

# POMER THAS ENDURES BEST-IN-CLASS AVAILABLE V8 HORSEPOWER AND TORQUE1\* \*A note about this brochure: disclosures can be found on the last page.

## 363 HP

#### **Automatic adaptation**

The legendary  $5.7L\ HEMI^{\circ}\ V8$  engine, available on 300S, delivers 363 horsepower, 394 lb-ft of torque and 0-60 mph in less than 6 seconds.

Fuel Saver Technology engineered into the available HEMI V8 engine delivers the power of a V8 and efficiency by detecting when full power isn't needed, such as when highway cruising, by deactivating four of the eight cylinders to help maximize efficiency.

## Geared to conquer far and wide Every Chrysler 300 model has a class-exclusive standard rotary shift eight-speed transmission.1 The standard TorqueFlite® eight-speed automatic transmission delivers smooth and efficient gear transitions, for both the 5.7L HEMI® V8 and 3.6L Pentastar® V6 powertrains.

## Ultimate All-Wheel-Drive (AWD) traction The available fully automatic AWD performance system optimizes wheel traction on sharp road inclines and declines and under challenging road-surface conditions, such as wet pavement. If wheels lose traction, AWD automatically transfers power to the wheels with more traction. The intuitive system also helps provide fuel efficiency by only engaging as needed, depending on driving conditions. STAGE FORGE 300 Touring L AWD with Sport Appearance Package shown in Gloss Black and 300 Touring L AWD with Sport Appearance Package shown in Silver Mist

#### Reinvent your drive

The available advanced All-Wheel-Drive (AWD) system is designed to detect wheelslip and kicks in before you even realize you need it by automatically distributing power between front and rear wheels. The system also engages when the driver turns off the Electronic Stability Control (ESC)<sup>3</sup> system. In cases of inclement weather, AWD is tuned to help minimize oversteer and maximize traction where snow, ice, mud, sand or gravel is present.

## Chrysler 300S superhero The 300S gives drivers an edge when it comes to approach. Black headlamp and fog lamp bezels, LED taillamps, Black Chrome surround grille, Gloss Black window trim and 20-inch Black Noise wheels offer an imposing statement. 300S shown in Gloss Black

The 300S model with S Appearance Package includes an aggressive front fascia, unique LED fog lamps and deck lid spoiler. Combined with Sport-mode dynamics and performance-tuned suspension, the strut is much more than surface. Included with 5.7L HEMI® V8 and optional with 3.6L Pentastar® V6 powertrains.

#### S MODEL SPOTLIGHT

## SKYLIGHT VIBE The intersection of premium and pragmatic Present yourself in the best light with an available dual-pane panoramic sunroof that extends to the backseat, while the available power backlight sunshade blocks any unwanted direct sunlight from behind. You'll also enjoy the cabin quietness of the sound dampening acoustic glass on the windshield and front doors, as well as the Solar-Control front and rear windows designed to help reduce heat and glare.

#### In touch wherever you go

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, available navigation and entertainment — all from one easy-to-use touchscreen.

## **ûconnect**°

#### Compatibility your way

Uconnect® brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience.

#### Uconnect phone<sup>5</sup>

Stay connected safely. Pairs a Bluetooth® phone to send and receive hands-free<sup>5</sup> calls. Includes:

- DO NOT DISTURB to route incoming calls to voice mail and suppress text messages.<sup>5</sup>
- VOICE RECOGNITION to make hands-free<sup>5</sup> calls, listen and respond to text messages,<sup>5</sup> record voice memos, and select media stations and navigation destinations.

#### Drag-and-drop menu bar

We've made it easy to customize your Uconnect dashboard with your favorite features and services. Simply press the Uconnect icon on the main menu bar to view all of the available apps. Tap and hold any one of the icons to drag and drop into a personalized menu bar.

#### Siri® Eyes Free<sup>6</sup>

Just say it. Use voice commands with Siri Eyes Free<sup>6</sup> and your connected iPhone<sup>®</sup> to create and send texts,<sup>7</sup> make and receive calls, access directions, and play music. Available.

#### One-step navigation

Take the best route right now. Uconnect employs GPS navigation for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command and say the complete address to get directions quickly. Available.

#### 4G Wi-Fi<sup>8</sup> Hotspot

Along the way, you can upload, download, post and search. Connects to your personal Wi-Fi<sup>8</sup> device for fast, reliable Internet for up to eight devices within 50 feet of your vehicle. Available.

Apple CarPlay

Display your favorite iPhone® apps right on your Uconnect® touchscreen. Access your iTunes® library, call anyone in your contacts list or just ask Siri®6 to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive. Standard.

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto<sup>TM10</sup> and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say,

"Hey Google" or long-press the voice control button on your steering wheel. Standard.

YOUR TIME. YOUR PLACE. YOUR WI-FI.
