¹*A note about this catalogue: all disclaimers and disclosures can be found on the last page.

Pacifica offers the Most Advanced All-Wheel-Drive System in Its Class.^{2*}

AWD: CONFIDENCE AND PRECISION.

The Pacifica offers the Most Advanced All-Wheel-Drive (AWD) System in Its Class,² with seamless engagement for an efficient drive. It's also the only vehicle to offer AWD along with the second- and third-row Stow 'n Go[®] seating and storage system² for enhanced performance with no sacrifice to versatility.

NO MATTER WHAT THE FORECAST.

The fully automatic AWD performance system optimizes traction on sharp road inclines and declines, during inclement weather, and under challenging road-surface conditions. If wheels lose traction on ice, snow or gravel, AWD automatically transfers power to the wheel(s) with more traction.

ON-DEMAND FUEL EFFICIENCY.

By activating power and torque to the wheels as needed, the AWD system offers fuel-saving technology, giving you the ultimate in performance and traction when needed, and optimal fuel efficiency when you don't.

► *Pacifica Pinnacle™ AWD*

*AWD is available on gas-powered models only.

ALL-WHEEL-DRIVE SYSTEM 5

All-Wheel Drive for all-weather driving.*

THE MOST CAPABLE AWD IN ITS CLASS?

Pacifica's advanced All-Wheel-Drive (AWD) system is capable of applying brakes to low-traction wheels and transferring 100 percent of the available engine torque to the rear wheels, or whichever wheel(s) have more available traction. Additionally, the system is able to sense and stop the driveshaft from spinning when AWD is not required, which improves fuel efficiency.

READY TO DRIVE.

The advanced AWD system offered on Pacifica detects wheel-slip and kicks in automatically to distribute power between front and rear wheels. The system is also tuned to minimize oversteer and maximize traction where snow, ice, mud, sand or gravel are present. There is no need to select AWD — the advanced system automatically activates when outside temperatures dip below approximately 4°C (40°F) or when road slope significantly changes.

► *Pacifica Pinnacle™ AWD*

*AWD is available on gas-powered models only.

ALL-WHEEL-DRIVE SYSTEM 6

3D DIAMOND-STYLE GRILLE

LED TAILLAMP

AUTO HIGH-BEAM HEADLAMP CONTROL

Visionary achievement.

SLEEK UTILITY, FORM AND FUNCTION.

The 2021 Chrysler Pacifica comes with an assertive new look, including athletic fascias and grille. The chiseled new face creates a more dominant appearance with a 3D diamond-style Gloss Black upper grille, Bright Chrome surround, and slimmer lower grille integrated with the structured aerodynamic, linear design.

PACIFICA PINNACLE™ LUXURY MODEL.

The modern, sculpted exterior design is highlighted by distinctive accents and badging on the new Pinnacle with Platinum Chrome finishes. Available on gas and hybrid models, the top-of-the-line Pinnacle model speaks volumes about Pacifica's upscale pedigree and state-of-the-art luxury features.

SEE AND BE SEEN.

A distinctive new LED taillamp runs the width of the rear fascia, providing an unmistakable rear approach and defined appearance to the Black surround and Chrysler wing badge. Standard new LED headlamps deliver increased light projection and daytime running lamps (DRLs) improve visibility range while cornering.

► *Pacifica Pinnacle in Fathom Blue*

EXTERIOR HIGHLIGHTS 7

ULTRA CONSOLE

UCONNECT® THEATRE

WIRELESS CHARGING PAD FOR PHONE

A new generation of family utility.

INTUITIVE DESIGN FROM THE INSIDE OUT.

Every aspect of the Chrysler Pacifica considers each passenger as intuitively as the driver. With more than 115 standard and available safety and security features, Best-in-Class rear-seat entertainment,² multi-device charging and connectivity, available seating for eight, expansive versatile storage, and ease of entry and exit keep even the most restless family members content.

