**FORD LIGHT TRUCKS,
BRONCO & ECONOLINE**

Foreword:

This Ford Truck Accessories Catalog is designed to help you select the dealer installed accessory conveniences that best suit your personal driving needs. Review the selections with your Ford truck salesman. He can answer your questions about these genuine Ford Motor Company accessories and can tell you if they are compatible with the truck you have selected. The salesman can also tell you about other accessories not shown in this catalog. Get to know your salesman. You will find him helpful in getting the items you want in the shortest possible time. Many of the accessory items are stocked at the dealership.

Air Conditioners

LIGHT TRUCK

COURIER

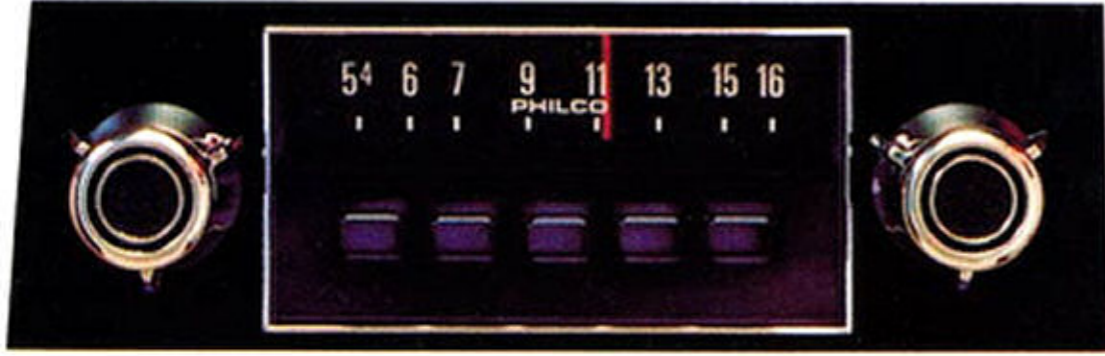

ECONOLINE

Enjoy the comfort of air conditioning when you drive. Cool, filtered air circulated in the cab makes driving a pleasure. The temperature and 3-speed fan controls provide a wide range of comfort levels. Dealer installed air conditioners are handsomely styled to match and complement your vehicle's interior appointments.

Other air conditioners, not shown above, are also available. Your Ford truck salesman can give you full details.

Radios

AM PUSHBUTTON RADIO

A push-button control, all-transistorized truck cab radio can relieve the boredom of the trucker who normally spends many hours in his vehicle. This high-quality Ford radio can be your traveling companion.

