

**ILX**

**ACURA**  
PRECISION CRAFTED PERFORMANCE

WHEN YOU'RE FOCUSED ON PERFORMANCE,  
YOUR IMAGINATION SEES POSSIBILITIES EVERYWHERE.  
THAT PERSPECTIVE CREATED THE ILX, A DRIVER-CENTRIC  
APPROACH TO ENGINEERING WE CALL PRECISION CRAFTED  
PERFORMANCE. WELCOME TO ONE OF OUR MOST  
SPIRITED VEHICLES, THE 2020 ACURA ILX.

## DESIGN

### IT DOESN'T JUST LOOK THE PART

The 2020 ILX sets the stage for premium performance well before you enter the driver's seat. Its low, wide, athletic stance communicates the corner-hungry nature of the sport sedan. A focus on performance is furthered through available 18", machine-finished, noise-reducing wheels, while up front, the bold Diamond Pentagon Grille flanked by chiseled Jewel Eye™ LED headlights welcomes all with a face that says "Let's go find some corners."

### ENJOY THE SILENT TREATMENT

When you drive a car as spirited as the ILX, running up and down the 8-speed dual clutch transmission will keep engine revs high, not to mention your adrenaline levels. Thankfully, Active Noise Control, standard on every ILX, dramatically reduces unwanted noise so you can find additional inspiration in the spirited engine notes. It's a focus on performance matched in comfort with an array of premium materials, including a leather-wrapped steering wheel and shift knob. As well, dual-zone automatic climate control, complete with humidity control and multilevel heated front seats, further improve everyone's comfort. And to empower the driver, an available LED backlit touchscreen manages everything from cell phone to audio to vehicle information.

### IF YOU CAN'T REMEMBER YOUR FIRST ROLLER COASTER, YOU WILL NOW

More than horsepower, more than torque, more than prestige, a liquid-smooth, blink fast transmission is what makes a premium performance sedan thrilling. Inside the ILX, perfectly mated to its purposely lightweight and ultrasensitive 201-hp<sup>1</sup> i-VTEC® inline 4-cylinder engine, is a masterpiece of a transmission: the industry's first 8-speed dual-clutch transmission (DCT) with a torque converter. The fast and smooth shifts of the ILX's DCT directly connect the driver to the car and road. It's a connection that optimizes not just horsepower, but also every turn, every exit ramp, every roundabout, every parking garage, every side alley, every single drive, turning even the most routine driving moments into some of the most thrilling of your day.

# TECHNOLOGY

## EFFORTLESSLY CONNECT TO EVERYTHING AND EVERYONE

Available AcuraLink™<sup>2,4,9</sup> effortlessly connects you to the information and media you want, whether it's with managing replies, finding a better route to your destination, or preloading your ILX with great trip-planning destinations. Should you need more help than all your technology can supply, Concierge directly connects you to personal assistants who can take care of everything from reservations to route options. And in the event of a collision, the vehicle will automatically call a response agent to deploy an emergency service to your location, helping to connect you any time of the day or night to live help.

## APPLE CARPLAY™<sup>2,4</sup>

Available Apple CarPlay seamlessly integrates your compatible iPhone® with the car's built-in display and controls, so you can seamlessly make calls, access your music, send and receive messages, get directions, or use Siri® with the tap of a button.

## ANDROID AUTO™<sup>2,4</sup>

Available Android Auto brings the Android® experience into your ILX. With it, you can project some of your favourite Google apps onto the ILX's touchscreen display, and its intuitive interface populates suggested directions, upcoming appointments, weather conditions, and more. The Talk to Google voice feature allows you to access directions via Google Maps™, send and receive text messages, and access your favourite music.

## AUDIO AS RESPONSIVE AS THE CAR

The available critically acclaimed ELS Studio® Premium Audio System was crafted by eight time Grammy® award winner Elliot Scheiner. The system produces music as it's meant to be heard—in studio quality. Whether you connect one of your digital devices or stream over the digital airwaves, even your favourite songs will feel refreshed and new. It's a perfect mix of engineering and artistry that delivers precision to the soul much the same way the ILX delivers precision to every performance opportunity.

# SAFETY

## THE MOST IMPORTANT PERSON ON THE ROAD IS EVERY PERSON ON THE ROAD

AcuraWatch™ forms a network of sensing technologies hard at work in the ILX. These advanced safety and driver-assistance features are designed to constantly gather information and offer warnings, and some features are even engineered to take certain actions when necessary, all to help prevent, avoid, or minimize threats.

