BE INSPIRED EVERY SINGLE DAY

ROAD TRIPS ARE ALWAYS EXCITING, just like the dramatic leather-faced interior design offered in Renegade Limited. This contemporary colour palette enhances the cabin's spacious interior, where drivers and passengers have plenty of wiggle room to spread out and relax. Storage features are plentiful, so you can stash devices, tablets, cups and personal items safely out of the way.

ALL OF THE DETAILS ARE EXCEPTIONAL, including the available, nicely cushioned leather-faced seats accented with attractive contrast stitching and a power-adjustable driver's seat with comforting power lumbar adjust. On Limited, heating is standard on the front seats and leather-wrapped steering wheel.

Limited interior with Black / Ski Grey leather-faced seats

Limited in Glacier Metallic

FUN-FILLED PLAYROOM

Limited interior with Black leather-faced seats

DATA-DRIVEN TRAVEL

A LARGE, 7-INCH FULL-COLOUR DRIVER INFORMATION DISPLAY sits front-and-centre on the dashboard — a standard feature on Trailhawk® and Limited models, available on Sport and North models. It provides all kinds of information that drivers will find useful, including operation of safety and performance features, vehicle stats and much more. The 3.5-inch monochrome display is standard on Sport and North models.

LET YOUR IMAGINATION ROOM

STUDIO-QUALITY SOUND FILLS YOUR CABIN with the Kenwood Premium Audio System. Its booming subwoofer is situated in the rear cargo area, enhancing your listening experience when it perfectly merges with all of the selectively placed speakers. Available.

TRAILHAWK® IS ADVENTUROUSLY DESIGNED.

It merges a sporty interior design with an available Premium Leather Group that treats you to luxury leather-faced seating with Ruby Red accent stitching, heated steering wheel and front seats, 40/20/40 split-folding rear seat with trunk pass-through to the cargo area, and more.

THE UCONNECT® 4C NAV MULTIMEDIA CENTRE includes an 8.4-inch full-colour touchscreen that glows with crisp definition. Intuitive to use, the system lets you fully integrate your smartphone with Apple CarPlay⁵ and Android Auto,^{TM5} while a full menu of SiriusXM Guardian⁷ connected services is yours to explore. The premium navigation²² system shows you the way to adventure, including route options and landmarks that let you take the long road to discovery. Available.

Uconnect®

NAVIGATION Dinner reservations at the new place in town? Uconnect® employs GPS Navigation²² for audible turn-by-turn directions, and detailed 3-D maps help to ensure you arrive on time. Use Voice Command¹⁰ and say the complete address to get directions quickly. Available.

PHONE/TEXT Make hands-free¹¹ phone calls or use your voice to send a text. Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply. Standard.

4G WIFI¹² HOTSPOT All along the way, you can upload and download, post, and search. Uconnect with available WiFi links compatible devices to the Web so passengers can stay connected. Available.

TOUCHSCREEN CONTROLS

Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu allows you to highlight your top six favourite features and services so they're always in sight on your available 8.4- or 7-inch Uconnect touchscreen display.

Limited in Black

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri to help you out while you drive⁵. Get directions, make calls, send messages, and connect to Apple Music, all without pausing your journey. Available.

androidauto

Designed with safety and convenience in mind, Android Auto^{TM5} gives you the right information for the road ahead. Easily access your favourite music with Google Play Music, and get where you need to go with Google Maps. With your Google Assistant on Android Auto⁵, you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Ok, Google." Available.