AM/FM MULTIPLEX STEREO RADIO

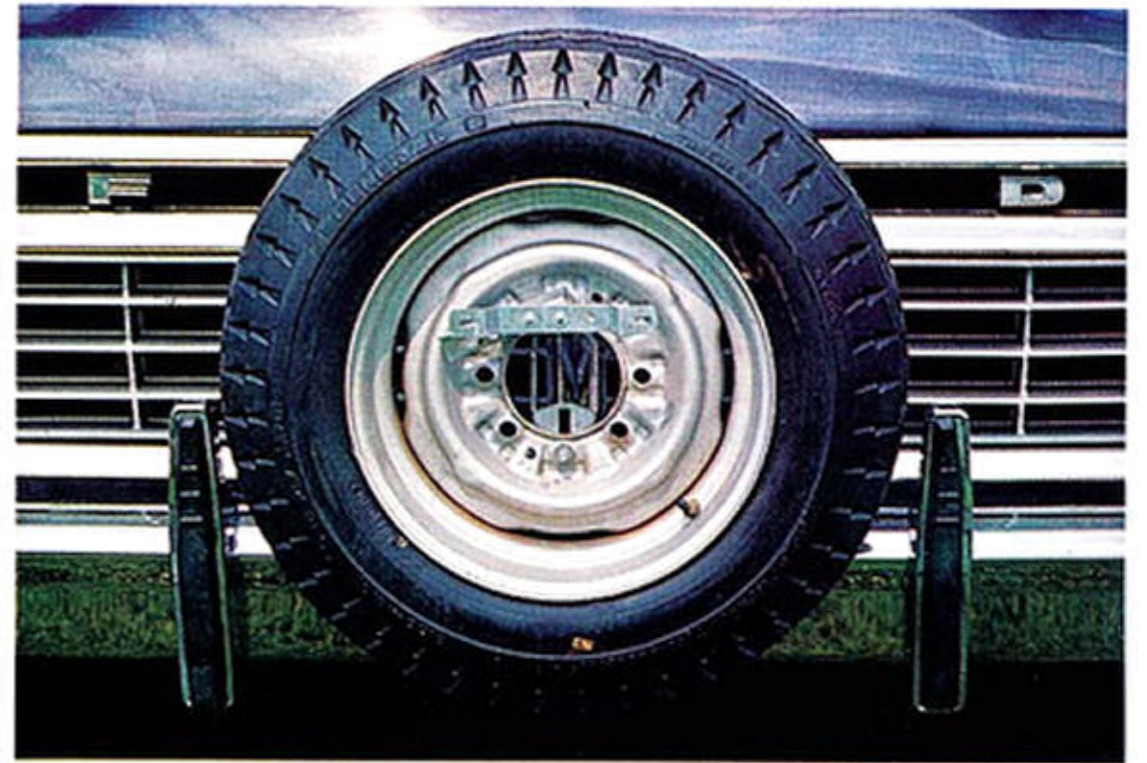

Here's listening enjoyment at its finest. Combines AM broadcast with FM and FM stereo reception. Custom designed chassis consoles match truck interiors. Your Ford truck salesman can help you with the available selection of radios, speakers and antennas. There's sound accessory equipment just right for the vehicle you select.

Cigar Lighter

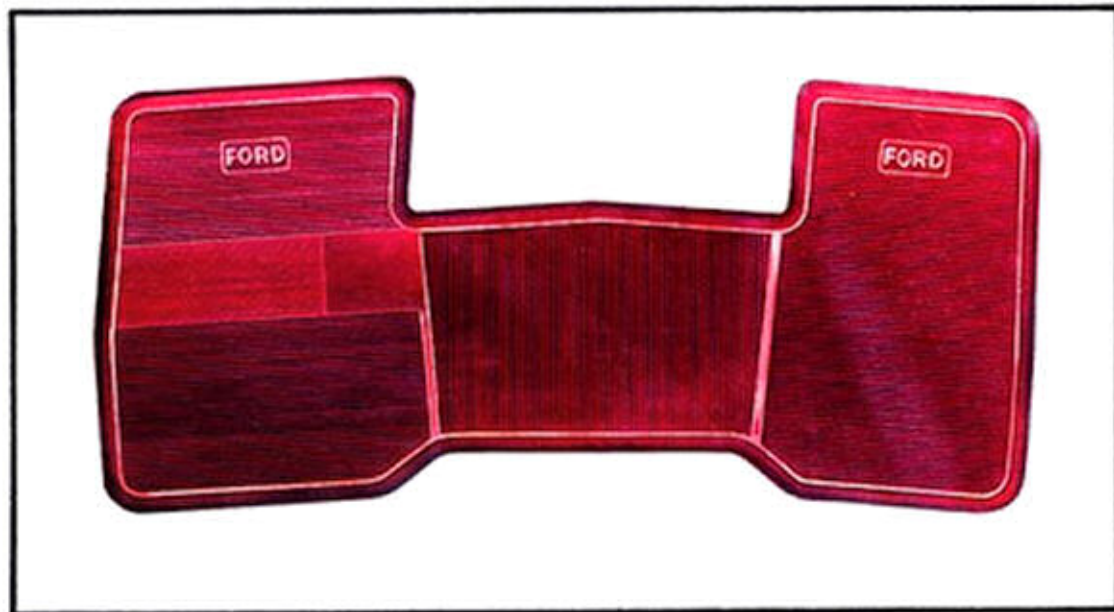

Get the extra convenience of quick light ups while on the move. Safe, easy-to-use flameless lighting for cigars and cigarettes. Lighter receptacle provides electrical outlet for plug-in accessories such as trouble lights and 12-volt electric razors.

Spare Tire Carrier— Front Bumper Mount

Gets your spare tire out of the way, up front to give you extra room for cargo. Front mount position gives you easy access to spare if needed. Rear mount, slideout type carrier is also available for many models. Check with your salesman for the one best for you.

Floor Mats

Protect your cab interior with these rubber floor mats. Available in black, blue, brown or red. Mat can be cut to make twin mats. Easy to wash, clean and maintain.

Glide-Out Step

Makes it easier to enter or leave truck cab by reducing step up height. Glides out of the way under the truck with the closing of the door. Zinc plated, all-steel construction with perforated safety grid.

Peak Performance Maintenance Aids

MOTORCRAFT OIL FILTERS

Don't settle for less. Insist on the oil filter recommended for your truck. These, original equipment quality, Motorcraft two-stage oil filters effectively trap dirt and contaminants. Protects your truck's engine.

MOTORCRAFT AIR FILTERS

Very important to engine life and fuel economy. Insist on Motorcraft quality, the same quality that came with your truck. Motorcraft air filters are effective in removing harmful abrasives from engine intake air.

