<sup>1</sup> Always use safety belts and the correct restraint for your child's age and size. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

<sup>2</sup> Whichever comes first. See dealer for details.

<sup>3</sup> E85 is 85% ethanol, 15% gasoline. To see if there is an E85 station near you, visit [gm.com/biofuels](http://gm.com/biofuels).
