

**2006 CADILLAC ESCALADE** Experience a true sense of driver confidence in the 2006 Cadillac Escalade. A boldly assertive exterior with crisp lines and muscular stance projects a sense of power. Escalade features a high-output 345-hp V8 engine, which makes it the world's most powerful full-size SUV.\* Escalade's interior doesn't leave you wanting for luxury either. There are power-adjustable pedals, room for up to eight, a Bose luxury speaker system, dual front air bags† with the Dynamic Passenger Sensing System, and driver and front passenger side-impact air bags. In Escalade, you take the high road. Without compromise.

Escalade shown in Black Raven with optional equipment.

\*Based on horsepower with 345-hp engine and seven-plus passenger seating, 2005 GM Large and Luxury Utility segments, and latest available competitive information. †Always use safety belts and proper child restraints, even with air bags. Even with the Dynamic Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

1 Official EPA estimates not yet available. Estimates based on GM testing.

2 Cargo and load capacity limited by weight and distribution.

3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.

4 Available at extra cost.

5 Use only appropriate wheels and GM-specified TPC tires on this vehicle. Using different wheels can adversely impact vehicle safety and performance. See your dealer for more information.

6 Always use safety belts and proper child restraints, even with air bags. Even with the Dynamic Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual and child safety seat instructions for more safety information.

7 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.

8 Substitutes second-row bucket seats at no additional cost.

9 RDS functions only where stations broadcast RDS information.

10 Map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico, or the Virgin Islands.

11 XM is available only in the 48 contiguous United States. Services fees extra. Visit gm.xmradio.com for more details.