Uconnect® + SiriusXM GUARDIAN

SIRIUSXM GUARDIAN⁷ Drive worry-free with SiriusXM Guardian⁷ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect® App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN⁷ CONNECTED SERVICES + UCONNECT® APP

- > **SOS CALL¹³** In the event of an incident, push the SOS button. You'll be connected to a SiriusXM Guardian agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL¹⁴** connects you with an agent who can get you help while you're out on the road.
- > **SIRIUSXM GUARDIAN ASSISTANCE** puts you in touch with a Customer Care agent for help with SiriusXM Guardian.
- > **LOCK/UNLOCK YOUR CAR** from virtually anywhere.
- > **START YOUR CAR** remotely.¹⁵
- > **FLASH THE LIGHTS** and sound the horn to help find your car in a crowded parking lot.
- > Locate your car on a map using **VEHICLE FINDER**.
- > Send destinations to your navigation system using **SEND & GO**.²²
- > Receive alerts with **THEFT ALARM NOTIFICATION**.¹⁶
- > **STOLEN VEHICLE ASSISTANCE¹⁷** If the unexpected happens and your vehicle is stolen, Stolen Vehicle Assistance will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS** Boundary Alert notifies you when Renegade travels outside of a set geographic area. Curfew Alert notifies you when Renegade is driven outside a specific time frame. Speed Alert lets you set speed parameters, notifying you if they are exceeded. Valet Alert notifies you if the vehicle is driven outside a 0.4-km (quarter-mile) radius of a valet drop-off zone.

SIRIUSXM CONNECTED SERVICES⁶

Limited in Alpine White

SIRIUSXM RADIO⁶

Listen to your favourite playlist from your connected device, then flip to SiriusXM radio and enjoy the best commercial-free music, plus every major sporting event and the biggest names in entertainment, news and comedy. You'll get over 150 channels, all at the press of a button. With the available SiriusXM All Access Package,⁶ you get every channel available on your satellite radio, and you can also listen wherever you go on your portable devices with the SiriusXM App,⁶ which is included with your one-year trial. Available.

SiriusXM TRAVEL LINK

SIRIUSXM TRAVEL LINK⁸

Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules on your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link service are included.⁸ Available.

SiriusXM TRAFFIC

SIRIUSXM TRAFFIC⁸

Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic service are included.⁸ Available.

ADD MORE LIGHT AND FRESH AIR

Choose from two innovative ways to invite the outside world into your Renegade. Expand your experience of freedom with the sun on your shoulders and warm breeze flowing all around. Both roof systems are available and ready to refresh the perspective of everyone on board.

MY SKY® OPEN-AIR ROOF SYSTEM

This available system lets you quickly open the front panel to stream fresh air and sun into the cabin with the push of a button.

Or, you can manually remove one or both lightweight roof panels for a full open-air experience.

Included is a handy storage bag that keeps your sunroof panels protected. Stash it in the rear cargo area.

DUAL-PANE PANORAMIC POWER SUNROOF

Two large panels give all your passengers, front and rear, a full-on, open-air experience. Push the power button and the front pane slides back to reveal huge scenic views. Sit back and enjoy a great big “wow” factor.

Trailhawk® in Colorado Red

FIND SOMETHING MORE

YOU'RE READY TO EXPLORE THE WORLD WITH PURPOSE. That's where Renegade comes in. It's designed with purpose to help those who are ready to pack up, get out and go wherever their wandering nature leads. When life calls, you're outfitted to respond like a Renegade.

40/20/40 SPLIT-FOLDING REAR SEAT WITH TRUNK PASS-THROUGH accommodates all kinds of cargo and passenger configurations. Bring any combination of people, pets and luggage. Then head for parts known, unknown and all points in between. Available.

Adjustable cargo floor panel shown raised for easy slide-in loading.

Remove the floor panel to gain additional space to accommodate taller items.

MAKE MORE ROOM The standard height-adjustable rear cargo floor is made to help you access more rear cargo space — on demand. Raise it up for easy, slide-in loading or lower it to have more room to carry taller items.

Trailhawk® in Glacier Metallic

THE BADGE THAT GIVES YOU ACCESS

TRAIL RATED®

Every Jeep® Brand vehicle bearing a Trail Rated® badge is designed and built to perform with exceptional 4x4 capability, giving you the confidence to explore the world as you see fit.

Trailhawk in Omaha Orange

BADGE OF HONOUR The Trail Rated badge appears on every Renegade Trailhawk®, engineered to Go Anywhere, Do Anything. When you see a Trailhawk bearing this badge, you know it has successfully passed performance tests in five categories:

TRACTION Trail Rated traction helps you maintain controlled forward motion. You can climb steep sand dunes, cross icy bridges and master muddy two-tracks with confidence.

