

MONTE CARLO

Chevrolet
84

Monte Carlo. Personal Style. Road Car Performance.

Monte Carlo is a distinctive automobile for the individual who wants a driver's car that is more than just sophisticated hardware. It's a car that blends one of Chevrolet's strong styling signatures with the precision of advanced technology. The result is a very personal style of over-the-road car performance at a price only Chevrolet could engineer. You can accent Monte Carlo performance the way you

want it. Choose the standard 3.8 Litre V6 engine and automatic transmission. Or the available 5.0 Litre V8 (optional 4-speed overdrive automatic available March, 1984). And if you want a very special performance edition, order the computer controlled 5.0 Litre High-Output V8 powered Monte Carlo SS. Whichever performance mode you prefer, Monte Carlo takes very personal care of you.

Monte Carlo. CL Custom Interior. The Personal Environment.

Discover just how comfortable a very personal driving environment can be. Relax on plush, foam-cushioned seats that promise hours of driving enjoyment. Savour the hushed elegance provided by the

thickly padded roof lining and full-floor, one-piece, cut-pile carpeting. For even more acoustical insulation with superb personal style, order the available Custom CL Interior, shown here.

A lot of new thinking has gone into GM products. New thinking aimed at completely satisfying you.

Our products are designed to slip through the wind with energy saving ease.

Optic scanners and robotics are used to build a new kind of precision.

From foundry to assembly, our people use lasers and gamma rays to monitor the building process.

At GM, we are determined that when you buy our product, you'll be more satisfied than the buyer of any other vehicle, built by any other manufacturer anywhere in the world.

Today, we are making history in aerodynamic design, quiet rides, fuel economy and more. Leaf through this catalogue and you'll see what we mean.

At GM, our products are changing. So, is our thinking. *Look at GM Today.*

Monte Carlo Sport Coupe.

Monte Carlo SS.
Special Performance Edition.

Monte Carlo SS will impress you the instant you turn the key and you hear that beautiful High-Output V8 thunder into life. Here's High-Output performance enveloped in an aerodynamically sophisticated shape. With F41 Sport Suspension, dual exhausts, road-gripping Eagle GT White Letter radials, rear spoiler,

power front ventilated disc brakes, quick recirculating-ball steering, full gauge package with tach and special race-blue interior, all standard. Yet, behind the wheel you're surrounded by those exclusive personal touches that make any Monte Carlo such a satisfying car to own.

Features & Options

Inside Monte Carlo. You Are in Command.

If it's a performance posture you want, Monte Carlo is more than ready to oblige. With available body-hugging bucket seats that recline. An optional sport console that

puts the gear shift where you can reach it quickly. And to help keep you in touch with your personal road machine, there's a full array of available gauges, shown above.

- P195/75R-14 steel-belted radial ply white-stripe all-season
- P205/70R-14 steel-belted radial ply white-stripe all-season*; requires F41 Sport Suspension.

Wheel Equipment:

- Aluminum wheels*
- Rally wheels (Std. on SS)
- Wheel cover locking package*
- Wire wheel covers*

* Not available on SS.

Continuous
Protection
Plan

While there are many service contracts available on the market today, there is only one which gives you an agreement directly with General Motors. It is the one with the Continuous Protection Plan logo shown above. This logo on all Plan material assures you that the service contract you are buying is the GM Plan, we believe the finest such program available to GM owners.

The GM Continuous Protection Plan provides additional protection during and after the new vehicle limited warranties. Ask your General Motors dealer for details and information about the genuine GM Continuous Protection Plan.

Model Availability

Monte Carlo: 2-Door Sport Coupe
Monte Carlo SS: 2-Door Sport Coupe

Safety Features Occupant Protection

- Manual lap/shoulder belts with pushbutton buckles for driver and right front passenger (driver's side includes visual and audible warning system); manual lap belt at centre position
- Manual lap belts with pushbutton buckles at rear passenger positions including centre
- Energy-absorbing steering column
- Passenger-guard inside door lock handles
- Safety interlocking door latches
- Inertia-type folding front seat-back latches
- Energy-absorbing instrument panel and front seat-back tops
- Laminated safety glass windshield/tempered safety glass side and rear windows
- Safety armrests
- Front seat head restraints for driver and right front passenger (adjustable).

Accident Avoidance

- Side marker lights and reflectors
- Parking lamps that illuminate with headlamps

A word about assembly, components and optional equipment in these vehicles.

The vehicles described in this brochure are assembled at various Divisions of General Motors Corporation. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and their suppliers. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.

Please note that certain optional equipment can be ordered only in conjunction with other optional equipment. Also, upgrading from specified standard equipment may be necessary when certain optional equipment is ordered. Ask your sales representative for details.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when order-

ing it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your dealer for complete information.

A word about engines

Some Chevrolets are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your dealer for details.
