2004 LESABRE

Late 2003 availability.

These days there are trucks posing as luxury sedans and cars pretending to be SUVs. But above all the pretending, there's LeSabre®. It's a family car that seats six – designed to help you feel safe and secure every time you drive. It's a car with the kind of luxury, quiet ride and sure handling people just love – filled with extra touches that make it a joy to own. That's why LeSabre has been America's best-selling full-size car for eleven straight years.

Note: Photos shown may include optional equipment.
