FE140

Sleek styling, solid reliability.

The FE140 model combines dramatic styling, a ruggedly engineered cab, chassis, components and go-where-you-point-it responsiveness with Mitsubishi Fuso's longstanding reputation for dependability. Its turbocharged 4-cylinder diesel is quiet and offers plenty of torque.

Its 5-speed manual transmission shifts very smoothly. Available Aisin 6-speed automatic transmission offers excellent drivability, especially on hills. A wide stance ensures confident handling. Halogen headlamps offer superior visibility. Inside is a true driver's environment with lots of head, leg and elbow room, easy-to-read instrumentation, tilt/telescoping steering wheel, adjustable seating, dash-mounted shifter and much, much more. Feature for feature, dollar for dollar, the FE140 is the best vehicle in its class. And the right truck for the job.