The new integrated Ultra Console on Pinnacle™, as well as Limited's compact version Premium Console, provide dual-level storage, including a pass-through beneath the console for personal items such as a purse or laptop. A new wireless charging pad on Limited and Pinnacle models keeps your phone powered, while up to 12 available USB ports throughout the vehicle, including Type-C for faster charging, make Pacifica your family's power and connectivity hub.

INTERIOR HIGHLIGHTS 8

Properly secure all cargo.

The image shows the interior of a Pacifica Pinnacle. The seats are upholstered in tan leather with a quilted pattern. The headrests and backrests have a diamond-stitched pattern. The center console is visible between the front seats. The sunroof is open, showing a snowy landscape outside. The text is overlaid on the left side of the image.

The Pacifica Pinnacle™ has the Most Luxurious Interior in Its Class³ and Best-in-Class storage.⁴

Immerse yourself and the crew in the comfort and style of the new premium Pinnacle trim. Loaded with luxury features and content, the top-of-the-line trim includes durable, quilted Caramel Nappa leather-faced seats in all three rows and unique matching lumbar pillows in the second-row captain's chairs. The textured, high-quality leather extends to armrests, bolsters and the movable pillows with suede backing for an extra dose of indulgence. With the versatility of seven-passenger seating, the new Pinnacle design increases overall storage capacity.

From the Ultra Console, covered storage and second-row in-floor storage bins, total storage on the gas-powered Pinnacle is a Best-in-Class 227.6 L (8 cu ft)⁴ — enough room to haul about 30 hockey equipment bags or 50 backpacks. You'll also appreciate the heated and ventilated seats along with premium convenience and technology features. From the tri-pane panoramic sunroof to sound-absorbing laminated glass, built-in Active Noise Cancellation technology and triple-seal doors, Pacifica makes for a peacefully quiet and visually expansive environment.

Versatility that goes big on work and play.

EASY CLEANUP WITH THE
STOW 'N VAC VACUUM

IN-FLOOR
SEATING AND STORAGE

ULTRA CONSOLE OFFERS A HOST OF
STORAGE COMPARTMENTS

CONVENIENCE IS EVERYTHING.

The Chrysler Pacifica is the only minivan in its class that has Stow 'n Go fold-in-floor seating and storage for second and third rows.² No more struggling to remove seats. Simply fold your second- or third-row seats into the floor to make plenty of space for all your cargo. Use the easy-to-access in-floor bins when the seats aren't stowed to get even more cargo space for all your valuables. Whether its crumbs, popcorn or a million little spilled pieces, cleanup is a breeze with the convenient built-in Stow 'n Vac, the most powerful integrated vacuum available in its class.²

Getting in has never been easier.

STRESS-FREE KEY SECURITY.

Ideal for families with new drivers, the available KeySense programmable key fob promotes safe driving habits and limits distractions. Using a four-digit PIN that is programmed through the Uconnect® touchscreen, the KeySense fob can limit vehicle speed and audio volume, and block select SiriusXM satellite radio⁵ channels. KeySense will also mute the audio when front seat belts are not buckled and prevent disabling of available active safety systems.

HANDS-FREE DUAL POWER-SLIDING DOORS AND LIFTGATE.

