'15 ACCESSORIES

THE BEST ACCESSORY? MUD.

A coat of caked-on dirt looks great on your Tacoma. It means that you've been out having fun with your truck. Know what else looks great on your Tacoma? Genuine Toyota Accessories that are designed to protect, or increase functionality or performance. You can rest assured that they're engineered with the same quality, fit, and durability that you have come to know from Toyota, so that you can work – and play – as hard as you always do, for years of adventures ahead.

EXTERIOR

Tacoma owners put their trucks through the paces, and Genuine Toyota Accessories rise to the challenge by increasing the Tacoma's utility and style.

HOOD PROTECTOR ∨

Your Tacoma can maneuver over boulders, but no paint or glass is impervious to small rocks and gravel hurtling toward you at 65 mph. Help protect your hood and windshield with this dark tinted, transparent hood protector, composed of durable, impact-resistant polycarbonate.

- Provides superior front-end protection, while enhancing the vehicle's clean, aerodynamic lines
- Helps prevent potentially costly repairs to hood and windshield

PAINT PROTECTION FILM ^

Like an invisible coat of armor, the Genuine Toyota paint protection film¹ helps protect against sand, stones and other road debris.

- Urethane material provides long-term protection and resists discoloration
- Film consists of multiple layers for strength and durability
- Genuine Toyota paint protection film is available for select sections of the hood and fenders, and for the front bumper (each sold separately)

See numbered disclosures on page 39

FRONT SKID PLATE

You love to crawl over the rocks. Unfortunately, those rocks love to chew up the underbelly of your truck. Help protect expensive drivetrain components with this aluminum front skid plate.

- Helps protect vehicle underbody from damage that can result from flying stones, branches, ice chunks and other types of road debris
- Made from stamped and formed 1/8-inch-thick powder-coated aluminum
- Cooling system, maintenance and vehicle tow hook openings still accessible

ROOF RACK

Cargo area already full? Use your roof. The roof rack features cross bars that are designed to secure cargo with more confidence.

- Provides additional secure tie-down points for various roof rack accessories
- Can support a maximum of 75 lb. when weight is evenly distributed across both bars
- Two cross bars are integrated in the side rails and swing/lock into position when in use. Both stow into the side rails when not in use to minimize wind noise

ALLOY WHEEL LOCKS

Your wheels and tires can handle tough terrain. Make them tougher to poach with these triple nickel chrome plated alloy wheel locks.

- Weight matching makes rebalancing unnecessary
- Resists lock removal tools and allows only a single unique key to interface

BALL MOUNT

Whether you are headed to the lake or the trails, Toyota towing accessories, including this ball mount^{2, 3}, will help you bring your toys along for the fun.

- Ball placement provides precise drop/rise to minimize vehicle departure angle
- Powder topcoat provides uniform surface coating and protection against UV rays
- Lab and on-road testing—in conjunction with the Genuine Toyota tow hitch—puts the ball mount in real-world towing conditions to help engineer the quality and durability of the entire towing system
- All Toyota ball mounts meet industry towing standards
- Trailer ball sold separately

TRAILER BALL

Designed to partner with the Tacoma tow hitch and ball mount, the trailer ball^{2, 3} is made of cold-forged steel for superior strength.

- Available in 2 5/16-in. or 2-in. ball diameters
- Includes built-in wrench flats for ease of installation
- Ball mount sold separately

See numbered disclosures on page 39

TOW HITCH RECEIVER

Big fun calls for big toys. Whether your journey is short, or you're in for the long haul, you can tow up to 5,000-lbs. with confidence with the Genuine Toyota tow hitch receiver^{2, 3}.

- 16 no-drill connection points even out weight to help reduce stress and preserve the integrity of the frame and body structure
- Ball mount and trailer ball sold separately

See numbered disclosures on page 39

EXHAUST TIP ∨

Finish off the Tacoma's bold style with these shiny exhaust tips.

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Easy bolt-on installation; no cutting, drilling or welding
- All hardware included

SPARE TIRE LOCK ∧

Add an extra layer of security for your spare tire with this precision machined spare tire lock.

