*GENERATION US*

# *CHRYSLER PACIFICA*

*THE MOST AWARDED MINIVAN  
FOUR YEARS IN A ROW<sup>1</sup>  
NOW HAS THE MOST  
STANDARD SAFETY FEATURES  
IN THE INDUSTRY<sup>2</sup>*

The 2021 Chrysler Pacifica comes with an assertive new look and an available All-Wheel-Drive (AWD) system for enhanced driving capability. The new Pacifica brings athletic new fascias and grille, a new premium trim level with luxury interior, and compatible new technologies. The redesigned lineup offers the innovative Pacifica Plug-in Hybrid with combined gas and all-electric power and boasts the most standard safety features in the industry<sup>2</sup> to help make every ride more secure.

# *VISIONARY ACHIEVEMENT*

The sculpted new Chrysler Pacifica is highlighted by distinctive accents and badging on the new Pinnacle™ with Platinum Chrome exterior finishes and 20-inch wheels. Available on gas and hybrid models, the top-of-the-line Pinnacle trim level speaks volumes about Pacifica's upscale pedigree.

The image shows the interior of a vehicle, specifically the rear passenger area. The seats are upholstered in a tan or caramel-colored leather with a quilted pattern. The seats are arranged in three rows, with the front row being the most prominent. The interior is well-lit, and the view through the windows shows a scenic landscape with hills and a body of water. The text "SUVs DON'T STAND A CHANCE" is overlaid in a large, white, serif font across the middle of the image.

# *SUVs DON'T STAND A CHANCE*

**Chrysler Pacifica Pinnacle™ offers the most luxurious interior in its class<sup>3</sup>**

Immerse yourself and the crew in the maxed-out comfort and style of the new premium Pinnacle trim that's loaded with luxury features and content, including quilted Caramel Nappa leather-trimmed seats in all three rows and unique matching lumbar pillows in the second-row captain's chairs. The sumptuous leather extends to armrests, bolsters and the movable pillows with suede backing for an extra dose of indulgence.

