#### **RUNNING BOARDS-SPORT STEP**

Sport Step Running Boards add an intermediate step not found on traditional running boards. This makes getting in and out easier and much more convenient.

- Helps protect the side of your RDX from splashes and road debris
- Made of heat-treated, aerospace-grade aluminum for lightweight strength and durability
- Can be used with service lift and emergency jack

#### **RUNNING BOARDS-ADVANCE**

Designed to integrate seamlessly with your RDX, the Advance Running Boards add a premium appearance while providing the convenience of a more sure-footed entry.

- Tightly integrated, custom design ensures a factory-installed look
- Chrome trim with custom step plate provides added eye appeal
- Made with high-quality aluminum for lightweight superior strength and optimum durability
- Helps protect the side of your RDX from splashes and road debris
- Designed for use with service lift and emergency jack

#### FOG LIGHTS-LED

Fog Lights can be invaluable in navigating poor weather conditions, including not only dense fog, but also rain and snow.

- Integrated design for a factory-installed appearance and fit
- Precision optics provide a highly controlled light pattern that enhances visibility
- Plug-in connectors eliminate wire splicing and cutting for greater reliability

#### SPLASH GUARD SET

Splash Guards are a finishing touch that give your RDX a custom look and help protect your paint from nicks and chips.

- High-quality constructed material remains durable at extreme temperatures
- No-drill installation helps protect against corrosion
- Front and rear Splash Guards offer excellent protection

#### REAR BUMPER APPLIQUE

Provide extra protection when loading and unloading the cargo area with the Rear Bumper Applique.

- Clear urethane film helps protect the top surface of the rear bumper from marring, scratches, and scrapes
- Specifically designed and developed to meet Acura standards
- Contains UV inhibitors to resist yellowing

*This photo has been digitally enhanced to show the applique more clearly.*

#### DOOR EDGE FILM

Transparent, urethane Door Edge Film helps protect the paint around door edges.

- Includes adhesive protection film for all four doors
- Contains UV inhibitors to resist yellowing
- Specifically designed and developed to meet Acura standards

#### MOONROOF VISOR

Though decidedly sporty and good looking, the Moonroof Visor has practical applications as well, helping reduce glare, turbulence, and interior wind noise when the moonroof is open.

- Tinted acrylic material provides a sunscreen effect
- Made with high-quality material for durability and a perfect fit

#### BACK-UP SENSORS

Back-Up Sensors can provide invaluable assistance in difficult parking situations and can alert you to obstacles behind you or out of your line-of-sight.

- While backing up, two rear and two corner sensors emit audible beeps inside the RDX to signal as objects are approached
- Beeps quicken as objects become closer

#### BODY SIDE MOLDING

The Body Side Molding is ideally positioned where the side panel extends out the farthest, in order to help protect your finish against door nicks and chips. Its unique shape also adds a custom element that reflects and accentuates your RDX's body style.

- Made with high-quality material for durability and a perfect fit
- Color-matched to original factory specifications

#### DOOR TRIM, CHROME

The Chrome Door Trim is a stylish accent that gives your RDX an even more upscale look.

- Made of high-quality material for long-lasting durability
- Designed specifically for your RDX so fit and finish is exact

#### ROOF RAILS, SILVER

Silver Roof Rails, along with accessory Silver Crossbars, can securely haul items on top of your RDX depending on your choice of roof attachments.

- Premium high-gloss silver paint is tested to withstand the harshest environments
- Tightly integrated, custom design for a factory-installed look
- Made with high-quality aluminum and advanced plastics for lightweight, superior strength and durability

#### CROSSBARS, SILVER

The Silver Crossbars attach to the Silver Roof Rails and are integral in mounting Acura attachments that transport skis, snowboards, and other equipment.

- Premium high-gloss silver paint matches the Roof Rails
- Aerodynamic profile helps minimize wind noise
- Made with high-quality aluminum and advanced plastics for lightweight, superior strength and durability
- Maximum load capacity: 110 lb (50 kg)

*Designed to be used with the following attachments:*

#### SKI ATTACHMENT

Your beautifully appointed interior is no place for wet, dirty skis. The Ski Attachment carries up to four pairs of skis and poles on the roof (if bindings offer enough clearance).

- Lock holds skis securely and deters theft, key included
- Oversized push button for easy operation when wearing gloves
- Made of aluminum construction with anodized coating

*Requires Roof Rails and Crossbars.*

#### SNOWBOARD ATTACHMENT

There's no better, easier way to transport snowboards than the fully adjustable Snowboard Attachment.