MOTORCRAFT TUNE-UP KITS

You get all of the electrical tune-up components needed in one handy package. Kits contain spark plugs, a point set and a condenser. Also included is cam lubricant, feeler gauge and instructions for installing the parts. Separate kits available for most models and years.

FORD SUPER PREMIUM MOTOR OIL

Do your truck a favor. Treat it with kindness by using Ford Super Premium Motor Oil. This oil meets or exceeds every petroleum industry standard for top-grade motor oil for SAE classification SE. In fact, it is one of the highest quality motor oils known to be commercially available.

Truck Care Products

MULTI-PURPOSE CLEANER

All-in-one concentrate for inside and outside cleaning. Removes grime and dirt film from most automotive surfaces. Ideal for cleaning white-wall tires, vinyl tops, leather and vinyl trim, rubber, carpeting and fabrics.

CUSTOM AUTO WAX

Top-of-the-line paste wax produces high-gloss shine and protects against weathering.

SPOT REMOVER

Fast acting, non-flammable liquid lifts out the stain. Cleans most interior fabrics safely.

TOUCH-UP PAINTS

Available for all exterior paint colors including glamour paints. Small convenient sizes in aerosol cans and brush touch-up for scratches and nicks.

VINYL TOP CLEANER AND CONDITIONER

Maintains or helps to restore appearance of exterior vinyl tops. Fast acting, easy to apply.

GAS LINE ANTI-FREEZE

Helps prevent carburetor icing and condensation from freezing in gas lines and fuel tank. Compatible with both gasoline and diesel fuel.

GLASS CLEANER

Simply spray on, wipe off and buff. Gets rid of smudge, film and smear. Ideal for windows, inside and out.

TAR AND ROAD OIL REMOVER

Cuts and removes tar, asphalt, undercoating, road oils and gummy materials. Won't harm paint finishes when used as directed.

HEAVY DUTY BRAKE FLUID

Specially formulated for disc and drum brake systems. Meets or exceeds Federal DOT₃ and Ford specifications. An excellent top performing product.

TRIPLE CLEAN

A cleaning foam in brush-top applicator for cleaning white sidewall tires, vinyl tops, leather and vinyl trim. Fast action takes the drudgery out of maintaining car's appearance.

WINDSHIELD WASHER SOLUTION

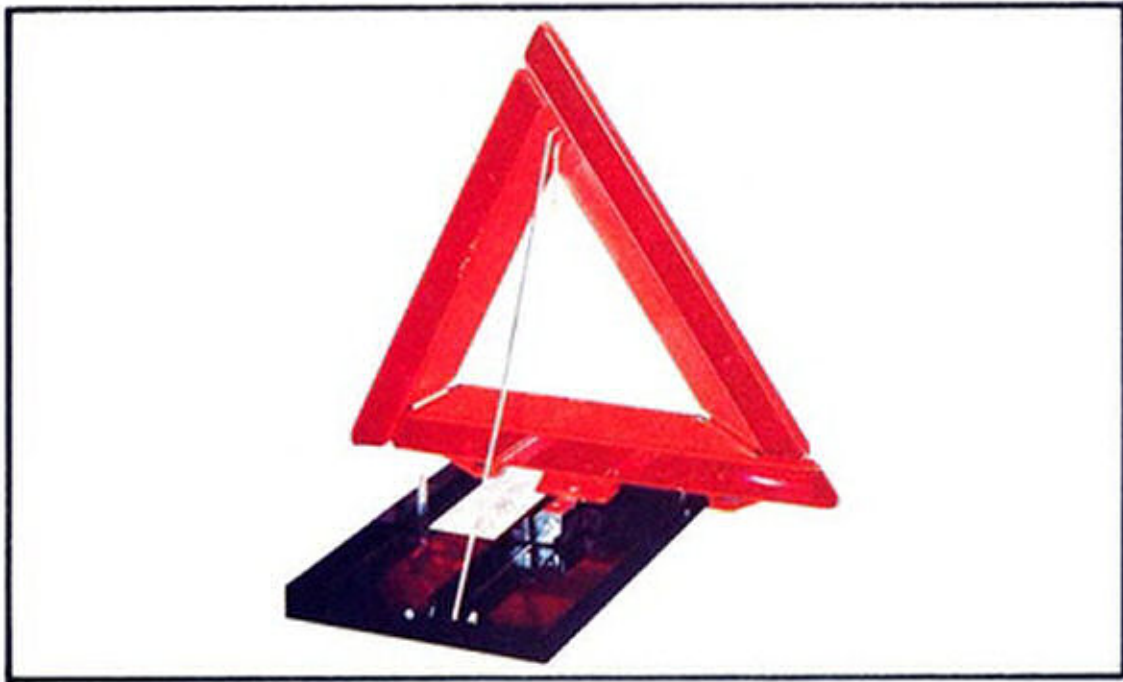

Full strength solution clears off bugs, dirt and road film fast. Dilute for use with windshield washer system. Provides anti-freeze protection during winter.

