INDY SS

## IMPALA INDY SS: A SUPERCHARGED SALUTE TO THE INDIANAPOLIS 500

With the 88th running of the Indianapolis 500 Mile Race, Chevrolet is introducing the Impala Indy SS. This limited-availability Super Sport honors a winning relationship — the Indy 500 and Chevrolet. At the Brickyard, the legendary Louis Chevrolet was a fierce competitor and through the years Chevy racing has produced winners — again and again.

### SELECT FEATURES

- The “Impala Indy SS” exterior includes 17-inch chrome wheels, “Indy” logos on front fenders, and a unique monotone grille with a “gold” bowtie.
- The supercharged 3800 V6 engine — with 240 hp and 280 lb.-ft. of torque — delivers awesome off-the-line power. A heavy-duty four-speed automatic transmission and performance suspension are included.
- “Indy” logo and “Limited Edition” badging are featured on the instrument panel.
- Leather seating surfaces with embroidery on uniquely styled front head restraints add a custom look to the Indy SS interior. Floor mats with the Indy logo are also standard.
