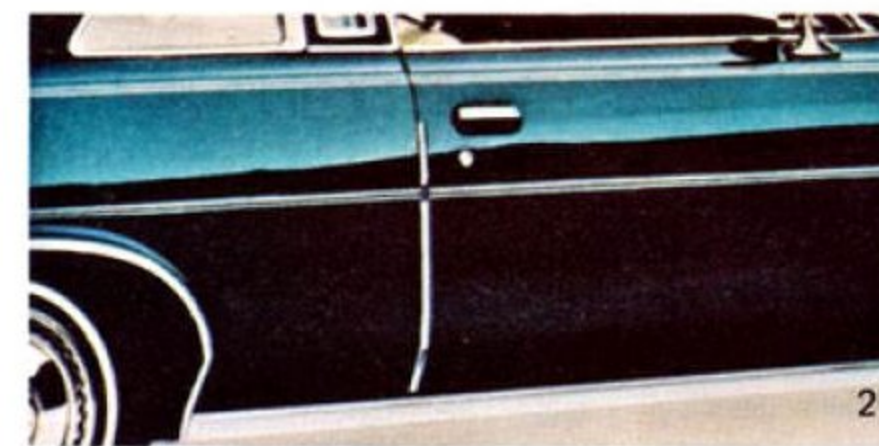

Door mounted mirrors with a dash of sportiness. Left-hand remote control and right-hand manual, available as set only. Paint to match car finish. TORINO (illustrated). Also for COMET, COUGAR, MAVERICK, MONTEGO, MUSTANG II, PINTO. Basic Part No. 17696.

10. LEFT-HAND REMOTE CONTROL MIRROR

Installs on door, a handsome chrome-finish mirror for safer rear-viewing with handy angle-adjustment inside control. For FORD (as illustrated). Available for COMET, COUGAR, MAVERICK, MERCURY, MONTEGO, TORINO (not shown). Basic Part No. 17696.

RIGHT-HAND MANUAL MIRROR (not shown)

Matches left-hand standard manual adjustment mirror for a high-style touch on your car. Easily adjustable for desired view. Chrome finish. MONTEGO, COUGAR. Also - right-hand manual adjustment mirror that matches the left-hand remote - COUGAR, FORD, MERCURY, MONTEGO. Basic Part No. 17696.

1. BODYSIDE MOLDING

Helps protect against paint chipping from bumps of other vehicle doors. Gives added design-styling to body-side. Pre-cut, with double-speared ends, self-adhering, bright-edge vinyl molding for COMET, MAVERICK. Basic Part No. 21048. Two 17' rolls with double-speared ends, self-adhering, bright edge universal vinyl molding. ALL MODELS. Part No. D2AZ-6221048-A.

2. DOOR EDGE GUARDS

Straight-line, sparkling door trim helps protect edges from chipping. Narrow, durable strip easy to apply. MONTEGO (illustrated). OTHER MODELS (not shown). Basic Part No. 20910.

3. HOOD ORNAMENT

Add a distinctive styling touch. "Fold-down" design. Attractive chrome-plated finish with colorful insert. FORD, GRANADA, MAVERICK, MONARCH, PINTO, TORINO, LIGHT TRUCK. Part No. D3AZ-16850-B.

4. WHEEL SPLASH GUARDS

Good-looking, practical accessory for all cars. Mount behind front and rear wheels to help keep your car mud and splash free. ALL MODELS (except CONTINENTAL, MARK IV rear). Basic Part No. 16A550.

5. LICENSE PLATE FRAMES

Dress-up protection for license plates in satin-finish, corrosion-resistant aluminum. Quick attachment. ALL MODELS (except Mark IV). Part No. D2AZ-17A387-A.

6. MAVERICK WHEEL COVERS

14" deluxe - full cover. Maverick crest insert in center. Basic Part No. 1130.

7. PINTO WHEEL COVERS

Deluxe - full cover. Accent for Pinto. Basic Part No. 1130.

8. COMET WHEEL COVERS

A glamour touch for Comet wheels. 14" deluxe covers with centered crest. Basic Part No. 1130.

WHEEL COVERS (not shown)

Add a luxury touch of glamour to your new car with distinctive wheel covers. COMET, COUGAR, FORD, LINCOLN-CONTINENTAL, MARK IV, MAVERICK, MERCURY, MONTEGO, MUSTANG II, PINTO, THUNDERBIRD, TORINO. Basic Part No. 1130.

1. INFANT SAFETY CARRIER

Ideal protection for babies up to 20 pounds. Comfort-contoured to give support at critical body points. Constructed of sturdy, washable polypropylene. Vehicle safety belts become a part of the seat to hold it securely in case of sudden stops. ALL MODELS. Part No. D5AZ-19E535-A.