COOLING SYSTEM FLUID

Gives year-round protection to cooling systems. Helps extend life of cooling system components with additives to fight scale and corrosion. 50% solution provides minus 34° F. protection.

Many other truck care products are also available. Your salesman can fill you in on the details.

Emergency Reflector Kit

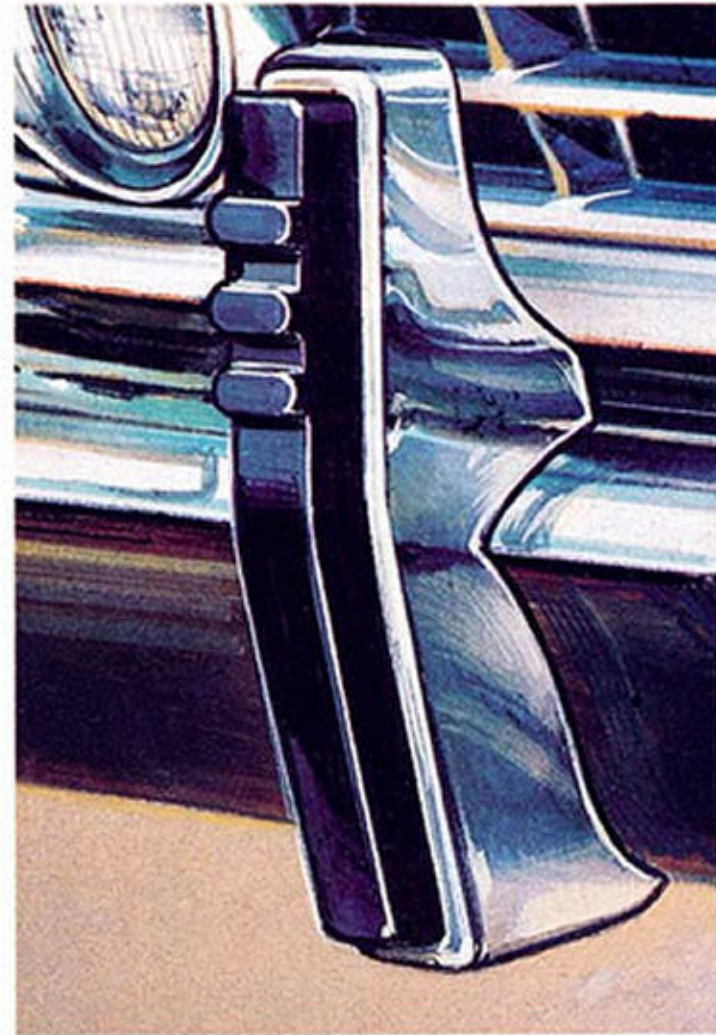

This self-storing kit signals other drivers on the road when you have trouble. Effective night or day. Brilliant luminescent reflector material and design meets Federal Motor Vehicle Safety Standards.

