LEXUS | THE ACCESSORY LINE

DISCLOSURES Vehicles shown with options. 1. Carpet and all-weather floor liners/mats are model specific with model names. Floor liners/mats are designed for use in a specific model and model year vehicle and **SHOULD NOT** be used in any other vehicle. To avoid potential interference with pedal operation, each liner/mat must be secured with its fasteners. Do not install a floor liner/mat on top of an existing floor liner/mat. 2. Cargo and load capacity limited by weight and distribution. 3. Genuine Lexus Paint Protection Film by 3MTM is designed for specific sections of the hood and front fenders. It can also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. Please see dealer for details. 4. Roof rack cross bars are not recommended for luggage. See *Owner's Manual* for load-rating and additional details. 5. Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any weight ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method. 6. 18-in or 19-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon driving conditions. 7. Accessories installed at the time of retail delivery, except car covers, are warranted for the same time as the new-vehicle limited warranty (48 months/50,000 miles). Accessories installed by an authorized Lexus dealer after retail delivery, except car covers, are warranted for 12 months, regardless of mileage, from the date of purchase or installation on a vehicle, or the remainder of any applicable new-vehicle limited warranty, whichever provides greater coverage. Accessories purchased over the counter, including car covers, are covered for 12 months from the date of purchase. Refer to your Lexus parts and accessories limited warranty to see the complete statement of warranty coverage and conditions.