- Manufactured from zinc-nickel plated hardened steel construction for enduring structural integrity

BEDSTEP® »

Get a leg up when loading or unloading the cargo in your truck's bed with a BedStep. It bolts on with no drilling required, and tucks neatly under the rear bumper when not in use.

- Works with tailgate up or down
- Hands-free operation; adjusts easily
- Lightweight, high-strength aluminum die-cast construction features a reinforced nylon step pad with ribbed, nonskid stepping surface
- 300-lb. load capacity
- Weather-resistant black anodized and Teflon® powder-coat finish for long-term durability
- Leaves hitch receiver free for towing

7-PIN TO 4-PIN ADAPTER »

For the smaller towing jobs, this easy-to-install adaptor converts a 7-pin round to a 4-pin flat connector.

- Designed to work specifically with the Toyota wiring harness
- Allows a standard four-way flat-wired trailer to be connected without the need to rewire the trailer or purchase additional harnesses
- Provides higher level of towing flexibility, while protecting vehicle's circuits

BED NET

Just because the Tacoma likes to go bouncing down the trails doesn't mean your cargo does too. Keep it in the bed with this high-strength webbed nylon net.

- Stain resistant and durable
- Easy to install; attaches to defined points in truck bed
- Folds flat for storage when not in use

BED MAT ∨

Protect your truck bed and cargo from damaging each other with this heavyweight bed mat⁴. It's made from a high strength, cord-enhanced rubber compound that's durable enough to withstand abuse without fading, rusting, cracking or breaking.

- Pebble finish minimizes shifting of cargo
- Raised angled ribs ease cargo loading/unloading
- Knobby underside promotes aeration, and drainage helps keep truck bed dry to help prevent rust and mildew

See numbered disclosures on page 39

CARGO NET – EXTERIOR ^

Keep gear secured with this envelope-style cargo net⁴, including a zipper pocket to hold smaller items.

- Easy to install; attaches to hooks and tabs in cargo area
- Designed for long-term durability
- Stores flat when not in use

See numbered disclosures on page 39

BED EXTENDER

Your truck can already carry a mountain of gear, but this bed extender⁴ will increase cargo length by two feet with the tailgate down, or form an enclosed area to contain smaller items with the tailgate up.

- Optimum strength from lightweight, aircraft-grade aluminum tube construction and rugged, glass-reinforced nylon uprights
- Powder coat finish enhances appearance and durability
- Taillights remain visible when extended, in compliance with DOT lighting requirements
- Angle-release mounting brackets enable easy installation or removal
- Adjustable strap latches make sure the bed extender is secured to the tailgate when down

See numbered disclosures on page 39

TUBE STEPS

Whether or not your truck is lifted, you might need a step up. Tube steps ease entry into the cab while complementing Tacoma's good looks.

- 5-in. oval tube steps provide dual-molded and skid-resistant heavy-duty step pads on both sides of the vehicle to channel water off the step
- Durable, lightweight aluminum construction is chip and rust resistant; choice of chrome-plated or black powder-coat finish
- Meets all Toyota-required load, cyclic and durability testing

RUNNING BOARDS

Hopping in and out of your Tacoma just got a bit easier thanks to these sturdy, stylish running boards.

- Skid-resistant step pads ensure secure footing
- Streamlined and finished look

CARGO DIVIDER ∨

Loose equipment in the truck bed is generally a bad idea. Keep it contained with this customizable cargo divider⁴.

- Slides along Tacoma's deck rail system to fit the required space
- Rotates for various configurations, including lying flat above cargo
- Made of lightweight, corrosion-resistant, black powder-coated aluminum
- Tested to withstand loads up to 400 lbs.

See numbered disclosures on page 39

TOOL STORAGE BOX ∧

The right tools make any job easier. Secure those tools with this custom-designed storage box that features a sturdy cam lock for security and lid support for additional strength.

- Made of corrosion-resistant, lightweight aluminum with a powder-coated finish
- Drain hole plug for easy cleaning

LOCKING FORK BIKE RACK ⤴

Transporting your two-wheeler is a snap, and so is secure storage, with a locking fork bike rack.

- Custom-designed for the vehicle's deck rail system
- Virtually effortless mounting: simply remove the front wheel, position the forks into the skewer and lock
- Securely locks down front forks to front bed deck rail position

TRUCK BED D-RINGS ⤵

Secure your cargo with confidence, thanks to these loop-n-bolt D-rings.

