

SSR

SSR shown in Redline Red.

SSR with flush-mounted headlamps skillfully blends heritage styling with modern detail.

Finishing touches within SSR highlight its roadster roots.

Polished stainless-steel dual exhaust tips cap off the powerful design of SSR.

2004 Chevy SSR*

The attitude of a street-rod pickup and the appeal of a convertible come together in the 2004 Chevy™ SSR.™ SSR transforms from an enclosed roadster to an open-air convertible at a touch of the console-mounted button. The 300-hp V8 engine, aggressive stance and eye-catching design quickly convey that the SSR is the fulfillment of all things Chevrolet®.
