

1987 CHEVROLET CARS AND TRUCKS

THE HEARTBEAT OF AMERICA. TODAY'S CHEVROLET.

More people have depended on Chevy to take them to work, to play, on vacation and home for the holidays than on any other automobile for the past 45 years.

Chevrolet is, unquestionably, America's car.

And when there's work to be done, Chevy's there, too. Since 1948, more Chevrolet trucks have been in use than any other make. Every year, every day, nothing works like a Chevy truck.

Today's Chevrolet is the contemporary design of Celebrity Eurosport and S-10 Blazer. It is the flair of Camaro, the luxury of Caprice, the stretch-out room of Chevy Astro and the romance of Corvette.

From Sprint to Suburban, Today's Chevrolet has the most complete range of cars and trucks available in any showroom.

You'll love the variety, the value and the fun. America is seeking out new ideas in personal transportation. And America is finding them... in a Chevy.

CHEVROLET AT A GLANCE

Tough on the Job S-10 Pickup, Full-Size Pickup, Astro Cargo Van, Chevy Van	18-19
The Future Is Now Corsica, Beretta	20-21
Today's Chevrolet	22-23

Introducing Turbo Sprint. A spirited addition to the Sprint family of coupe and sedan minicars.

SPRINT, SPECTRUM, CAVALIER RS COUPE.

Put a lot of fun in your life. Chevy fun. The kind of enjoyment Chevy builds into the cars you see here. Snappy performance. Contemporary design. Proven value. Qualifies you want in a vehicle you can depend on. At a price that will let you enjoy many of life's other fun things.

Cavalier RS Coupe delivers driving excitement with a standard F41 Sport Suspension and 2.0 Liter engine with Electronic Fuel Injection.

The intelligent choice, Spectrum, with sharp styling, contemporary engineering and a choice of sedan and coupe models.

S-10 Blazer 2WD goes anywhere in style. Tires supplied by various manufacturers.

S-10 Pickup 2WD is as handy for getting to the office as it is for weekend chores.

S-10 BLAZER 2WD, S-10 PICKUP 2WD.

Stylishly handsome on the outside. Truck tough underneath. That's the idea behind S-10 Blazer and S-10 Pickup. That's why so many people are discovering the advantages of vehicles that do so much and look so good. Weekend projects? Load 'em up. Commuting to the office? S-10s fit right in. An outing? No problem. After all, you do a lot. Your vehicle should, too.

Nova, in sedan and hatchback versions, is good-looking, spacious and surprisingly well equipped.

Take the hot-selling Cavalier, dress it in sleek RS decor, ride in comfort and style.

NOVA, CAVALIER, CELEBRITY.

When it's time to talk about cars with space for the family and contemporary styling, too, Chevrolet has plenty to say. About compact cars. Mid-size cars. Front-drive traction and responsiveness. Sporty performance. And the value you expect from Chevrolet. Take a look. There's a family Chevy just right for you.

The "Woodie" updated with simulated wood grain, in a Celebrity Estate Wagon that can hold up to eight (with optional third seat).

Celebrity Eurosport — sporty styling and performance in a mid-size car.

New size, new styling, traditional Chevy value. Astro is today's kind of van.

ASTRO, S-10 MAXI-CAB, SPORTVAN.

At last. Time to load up the Chevy and get away from it all. Fortunately, there's plenty of room to take it with you, from kids to camping gear to the family dog. Tow the boat, too, when your Chevy is properly equipped. Because beneath the attractive sheet metal, these vehicles are Chevy truck tough.

A great idea expanded — the S-10 Pickup Maxi-Cab, with extra cab space built in. Truck tires supplied by various manufacturers.

When big room plus big power is what you need, full-size Sportvan delivers both.

Cavalier plus performance — that's Cavalier Z24.

Monte Carlo SS. Super performance, super styling, Super Sport.

The Corvette Convertible. Open to wind, open to sunshine, open to the envious stares of those consigned to lesser cars.

IROC-Z, the ultimate Camaro. One of America's favorite family of 2 + 2 sport coupes.

CAMARO, CAVALIER Z24, MONTE CARLO SS, CORVETTE.

Chevy Thunder. Echoing across the U.S.A. Bringing you performance in a variety of guises, sizes and prices. In everything from a front-drive compact to America's sports car. With powerful acceleration, head-turning styling, people-pleasing interiors and driver systems that keep you fully in touch with the road. Get the Thunder. Then feel your heartbeat.

**S-10 BLAZER 4X4,
S-10 PICKUP 4X4,
FULL-SIZE PICKUP 4X4,
FULL-SIZE BLAZER,
EL CAMINO.**

Adventure calls you and your Chevy. Off-road, hubs locked, 4x4 engaged. Whether your destination is a remote trout stream or a mountain pinnacle, Chevy trucks have the rugged engineering to take you there. In pickups and Blazers that are full size or compact. All built Chevy tough.

S-10 Pickup 4x4 features Insta-Trac, the 4x4 system that lets you shift to 4WD High at any speed without stopping.

