

1982 CAVALIER

Chevy makes good things happen for you.

Chevrolet's "J" Car

Chevrolet

Cavalier 4-Door Sedan.

1982 CAVALIER

Complete with 43 standard features for comfort, convenience and engineering integrity.

Choose from four styles of Cavalier, each different yet each handsome in its own design: elegant Sedan, smart Coupe, sleek Hatchback and handy 4-Door Station Wagon.

Each with the latest thinking, state-of-the-art technology, design and attention to detail, you would expect from the world's largest automotive manufacturer.

Plus two levels of luxury, the Cavalier and Cavalier CL series provide just about all you could want in a sporty car.

Chevy Cavalier. Designed to make your life more complete. For a long time to come.

ANTI-THEFT

Anti-theft ignition key reminder buzzer • Anti-theft steering column lock.

A word about assembly, components and optional equipment in these vehicles.

The vehicles described in this brochure are assembled at various Divisions of General Motors Corporation. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and their suppliers. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.

Please note that certain optional equipment can be ordered only in conjunction with other optional equipment. Also, upgrading from specified standard equipment may be necessary when certain optional equipment is ordered. Ask your sales representative for details.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your Chevrolet dealer for complete information.
