

FJ CRUISER

2012

FJ Cruiser shown in Cavalry Blue with available Upgrade Package and available accessory roof rack and rock rails.

FJ Cruiser 4x4 interior shown with available Upgrade Package.

Leave no stone unclimbed. That's the spirit with which the 2012 FJ Cruiser is built. And to help it live up to that credo, it's got nearly eight inches of wheel travel in the front and more than nine in back. FJ boasts a rock-solid boxed steel ladder frame, 260 hp and 271 lb.-ft. of torque. It also offers an available locking rear differential and Active Traction Control (A-TRAC). With a rugged, versatile and easy-to-clean interior, FJ Cruiser can handle almost anything Mother Nature can dish out. **Moving Forward.**

TOP STANDARD FEATURES¹

- 260-hp 4.0L V6
- Heavy-duty all-weather flooring and rear deck
- Water-resistant seating surfaces
- Available Active Traction Control (A-TRAC)
- Available electronically controlled locking rear differential
- Hands-free phone and music streaming via *Bluetooth*^{®2} wireless technology

Trail Teams Special Edition Package¹

Package includes Radiant Red exterior color (including roof); black bumpers, grille, door handles, power outside mirrors with illuminated markers and rock rails; Trail Teams badge, TRD 16-in. 6-spoke Special Edition alloy wheels with BFGoodrich® All-Terrain LT265/75R16 tires, wheel locks, rear wiper, privacy glass on rear side, quarter and rear door windows, roof rack; cruise control, leather-trimmed steering wheel, floating-ball Multi-Information Display with inclinometer, compass and outside temperature; red-accented door trim, fabric seat inserts and steering wheel; remote keyless entry system, auto-dimming rearview mirror with integrated backup camera² display, one 115V/400W AC power outlet, Daytime Running Lights (DRL), Active Traction Control (A-TRAC), electronically controlled locking rear differential,³ and Trail-tuned Bilstein® shock absorbers

Prototype shown. Production model will vary

PACKAGES

OFF-ROAD PACKAGE^{1, 4, 5}

Floating-ball Multi-Information Display with inclinometer, compass and outside temperature; Active Traction Control (A-TRAC), electronically controlled locking rear differential³ and Trail-tuned Bilstein® shock absorbers

TRD PACKAGE⁵

TRD decals, TRD 16-in. 6-spoke alloy wheels with BFGoodrich® All-Terrain LT265/75R16 tires and high-speed-tuned TRD Bilstein® shock absorbers

CONVENIENCE PACKAGE

Power outside mirrors with illuminated markers, rear wiper, privacy glass on rear side, quarter and rear door windows; exterior spare tire cover, cruise control, remote keyless entry system and auto-dimming rearview mirror with integrated backup camera² display

UPGRADE PACKAGE

Exterior color-keyed door trim inserts, 17-in. alloy wheels with P265/70R17 tires, JBL® AM/FM 6-disc CD changer with 11 speakers in seven locations including subwoofer, leather-trimmed steering wheel, floating-ball Multi-Information Display with inclinometer, compass and outside temperature; shift⁵ and transfer¹ levers with silver accents, one 115V/400W AC power outlet, Active Traction Control (A-TRAC); rear parking assist sonar and electronically controlled locking rear differential³

OPTIONS/WHEELS

OPTIONS

17-in. alloy wheels with P265/70R17 tires	Available
Electronically controlled locking rear differential	Available ³
Daytime Running Lights (DRL)	Available
Running boards	Available ⁷

WHEELS

1. 17-in. black steel wheel	Standard
2. 17-in. alloy wheel	Available
3. TRD 16-in. 6-spoke alloy wheel	Available ⁸
4. TRD 16-in. 6-spoke Special Edition alloy wheel	Available ¹