# AWD

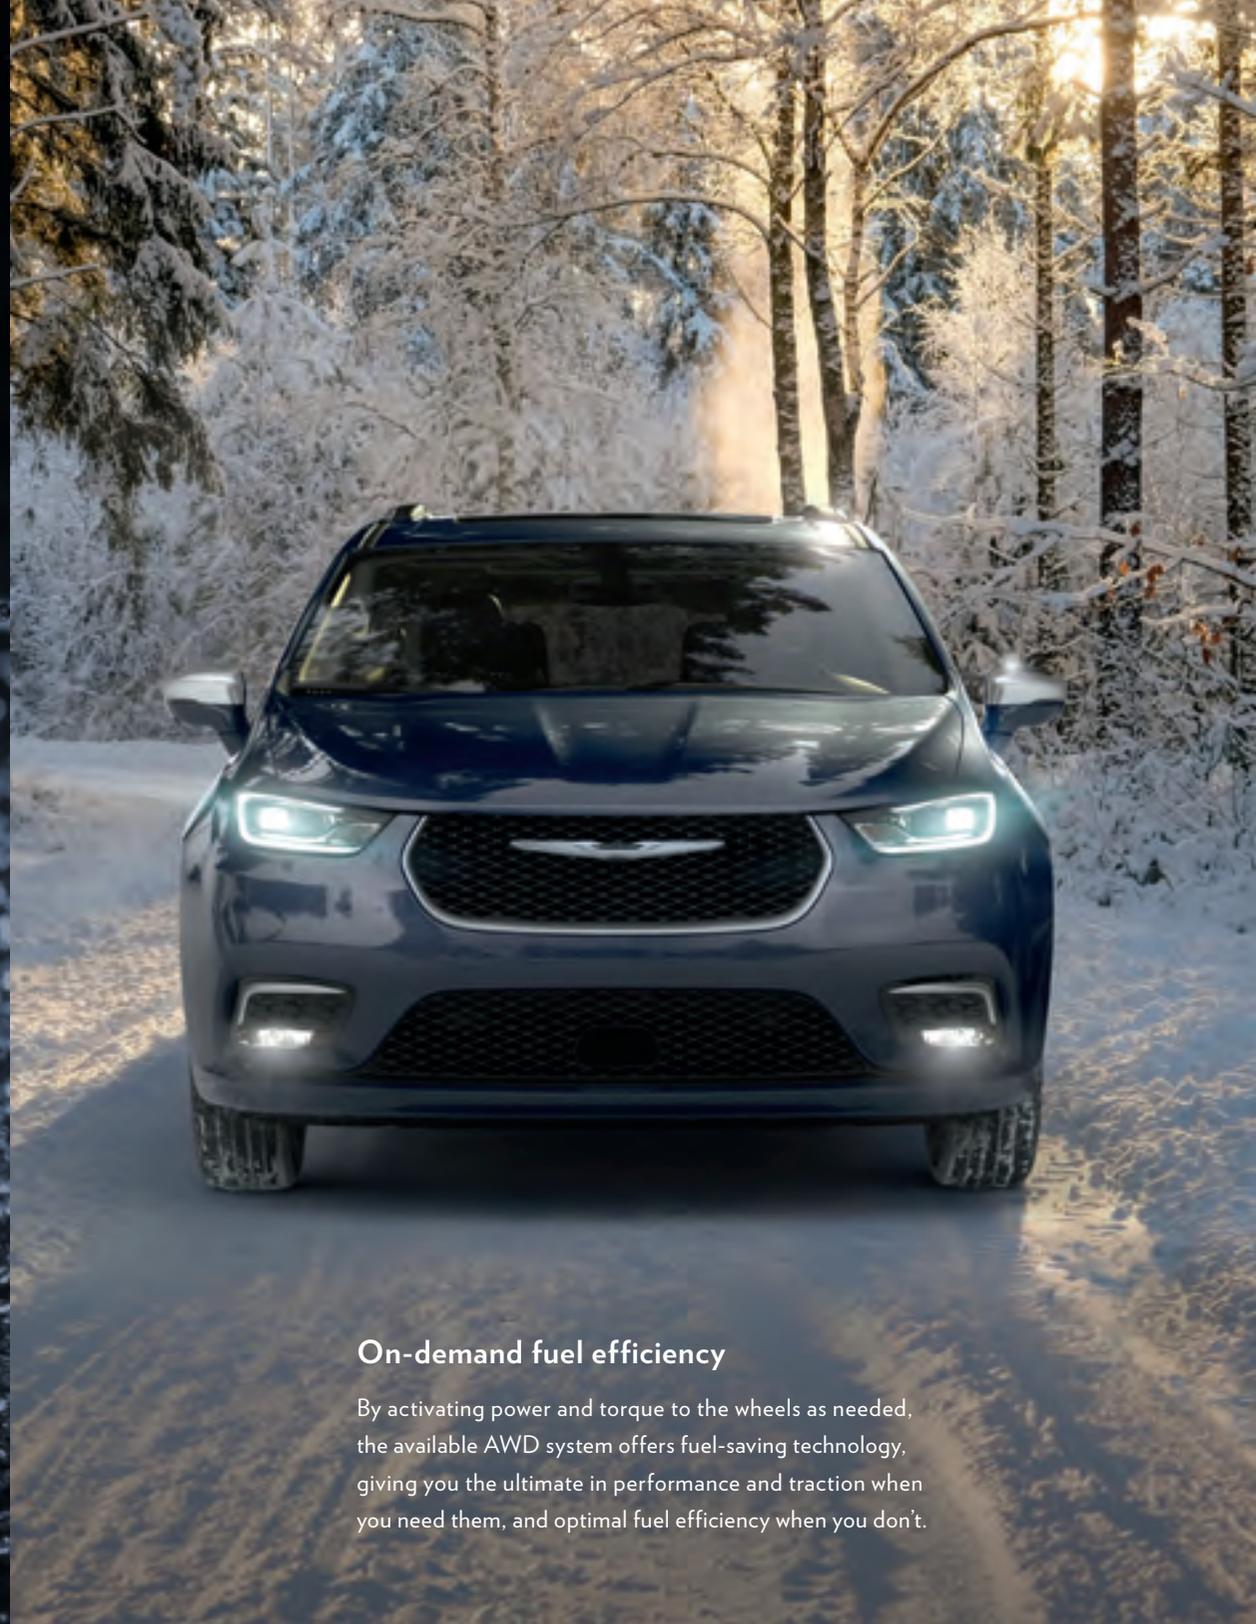

Chrysler Pacifica offers the most advanced available All-Wheel-Drive (AWD) system in its class,<sup>4</sup> with seamless engagement for an efficient drive. It's also the only minivan in America with available AWD and available Stow 'n Go<sup>®</sup> Seating<sup>5</sup> for enhanced performance with no sacrifice to versatility.

## Confidence and precision, no matter what the forecast

Not only does the Chrysler Pacifica introduce a robust, new capability design — it offers advanced driving performance capability. The available fully automatic AWD performance system delivers enhanced traction over a wide range of driving and road conditions — from dry pavement to snow-covered roads to non-paved surfaces — and engages seamlessly at any speed without the need of driver activation. The advanced system also automatically activates when outside temperatures near freezing, when windshield wipers are used or when road slope significantly changes.

# *ALL-WHEEL DRIVE FOR ALL-WEATHER DRIVING*

## On-demand fuel efficiency

By activating power and torque to the wheels as needed, the available AWD system offers fuel-saving technology, giving you the ultimate in performance and traction when you need them, and optimal fuel efficiency when you don't.

**AWD**

# *LANDSCAPE TRACTION*

## **Ready to drive**

The advanced All-Wheel Drive (AWD) offered on Chrysler Pacifica detects wheel-slip and kicks in automatically to distribute power between front and rear wheels. The system is also tuned to minimize oversteer and maximize traction where snow, ice, mud, sand or gravel are present. There is no need to select AWD as the proper mode is engaged when necessary depending on road surface and driving dynamics, such as heavy acceleration and abrupt steering inputs, as well as with Electronic Stability Control<sup>6</sup> activation.

***THE MOST  
STANDARD SAFETY  
FEATURES IN  
THE INDUSTRY<sup>2</sup>***

