BUICK TERRAZA

The auditory exhilaration of an extended-range sound system in an otherwise hushed cocoon. The thrill of high-tech horsepower. The richness of supple leather. Driving a vehicle that rewards the senses is a rare pleasure. Very rare, it seems, for members of the minivan armada. In fact, if you regularly chauffeur children and the cubic tonnage of stuff that comes with them, you may have forgotten the sensation entirely. Allow Buick to refresh your mind. With Terraza. A meticulously crafted, obsessively engineered, crossover sport van. Complete with a five-star frontal crash test safety rating,* Terraza is a paradigm of practicality. But so carefully designed, so full of good things, you'll hardly notice that it can carry seven passengers or 136.5 cubic feet of cargo.† So go ahead. Tap into Terraza's 240 horses, slip into its elegant captain's chair, and banish the phrase "delayed gratification" from your vocabulary.

*Five-star ratings are for both the driver and front passenger in the frontal crash test. Government ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). †Cargo and load capacity limited by weight and distribution. Terraza CXL shown in Ming Blue Metallic with optional equipment.

MODELS	
Terraza CX	
Terraza CX Plus	
Terraza CXL	
ESTIMATED FUEL ECONOMY IN MPG ¹	
	3.9L V6
City	18
Highway	25
MAXIMUM CAPACITIES

1 Official EPA estimates not yet available. Estimates based on GM testing. **2** Cargo and load capacity limited by weight and distribution. **3** Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Buick dealer for details. **4** Included and only available with Comfort and Convenience Package. **5** Included and only available with Driver Confidence Package. **6** Does not include draw bar, hitch pin and retainer clip, hitch ball, nut and cover; these items may be ordered through your dealer. **7** Always use safety belts and the correct child restraints for your child's age and size. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information. **8** Not available with Sit-N-Lift power seat. **9** Requires antilock brakes. Not available in Alaska and certain other areas. Adverse conditions that affect antilock brakes and GPS may degrade service. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **10** RDS functions only where stations broadcast RDS information. **11** XM is available only in the 48 contiguous United States. Service fees apply. For more information, visit gm.xmradio.com.