Highway Tool and Safety Kit

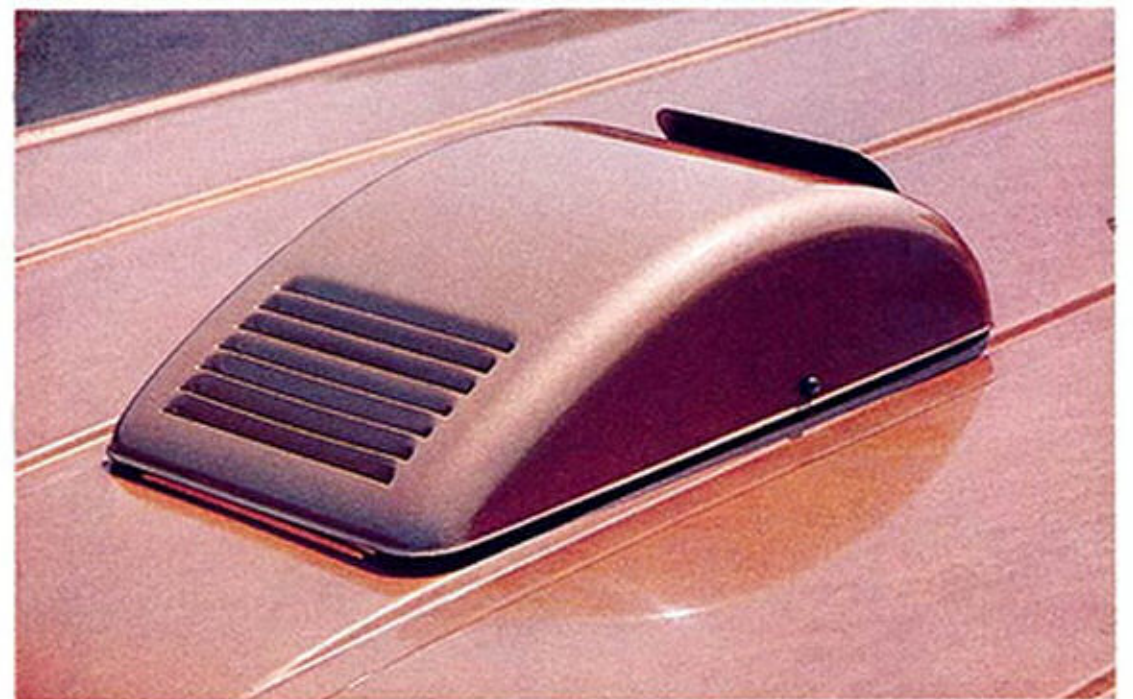

This versatile kit is a handy possession in case of emergencies on the road. Contains the tools and equipment most likely to be needed. Durable plastic carrying case requires little storage space.

Front Bumper Guard

Get extra front end protection and protect yourself from bumper override when pushing. Chrome-plated, heavy steel construction. Deep mounted, molded rubber pads cushion and absorb shock of impacts. Helps guard bumpers from deep scratches and rusting.

Roof Vent

Econoline owners will enjoy the extra comfort of this convenience accessory. Vent design, to exhaust stale and heated air, is supported by an electric blower. Can be painted to match truck color.

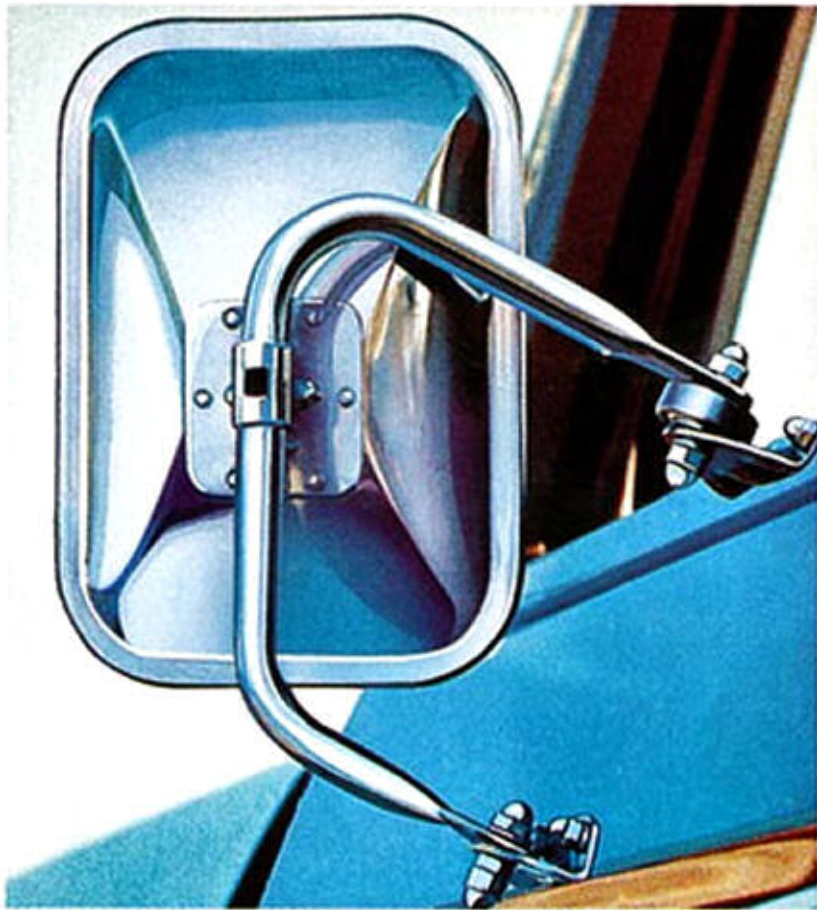

Mirrors

Western Mirror

These large, sturdy mirrors come in stainless steel or painted finish. Several styles and sizes to choose from. Popular with light and medium-heavy truck owners. A must for truck owners doing light, medium and heavy hauling.