2. TOT GUARD CHILD SAFETY SEAT

Distributes forward-thrust forces over the child's body to help reduce the impact of collision forces. Vinyl-covered impact pad is washable. Designed for children from 20 to 50 lbs.; quickly attaches to car seat with standard vehicle seat belt. ALL MODELS. Part No. D1AZ-19E535-D.

3. ELECTRIC CLOCK

Elegant addition to the instrument panel, providing accurate time. Includes self-regulator. FORD (illustrated). MERCURY, MONTEGO, TORINO. Basic Part No. 15A000.

4. FORD FUEL SENTRY

This precision made vacuum gauge can help save gasoline dollars by indicating when you are getting the best gas mileage. Engine load data is instantly registered by a needle on Fuel Sentry's face. Position of the needle indicates how efficiently your engine is consuming gasoline. COUGAR, FORD, LIGHT TRUCK, MERCURY, MONTEGO, TORINO. Part No. D4AZ-10B944-B.

CIGAR LIGHTER (not shown)

Safe, quick, light-ups on the go. COMET, MAVERICK, PINTO. Basic Part No. 15A044.

LIFEGUARD JUNIOR DOOR LOCKS (not shown)

Keeps rear doors locked until opened with key. Great protection for child passengers. Simple to install. 4-DOOR MODELS. Part No. C6AZ-5421850-B.

5. DIGITAL CLOCK

The very newest in quick-sight time check. Easy to read numerals indicate hour and minutes. Handsome design harmonizes with instrument panel. FORD, GRANADA, MERCURY (illustrated), MONARCH, MUSTANG II. Basic Part No. 15A000.

6. PEAK PERFORMANCE MAINTENANCE AIDS

Motorcraft Oil Filter — two-stage rayon and cotton construction traps 50% more dirt and lasts twice as long as one-stage paper element filters. Part No. FL-1 and others.

Motorcraft Air Filter — high-quality cellulose elements and special resins to avert fire and resist collapse from moisture or oil fumes. Part No. FA-50 and others.

Ford Super Premium Motor Oil — formulated to exacting Ford standards and engineered to keep your engine clean and operating at peak efficiency. Excellent protection for long life. All-season adaptability. Basic Part No. 19579.

Motorcraft Electrical Tune-Up Kit — everything you need for a tune-up in one package. Autolite Spark Plugs, Motorcraft Point Set and Condenser, feeler gauge and cam lube, complete installation instructions. Part No. TKF-17 and others.

7. UNIVERSAL SPEED CONTROL

Helps reduce driver fatigue on long trips. May even conserve gasoline consumption by maintaining a steady speed as long as traffic conditions permit. Simply press a button to maintain desired highway speed. ALL MODELS (with V-8 engine and automatic transmission). Also ECONOLINE and F-100/350 Trucks. Basic Part No. 9A818 and 9A820.

OTHER SAFETY/CONVENIENCE/ MAINTENANCE ACCESSORIES (not shown)**POWER STEERING**

More comfortable driving with reduced effort steering. COMET, GRANADA, MAVERICK, MONARCH. Basic Part Nos. 3A634 and 3A635.

POWER BRAKES

Easy dependable braking with Ford's fast-response power brake systems. GRANADA, MONARCH, MUSTANG II (disc brake type). Basic Part No. 2A091.

REMOTE CONTROL TRUNK LID RELEASE — ELECTRIC

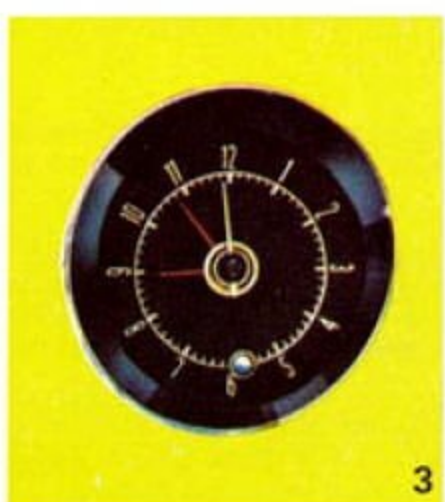

Provides handy trunk-opening from inside the car. No key necessary. ALL MODELS (except CAPRI, FORD, MONTEGO, TORINO). Part No. D5MZ-65432A00-A.

AUTO-ALARM

This system helps protect the passenger compartment, luggage compartment and engine compartment against illegal entry by blowing the horn and flashing hazard lights.

DECK LID SECURITY DEVICE

This simple device consists of a "beauty bolt" which replaces the deck lid lock cylinder, making illegal entry to the luggage compartment more difficult. This device can be used only in conjunction with the electric deck lid release.

NOTE: All Truck Accessories Listed On These Pages Have Application for the Ford Super Cab.

