2007 Lincoln Mark LT

LINCOLN

Reach Higher

Few things project power and prestige as emphatically as this. The 2007 Mark LT is the latest edition of the Lincoln vehicle that reinvented the luxury category with a combination of massive capability, artful styling and deep refinement. It is a uniquely distinctive next step for those on their way up.

Mark LT's four extra-wide doors open to reveal a dramatic display of fine materials and bold design. From supple leather seating surfaces with contrasting piping and chrome

A double dose of sensory stimulation.

Lincoln stars, to real ebony wood and an abundance of warm steel appliques, the Mark LT passenger cabin is uniquely pleasing to the eye and to the touch. Equally pleasing are numerous conveniences and accessories that inform and entertain. To this add the refreshing calm of a hushed interior environment. This welcome result is achieved by means of Quiet Steel® sound-absorbing material in critical areas.

From behind the wheel of a Lincoln Mark LT almost anything seems possible. Perhaps that's because so much is possible: Mark LT can tow up to 8,900 lbs. when properly equipped. A three-valve per cylinder, 5.4-liter V-8 stands ready to take you to the next level with 300 hp and 365 lb.-ft. of torque.

Rise to *a position of power.*

Mark LT's outstanding capability is complemented by outstanding style. New for 2007 are additional chrome and wood trim along with redesigned headlamps. Bold and beautiful 20-inch wheels are available on all Mark LT models.

Heated front seats with two temperature settings help ensure comfortable driving. **Six-way front-seat power adjustment** with manual lumbar and recline is standard. The driver's control includes a seat-position memory function.

The Monochrome Appearance Package* is available in white chocolate tri-coat or black exterior finishes. It includes 20-inch seven-spoke chrome wheels, a body-color grille surround, body-color bumpers, bodyside chrome lettering and chrome running boards.

A wealth of innovative conveniences.

Mark LT's easy-to-use **DVD-based Navigation System*** provides turn-by-turn guidance. Touch a button and the same monitor displays controls for an **Audiophile® Sound System** with six-disc CD changer. A **SIRIUS Satellite Radio*** can tune in more than 125 channels that include a range of programming, from sports to talk, news and music.**

* Available feature.