- Can be used with ratchet-type tie-downs or heavy-gauge rope
- Constructed from durable steel and painted black for an integrated look

MINI TIE-DOWNS WITH HOOKS

Organize and secure your equipment with these adjustable mini-tie downs with hooks, made of sturdy black nylon.

- Each mini tie-down measures 2-in. x 1-in and holds a maximum load of 110 lbs. each—a total of 220 lbs. for the set of two
- Hooks rated for up to 50 lbs.
- Tie-downs slide along the bed rail system and are held firmly in place by an inner tension spring

Also Available: BED CLEAT

INTERIOR

Sure, your Tacoma looks great on the outside. Keep the interior looking equally nice with Genuine Toyota Accessories.

DOOR SILL PROTECTORS

Let these door sill protectors serve as a “welcome mat” every time you step into the cabin, while helping keep the sills scuff-free.

- Skid-resistant surface
- Tacoma logo molded into the sill

CARPET FLOOR MATS

Help keep your original carpet clean and neat with these durable, fade-resistant carpet floor mats⁵.

- Made to fit the Tacoma floor and match the carpeting
- Nibbed backing and quarter-turn fasteners help keep mats in position
- Removable and easy to clean

See numbered disclosures on page 39

ALL-WEATHER FLOOR MATS

Local mud run? Bring it on and let these all-weather floor mats⁵ catch the mess.

- Made from easy to clean, durable and flexible weather-resistant material
- Quarter-turn fasteners and nibbed backing on all mats help keep mats in position
- Feature ribbed channels and an embossed vehicle logo

Also Available: CARGO TOTE

See numbered disclosures on page 39

TOYOTA KEY FINDER

Don't waste another minute searching for your keys. Once it's synched to your iPhone^{®6}, the Toyota Key Finder⁷ can alert you when you leave keys behind or locate them from up to 60 feet away. You can also use the Key Finder's fob to find your iPhone[®] hiding in the clutter.

- One app monitors up to eight separate Key Finder devices
- Working range of up to 60 feet
- Backed by 12-month Toyota Approved Accessory parts warranty

See numbered disclosures on page 39

ASHTRAY CUP

Keep ashes in the only place they belong: an ashtray.

- Hinged lid helps minimize odors and prevent flyaway ash
- Removable, easy to empty cup fits snugly inside the cupholder
- Can also be used to hold loose change and other small items

RS3200 + VEHICLE SECURITY SYSTEM

Sure, they want it. But they're just gonna have to get their own. Protect your Tacoma with a security system⁸ and sleep easier.

- Designed to integrate with the keyless entry system—no need for an additional remote
- Alarm functions:
 - Panic alarm remotely triggers vehicle's alarm when activated from key fob
 - Warn-away alarm triggers if an object striking a window is detected
 - Break-in alarm is activated if forced entry of a side door is attempted or if glass is broken
- Other features:
 - Door ajar warning helps remind driver to lock vehicle
 - Remote arming and disarming
 - Automatic rearming and relocking
 - Interior light activates when vehicle is unlocked with key fob
 - Rolling code technology changes the remote code, helping prevent code theft
 - Starter disabled when system is activated
- Includes glass breakage sensor (GBS):
 - Highly sensitive microphone detects the specific sound frequency of striking on glass or glass breakage
 - Sounds alarm and disarms starter if a window is broken
 - Sounds a warn-away alarm if object striking a window is detected

See numbered disclosures on page 39

EMERGENCY ASSISTANCE KIT »

Be prepared for minor emergencies and repairs with the multi-functional Emergency Assistance Kit.

- Triangle shaped zipper bag in gray/black two-tone with outer storage pockets
- Reflective emergency indicators on kit surface
- Contents include:
 - Versatile, stainless steel pocket tool with multiple functions including:
 - Pliers
 - Wire cutters
 - Two screw drivers
 - Heat-reflective emergency blanket
 - Hand-squeezed flashlight
 - Work gloves with textured palm area to optimize grip
 - Automotive-grade hose tape
 - Booster/jumper cables with multi-lingual instructions
 - Tire gauge
 - Bungee cord
 - Shop towel
 - Tether strap

FIRST AID KIT »

This kit comes in handy when addressing minor scrapes and bumps, so you can get back on your way in no time.