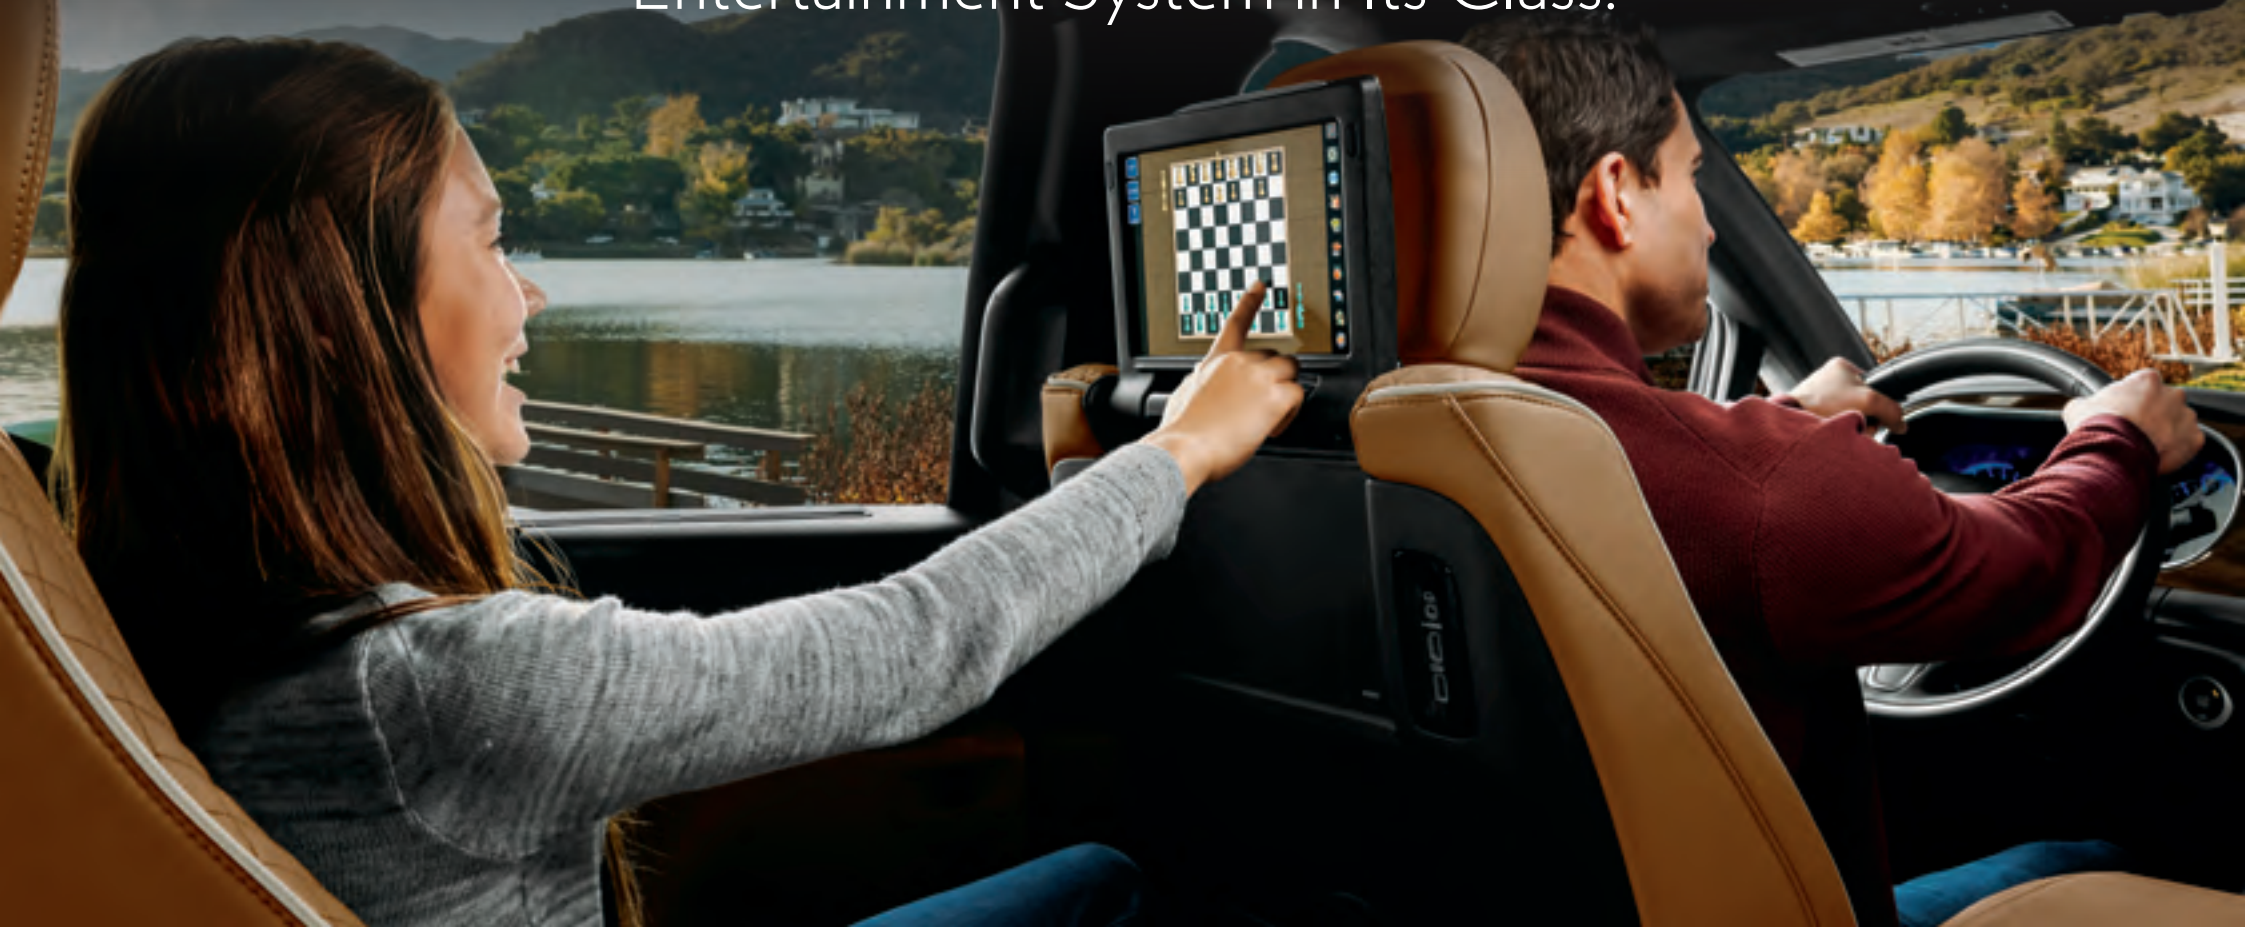

A single kick motion under the available hands-free sliding side doors or liftgate opens the vehicle when the key fob is with you. Whether you're carrying packages or a sleeping baby, loading has never been smoother.

► Limited with S Appearance Package in Brilliant Black Crystal Pearl

CONVENIENCE 14

Uconnect® Theatre: the Most Advanced Entertainment System in Its Class.²

INDUSTRY-LEADING REAR-SEAT ENTERTAINMENT?

Rear passengers have plenty of options to pass the time with the available Uconnect Theatre, allowing them to watch movies, play built-in games and connect personal devices to stream content throughout the vehicle.

MOBILE THEATRE AND GAME CONSOLE.

Dual, 10.1-inch, HD rear-seatback-mounted touchscreens include built-in games and apps in the second-row Uconnect Theatre, allowing separate media to display simultaneously. Curious minds in the backseat will stay engaged.

FIRST-ROW CONTENT CONTROL.

The available Blu-ray™/DVD player with an integrated USB port in the first-row centre stack can be used to play movies on the two front-seatback-mounted Uconnect Theatre 10.1-inch touchscreens.

PREMIUM ACOUSTICS.

The standard built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for premium sound quality to be delivered through the standard 6-speaker audio system.

All-new 10.1-inch Uconnect® 5 is the Largest-in-Class standard touchscreen.²

Uconnect IS YOUR COMMUNICATION CENTRE.

The all-new standard 10.1-inch Uconnect 5 touchscreen system brings a wide range of communication and entertainment features to your Pacifica, including more connected services and features that are easier to search and navigate. This new system now offers processing speeds five times faster than the previous generation and has the ability to connect two phones simultaneously with Bluetooth® capability.⁷ Up to six user profiles can be personalized on the home screen, including preferences for music, seat settings, comfort and vehicle operation, and the ability to change in-vehicle climate controls with the push of a button.

NEXT-LEVEL NAVIGATION⁸

Roads close and rules change all the time — drive with the latest maps so you never miss a turn. The new TomTom Navigation System⁸ provides Connected Traffic and Travel Services and Maps-Over-the-Air (MOTA) updates. Features like predictive search and natural speak capability help identify your location as you search millions of points of interest to find what you need, wherever you are. The available Uconnect 5 NAV⁸ system's integrated navigation includes 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry for the ultimate ease-of-use way-finding experience.

