

2007 MILAN

**MERCURY** | NEW DOORS OPENED

[mercuryvehicles.com](http://mercuryvehicles.com)

**WHAT THE WELL-DRESSED  
TRAVELER WILL BE WEARING  
THIS YEAR.**

Mercury Milan could easily be declared a winner on style points alone, but this sedan's appeal extends well beyond its distinctive shape. From its advanced drivetrain to its sophisticated handling hardware and spacious passenger cabin, Milan has quickly proven to be a uniquely intelligent, tantalizing and tasteful choice.

## DESIRE AS A PRODUCT OF DESIGN.

THE MILAN PASSENGER CABIN IS AS INVITING AS IT IS COMFORTABLE. Two-tone leather seating surfaces\* combine with Wales mahogany wood\* or satin-aluminum trim to create a refreshingly different contemporary look. Because Milan's interior is generously proportioned, hours on the road can be shared with four friends.

ALL WILL APPRECIATE MILAN'S EXTENSIVE LIST OF STANDARD SAFETY FEATURES. A list that includes front-seat side airbags\*\* and side-curtain airbags for both front and rear seats. A Personal Safety System® employs a network of sensors that customize deployment of the dual-stage front airbags.

\*Available features. \*\*Always wear your safety belt and secure children in the rear seat.

## **SLIPPERY SHAPE, SMOOTH MOVES.**

MILAN'S SLEEK SHAPE IS UNDERSCORED BY ITS POLISHED AGILITY AND SUREFOOTEDNESS. A six-speed automatic transmission\* provides almost imperceptible ratio changes, keeping the 3.0-liter Duratec V-6\* in its optimum operating range. The standard 2.3-liter Duratec I-4 engine develops 160 horsepower and 156 lb.-ft. torque. A slick-shifting five-speed manual gearbox is standard equipment, while a five-speed automatic transmission is available. With either transmission, Milan achieves an impressive 31 mpg on the highway.\*\*

**AN ALL-WHEEL DRIVE SYSTEM\*** coupled with an independent suspension, helps ensure confident all-weather driving.

\*Available feature.  
Six-speed automatic available only with V-6 engine.

\*\*EPA-estimated mpg  
23 city/31 hwy.

## MORE OF THOSE THINGS YOU WANT MOST.

**All Milan Premier models** are equipped with Electronic Automatic Temperature Control; automatic headlamps; leather-wrapped steering wheel with speed, audio and climate controls; auto-dimming rearview mirror with compass; fog lamps; and security approach lamps.

Find your way to almost anywhere with turn-by-turn guidance, courtesy of Milan's **DVD-based Navigation System\***. At the touch of a button, the Navigation System screen becomes a control panel for the **290-watt Audiophile® Sound System\***. A six-disc in-dash CD changer and MP3 capability make this system a music lover's dream. Opt for the **SIRIUS Satellite Radio\*** and enjoy commercial-free music, quality talk and exclusive sports coverage\*\*.

Milan's handy **message center** keeps you updated in regard to important information such as outside temperature, distance to empty and trip miles.

**Heated front seats\*** can help take the chill out of that cold-morning commute.

\*Available feature.

\*\*Requires SIRIUS subscription. Additional charges apply. Not available in Alaska or Hawaii. "SIRIUS" is a registered trademark of SIRIUS Satellite Radio, Inc.
