Always wear your seat belt, and please don't drink and drive. ©2015 INFINITI. ING-18298 Reorder #176061 (12/15, 5K, CG) ♻️ Reducing our environmental footprint is an important goal at Infiniti. That's why this brochure uses paper stock that is certified to contain a minimum of 10% post-consumer waste materials. Bose is a registered trademark of the Bose Corporation.

Final production vehicle may vary. 2017 Q60 Red Sport 400 with Technology Package and optional Silver interior trim shown. Some features shown are available/optional. U.S. model shown. ¹ Available on select models. ² Based on *WardsAuto* 2015 Light-Vehicle U.S. Market Segmentation - Luxury Specialty vehicles. 2016 U.S. manufacturers' websites data. ³ PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. ⁴ AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. ⁵ BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details.

BLOW PAST LIMITS. THE BREATHTAKING ALL-NEW INFINITI Q60

Every gulp of air is a burst of inspiration. Every razor-sharp edge, every dramatic crease stirs something deep inside. The possibilities feel limitless and exhilarating. Just push the start button. The growl of a new family of turbocharged engines with up to 400 horsepower will let you know exactly where you stand. At the edge of a revolution.

High technology boosts high performance

Tailored to the driver in you, Q60 delivers cutting-edge technologies for an experience unique to Infiniti. Direct Adaptive Steering,^{®1} a world's first digital steering system, allows you to steer quicker and smoother. While Dynamic Digital Suspension¹ constantly adapts to provide optimal comfort and agility. Pair them together and unleash the confidence of a completely personalized handling system that you can fine-tune 336 different ways. This is your drive empowered.

SEE. HEAR. FEEL. POSSIBILITIES ALL AROUND

From the moment you enter, you will perceive the differences. Designed to blend craftsmanship with functionality, the all-new Q60 performs on a higher design level. Open the door and you see it in the available black carbon fiber trim interior! Turn up the new Bose® Performance Series audio system¹ and you hear it. Sit in the sport-inspired driver's seat and you feel it in the deep bolsters and integrated headrest. A sophisticated and 3-dimensional approach you can sense, whether driver or passenger.

Hear it here first. The new Bose® Performance Series with Advanced Staging Technology¹ makes its worldwide debut on the all-new Infiniti Q60. Enjoy concert-like sound with speakers that create a wider soundstage.

Every time you get in, you'll appreciate the segment-exclusive flexible doorstop² that can hold open in most any position. No more door springing back on you, trying to close. Easy entry. Easy exit.

All paddle shifters are not positioned equally. In the all-new Infiniti Q60, paddle shifters are steering wheel-mounted¹ instead of column-mounted, allowing for easy reach.

DESIGN IS BOUNDLESS. SO IS DARING

Push design further and you'll definitely get noticed

It's a line of thinking you'll see expressed in every Infiniti, taking stunning new shape on the all-new Q60. Daring curves. Deep creases. A taut body that stands low and wide. Signature elements like an eye-inspired headlight and double-arch grille. Progressive and modern, yet dynamic and moving, this is a new design language for a new kind of sports coupe.