1. SNOWPLOWS WITH LIGHT KITS — BRONCOS, TRUCKS

Dependable for efficient snow removal. Choice of two famous brands — Western or Meyer, available with or without power angling. Snowplows and power angling kits for BRONCO, F100/250 4 x 4 and F250 4 x 2. Snowplow Kit — Basic Part No. 19E537. Power Angling Kit (Western only) — Basic Part No. 19F502. Twin-Beam Headlight Kit with directional signals available; the headlight kit complies with Federal Motor Vehicle Safety Standards and is required for all snowplow installations. Basic Part No. 15312.

**2. AM RADIO — TRUCKS, PUSH BUTTON**

Push-button operation for easy station selection. Sparkling, clear AM reception. Basic Part No. 18805. Also available for Courier (not shown). Basic Part No. 18805.

3. AM/FM MULTIPLEX STEREO RADIO — TRUCKS

Exceptional fidelity from all-transistor, full-dimension stereo FM and full band AM reception. 5 push buttons for handy station selection. Will replace factory-installed AM radio. F100/350 and ECONOLINE three box system. Chassis Basic Part No. 18806. Antenna Kit — Basic Part No. 18813. Installation Kit — Basic Part No. 18819.

AM/FM MULTIPLEX STEREO RADIO TAPE SYSTEM — ECONOLINE (not shown)

Excellent sound performance from this precision-built AM/FM stereo radio and 8-track tape system. Easy tape operation. Available as a three-box system. Radio chassis kit — Basic Part No. 18806. Radio antenna kit — Basic Part No. 18813. Radio speaker and hardware kit — Basic Part No. 18819.

4. AM RADIO — ECONOLINE

Convenient push-button station selection with superior AM all-transistor unit. Lighted dial. Three box system. Chassis — Basic Part No. 18806. Antenna Kit — Basic Part No. 18813. Installation Kit — Basic Part No. 18819.

AM RADIO — BRONCO, "C" AND "W" SERIES TRUCK (not shown)

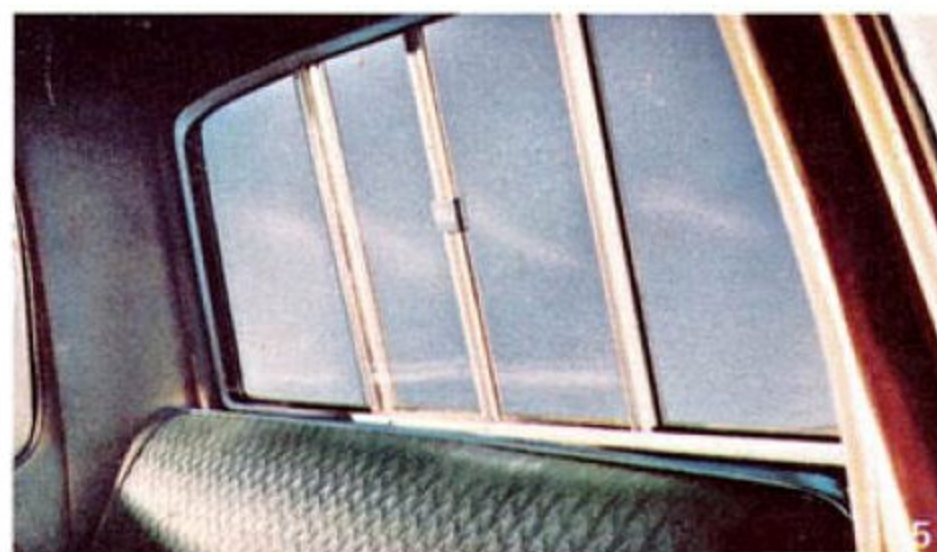

Units have three-box systems. Chassis — Basic Part No. 18806. Antenna Kit — Basic Part No. 18813. Installation Kit — Basic Part No. 18819.

5. SLIDING REAR WINDOW — LIGHT TRUCK

Extra ventilation — a little or a lot for cab comfort. An attractive accessory providing convenient pass through for campers. Tinted glass. Fits F100/750. Part No. D4TZ-10422B30-A.

