

MARK VIII

Collector's Edition

The only thing that's limited on this car is the production.

People who love to drive know that Lincoln Mark VIII offers a powerful blend of style, muscle and luxury that few automobiles can rival.

Now, we've refined it even further. Introducing the Mark VIII *Collector's Edition*.

This limited-production automobile is the ultimate expression of the luxury sport coupe. Outside, choose from two exterior paints: Cordovan or White Pearlescent. Gold *Collector's Edition* badging accents the side moldings and rear taillamp. A special black Lincoln star adorns the center wheel cap, a Lincoln Gold logo on the grille.

Inside, the distinctiveness continues. Select from your choice of two-tone seat upholstery: Light and Medium Prairie Tan or Light and Dark Medium Graphite. Elegant wood trim

decorates the steering wheel and shift knob. *Collector's Edition* badging is inlaid on the wood door trim and emblazoned on the floor mats.

Production will be limited, ensuring that this Mark VIII will truly be a collector's prize. What's more, every Mark VIII *Collector's Edition* comes with a commemorative set of *The Official Lincoln Mark Classic Design Ingot Collection*, made of .999 Silver, in celebration of this unique vehicle.
