EXHAUST TIP

Add eye-catching style to your 4Runner with these shiny exhaust tips.

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Corrosion resistant, ensuring a “like-new” appearance for years to come

ALLOY WHEEL LOCKS

Your wheels and tires can handle tough terrain. Make them tougher to poach with these triple-nickel chrome-plated alloy wheel locks.

- Guaranteed proper fit
- Weight matched to make rebalancing unnecessary
- Resists lock removal tools and allow only a single unique key to interface

BALL MOUNT²

Whether you're headed to the lake or the trails, Toyota towing accessories will help you bring your toys along.

- The ball mount positions the trailer ball to maximize departure angle and ground height for most trailers
- Powder topcoat provides uniform surface coating, protect against UV rays
- Lab and on-road testing—in conjunction with the Genuine Toyota tow hitch—helps ensure quality and durability
- All Toyota ball mounts meet industry towing standards
- Trailer ball sold separately

TRAILER BALL

Designed to partner with the 4Runner's ball mount, the trailer ball² is made of cold-forged steel for superior strength.

- Available in 2 5/16-in., 2-in. or 1 7/8-in. ball diameters
- Includes built-in wrench flats for ease of installation and torquing
- Ball mount sold separately

HOOD PROTECTOR

Your 4Runner can crawl over boulders in the wild, but no paint or glass is impervious to a small rock hurtling toward you at 65 mph. Help protect your hood and windshield with this dark tinted, transparent hood protector, composed of durable, impact-resistant polycarbonate.

- Helps provide superior front-end protection, while enhancing the vehicle's clean, aerodynamic lines
- Helps prevent potentially costly repairs to hood and windshield

MUDGUARDS

Help keep your lower side panels clean while protecting your paint against chipping.

- Precise fit to match vehicle body panels and structure
- Corrosion-resistant mounting hardware

PAINT PROTECTION FILM

Like an invisible coat of armor, Genuine Toyota paint protection film³ helps guard against damage from sand, stones and other road debris.

- Urethane material provides long-term protection and resists discoloration
- Film contains multiple layers for strength and durability
- Genuine Toyota paint protection film is available for select areas of the hood and fenders, and for the front bumper (each sold separately)

DOOR EDGE GUARDS

Sometimes the toughest environment is the local parking lot. Adding door edge guards helps protect your front door edges from nicks and dings.

- Formed from stainless steel, then coated with color-matched thermoplastic
- Tested for temperature, weather and impact to resist cracking, fading and peeling
- Compressed-fit with no need for adhesives or mechanical fasteners

RUNNING BOARDS

Hopping in and out of your 4Runner just got a bit easier thanks to these sturdy, stylish running boards.

- Skid-resistant step pads help ensure secure footing
- Streamlined and finished look
- Stainless steel trim

CARGO DIVIDER

Whether you're tailgating or loading bulky items, you'll find the rear sliding cargo floor (in select 4Runners) invaluable. Make it even more functional with this cargo divider that provides a barrier to keep things from rolling under the floor.

- Locked down, it allows larger cargo items to slide over it
- Four nylon hinges add strength and durability

INTERIOR

Nature is often beautiful, but it can also be messy. Leave the chaos outside - let Genuine Toyota Accessories help keep your interior clean and your cargo secured and organized.

Rugged performance. Classic style. Each TRD accessory is developed and manufactured with years of legendary Toyota Racing Development engineering know-how behind it to elevate the handling and looks of your 4Runner.

TRD ALLOY WHEELS

Uncompromising looks, undeniable performance. Cast aluminum TRD alloy wheels are lighter than stock wheels, dissipate heat extremely well, and help provide enhanced rigidity under high-load cornering maneuvers.

- Features matte gray finish and a TRD center cap
- Incorporates the proper weight, offset and brake clearance to ensure proper fit, finish and reliability
- Extensive ride, handling and strength tests help ensure wheels meet TRD's high quality standards

TRD OIL CAP

The legendary Toyota Racing Development logo is on display every time you pop the hood, when you replace your stock oil cap with this highly polished, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

TRD RADIATOR CAP

Enhance performance in high-rpm or high-load conditions with the TRD radiator cap.

- Releases at higher cooling system pressures than factory caps, raising the coolant boiling point to help protect the engine

TRD PERFORMANCE BRAKE PADS

Whether you're boulder bashing or stuck in traffic, you quickly realize that the left pedal is just as crucial as the right. The enhanced stopping power from TRD brake pads help decrease stopping distance while it increases your confidence.

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads

TRD PERFORMANCE AIR FILTER

You multitask; make sure your parts do too. The protection provided by this TRD air filter helps maintain the life of your engine while providing enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Filter elements are enclosed in durable epoxy coated mesh with an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD PERFORMANCE OIL FILTER

Keep your oil pure as long as possible, and help enhance the life of your engine, with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Viton housing gaskets and drain adapter

DISCLOSURES

1. Do not overload your vehicle. See owner's manual for weight limits and restrictions.
2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.
3. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
4. Cargo and load capacity limited by weight and distribution.
5. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
6. Available only for vehicles equipped with factory remote keyless entry and Smart Key.
7. iPhone® not included. Toyota Key Finder requires customers download the free Toyota Key Finder application from the iTunes®, App StoreSM to operate features. Please review the Mac OS® devices listed under Toyota Key Finder on iTunes App Store to verify compatibility. Please note: Interference from structures may affect signal strength. iPhone®, App StoreSM, iTunes®, and Mac OS® are registered trademarks of Apple Inc. iPhone® is a registered trademark of Apple Inc.