Swinglock Mirror

The big mirror that swings out of the way when you maneuver in tight spaces. Snaps back to the locked position when you're ready to roll. Right hand or left hand. Stainless finish for most trucks.

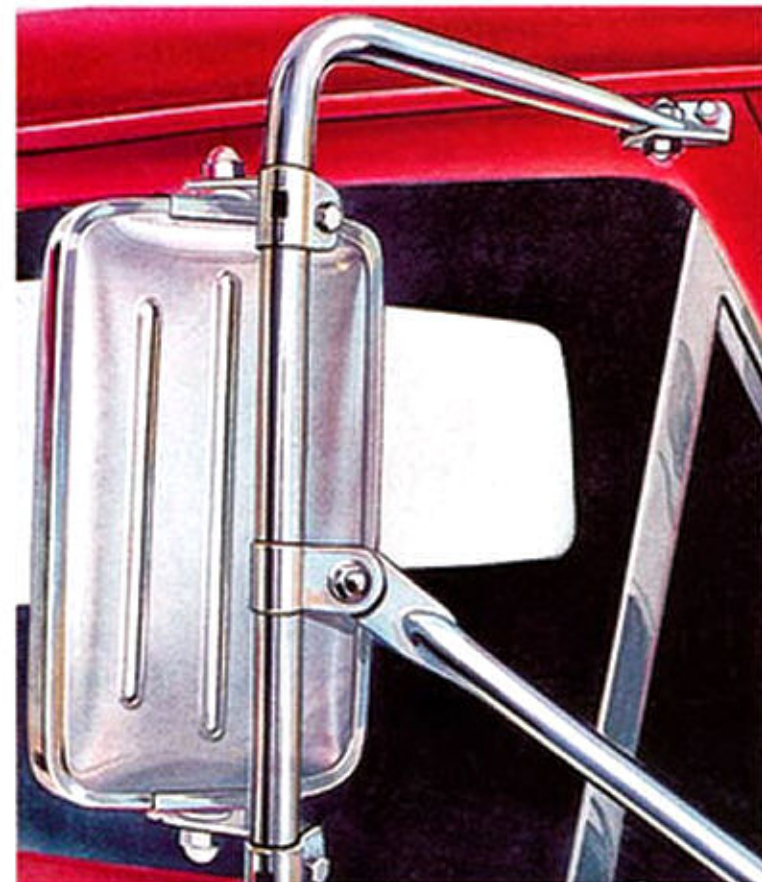

Mirrors

Remote Control Adjustable Mirror

Here's a popular car mirror adapted for truck use. Left hand installation only. A through-the-door control lets you change the mirror setting while you drive. Matching standard, manual control RH mirrors are also available. Bright chrome finish.

Stainless Camper Mirror

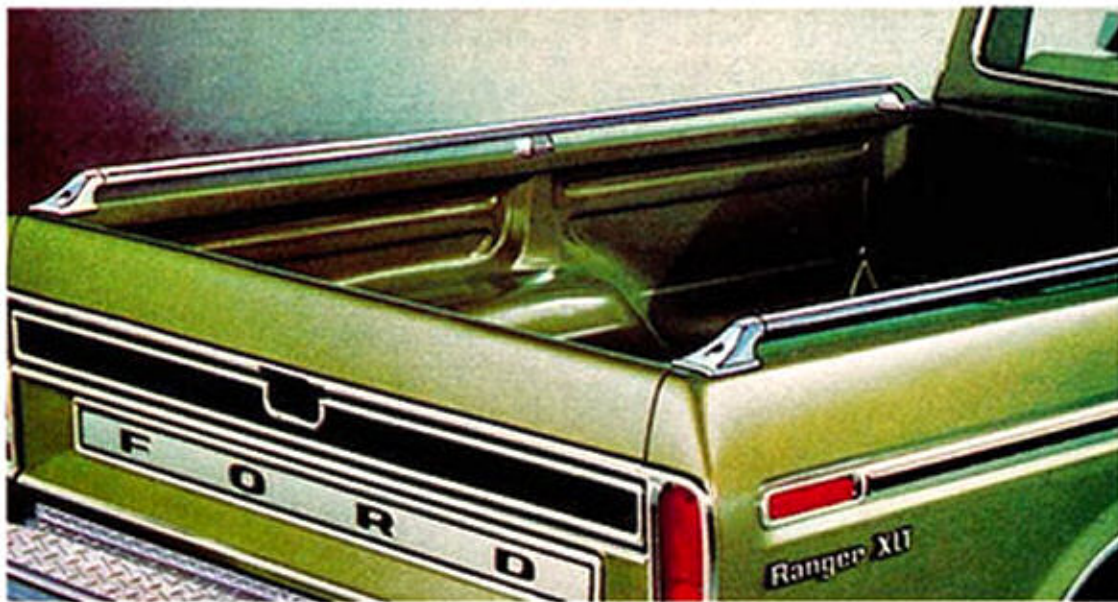

Ideal for use with campers up to 7½ feet wide. These door mounted mirrors are positioned to minimize forward view obstruction. Mirrors, LH & RH, are mounted in the vertical position. Rigid 3-point mounting reduces wind and road vibrations.