WATER FORDING¹⁸ Traverse that stream with assurance, thanks to additional electrical and body seals, plus a high air-intake location. Renegade has the capability to manage in up to 48 cm (19 in) of water.¹⁸ Always inspect all waterways before proceeding.

ARTICULATION Trail Rated suspension systems enhance on- and off-road performance by maximizing flexibility, axle articulation and wheel travel.

GROUND CLEARANCE Every Trail Rated Jeep Brand vehicle offers optimized approach, departure and breakover angles designed to clear logs, rocks and uneven ground. The undercarriage is protected too, with forged skid plates that cover your vehicle's most valuable underbody elements.

MANOEUVRABILITY Navigate narrow gaps and winding trails. Precision steering and an optimized wheelbase allow for expert navigation.

AUTO

SNOW

SAND

MUD

SELEC-TERRAIN®

ROCK

Trailhawk® in Alpine White

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

With the turn of a dial, you have the power to tackle Mother Nature's toughest conditions. This system pairs with your 4WD to help adapt traction performance. Its selectable dial features Auto, Snow, Sand, Mud and, exclusive to Trailhawk®, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels.

JEEP® BRAND 4x4 SYSTEMS

JEEP® ACTIVE DRIVE Put your capability on autopilot. This available 4x4 system does the work for you, targeting exactly when you need a boost of traction. It features a single-speed Power Transfer Unit (PTU) that combines proven Jeep® Brand capability with welcome efficiencies to deliver a double whammy of 4x4 prowess and fuel-saving smarts.

Jeep Active Drive can seamlessly transition from Front-Wheel Drive (FWD) to Four-Wheel Drive (4WD) and back again, thanks to the system's smart rear-axle disconnect that operates in tandem with the Selec-Terrain® Traction Management System's Auto Mode. Under normal driving conditions, the front wheels provide most of the traction. But, should the front wheels start to lose grip, power automatically transfers to the rear wheel(s), so you seamlessly maintain optimal traction without having to take additional action.

JEEP ACTIVE DRIVE LOW This system gives Trailhawk® its super powers to easily conquer tough ridges, rocks and weather or the extra determination to pull a boat out of a lake. This 1-speed system features Hill Descent Control that adds extra control over throttle, speed and braking, allowing you to smoothly travel down steep hills. Dial in to Rock Mode when you need the boost of a 21:1 crawl ratio. Exclusive to Trailhawk.

Trailhawk® in Omaha Orange

BEST-IN-CLASS TOWING¹⁹

UP TO 907 KG (2,000 LB)

1.3L MULTIAIR® TURBO I-4 ENGINE

Its direct fuel injection helps to deliver 177 hp and 210 lb-ft of torque to push the envelope of towing power while handing over welcome fuel efficiencies and lowered emissions. Engine Stop/Start (ESS) technology helps reduce emissions and improve efficiency. Active Grille Shutters open and close automatically to help control the flow of air, reducing drag and helping to improve fuel economy (Trailhawk® excluded). Paired with the 9-speed automatic transmission. Standard on Limited and Trailhawk models. Available on Sport and North models.

2.4L TIGERSHARK® MULTIAIR I-4 ENGINE

Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. Its 180 hp and 175 lb-ft of torque hand over its power whenever requested. Standard on Sport and North models.

9-SPEED AUTOMATIC TRANSMISSION

Shifting gears with a precision that's as smooth as silk. The gears are fine-tuned with a ratio spread of 9.81 to ensure quick takeoffs and a consistently refined performance. Exceptional efficiencies are produced through all gears at all speeds. Standard with both engines.

FUN IN TOW

Expand your options by adding the available Trailer Tow Group, and you're able to bring along a tonne of toys, literally. The Class III hitch receiver and 4-pin wiring harness have a capacity to tow up to 907 kg (2,000 lb). Available with both engines.

North in Jetset Blue

Limited in Alpine White

Properly secure all cargo.