- Accommodates all board sizes and widths
- Two snowboards can be carried by each attachment
- Angled design raises bindings to prevent contact with the roof
- Lockable for added security

*Requires Roof Rails and Crossbars.*

#### SURFBOARD ATTACHMENT

The Surfboard Attachment's cradle design provides lateral stability to hold your board snugly and securely during transport.

- Soft thermoplastic lined cradle
- Adjustable padded straps
- Carries two surfboards when used with the additional surf strap

*Requires Roof Rails and Crossbars.*

#### BIKE ATTACHMENT-ROOF MOUNT

The Bike Attachment offers the convenience of transporting your bicycle without having to disassemble it.

- Two Bike Attachments can be mounted to the RDX Roof Rails and Crossbars
- Holds most adult bicycles
- A lockable attachment holds one bike each

*Requires Roof Rails and Crossbars.*

#### KAYAK ATTACHMENT

The Kayak Attachment provides a safe, secure way to transport your kayak.

- Maximum protection and stability provided by soft, adjustable saddles
- Attaches quickly and easily to the RDX Roof Rails and Crossbars
- Includes bow and stern tie-down straps

*Requires Roof Rails and Crossbars.*

#### ROOF BOX-SHORT

The Short Roof Box frees up valuable space inside by adding additional, weather-protected storage.

- Mounts easily to the RDX Roof Rails and Crossbars
- Adds 13 cu ft of enclosed storage
- Length: 55 in, width: 35 in, height: 18 in (138 cm x 90 cm x 46 cm); maximum load capacity: 80 lb (36 kg)

*Requires Roof Rails and Crossbars.*

#### TRAILER HITCH, TRAILER HITCH BALL

When the need arises, put your RDX to work hauling up to 1,500 lbs with the Trailer Hitch and Trailer Hitch Ball.

- Receiver-style hitch accommodates a variety of trailer coupler designs
- Class I Trailer Hitch includes draw bar, retaining pin, and clip
- Wiring harness with 4-pin flat-style connector
- 17/8-in or 2-in balls available separately

*See Owner's Manual "Trailer Towing Section" for more details.*

18-in Diamond-Cut

#### 18-IN DIAMOND-CUT ALLOY WHEELS

The 18-in Diamond-Cut Alloy Wheels add the ultimate upgrade in both style and performance to your new RDX.

- Available in high polished Diamond-Cut with Metallic Silver Paint
- Hub-centric design ensures an exact fit for wheel balance, and less vibration to ensure a smooth ride
- Designed to be used with the factory Tire Pressure Monitoring System
- 18-in tires required

*Check with your Acura dealer for specific tire requirements.*

#### WHEEL LOCKS

Your Acura Alloy Wheels are an extremely valuable part of the overall look and performance of your RDX. Steel Wheel Locks will help protect them and keep them right where they belong.

- Hardened-steel construction provides excellent durability and theft resistance
- Corrosion-resistant hard-chrome finish maintains the like-new look for years, even in harsh climates
- Functions like a regular lug nut, but requires a special key tool for installation and removal
- Includes a handy storage pouch to keep the key socket from being misplaced

#### SPARE TIRE KIT

The Spare Tire Kit provides everything you need to change a flat tire.

- Includes a wheel disk, tire, spare tire adapter, tool box assembly, spare tire pan, wheel wrench, jack assembly, and jack bar

Some components and colors may vary. Please see your Acura dealer for details.

Accents your RDX for an even more upscale look.

Some components and colors may vary. Please see your Acura dealer for details.

#### INTERIOR TRIM-WOODGRAIN-LOOK

An elegant way to make your RDX your own is by adding the Woodgrain-Look Interior Trim for an upscale, custom appearance.

- Custom fit to overlay existing panels
- Woodgrain is perfectly matched with the Woodgrain-Look Steering Wheel and Woodgrain-Look Shift Knob
- Includes instrument and door switch panels and door upper trim
- Chemical resistance tests ensure the Woodgrain-Look trim will stand up in harsh environments

#### STEERING WHEEL TRIM-WOODGRAIN-LOOK

This Woodgrain-Look and Leather Steering Wheel provides a luxurious feel and elegant look to complement the interior cabin. When added with the Woodgrain-Look Interior Trim and Woodgrain-Look Shift Knob, it completes the cabin experience.

- Designed and engineered to resist extreme hot and cold environments to provide years of lasting beauty and durability

#### SHIFT KNOB-WOODGRAIN-LOOK

Complete the interior with a sleek and refined Woodgrain-Look and Leather Shift Knob.

- Integrates with the other interior components for a luxurious look
- Ergonomically shaped for comfortable use

#### ASHTRAY-CUPHOLDER TYPE

The Ashtray conveniently fits into the cup holder and is easily removable for cleaning.