- Contents include:
 - Soft-sided, water-resistant and flame-retardant black PVC zipper case
 - Insect-sting relief pads
 - Self-adhesive bandages
 - Rolled stretch bandage with metal clips
 - Two multi-use, waterproof, heat-reflective survival blankets
 - Stainless steel scissors capable of cutting through seatbelt strapping

TRD

Performance? Uncompromised. Looks? Undeniable. Each TRD accessory is the product of years of legendary Toyota Racing Development engineering heritage, all designed to make that “TRD” statement in the handling and appearance of your Tacoma.

TRD OIL CAP ∨

The legendary Toyota Racing Development logo is on display every time you pop the hood, when you replace your stock oil cap with this highly polished, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

TRD RADIATOR CAP ^

Enhance performance in high-rpm or high-load conditions with the TRD radiator cap.

- Releases at higher cooling system pressures than factory caps, raising the coolant boiling point to help protect the engine

TRD 16-IN. OFF-ROAD BEADLOCK-STYLE ALLOY WHEELS

TRD hot-forged alloy wheels⁹ are lighter than stock wheels, dissipate heat faster and provide a higher strength-to-weight ratio to help keep corner weight down. And the look? It speaks for itself.

- Off-road race-inspired 16-in. x 7.5-in. x 10-mm. six-spoke low-pressure alloy wheels with 5.5-in. (139.7-mm.) bolt circle and 106-mm. center bore
- Features bronze painted finish and machined outer lip with beadlock ring styling, with TRD embossed snap-in center cap included
- Incorporates the proper weight, offset and brake clearance to ensure fit, finish, and reliability

Also Available: TRD WHEEL LOCKS

See numbered disclosures on page 39

TRD TRD 16-IN. OFF-ROAD ALLOY WHEELS ⤴

Forged through experience. Proven in rallies and major off-road events. These 5-spoke alloy wheels⁹ speak the language of rugged performance.

- 16-in. x 8-in. 5-spoke alloy wheels featuring painted satin silver spokes and center with a spun aluminum center cap and bright machined lip
- Alloy wheels are lighter weight, and provide better heat dissipation and greater rigidity under high-load cornering maneuvers than stock wheels
- Incorporates the proper weight, offset and brake clearance to ensure proper fit, finish and reliability

See numbered disclosures on page 39

TRD PERFORMANCE BRAKE PADS ⤴

Whether you're boulder bashing or stuck in traffic, you quickly realize that the left pedal is just as crucial as the right. The enhanced stopping power from TRD performance brake pads helps decrease stopping distance while increasing your confidence.

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Helps reduce fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

TRD PERFORMANCE AIR FILTER ∨

You multitask; make sure your parts do too. This TRD air filter protects and helps maintain the life of your engine with enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD PERFORMANCE OIL FILTER

Keep your oil pure as long as possible, and help enhance the life of your engine, with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Vitron housing gaskets and drain adapter

TRD 6-SPEED SHIFT KNOB ∨

Enhance your connection to the Tacoma with every shift.

- Crafted specifically for the vehicle, featuring unique TRD shift knob engraved with shift pattern
- Simple remove and replace installation with no drilling or special tools required
- Manual transmissions only

TRD QUICKSHIFTER ⤴

True enthusiasts know the value of smooth acceleration, and the TRD Quickshifter gives you that edge by optimizing linkage, shortening your throw by up to 30% and providing a more precise, positive shifting action.

- TRD shift knob engraved with shift pattern sold separately
- Design of quickshifter optimizes linkage and location, providing the vehicle with a race-car-like feel, without compromising quality, fit and finish

TRD SUPERCHARGER

The dirt. The stars. The view. You know what makes your soul rev. Now help your engine rev with the TRD Supercharger¹⁰, boosting horsepower and torque, and unleashing your Tacoma.