SPECIFICATIONS

MECHANICAL AND PERFORMANCE

Engine: 4.0-Liter V6 DOHC 24-Valve with Dual Independent Variable Valve Timing with intelligence (VVT-i); 260 hp @ 5600 rpm; 271 lb.-ft. @ 4400 rpm	Standard
Ignition: Electronic, with Toyota Direct Ignition (TDI)	Standard
Emission rating: Low Emission Vehicle II (LEV-II)	Standard
Transmission: 5-speed Electronically Controlled automatic Transmission with intelligence (ECT-i)	Standard
6-speed manual (Full-time 4WD only)	Available ¹
Drivetrain: Rear-Wheel Drive with Automatic Limited-Slip Differential (Auto LSD)	Standard
Part-time 4WD	Available ⁹
Full-time 4WD	Available ⁹
Active Traction Control (A-TRAC)	Available ¹
Suspension: Independent high-mounted coil-spring double-wishbone front suspension with stabilizer bar; 4-link rear suspension with lateral rod, coil springs and stabilizer bar	Standard
Steering: Engine speed-sensing power-assisted rack-and-pinion	Standard
Turning circle diameter, curb to curb (ft.)	40.7
Brakes: Power-assisted 4-piston front disc brakes/2-piston rear ventilated disc brakes and Star Safety System™	Standard

EXTERIOR DIMENSIONS (in.)

Overall height (4x2/4x4)	71.3/72.0
Overall width	75.0
Overall length	183.9
Wheelbase	105.9
Track (front/rear)	63.2/63.6

INTERIOR DIMENSIONS front/rear seat (in.)

Head room	41.3/40.3
Shoulder room	58.4/53.9
Hip room	55.4/51.0
Leg room	41.9/31.3

OFF-HIGHWAY

Approach/departure/breakover angle (degrees) (4x2/4x4)	32/30/26	34/31/27
Ground clearance (in.) (4x2/4x4)	8.7/9.6	
Electronically controlled locking rear differential	Available ³	
Ratios:		
Front axle (4x2/4x4 AT/4x4 MT)	NA / 3:72:1 / 3:91:1	
Rear axle (4x2/4x4 AT/4x4 MT)	3:72:1 / 3:72:1 / 3:91:1	
Transfer case (high/low) ¹	1.000/2.566	

WEIGHTS AND CAPACITIES

Curb weight (lb.) (4x2/4x4 AT/4x4 MT)	4079/4343/4332
Gross Vehicle Weight Rating (GVWR) (lb.) (4x2/4x4 AT/4x4 MT)	5330/5570/5570
Cargo volume ¹⁹ (cu. ft.) (behind front/rear seats)	66.8/27.9
Fuel tank (gal.)	19
Seating capacity	5

TOWING¹¹

Towing capacity (lb.)	5000
-----------------------	------

TIRES

Type: Mud-and-Snow-rated steel-belted radials	Standard
Spare: Full-size, mounted on rear door	Standard
Full-size, on alloy wheel, mounted on rear door	Available

MILEAGE ESTIMATES (mpg city/highway)¹²

4x2 AT	17/20
4x4 AT	17/20
4x4 MT	15/18

FEATURES^{1,3}

EXTERIOR

Multi-reflector halogen headlamps with auto-off feature	Standard
Two-tone exterior color (body color with white roof top) ¹⁴	Standard
Black overfenders with black front and rear mudguards	Standard
Black front and rear bumpers with metallic silver trim	Standard
Power outside mirrors with illuminated markers	Available
Metallic silver door handles and outside mirrors	Standard
Two full doors and two access doors	Standard
17-in. steel wheels with P265/70R17 tires	Standard
17-in. alloy wheels with P265/70R17 tires	Available
16-in. 6-spoke alloy wheels with LT265/75R16 tires	Available
Lift-up glass hatch	Standard
Exterior spare tire cover	Available
Skid plates: On engine/front suspension, fuel tank and transfer case (transfer case on 4x4 models only)	Standard