#### ALL-SEASON FLOOR MATS

An ideal way to save wear and tear on your original carpets, the All-Season Floor Mats are designed to trap and hold dirt, sand, mud, and water.

- Raised perimeter wall design helps provide more coverage and additional protection
- Includes front and rear mats
- Durable rubber material cleans easily with mild soap and water
- Custom-colored RDX logo is molded in for a premium look

*Not intended for use with the standard Carpet Floor Mats.*

#### DOOR SILL TRIM-ILLUMINATED

Serving a twofold purpose, the Illuminated Door Sill Trim both enhances the interior's ambience while protecting the lower door sill from scuff marks.

- White LED lights brighten the Acura logo when the door is open
- Made of 0.5-mm-thick stainless steel and injection-molded plastic for durability

#### CARGO TRAY

The Cargo Tray helps protect the cargo-area carpet from spills and everyday wear and tear.

- Custom-molded to fit into the cargo area of your RDX
- A molded pattern matches All-Season Floor Mats
- RDX logo is molded in for a custom appearance

#### CARGO LINER

The Cargo Liner protects your original cargo area, including the floor, sides, and backs of the 2nd-row seats, from the wear and tear of normal, everyday use.

- Each side of the 2nd-row seats can be operated independently in all positions with the Cargo Liner installed
- Storage bag included

#### CARGO NET

The Cargo Net helps secure everything from sporting equipment to odd-shaped items.

- Designed to provide versatility and ease-of-use
- Washable material

#### CARGO COVER

The retractable Cargo Cover keeps items in the back out of view, which provides peace-of-mind when your RDX is parked or otherwise unattended.

- Mounts behind the 2nd-row seats for maximum coverage
- Tested to ensure it will not deform, crack, or blister when subjected to extreme temperatures
- Installs easily by removing the factory covers in the side lining
- Available in Ebony and Parchment

#### SEAT COVERS-REAR

Rear Seat Covers offer a bit of style, and a great deal of protection from food spills and other messes.

- Covers the entire rear seat and headrests
- Designed with access to the center armrest bolster and child anchor latch
- Durable wetsuit-like material is water-resistant and machine washable

*Always follow the child seat Owner's Manual or the vehicle Owner's Manual when installing a child seat in the vehicle.*

#### SUNSHADE

The custom-designed Sunshade helps reduce temperatures inside your vehicle when parked.

- Silver reflective surface has soft felt inner lining
- Foam core center provides optimal insulation
- Accordion design for easy use
- Storage bag included

*As shown in the ILX.*

### FIRST-AID KIT

Something no car should be without, the First-Aid Kit provides a first-aid manual and basic first-aid supplies to manage minor injuries.

- Custom-designed ballistic, zippered case for convenient storage
- Double-sided hook and loop strips for attachment to any surface

### ENGINE BLOCK HEATER

If you live or travel in areas that experience freezing temperatures, you know how vital an Engine Block Heater can be. It'll start your RDX faster in freezing weather and greatly reduce wear and tear on your battery and engine.

- Solid brass-encased heating element is reliable and durable
- Faster engine warm-up time allows the heater and defroster to warm up faster, too
- Simple to use. Just plug the heater's cord into a normal household outlet

#### REMOTE ENGINE START SYSTEM II

It's all about comfort and convenience. With the Remote Engine Start System II, you can start your car from up to 400 ft away, before going outside in the cold or heat.

- Integrates with your vehicle's security and immobilizer systems to ensure protection
- Activates the Auto Climate Control setting to 72 regardless of last A/C settings
- The remote includes an LCD display that indicates vehicle and in-cabin approximate temperature status
- Runtimes of 10 and 20 minutes

**Caution:** *Never start your Acura in an enclosed area, as this may cause carbon monoxide build-up. Not available for manual transmission vehicles.*

Some components and colors may vary. Please see your Acura dealer for details.

#### REMOTE ENGINE START SYSTEM III

It's all about comfort and convenience. With the Remote Engine Start System III, you can start your car from up to 328 ft away, before going outside in the cold or heat.

- Integrated two-way remote with LED indicators let you know your vehicle's status
- Integrates with your vehicle's security and immobilizer systems to ensure protection
- Activates the Auto Climate Control setting to warm or cool your interior, depending on the temperature outside
- Runtime of 10 minutes with the option to extend another 10 minutes
- Includes two transmitters

**Caution:** *Never start your Acura in an enclosed area, as this may cause carbon monoxide build-up. Not available for manual transmission vehicles.*
