

The largest member of the Escalade trio of sport utilities (nearly two feet longer than Escalade)*, ESV offers a 345-hp V8, making it the world's most powerful full-size SUV.† Standard all-wheel drive and road-sensing suspension help give you a commanding feel of the road. Entertain your passengers with the standard premium Bose digital sound system, and add the available rear-seat DVD player with a seven-inch flip-down screen. Available seating for up to eight passengers or as much as 131 cubic feet of cargo volume** help to accommodate the most discerning needs. Cadillac Escalade ESV is what other full-size SUVs want to be.

- Official EPA estimates not yet available. Estimates based on GM testing.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.
- With second-row seats stowed and third-row removed. Cargo and load capacity limited by weight and distribution.
- Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment.
- RDS functions only when stations broadcast RDS information.
- XM is available only in the 48 contiguous United States. Service fees extra. Visit www.gm.xmradio.com for more details.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
