

AN AMERICAN **RE**VOLUTION

2008 EQUINOX. CAUGHT YOU LOOKING.

There's a new player in the performance field – 2008 Equinox Sport. ■ The 264-horsepower 3.6L DOHC V6 engine delivers a rush of adrenaline, along with a zero-to-60 time that's under seven seconds¹ and an EPA estimated 24 MPG highway. ■ A lowered suspension and 18-inch wheels provide an aggressive stance. ■ Tap-Up/Tap-Down control is standard on the six-speed automatic for an enhanced driving experience. ■ Front air inlets and chrome exhaust tips share a trapezoidal design. ■ The all-Ebony interior features heated, high-bolstered front seats and a 140-mph speedometer for a performance-inspired appearance. ■ Every Equinox has standard StabiliTrak Electronic Stability Control System and OnStar with a one-year Safe & Sound Plan². ■ Multi-Flex sliding rear seat helps deliver the most rear-seat legroom of any SUV³. ■ On-demand all-wheel drive (AWD) is available. ■ And you get the best coverage in America with the Chevy 100,000 mile/5-year transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation⁴.

Shown below: Equinox Sport in Black. 1 Based on GM testing. 2 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. 3 Based on GM segmentation and latest available competitive information. Excludes other GM vehicles. 4 Whichever comes first. See dealer for details. 5 Five-star ratings are for the driver and front passenger seating positions in the frontal crash test and for the front and rear seating positions in the side-impact crash test. Side-impact crash test rating is for a model tested without optional head-curtain side-impact air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov).

1 Cargo and load capacity limited by weight and distribution. **2** Requires available roof rack side rails. **3** Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. **4** Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **5** Sport specific. **6** Not available with DVD player. **7** Sport seats fold forward, though not completely flat. **8** Power height adjuster on 2LT, LTZ and Sport. **9** Requires available Pioneer premium seven-speaker system. Map coverage includes only the 48 contiguous United States and portions of Canada. Not available in Alaska, Hawaii, Puerto Rico and the Virgin Islands. **10** Not available with power sunroof. **11** Available in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. Subscription subject to customer agreement. For more information, visit gm.xmradio.com. **12** Some accessories may not be available on all models. See dealer for details.