INTERIOR

Air conditioning with air filter and rear seat vents	Standard
AM/FM CD player with MP3/WMA playback capability, six speakers (two in headliner), SiriusXM Satellite Radio ¹⁵ (includes 90-day trial subscription to XM Select Package), auxiliary audio jack, USB ¹⁶ port with iPod ¹⁷ connectivity, hands-free phone capability and music streaming via Bluetooth ¹⁸ wireless technology	Standard
JBL [®] AM/FM 6-disc CD changer with MP3/WMA playback capability, 11 speakers in seven locations including subwoofer, SiriusXM Satellite Radio ¹⁵ (includes 90-day trial subscription to XM Select Package), auxiliary audio jack, USB ¹⁶ port with iPod ¹⁷ connectivity and hands-free phone capability and music streaming via Bluetooth ¹⁸ wireless technology	Available
Water-resistant fabric-trimmed front seats; 8-way adjustable driver's seat with armrest; 4-way adjustable front passenger seat with seatback pocket	Standard
Water-resistant fabric-trimmed 60/40 split fold-down tumble rear seat with removable bottom cushion and folding headrests on outboard seats	Standard
Heavy-duty all-weather flooring and rear deck	Standard
Tilt 3-spoke steering wheel with audio, Bluetooth ¹⁸ hands-free phone and voice-command controls	Standard
Leather-trimmed tilt 3-spoke steering wheel with audio, Bluetooth ¹⁸ hands-free phone and voice-command controls	Available
Analog instrumentation with white backlit speedometer, tachometer, voltmeter, fuel and coolant temperature gauges	Standard
Flat dash panels with pipe-like structure and metallic silver trim	Standard
Exterior color-keyed center instrument panel trim	Standard
Power windows and door locks	Standard
Rear door window defogger with timer	Standard
Auto-dimming rearview mirror with integrated backup camera ² display	Available
Cargo area tie-down hooks	Standard
Digital clock	Standard
Dual sun visors with vanity mirrors	Standard
Four assist grips (two A-pillars, two above driver and front passenger doors)	Standard
Four cup holders and two bottle holders	Standard
Maplamps and front and rear door map pockets	Standard

SAFETY AND CONVENIENCE FEATURES

SMART STOP TECHNOLOGY¹⁹

At speeds greater than five miles per hour, when the accelerator is depressed first and the brakes are then applied firmly for longer than one-half second, Smart Stop Technology is designed to help the driver bring the vehicle to a complete stop. Standard on FJ Cruiser, Smart Stop Technology will not interfere with the two-footed approach to off-road driving if the brake pedal is depressed first followed by the accelerator.

STAR SAFETY SYSTEM ™ Star Safety System™ – includes Vehicle Stability Control (VSC) ²⁰ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA) ²¹ and Smart Stop Technology (SST) ¹⁹	Standard
Driver and front passenger Advanced Airbag System ²²	Standard
Driver and front passenger front seat-mounted side airbags and front and rear Roll-Sensing side Curtain Airbags (RSCA) ²² with cutoff switch	Standard
Driver and front passenger active headrests ²³	Standard
Driver and front passenger seatbelt pretensioners with force limiters	Standard
3-point seatbelts for all seating positions, driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractors (ALR/ELR) on all passenger belts	Standard
LATCH (Lower Anchors and Tethers for Children) includes lower anchors on outboard rear seats and tether anchors on all rear seats	Standard
Side-impact door beams	Standard
Tire Pressure Monitor System (TPMS) ²⁴	Standard
Daytime Running Lights (DRL)	Available
Rear parking assist sonar	Available
Engine immobilizer ²⁵	Standard

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Toyota FJ Cruiser is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.

TOYOTA FINANCIAL SERVICES

Toyota Rewards Visa®

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.†

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)† is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

†Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

DISCLAIMERS

1. 4x4 models only. 2. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 3. Standard on manual transmission model. 4. Manual transmission model requires 17-in. alloy wheels. 5. Requires Convenience Package. 6. Automatic transmission only. 7. Not available with Trail Teams Special Edition Package. 8. Also available through Genuine Toyota Accessories. 9. Manual transmission only. 10. Cargo and load capacity limited by weight and distribution. 11. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with new SAE J2807 method. 12. 2012 EPA-estimated mileage. Actual mileage will vary. 13. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 14. Monotone exterior on vehicles equipped with Iceberg paint color and Trail Teams Special Edition Package. 15. XM services require a subscription after trial period, and are sold separately or as a package. Subscriptions governed by SiriusXM Customer Agreement; see www.siriusxm.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 16. May not be compatible with all mobile phones, MP3/WMA players and like models. 17. iPod® is a registered trademark of Apple, Inc. All rights reserved. 18. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on toyota.com have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. 19. Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 20. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 21. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 22. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 23. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 24. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. 25. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key, it can be costly to replace. If you lose a key, your Toyota dealer can help, or you can find a qualified independent locksmith to replace your key or perform high-security key services at www.aloa.org 26. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. 27. Available for vehicles with factory security.