## FEATURES

- Collision Mitigation Braking System™<sup>2</sup> (CMBS®)  
Forward Collision Warning (FCW) system<sup>2</sup>
- Lane Departure Warning (LDW) system<sup>2</sup>  
Lane Keeping Assist System<sup>2</sup> (LKAS)  
Road Departure Mitigation (RDM™) system<sup>2</sup>
- Adaptive Cruise Control (ACC)
- Available Blind Spot Information (BSI) system<sup>2</sup>
- Available Rear Cross Traffic Monitor system<sup>2</sup>
- Multi-angle rearview camera<sup>2</sup> with guidelines

## ADVANCED COMPATIBILITY ENGINEERING

Acura's Advanced Compatibility Engineering™ (ACE™) body structure is designed to absorb and disperse frontal impact energy so less force is transferred to what really matters: the people inside. But we didn't stop there. Crash compatibility is designed into the structure as well, which helps to better protect the occupants of all vehicles involved in the event of a frontal collision. ACE incorporates extra bracing at the front corners to help absorb and distribute impact energy from narrow-offset collisions to the primary crash structure. The outer braces are designed to transfer impact load toward the centre of the frame, where the energy can be distributed around the cabin area more evenly. This enhanced frontal-crash-energy management is engineered to help reduce the forces transferred to the reinforced cabin and can help to more evenly disperse the forces transferred to other vehicles in a collision.

## DESIGN

### HIGH-PERFORMANCE STANCE

Confidence creates performance. How we appoint a car, the style we add to it, creates the confidence we feel about it. Inside and out, the ILX A-SPEC is appointed with high-performance style. It begins up front with dark Jewel Eye™ LED headlights flanking a grille finished with black chrome accents as well as a matte graphite insert. Style is furthered along the sides, with underbody spoilers as well as impressive 18" Shark Gray 15-spoke wheels. And in the back, a piano-black diffuser and a decklid spoiler add to the spirited styling.

## INTERIOR

### HIGH STYLE INSIDE

Inside the ILX, A-SPEC appointments instantly communicate its high-performance focus. At the driver's feet, stainless steel sport pedals offer a race-boot-ready style, while seats finished with perforated Ultrasuede™ inserts and colour-contrast stitching add to the performance-focused attitude. Above, a darkened headliner increases the dramatic effect of the red-illuminated instrument panel, and throughout the cabin, A-SPEC badging alerts everyone to the coming thrills.

# SPECIFICATIONS

## ENGINE

Engine	2.4-litre, 16-valve, DOHC, i-VTEC® 4-cylinder
Engine horsepower <sup>1</sup>	201 hp @ 6800 rpm
Engine torque <sup>1</sup>	180 lb.-ft. @ 3600 rpm
Displacement	2356 cc
Bore and stroke	87 x 99 mm
Compression ratio	11.6:1
Direct fuel injection system	
Recommended fuel	Premium unleaded

## DRIVETRAIN

8-speed dual-clutch transmission with paddle shifters
Drive-by-Wire Throttle System™
Hill Start Assist <sup>2</sup>
Front-wheel drive

## CHASSIS

17" x 7" alloy wheels, silver
All-season tires: P215/45 R17 87V
Amplitude Reactive Damper
Front and rear stabilizer bars
MacPherson strut front suspension
Motion-Adaptive Electric Power-Assisted Rack-and-Pinion Steering (EPS)
Multi-link rear suspension
Power-assisted, ventilated front disc/solid rear disc brakes
Tire Repair Kit (TRK)

## SAFETY FEATURES

3-point seat belts with Automatic Tensioning System (front)
Advanced Compatibility Engineering™ (ACE™) body structure
Anti-lock Braking System (ABS) <sup>2</sup> with Electronic Brake-force Distribution (EBD) and Brake Assist
Childproof rear door locks
Collision Mitigation Braking System™ <sup>2</sup> (CMBS®)
Dual-stage, multiple-threshold front airbags (SRS)
Forward Collision Warning (FCW) system <sup>2</sup>
Front side airbags
Immobilizer theft-deterrent system
Lane Departure Warning (LDW) system <sup>2</sup>
Lane Keeping Assist System <sup>2</sup> (LKAS)
Road Departure Mitigation (RDM™) system <sup>2</sup>
Side curtain airbags
Tire Pressure Monitoring System <sup>3</sup> (TPMS) with location and pressure indicators
Vehicle Stability Assist <sup>2</sup> (VSA®) with Traction Control

