

1984 EXP—Function with Flair.

The sporty two-seater with four-wheel independent suspension, rack and pinion steering and front-wheel drive, EXP's precision handling is matched only by its stylish good looks and driver-oriented interior luxury appointments. Add a 1.6L Electronic Fuel-Injected turbocharged engine and this one is a bona fide high-performance car.

1984 LTD—A Contemporary-Sized Family Sedan.

LTD features the kind of smooth, quiet ride and luxurious comfort and convenience typically associated with a full-size car, but in a leaner, more efficient package. Superb handling and maneuverability combine with roomy six-passenger seating to make the LTD a good choice for active families on the go. Available in 4-door sedan and station wagon models, the LTD Brougham model offers extra luxury-level interior appointments.

1984 Thunderbird—Sophisticated Design in Appearance and Performance.

Perhaps the world's most advanced sports luxury coupe, the prestigious 1984 Thunderbird is a true driver's car. Careful integration of high-technology design and engineering applications have resulted in an automobile with superlative road manners, sleek good looks and an interior specially appointed to accommodate the needs of driver and passengers alike. Thunderbird...in highly-equipped base, luxurious élan, elite Fila, and the high-performance Turbo Coupe.