**Standard new automatic LED high-beam headlamps, DRLs and fog lamps**

The new LED headlamps provide an exceptional, balanced beam of light that minimizes glare for oncoming traffic while increasing light output directly in front of the vehicle. Side daytime running lamps (DRLs) improve visibility range while cornering, and the LED fog lamps provide improved illumination during inclement weather.

**Above and beyond**

Because helping to keep you and your family safe is paramount, the Chrysler Pacifica offers over 115 standard and available safety and security features, 97 of which are now standard across the lineup. Every Pacifica model includes SafetyTec™ Plus — a host of automatically reactive technologies designed to help enhance your control and visibility even on the busiest of roads, lots and driveways.

TO LEAD*

**Feeling safe means being seen**

A distinctive new all-LED taillamp runs the entire width of Chrysler Pacifica's rear fascia, providing an unmistakable rear approach and upscale lit appearance to the High-Gloss Black surround and Chrysler wing badge. The new design precisely integrates with the back-up camera<sup>11</sup> and aerodynamic design.

# *THE CORNERSTONE OF EVERY CURVE*

---

## **Structural integrity**

The upper body and the frame of the Chrysler Pacifica structure are designed as a single unit, helping to achieve premium driving agility. This exceptionally solid architecture carries advanced structural applications, optimized proportions, and dynamic qualities like the use of high-strength steels. The door design also increases visibility around the front windows and pillars, while sound-absorbing barriers throughout the body and engine area help reduce overall cabin noise, contributing to less driver distraction.

# *PRECIOUS CARGO*

## **Equipped to protect**

The standard air bags<sup>14</sup> include advanced multistage front air bags<sup>14</sup> with adaptive venting technology, front-occupant knee air bags,<sup>14</sup> supplemental front-seat-mounted side-impact air bags<sup>14</sup> and side-curtain air bags<sup>14</sup> which extend over all three outside seating rows.

