R SPEC™ HIGH-FRICTION BRAKE PADS¹

SPLASH GUARDS

INFINITI VALVE STEM CAPS

¹ R Spec™ High-friction Brake Pads are intended for high-performance driving and for driving conditions requiring added braking demand. Depending on your driving habits, you may experience increased brake dust and noise as well as faster wear of the brake pads and rotors, resulting in more frequent replacement of these components. Replacement of these components is not covered by the vehicle limited warranty. List price includes time and labor for installation. Estimated monthly payment amounts are hypothetical and subject to Retailer negotiation and lender credit approval. Terms may vary depending upon credit qualifications. A 10% APR finance rate for a 60-month term is assumed. No down payment is included in this assumption, but may be required by the Retailer. See participating Retailer for details, qualifications, and specific credit terms. At InfinitiUSA.com, you'll find virtual product demonstrations, a way to "build your own Infiniti," a Retailer locator, and more information about key Infiniti support services. Always wear your seat belt, and please don't drink and drive. ©2010 INFINITI.
