## THE ALL-NEW 1994 FORD MUSTANG — ALL THAT IT IS AND ALL YOU WANT TO MAKE IT

The all-new 1994 Ford Mustang is what it was, and more. Only Ford could re-design such a classic vehicle and impress not only first-time Mustang owners, but die-hard enthusiasts as well.

**PUT THE TOP DOWN AND THE TONNEAU ON**  
A Mini Tonneau Cover helps protect your interior from dirt and fading and helps reduce wear and tear on your Mustang's convertible top. The cover is easy to install and remove.

**ADD A LITTLE STABILITY**  
A Cargo Net attaches in your vehicle's trunk to help secure groceries, sports equipment, tools or other items. The net stretches easily with a soft, flexible, braided cord that won't scratch or mar finished surfaces.

### PROTECTION THAT'S ALWAYS UNDER FOOT

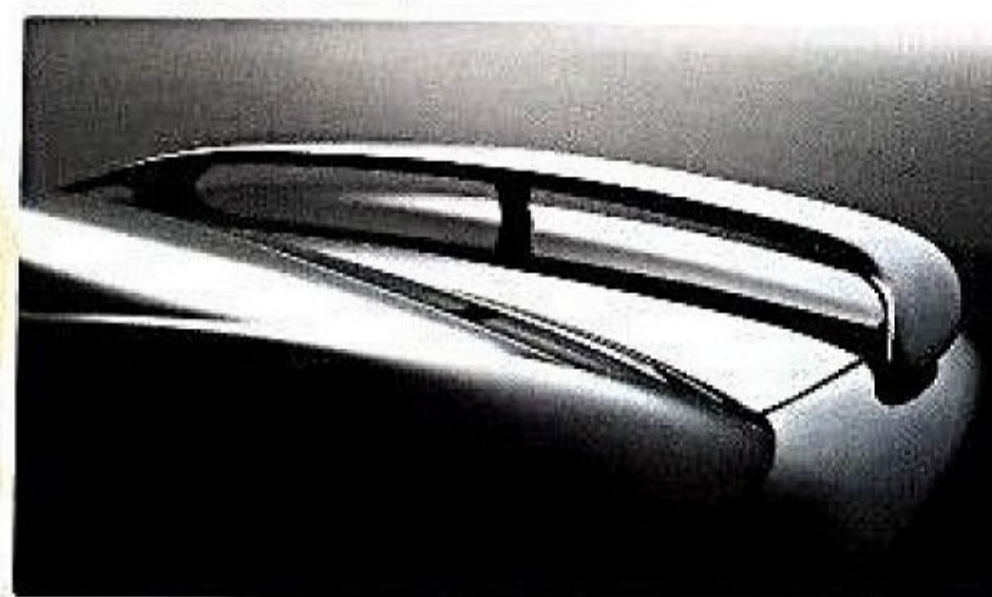

Don't let soils, stains and other damage of daily wear and tear spoil your Mustang's carpet. Carpeted Floor Mats help protect your interior with heavy-duty carpet, stitching around outer edges and a nibbed rubber backing to help prevent slipping. Available for front and rear.

# 1994 FORD MUSTANG ACCESSORIES

This unique, all-new 1994 Mustang invites you to build upon its strong foundation with Ford brand accessories. Ford offers products which complement your new Mustang and your lifestyle. Enjoy the added style and sleek appearance of the Bikini Hood Cover or Rear Spoiler. Ford Floor Mats help keep your interior looking new, and Multi-Sport Removable Racks accommodate the sports equipment of today's active Mustang owner.

**LET FORD SPOIL IT FOR YOU**  
Enhance the sporty style of your Mustang with a Rear Spoiler. It resists scrapes, scratches and damage from airborne road debris. The Spoiler redirects airflow and does not interfere with opening the hatchback. For non-GT applications only.

Choosing a 1994 Mustang makes a statement about who you are and the life you lead. Ford accessories help you complete that statement by giving your vehicle a personal and unique quality.

### YOU CAN JUDGE BY ITS COVER

Help keep your hood and front quarter panels looking new with durable Front End Covers. The covers help provide protection from flying stones, insects, salt, and other road debris, and the soft, non-woven white flannel backing helps minimize moisture build-up between cover and vehicle finish. Choose either the Bikini Hood Cover, Front End Cover, or Mini-Mask, all designed to allow opening of your vehicle's hood without removing the cover.