## In touch wherever you go

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, available navigation and entertainment — all from one easy-to-use touchscreen.

Uconnect®

DRIVEUCONNECT.COM

## Compatibility your way with the all-new 10.1-inch Uconnect® 5 largest-in-class standard touchscreen radio<sup>13</sup>

Uconnect brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience that allows you to drag, slide, swipe and zoom right on the built-in screen.

### Uconnect Phone

Stay connected safely. Now connects two Bluetooth® phones to send and receive hands-free<sup>15</sup> calls. Includes *Do Not Disturb* to route incoming calls to voice mail and suppress text messages<sup>16</sup> and *Voice Recognition* to make hands-free<sup>15</sup> calls, listen and respond to text messages<sup>16</sup>, record voice memos, and select media stations and navigation destinations.

### New Home Screen Customization

We're taking personalization and customization to the next level. The all-new Uconnect 5 allows you to create an exclusive home screen with a familiar feel. Similar to specific icon placement on a mobile phone or computer, you can personalize the home screen with frequently used features for quick and easy access, featuring one-touch and swipe operation. Drivers can also arrange widgets that provide quick access to their favorite commonly used functions and information, as well as set up to five different screens to swipe between. Even the status bar can be customized.

### Driver Profiles

Uconnect 5 features several fully customizable interfaces with the ability to store up to five user profiles. Each user can set their own music and vehicle operation preferences such as temperature, seating position and mirror placement. Switching between users is simple and can be handled by a single touch.

### TomTom Connected Navigation (available)

TomTom Navigation for Chrysler Pacifica gives you a fully integrated turn-by-turn navigation experience using the most up-to-date maps, combined with traffic and connected services. Also, essential guidance information is displayed neatly on the cluster right in front of you to avoid distraction. Drivers can personalize their connected navigation system by easily creating a list of favorite locations, customizing their route preferences, and choosing which points of interest are displayed on the map and route. TomTom Navigation provides accurate and intuitive search results with destination prediction, which offers suggestions like "Going to Work?" while showing the best route options automatically. All these features, and more, are available with an easy-to-use destination entry via voice instructions.

### 4G Wi-Fi<sup>17</sup> Hotspot (available)

Get a stronger, faster, lasting connection on the road. With the available subscription, this built-in hotspot uses the vehicle's antenna for fast connectivity wherever you are — even standing 50 feet away from your car. With fast speeds through the AT&T® nationwide network, you can stream videos, check social media, get real-time email access and connect up to eight mobile devices. Expand to 4G Wi-Fi<sup>17</sup> by connecting online or through the Uconnect touchscreen.

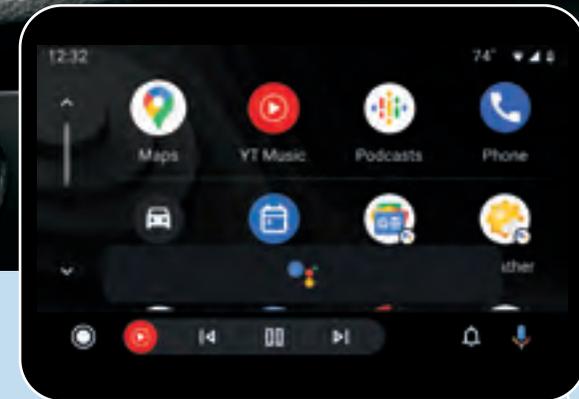

Works with  
**Apple CarPlay**

Now you can wirelessly connect and display your favorite iPhone® apps right on your Uconnect® touchscreen with Apple CarPlay.®<sup>18</sup> Access your iTunes® library, call anyone in your contacts list or just ask Siri®<sup>19</sup> to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive. Standard.

works with  
**androidauto**

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto™<sup>20</sup> and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, "Hey Google" or long-press the voice-control button on your steering wheel. Standard.