ACTIVELY ON GUARD

An array of available sensors keeps watch of your perimeter, and will notify you with audible and visual signals should another vehicle or object encroach any of your safety zones. It's the latest technology designed to remain on guard when you're behind the wheel.

ELECTRONIC STABILITY CONTROL (ESC)⁹

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC⁹ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control, and available Trailer Sway Control (TSC), sending them into action when needed. Standard.

KEYLESS ENTER 'N GO™

With the fob in your pocket or purse, depress the brake pedal, press the Start button, shift into gear and go. Available.

LED LIGHTING

Gathered together into a convenient package to give you the brightest visibility, you'll have a full complement of LED lights, including headlamps, daytime running lamps (DRLs), taillamps and cornering fog lamps. Available.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST⁴

Provides a visual and audible warning and steering-wheel movement should the system detect the vehicle drifting outside of lane boundaries. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING⁴

Should you approach another vehicle too rapidly, you'll get visual alerts, and brake assistance if reaction time is too slow. Available.

ADAPTIVE CRUISE CONTROL⁴

Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead. Available.

AUTO HIGH-BEAM HEADLAMP CONTROL

Sensors eliminate the need to manually turn off high beams when oncoming traffic approaches. Available.

BLIND-SPOT MONITORING⁴ AND REAR CROSS-PATH DETECTION⁴

Maintain a safe perimeter with the help of these sensor systems. Illuminated icons notify you when side or rear blind spots are encroached. Available.

PARKVIEW® REAR BACK-UP CAMERA WITH ACTIVE GRID LINES⁴

This system helps bring previously hidden rear objects to your attention, on-screen in good time to react. Standard.

RAIN-SENSITIVE WINDSHIELD WIPERS

Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected. Available.

TRAILER SWAY CONTROL (TSC)

Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control (ESC),⁹ TSC helps keep you and the toys you tow safely on course. Standard.

WINDSHIELD WIPER DE-ICER

Maintain a clear view of the road ahead during snowy weather. Heating elements on the lower inside windshield glass help keep wipers free from ice and the windshield clear for an unobstructed view of the road. Available.

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST SYSTEM⁴

This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive, as needed. Includes Park-Sense® Front and Rear Park Assist sensors.⁴ Available.

A SECURE AIR BAG SYSTEM²⁰

Full-length front and rear side-curtain, driver inflatable knee bolster, seat-mounted side for front occupants, and advanced multistage driver and front-passenger air bags all work together to help provide encompassing protection. Standard.

CHASSIS STRENGTH

Maintain peace of mind with this strong safety cage, constructed with high-strength steel. Exceptional ride quality is experienced as well. Standard.

1. Most Capable Small SUV Ever is based on historical Canadian unibody B-SUV segment competitors as identified by *WardsAuto* Small Crossover and Small SUV segments (years 1985 – 2019). 4x4 capability based on Jeep B-SUV offering low-range power transfer unit (PTU) with 21:1 crawl ratio, low-range 4x4 capability. 2. Jeep "Small SUV" sub-segmentation based on small sport and cross utility vehicles including Mini Countryman, Buick Encore and Honda HR-V. Best-in-Class 4x4 capability based on Jeep B-SUV offering low-range power transfer unit (PTU) with 21:1 crawl ratio, low-range 4x4 capability. 3. Only available with automatic transmissions. 4. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 5. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. 6. Requires SiriusXM radio subscriptions governed by Sirius terms and conditions available at siriusxm.ca. 7. All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 8. SiriusXM Traffic and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 9. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 10. Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 11. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 12. Three-month/7GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. WiFi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 13. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. 14. Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 15. When equipped with remote start. 16. Theft Alarm Notification is compatible with factory-installed alarms only. 17. Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. 18. Do not attempt water fording unless depth is known to be less than 48 cm (19 in). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 19. When properly equipped, Jeep "Small SUV" sub-segmentation based on small sport and cross utility vehicles including Mini Countryman, Buick Encore and Honda HR-V. 20. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 21. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 22. Never program while driving. GPS mapping and available 3D Navigation may not be detailed or available in all areas or reflect current road regulations.
