

Your 1998 LeSabre was built to go the distance, and serve you safely, with excellent performance and spacious comfort along the way. There are no shortcuts to Buick quality. The intention:

a premium sedan that's as enjoyable to drive a year from now as it was the day you drove it proudly from your dealer.

With Buick's Premium Roadside

Assistance, just a phone call
away, we can deliver a can of
gas, a locksmith, an emergency
tow and other services to you,
24 hours a day. The extensive use
of two-sided galvanized steel is
reflected in weather resistant,
long-lasting good looks.

Take a look at the future — it's built into every LeSabre. The stainless steel exhaust system fights corrosion and promotes long-term durability in your LeSabre. It seems like a small thing, but such touches are what continue to promote peace of mind and attract generations of loyal LeSabre family ownership.

Important: A word about this catalog. We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice. in prices, colors, materials, equipment, specifications, models and availability. Since some information may bave been and ated since the time of printing, please check with your Buick dealer for complete details. Some models as shown may not be mailable in California, Oregon, Idaho and Washington. A word about engines. Buicks are equipped with engines produced by different operating units of GM, its subsidiaries or GM suppliers worldwide. A word about assembly of Buicks. Buicks are assembled by different operating units of General Motors, its subsidiaries or GM suppliers worldwide. Buicks incorporate thousands of components produced by different operating units of GM, its subsidiaries or GM suppliers worldwide. We sometimes find it necessary to produce Buicks with different or differently sourced components than originally scheduled. All such components have been approved for use in Buicks and will protide the quality performance associated with the Buick name. Since some options may be unavailable when your vehicle is assembled, we suggest you verify with your dealer that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you. Aword about updated service information. Buick regularly sends its dealers useful service bulletins about Buick products. Euick monitors product performance in the field. We then prepare bulletins for servicing our products better. You can receive these bulletins, too. Ask your dealer. For ordering information, call toll-free 1-800-55/-4123. A word about warranty. The GM -year/ 36,000-mile Bumper to Bumper Warranty covers repairs for any new Buick, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle (including tires) will be covered for 3 years or 36,000 miles, whichever comes first. See your Buick dealer for terms of this limited warranty. Supplemental Restraint System coverage is 3 years regardless of mileage. The GM Card. For information or to apply for The GM Card or GM Gold Card, call I-800-8GM-CARD, Buick product information. Visit www.lesabre.buick.com or call 1-800-4A-BUICK.

Drive your mouse to www.lesabre.buick.com for directions to peace of mind on the Web. Net-cruising is a way to become partially acquainted with the 1998 LeSabre, but nothing can approximate the feeling of turning the key and pulling out into the real world in this latest edition of America's favorite family sedan.

1-800-4A-BUICK is another way to get customer assistance or information. Ask about Quality Plus, a Buick institution that deals with aspects of the buyinglowning experience such as Premium Roadside Service, Quality Plus Delivery and the generous 3-year/36,000-mile limited Warranty. Or fill out the postpaid card below, but do it soon — for your own peace of mind.