- Produces nearly 60 extra horsepower: 304 hp @ 5,400 rpm and 334 ft./lbs. torque @ 3,600 rpm (up from 245 hp @ 5,200 rpm and 282 ft./lbs. @ 3,800 rpm), tested to SAEJ1349 standard
- Compact, one-piece plenum/manifold integrates the Eaton roots-type unit
- Air-to-liquid intercooler with low-temperature radiator, coolant reservoir and circulation pump enhance engine response and power output
- Includes 455 cc fuel injectors and iridium spark plugs – helping to ensure proper fuel delivery when using the supercharger system at full capacity
- Integrates factory ECU calibration for optimal fuel mileage
- Self-contained lubrication – so there's no maintenance required on supercharger or supercharger system components
- Emissions legal in all 50 states

See numbered disclosures on page 39

TRD PRO

INTRODUCING THE ALL NEW TRD PRO ACCESSORIES

TRD PRO TOYOTA GRILLE

- Inspired by old-school front TOYOTA grilles of yesteryear
- Matte black finish

TRD 16-IN. OFF-ROAD BEADLOCK-STYLE WHEELS⁹

- Off-road race-inspired 16-in. x 7.5-in. cast aluminum wheels with beadlock styling and six lug nut pattern
- +10 mm wheel offset widens the overall vehicle track width by 0.8 in. (20 mm) for more aggressive stance
- Incorporates the proper weight, offset and brake clearance to ensure proper fit, finish and reliability
- Extensive ride, handling and strength tests ensure wheels meet TRD's high-quality standards

See numbered disclosures on page 39

TRD PRO BILSTEIN SHOCKS WITH TRD- TUNED FRONT SPRINGS

- 2.5 in. front shocks and 2.0 in. rears with remote (piggyback) reservoirs
- Zinc finish with multi-layer coating for extreme surface durability
- TRD tuned Eibach® coil springs with custom rates
- Engineered by TRD with unique components and tuned by TRD engineers to provide better ride quality and off-road performance

TRD PERFORMANCE EXHAUST SYSTEM

- Stainless steel, cat-back exhaust design with TRD-logo-etched tip
- Allows for a less restrictive path, helping reduce backpressure for added low-to mid-range torque, along with improved horsepower
- Produces a deep, throaty tone while meeting the legal 95-decibel noise limit, as required by law

TRD PRO **CARPET FLOOR MATS⁵**

- Helps protect the original carpet from wear and stains
- Designed to fit the vehicle's floor pattern
- Made of durable, fade resistant carpeting
- Quarter-turn fasteners (on the driver's side) and nibbed backing on all mats help keep mats in position
- Removable and easy to clean

See numbered disclosures on page 39

TRD SHIFT KNOB

AUTOMATIC

- Delivers an enhanced shifting feel while providing an impressive addition to your interior
- Simple remove and replace installation with no drilling or special tools required

MANUAL

- Crafted specifically for the vehicle, featuring unique TRD shift knob engraved with shift pattern
- Simple remove and replace installation with no drilling or special tools required

ALWAYS GO WITH GENUINE TOYOTA ACCESSORIES

When it comes time to make your Toyota your own, remember only Genuine Toyota Accessories are designed, tested, and approved specifically for your Toyota vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year / 36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about Genuine Toyota Accessories and to see how they'll look on your Tacoma with our comprehensive Build Your Toyota feature, please visit toyota.com or to find your local Toyota dealer, please visit toyota.com/dealer.

This brochure is based upon information available at time of printing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.

DISCLOSURES

1. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.
3. Not all models can tow 5,000 lbs. Consult your vehicle's Owner's Manual for towing capacity.
4. Cargo and load capacity limited by weight and distribution.
5. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat. Each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
6. Available only for vehicles equipped with factory remote keyless entry.
7. iPhone not included. Toyota Key Finder requires customers download the free Toyota Key Finder application from the Apple App Store to operate features. Please review the iOS devices listed under Toyota Key Finder on Apple App Store to verify compatibility. Please note: Interference from structures may affect signal strength.
8. iPhone® is a registered trademark of Apple, Inc. All rights reserved.
9. 16-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
10. The TRD Supercharger is to be sold as dealer-installed or over-the-counter options after the retail sale of the vehicle. The Supercharger may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information. Emission-legal for aftermarket sale via C.A.R.B. Executive Order.
