THE 2012 CHEVROLET CAMARO 45TH ANNIVERSARY SPECIAL EDITION

It doesn't look or act its age. Newly designed 20-inch wheels¹ with Deep Silver Painted Aluminum stand out in a dynamic Carbon Flash Metallic exterior that holds a unique hood stripe². Deep Silver foglamp and taillamp bezels, HID headlamps and 45th Anniversary badges complete the look, while 2LT or 2SS models (Coupe or Convertible) offer a choice of V6 or V8 Camaro power with an automatic or manual transmission.

¹ Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your dealer for proper tire selection.

² Hood stripe delete option available. Sunroof available on Coupe models. Convertible models have a black top.

Step into something new. Inside, you'll find the new 2012 Camaro 45th Special Edition interior in Jet Black, accented with White on the instrument panel and door inserts. Leather-appointed seating, 45th Anniversary badges and stitching (in Red, White and Blue) help detail a new, iconic appearance.
