ENGINES

Neon offers two engine choices: a 132-horsepower 2.0-liter SOHC 16-valve 4-cylinder (SE and SXT) and a 2.0-liter 150-horsepower Magnum 16-valve 4-cylinder. But if you really want to blister the pavement with white-knuckle speed then check out Dodge's SRT-4.

TRANSMISSION

Neon features a standard 5-speed manual transmission with an electronically controlled 4-speed automatic available on SE and SXT. Combined with the choice of engines, Neon offers plenty of punch.

QUIET RIDE

Reducing noise, vibration and harshness (NVH) was a central priority for engineers while redesigning the Neon. As a result, high-tech tools, computer analysis and great attention to detail make it possible for each Neon to deliver the right balance between excellent performance and a quiet, comfortable ride.

7-year or 70,000-mile limited warranty* on the powertrain, the hardest working parts of our vehicles. And that's in addition to our 3-year or 36,000-mile basic limited warranty.

It even includes towing assistance† for the full 7/70. Another nice thing: since it's transferable, it can add extra value at trade-in time. A deductible applies to the 7-year or 70,000-mile powertrain limited warranty.

* See dealer for a copy of this limited warranty. Transferable to second owner with fee. A deductible applies.

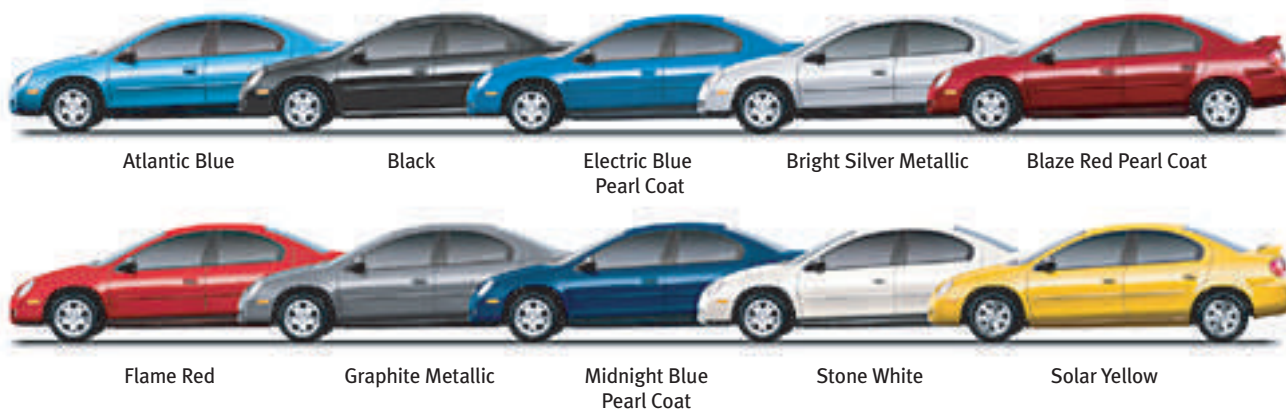

† Administered by Cross Country Motor Club, Inc., Boston, MA 02155.

AIRBAGS AND SEATBELTS

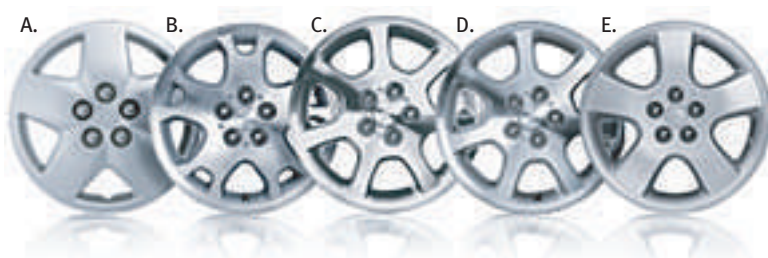

Neon includes Next-Generation driver and front passenger air bags*, available supplemental side air bags, child seat anchor system (LATCH), and three-point lap/shoulder belts for all passengers.

*Always use seat belts. Remember, a back seat is the safest place for children 12 and under.

AVAILABLE EXTERIOR COLORS

Neon SXT shown. Not all colors available on all models.

WHEEL OPTIONS

- A. 14" Wheel Covers, standard on SE
- B. 15" Aluminum Wheel, standard on SXT
- C. 15" Chrome aluminum wheel, available on SXT
- D. 15" Aluminum wheel included with SXT's available Sport Appearance Group
- E. 16" Aluminum Wheel, standard on R/T

AVAILABLE SEAT COLORS

- A. Millennium cloth, standard on SE and SXT in Dark Slate Gray or Taupe. SXT's Sport Appearance Group is available in Dark Slate Gray only
- B. Aries cloth, standard on R/T in Dark Slate
- C. Capeli leather trim, optional on R/T in Dark Slate Gray

Note: Not all exterior and interior trim color combinations are offered together. See your dealer for availability.

INTERIOR

Neon's ergonomic seating for five, coupled with its folding rear seat, gives you more room than expected. Its smartly designed interior also features:

- Available leather-trimmed seating on R/T, shown above
- Body-colored instrument panel trim included with SXT's Sport Appearance Group and standard on R/T
- Power windows, locks, and mirrors standard on SXT and R/T

AUDIO

A six-speaker AM/FM stereo with CD player, changer controls and 6 speakers is standard on SXT and available on SE. An AM/FM/cassette sound system with an in-dash 6-disc changer is standard on R/T and available on SXT. SE comes standard with an AM/FM/cassette with CD changer controls and four speakers.

STORAGE

Neon's 13.1 cubic feet of trunk space offers plenty of room for the weekend getaway or the week-long road trip. To keep everything in order there is a large glovebox, front door storage pockets, and a center console with cup holders, a storage bin and a coin holder.

WINDOWS AND DOORS

With an available power sunroof, power front windows, power door locks and standard variable intermittent windshield wipers, Neon has all the bases covered. R/T's available leather-trimmed interior even includes a rearview mirror with a compass and display for outside temperature.