6. PICK-UP BOX RAILS — LIGHT TRUCK

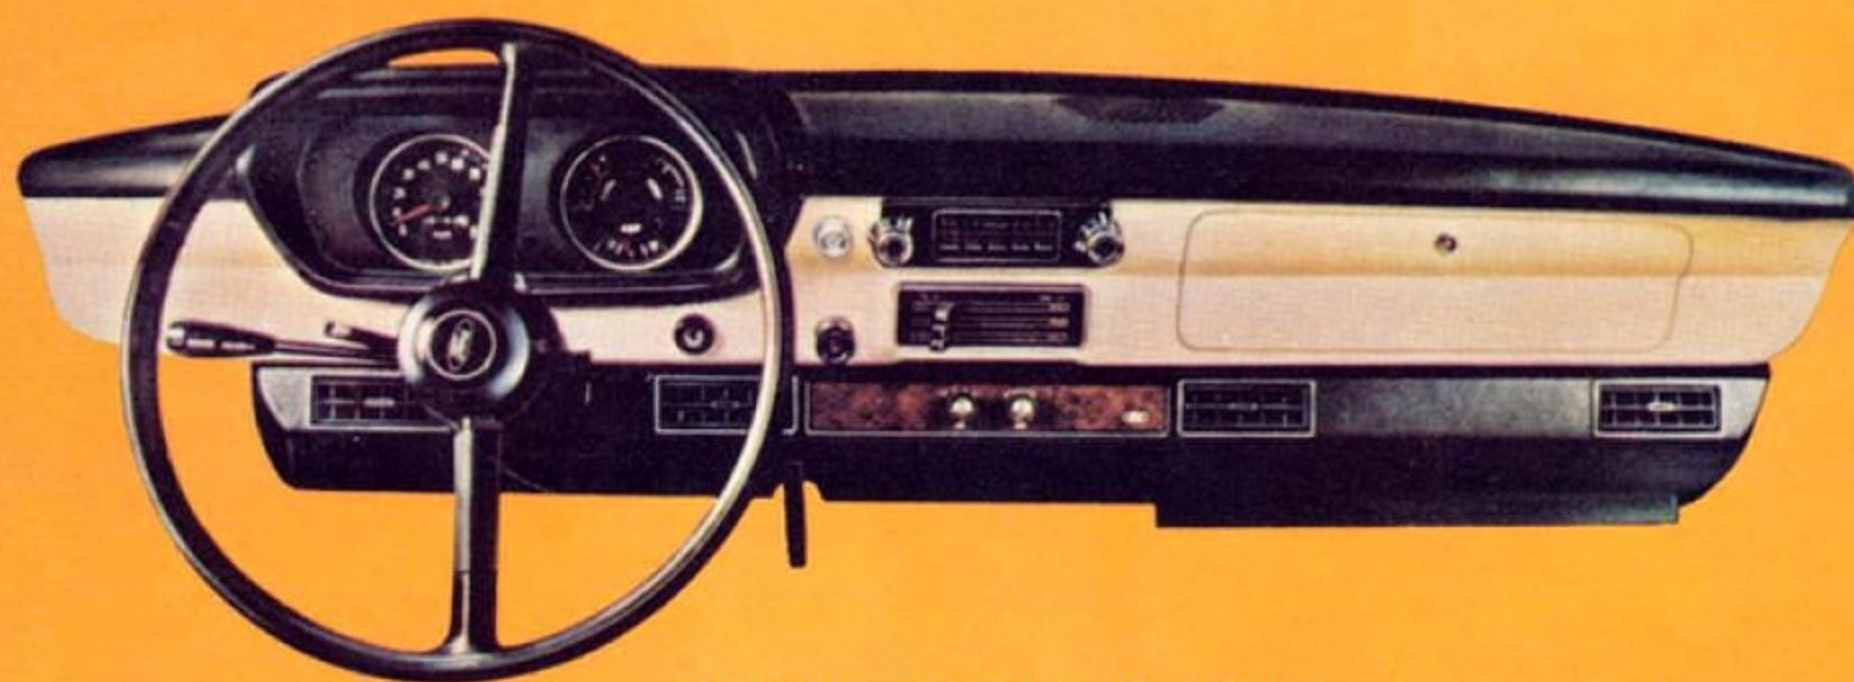

Convenient for light cargo tie-down. Enhances truck styling with added flare. Made for F100/260 6- and 8-foot styleside truck only. Part No. D3TZ-9932230-A.

NEW LIGHT TRUCK AIR CONDITIONER

High-performance, advanced design unit that fits into the instrument panel with no loss of the original glove box. Designed with a right and left remote register and two center registers with even air distribution for cooling of the cab compartment. Complete temperature adjustment, rotary controls and three blower speeds, with controls positioned for driver's easy reach.

COURIER AIR CONDITIONER

Slimline styled, quiet operating. Fits under Courier instrument panel with controls conveniently located in woodgrain panel. Four horizontal, adjustable louvers, three blower speeds, full temperature adjustment and rotary controls. High air output for fast cool-down.

CUSTOM ECONOLINE AIR CONDITIONER

Installs in instrument panel. Harmonizing built-in design with the controls within easy driver reach. High air output, quiet, serviceable and designed expressly for the Econoline. Rotary controls, complete temperature choice and three blower speeds for speedy cooling through four adjustable horizontal louvers. (1974 model shown)
