

Regal SOMERSET II

Enhances the Buick Regal Limited's Magnificent Basic Beauty

Here's an opportunity to personalize the Buick Regal Limited with an added touch of class. Truly in the Regal traditional, this styling package offers a combination of uniqueness and luxury. From the special exterior paint treatment to the elegant interior trim, this Somerset II is perfect for that person who wants the extraordinary in an automobile.

Limited Edition Paint Treatment

Deep-toned metallic Dark Sandstone (Code 69) with fine striping tops off the elegant lustre of the metallic Camel sides. (Code 34 — normally available only on Riviera). This classic offering truly highlights the already exceptional styling of Buick's 1981 Regal.

Custom Luxury Interior

Plush is only one way of describing the interior design of the Somerset II. The velvet look and feel of the luxurious Camel cloth seats and trim is framed with special dark brown piping and special dark brown deep pile carpeting. Living room elegance and comfort make this interior package truly Regal.

Special Painted Turbine Wheels

Just one of the personalized touches of the Somerset II... the Turbine Wheels with their center Camel (Code 34) accent paint call added attention to this Limited Edition automobile.

(Order Code Y49 — Trim Code 806)

Some of the equipment shown on this car is available at extra cost. Check with your Buick salesperson for complete information.