### SiriusXM with 360L<sup>21</sup> delivers satellite and on-demand streaming

This groundbreaking, next-generation platform gives you over 200 channels and 5,000+ hours of on-demand streaming programs on your in-vehicle satellite radio, including commercial-free music, plus sports, news, talk and entertainment. You'll get personalized listening recommendations, listener profiles, and much more, like customized Pandora® music stations, recorded shows, interviews and events from an exclusive on-demand library. You can also listen wherever you go on your portable devices with the SiriusXM App,<sup>21</sup> included with your six-month trial. Available.

### TomTom Connected Services

TomTom's Connected Services — including Traffic, Speed Camera Alerts, Electric Vehicle services, Parking, Fuel Pricing and Weather — provide drivers with reliable, timely information to get them where they are going without worry. As a fully integrated system, routing and guidance will still function even if Internet connectivity signal is lost by using regularly updated backup mapping contained within the system, unlike mobile phone navigation. Available with Uconnect 5 NAV, the TomTom Connected Navigation system allows you to access useful information right at your fingertips and Over-the-Air Map Updates guarantee access to the freshest maps, so you'll always know the road ahead. Available.

Uconnect 5 brings Amazon Alexa directly into the vehicle itself, giving occupants the freedom to interact with Alexa just as they do at home or on a personal device. With Alexa Built-in, occupants can ask Alexa to play music, podcasts and Audible; add items to their to-do or shopping list; check news, weather, traffic, sports and other real-time information; and access tens of thousands of Alexa Skills.<sup>22</sup> Responses and streaming audio are delivered through the vehicle's audio system, allowing anyone in the vehicle to easily interact with Alexa. Available.

# Uconnect® + SiriusXM GUARDIAN™

Drive worry-free with available SiriusXM Guardian™<sup>23</sup> — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect® App<sup>24</sup> and SmartWatch Extension. (Includes a one-year trial. Available.)

PLUG-IN HYBRID  
MINIVAN*

**One giant leap to a smaller carbon footprint**

By increasing driving range and saving fuel while cutting down emissions — without compromising on the versatility and space you need — the Pacifica Hybrid offers the best of both worlds.

The Chrysler Pacifica Plug-in Hybrid offers a pure electric range and the ability to drive gas-free — it's electric when you want it, gas when you need it. The Pacifica Hybrid's third-row seating easily stows into the floor, while the second-row seats can be easily removed<sup>40</sup> when extra cargo space is needed.

*CARRIES UP TO SEVEN  
AND A MISSION FOR REDUCED EMISSIONS*

The Chrysler Pacifica Hybrid gives drivers the ability to travel 32 miles in all-electric mode,<sup>41</sup> allowing a total combined driving range of 520 miles.<sup>42</sup> Combining electric battery charge, regenerative braking and a V6 gasoline engine, the Hybrid powertrain delivers an astounding fuel economy of 82 MPGe,<sup>43</sup> seamlessly switching between gas and electric power based on driving conditions.

The ability to travel up to 32 miles<sup>41</sup> without gas allows you to make fewer stops at the pump. Additionally, every time you brake while driving, the Hybrid's regenerative braking system turns the motor into a generator, charging the battery to help extend the electric range.

***520-MILE

***WITH 32  
ELECTRIC MILES<sup>41</sup>***

The heart of the Pacifica Hybrid is the 16kWh lithium-ion battery, delivering up to 32 miles solely on zero-emission electric power,<sup>41</sup> with a combined fuel economy of 82 MPGe.<sup>43</sup> It works seamlessly with a specially adapted version of the 3.6L V6 gasoline engine and regenerative braking technology to deliver optimal efficiency and a total driving range of up to 520 miles.<sup>42</sup>

# *FIELD-TRIP FRIENDLY*

Transforming to a more eco-conscious life is easy without having to sacrifice the space your family needs. The Pacifica Hybrid includes seating for seven, third-row Stow 'n Go® seating and storage with fold-in-floor seats, easily removable<sup>40</sup> second-row seats, roomy compartments and convenient accessories like available shopping bag hooks to help keep all your items properly secured.
