

COLOR AND TRIM SELECTOR

1970 Imperial Preview

CONFIDENTIAL

This information and the accompanying advance copies of the color and trim books will help you order 1970 Imperials before announcement time. The information is for your use and must be kept confidential. Bear in mind that the information is presented to you before the 1970 models go into production and that equipment and specifications may change. Your Code List Book should be kept up to date with Product Information Bulletins as they are issued. Refer to code sheets when ordering cars.