Your connected services suite.

ALEXA ON THE ROAD.

Uconnect® 5 brings Alexa Built-In to the Pacifica infotainment system, giving occupants the freedom to interact with Alexa just as they do at home or on an Alexa-enabled device. With Alexa, occupants can ask to play music, podcasts and Audible; add items to their to-do or shopping list; check news, weather, traffic, sports and other real-time information; and access tens of thousands of Alexa skills.¹⁰ Responses and streaming audio are delivered through the vehicle's audio system, allowing anyone in the vehicle to easily interact with Alexa.

Certain Alexa functionality is dependent on smart home technology.

ALEXA FROM HOME.

Use the available SiriusXM Guardian⁹ services to command your Pacifica using your voice with the Chrysler Skill¹⁰ for Amazon Alexa on an Alexa-enabled device from the comfort of your home!

- Activate or cancel remote start¹¹
- Remote door lock/unlock
- Activate the horns and lights remotely
- Check tire pressure, fuel level or oil life
- Send destinations to your TomTom Navigation System⁸

This available advanced in-vehicle connectivity now offers a Wi-Fi Hotspot⁶ and help when you need it most with Roadside Assistance Call¹² and SOS Call¹³ from your touchscreen or rearview mirror button. The available mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year subscription includes Remote Vehicle Start¹¹ to start your car and unlock the doors from virtually anywhere through the Uconnect App, as well as Stolen Vehicle Assistance alerts,¹⁴ Send & Go¹⁵ and much more.

SiriusXM with 360L⁵ delivers satellite and on-demand streaming with over 300 channels and 5,000+ hours of on-demand content in-car and on the go, including ad-free music, sports, news, talk and entertainment.⁵ You'll also get Personalized Stations by Pandora,[®] "For You" listening recommendations, listener profiles, exclusive interviews, performances, shows and so much more. Download the SiriusXM App⁵ to listen on your phone, online and at home on connected devices during your one-year trial.

A smarter, safer way to use an iPhone wirelessly inside your vehicle and seamlessly integrates it with the Uconnect touchscreen and Siri voice control.¹⁶ The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.¹⁷

Designed with your personal safety and convenience in mind, Android Auto^{TM17} gives you the right information for the road ahead. Connect wirelessly to easily access your favourite music with YouTube Music, and get where you need to go with Google Maps. Talk to Google on Android Auto and get things done with your voice so you can keep your focus on driving.¹⁷ Easily send messages, get directions, control media and more. Just say, "Hey Google" to get started.

Thanks to the ability to anticipate traffic, formulate better routes and provide more accurate arrival times, TomTom for Pacifica provides the most up-to-date traffic and travel information. TomTom's Connected Services — including Traffic, Speed Cameras, EV, Parking, Fuel and Weather — provide drivers with reliable, timely information to get them where they are going without worry. Available with Uconnect 5 NAV⁸, the TomTom system allows you to access useful information right at your fingertips and get Maps-Over-the-Air (MOTA) updates.

115+ Standard and available safety & security features.

The Chrysler Pacifica now comes with over 115 standard and available safety and security features, including a host of automatically reactive technologies designed to help enhance your control and visibility even on the busiest of roads, lots and driveways.

BLIND-SPOT MONITORING.¹⁸

When driving forward, the available Blind-Spot Monitoring¹⁸ continually monitors the vehicle's side blind zones using dual radar sensors. When a side blind-spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror; if the turn signal is activated, an audible notification sounds. This system also includes Rear Cross-Path Detection¹⁸ to alert you with an audible warning if vehicles or objects are in your path when driving in Reverse.