## EXTERIOR

Front splash guards
Jewel Eye™ LED headlights
LED brake lights
LED daytime running lights (DRL)
One-touch power moonroof with tilt feature

## COMFORT & CONVENIENCE

Active Noise Control (ANC)
Adaptive Cruise Control <sup>2</sup> (ACC)
Ambient cabin lighting
Auto-on/off headlights
Driver's and front passenger's illuminated vanity mirrors
Dual-zone automatic climate control system with air filtration
HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface <sup>2,4</sup> with steering wheel-mounted controls
Keyless access system (front doors and trunk) with Acura Personalized Settings
Maintenance Minder™ system
Map lights
Multi-angle rearview camera <sup>2</sup> with guidelines
Multi-Information Display (MID) with colour TFT display
One-touch directional signals
Power windows with driver's and front passenger's auto-up/down operation
Remote engine starter with vehicle feedback
Steering wheel-mounted audio and cruise controls
Tilt and telescopic steering column
Variable intermittent windshield wipers
Walk-away door lock

## SEATING & TRIM

Driver's seat with 10-way power adjustment including power lumbar support
Fold-down rear seatback
Fold-down rear-seat centre armrest
Heated front seats
Leatherette-trimmed seating surfaces
Leather-wrapped steering wheel and shift knob

## ENTERTAINMENT

Premium Sound System with AM/FM/CD tuner with MP3/Windows Media® Audio capability and 6 speakers
MP3/auxiliary input jack
USB device connector <sup>4</sup>

## PACKAGES

### PREMIUM PACKAGE

(Adds to or replaces ILX features)

17" x 7" alloy wheels, Grey

4-way power adjustable front passenger's seat

Remote-linked 2-position memory system for driver's seat

Perforated leather-trimmed seating surfaces

Automatic day/night rearview mirror

Blind Spot Information system<sup>2</sup> (BSI)

Cross Traffic Monitor system<sup>2</sup>

On-Demand Multi-Use Display™

Siri Eyes Free compatibility<sup>2,4</sup>

Premium Sound System with SiriusXM™<sup>6</sup> and 7 speakers including subwoofer

Apple CarPlay™<sup>2,4</sup>/Android Auto™<sup>2,4</sup>

### PREMIUM A-SPEC PACKAGE

(Adds to or replaces Premium Package features)

18" x 7.5" alloy wheels, dark finish

All-season tires: P225/40 R18 92V

A-SPEC front and rear lower fascia

A-SPEC badged steering wheel

Darkened Jewel Eye™ LED headlights

Ultrasuede™/leather-trimmed seating surfaces with contrast stitching and seat piping

Metal sport pedals

LED fog lights

Side skirts and deck lid spoiler

A-SPEC Package does not include front splash guards.

### TECHNOLOGY A-SPEC PACKAGE

(Adds to or replaces Premium A-SPEC Package features)

Acura Navigation System with Voice Recognition™<sup>7</sup> and 8" display HomeLink® remote system<sup>8</sup>

Rain-sensing variable intermittent windshield wipers

ELS Studio® Premium Audio System with AM/FM/CD/SiriusXM,™<sup>6</sup>

10 speakers and hard disk drive (HDD) media storage

AcuraLink™<sup>2,4,9</sup> Subscription Services

A-SPEC Package does not include front splash guards.

1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For more comprehensive product and feature information, limitations and restrictions, please visit [www.acura.ca/disclaimers](http://www.acura.ca/disclaimers) and refer to your vehicle's Owner's Manual.

3. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.

4. Only compatible with certain devices and operating systems. Operation may be dependent upon GPS satellite signal reception and available cellular data and/or voice connection. Associated charges (incl. data plans, roaming charges or other amounts charged by your wireless carrier) may apply.

5. Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit <http://vehicles.nrcan.gc.ca>.

6. Only available in certain areas. Includes a no-charge trial of three months.

7. Map Database of the Acura Navigation System covers major metropolitan areas in Canada and the 48 contiguous U.S. states. For a list of current, detailed coverage areas, refer to the Acura website, [www.acura.ca](http://www.acura.ca).

8. HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Acura may be required.

9. Subscription required. Complimentary trial – one year for AcuraLink™ Standard, one year for AcuraLink™ Connect, one year for AcuraLink™ Premium – included, after which fees, taxes and other charges will apply in order to continue subscription. The availability of certain cellular networks is required for AcuraLink to operate properly. Service interruptions may occur and/or vehicle system upgrades may be required if cellular network availability is compromised. Ask your dealer for full terms and conditions.