Sliding Rear Window

Owners of pick-up trucks will appreciate this accessory. Extra ventilation gives added cab comfort. Can be used to let air flow through into campers. Can also be used on front of camper cover. Ideal for pass-through from cab to camper. Tinted glass reduces glare.

Pick-Up Box Rails

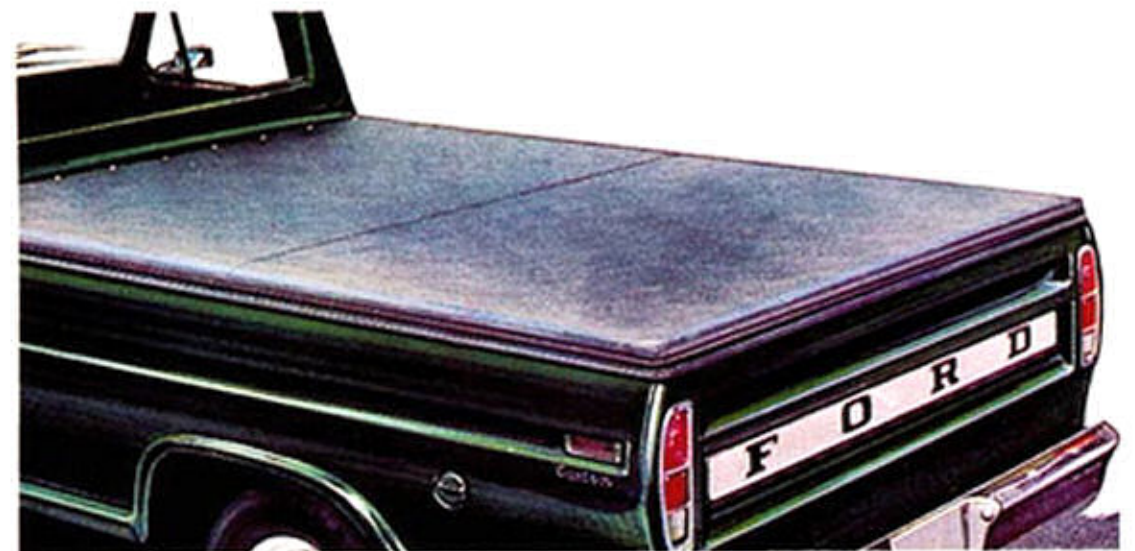

Styleside pick-up truck models can benefit through addition of these combination chrome plated and bright metal pick-up box rails. Give your truck this added styling flair. Convenient for light cargo tie-down.

