WE ARE PROFESSIONAL GRADE.™

2007 GMC SAVANA PASSENGER VAN

The GMC Savana Passenger Van offers segment-exclusive options that include driver-side 60/40 swing-out doors and all-wheel drive.* Whether you choose 1500 or 3500, rear- or all-wheel drive, you'll understand exactly what we mean when we say "Professional Grade Engineering. It's not more than you need. Just more than you're used to."

Savana 1500 shown in Sport Red Metallic with optional equipment. *Based on 2006 GM Large Van segment. Excludes other GM vehicles.

1 Cargo and load capacity limited by weight and distribution. 2 Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution. 3 Requires available 15-passenger seating. 4 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. 5 Not available with rear body-colored halo trim. 6 Not available on 3500 Extended Wheelbase models. Not available with Vortec 5.3L FlexFuel engine. 7 Requires Convenience Package (power windows and door locks). 8 Includes passenger-side air bag deactivation switch for models with 8600 lbs. GVWR and above. Always use safety belts and the correct child restraint for your child's age and size. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. 9 Standard on 3500 EXT models. 10 Standard on 3500 and 3500 EXT models. 11 Requires Custom Cloth trim with front bucket seats and six-way power-adjustable driver seat. 12 RDS functions only where stations broadcast RDS information.