Full-size Pickup 4x4 thrives on the challenge of rough country.

Every full-size Blazer is a rugged Chevy 4x4.

El Camino. For those who like to do their trucking in stylish comfort.

S-10 Blazer 4x4 with Insta-Trac. High adventure for up to four, when optional seating is added. Truck tires supplied by various manufacturers.

The most luxurious way to say Chevrolet — Caprice Classic Brougham. One of several Caprice models available.

CAPRICE, MONTE CARLO LS, SUBURBAN.

In a downsize world, it's comforting to know some things remain unchanged. Like the ample room for people and cargo built into these Chevrolets. Vehicles with a tradition of luxury, a heritage of power and the towing capability of rear drive. When it comes to full-size vehicles, Chevy still understands your desires.

Caprice Classic Estate Wagon. With standard seating for as many as eight.

Power to go, power to tow and stretch-out comfort with optional seating for up to nine. The truck-tough Suburban offers a choice of 2WD or 4x4 models. When you need more versatility than any conventional wagon can offer, count on America's Superwagon, Suburban by Chevrolet.

LS stands for Luxury Sport, and the Monte Carlo LS coupe is certainly that and more.

Among its many abilities, Astro Cargo Van tows up to 6,000 lbs., including equipment, trailer and cargo, when properly equipped.

**S-10 PICKUP,
FULL-SIZE CHEVY PICKUP,
ASTRO CARGO VAN,
CHEVY VAN.**

Getting the work done — on time, with capacity to spare. That's what these Chevs are all about. With rugged engineering, plenty of power choices, comfortable interiors and the determination to hang in there even when the going gets tough. Compact or full size, van or pickup, there's a Chevy that works as hard as you do.

Large interior dimensions accessible from the side and rear. Chevy Van believes that's what a van is all about.

Chevy's most popular truck, the hardworking full-size pickup.

NOTHING WORKS LIKE A CHEVY TRUCK

S-10 Pickup combines compact dimensions with a let's-get-at-it attitude toward work.

CORSICA.

Introducing Chevrolet's contemporary new sedan. A car that takes the convenience of sedan styling into the future. Rounding off the corners for an advanced look and low wind resistance. Building in real room and luggage space to accommodate five adults. With plenty of power, a long list of features and demanding standards of production to ensure that Chevrolet quality is built in.

Corsica, all the virtues of a sedan, modernized for tomorrow, available today.

BERETTA.

The look is high style. The performance is sporty. Presenting Beretta, the new design for sporty driving. With coupe styling, flush exterior surfaces, a jaunty lowered nose and high rear deck. Five-passenger seating is part of the package. In comfortable interior surroundings you'll appreciate whether you're heading across the country or to the other side of town.

Beretta GT, the performance coupe that understands sporty is the way you like to go.

75 YEARS: PUTTING YOU FIRST KEEPS US FIRST.

Seventy-five years of achievement stand behind the 1987 Chevys, the most comprehensive array of cars and trucks in Chevrolet history.

Putting you first has kept Chevy first, and our '87 models deliver the value you expect from a leader. Today's Chevrolet is:

MORE MODELS TO CHOOSE.

Chevy lets you select from front drives, rear drives, 4-wheel drives. Cylinders? Choose from 3, 4, 6 or 8.

BODY STYLES.

Coupes, sedans, wagons, convertibles, pickups, Blazers, Suburbans, people-movers, cargo-haulers and more. When it comes to personal transportation, Chevy's got you covered.

ADVANCED ENGINE TECHNOLOGY.

The 2.0 Liter L4 with Electronic Fuel Injection, standard on Cavalier, is redesigned to provide increased power and improved dependability.

Celebrity's standard 2.5 Liter L4 and optional 2.8 Liter V6 have also been extensively revised.

Other engine news for '87 includes the introduction of a turbo engine that adds even more fun to the snappy 3-cylinder Sprint and the addition of Electronic Fuel Injection to most Chevy truck gasoline engines.

Chevrolet's traditionally wide selection of V6 and V8 engines continues as well.

HIGH MILEAGE.

For 1987, Chevrolet brings you the highest fuel economy automobile available in the U.S., the Sprint ER.* This efficient 3-cylinder model is rated an EPA estimated 54 city, 58 highway MPG.

BOSCH ABS II ANTI-LOCK BRAKING.

Corvette, the world-class American sports car, features the advanced technology of Bosch ABS II anti-lock braking. This system prevents brake lockup and helps reduce stopping distances while retaining steering control on most surfaces.

MORE DEALERS TO SERVE YOU.

There are more than 5,000 Chevy dealers coast to coast, ready to assist you with your new vehicle choices and service needs. No other automaker, import or domestic, can offer this kind of assurance.

AMERICA'S BEST-SELLING CARS AND TRUCKS.

With all this going for Chevy, it's easy to see why for the past 45 years, more Americans have put their faith in Chevrolet products than in any other.

*Available in limited quantities. Not available in high-altitude areas.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ENGINES.

Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries, or affiliated companies worldwide.

GM PROTECTION PLAN. The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in U.S. and Canada.