Fire Extinguisher

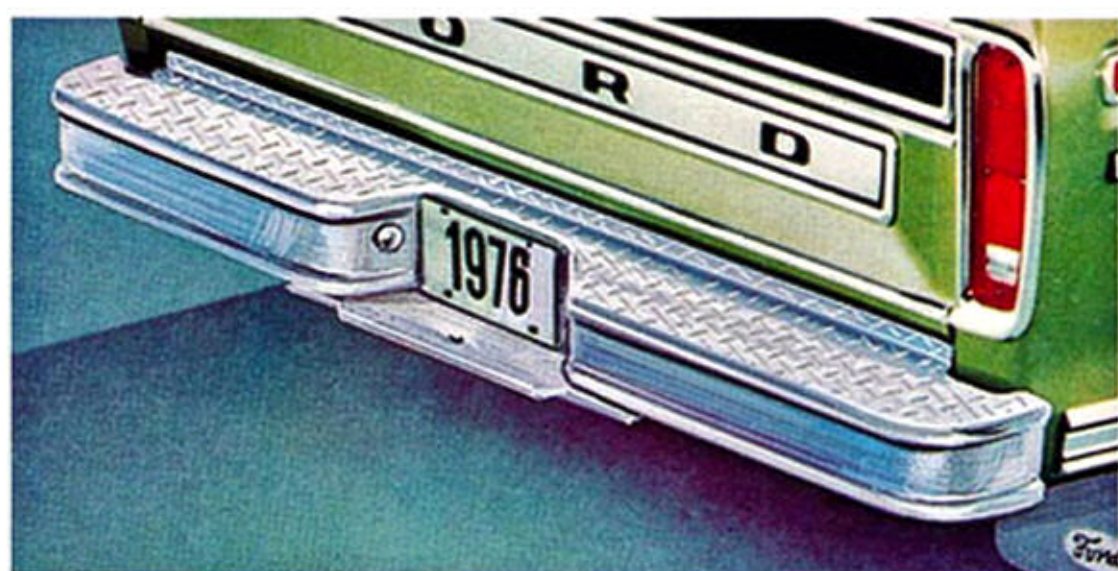

A dry-chemical fire extinguisher can be extra baggage until you need it. Protect your vehicle and its cargo. Be ready for the emergency before it happens. Can make the difference between minor damage and a total loss. Impact resistant clamp holds unit securely in place.

Tonneau Cover

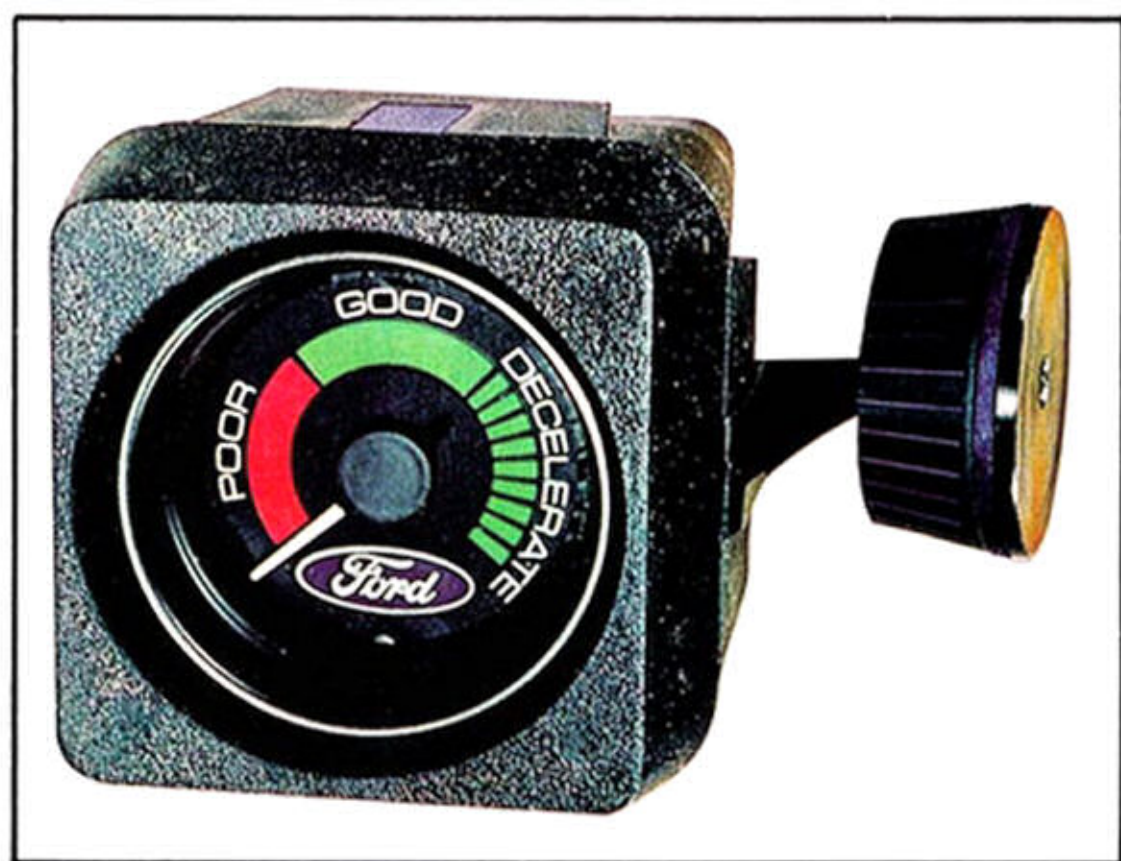

Pick-up truck owners will want the added convenience and protection of this durable cargo cover for 8-foot styleside boxes. Tonneau cover is also available for Ranchero owners. Easy to attach, remove or store. Available in black or white.

Rear Step Bumpers

Climbing in or out of a pick-up box is easier with a rear step bumper. Available in standard and deluxe models. Both rugged styles have a built-in area for mounting a trailer hitch ball. Heavy gauge steel construction gives extra protection to rear bumper area.

Fuel Sentry

Here's a great fuel saving idea. Lets you monitor engine performance while you drive. Tells you when you are wasting fuel. Helps you gain peak operating efficiency, get better fuel economy in all kinds of driving.
