

**2006 CADILLAC ESCALADE ESV** As the largest member of the Escalade trio of sport utilities (nearly two feet longer than Escalade), ESV offers a 345-hp V8, all-wheel drive, and Road-Sensing Suspension that helps give you a commanding feel of the road. Entertain your passengers with the standard premium Bose digital sound system, and add the available rear-seat DVD player with a seven-inch flip-down screen. Seating for up to eight passengers or as much as 131 cubic feet of cargo volume\* helps accommodate the most discerning needs. Cadillac Escalade ESV is what other full-size SUVs want to be.

\*With second-row seats stowed and third row removed. Cargo and load capacity limited by weight and distribution.

Escalade ESV shown in Black Raven with optional equipment.

- Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.
- Available at extra cost.
- Always use safety belts and proper child restraints, even with air bags. Even with the Dynamic Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- RDS functions only where stations broadcast RDS information.
- Map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico, and the Virgin Islands.
- XM is available only in the 48 contiguous United States. Services fees extra. Visit gm.xmradio.com for more details.
- Use only GM-approved wheel/tire combinations. See your dealer for details.
