

2005 MITSUBISHI FUSO

FE145 CREW CAB

Most accommodating:
4 doors
and room for **7.**

2005 MITSUBISHI FUSO

FE145 Crew Cab: One truck does the work of two.

The all-new FE145 Crew Cab combines dramatic styling and newly re-engineered cab and components with Mitsubishi Fuso's longstanding reputation for dependability. Its turbocharged 4-cylinder diesel engine is quieter and offers more torque. Its Aisin 6-speed automatic transmission offers enhanced drivability, especially on hills. The 4-door cab is partially trimmed in vinyl and offers a second bench seat to carry up to 7 passengers with plenty of room behind the cab for equipment and payload. Inside, there's more head, leg, and elbow room, new instrumentation, tilt/telescoping steering wheel, adjustable driver's seat, dash-mounted shifter and much, much more. Compare the new FE145 Crew Cab. You'll see why it's the right truck for the job.

FE145 CREW CAB

- Covered, open-grate steps stay cleaner
- New easier-to-read instrument panel
- Storage area under rear seats
- Oversized cup holder
- Dog house engine access under front seats
- Dash-mounted shifter provides more legroom