PARALLEL AND PERPENDICULAR PARK ASSIST.¹⁸

When activated by the driver, the available Parallel and Perpendicular Park Assist¹⁸ can locate a suitable parking spot and manoeuvre the vehicle into a perpendicular or parallel space. The automatic system will control steering-wheel turns as the driver controls the gears, brake and accelerator.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING.¹⁸

Using radar and camera sensors, this available system detects if the vehicle is approaching another vehicle or large obstacle too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes. The driver is able to adjust the sensitivity and activate brake support using the Uconnect[®] touchscreen multimedia centre.

PEDESTRIAN AUTOMATIC BRAKING.¹⁸

Works in tandem with the forward camera and braking system to activate when a pedestrian is in the vehicle's path and the driver has not taken action to brake. When a pedestrian is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO.¹⁸

By using radar and camera sensors, this available system can automatically adjust cruising speed based on preset speed and vehicle distance settings. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to reengage to safe-range speeds as traffic begins to move.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST.¹⁸

A forward-mounted camera assesses the vehicle's position within a lane. If this available system detects the vehicle is drifting out of its lane without the driver using the indicators, it can warn the driver visually and through a vibration in the steering wheel. If the driver does not respond to the warnings, Lane Keep Assist¹⁸ can help gently nudge the vehicle back into the lane by adjusting the steering.

PARK-SENSE[®] FRONT AND REAR PARK ASSIST WITH STOP.¹⁸

The available network of front and rear sensors sends out ultrasonic waves when driving at low speeds and provides visual and audible alerts about nearby obstacles. Park-Sense Rear Park Assist with Stop¹⁸ can automatically apply the brakes to prevent a potential rear collision in parking situations.

Peace of mind is knowing
the coast is clear.

360° SURROUND-VIEW DISPLAY.

During low-speed driving situations like parking or backing out of your driveway, the available Surround-View Camera¹⁸ delivers a new level of technology, providing a bird's-eye perspective of the vehicle and its surroundings on the Largest-in-Class 10.1-inch touchscreen.²

PARKVIEW® REAR BACK-UP CAMERA.¹⁸

When driving in Reverse, the standard ParkView Rear Back-Up Camera¹⁸ image is shown on the Largest-in-Class 10.1-inch Uconnect® touchscreen.² It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind provides confidence when backing out of lots and driveways.

FamCAM™ INTERIOR CAMERA.¹⁹

Peace of mind comes in many forms from Pacifica, and keeping an eye on rear-seat passengers — without turning around — is no exception. An available headliner camera captures a full interior view behind the front row, including rear-facing child-seat occupants, letting you view the Best-in-Class HD images² from a split-view display and zoom-in feature on the standard new 10.1-inch Uconnect 5 touchscreen.

SAFETY & SECURITY 19

► Pacifica Limited shown in Ceramic Grey

Your family's
protective
bubble.

EQUIPPED TO PROTECT.

Eight standard air bags²⁰ include front multistage air bags with adaptive venting technology, side-curtain air bags, driver and front-passenger inflatable knee bolster air bags, and front-seat-mounted side-impact air bags. Based on occupant size and impact severity, the front air bags open at varying levels of inflation. Side air bag inflatable curtains extend over front and rear seating rows.

ELECTRIC PARK BRAKE WITH SAFEHOLD.

Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake switch eliminates the traditional pull park/emergency brake handle. It includes the additional function of SafeHold, an override feature that can secure the wheels if it detects the driver has exited the vehicle while it's at a standstill but not in the Park gear.

STANDARD ADVANCED LIGHTING TECHNOLOGY.

The new LED headlamps increase light output to better help view objects with improved down-road and spread illumination while minimizing glare. Fog lamps provide improved illumination during inclement weather. Side lighting offers a broader range of light, improves visibility while cornering and is activated by either steering-wheel-angle input or turn signal activations when the headlamps are on. A new rear LED taillamp runs the entire rear width of the Pacifica, enhancing visibility and distinction for rear-approaching vehicles.

Canada's Best-Selling Engine: 3.6L PentastarTM V6.²¹

3.6L PENTASTAR V6 ENGINE.

Choosing the gas-powered Pacifica means choosing the 3.6L Pentastar V6, which is both commanding and economical. This proven V6 powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency is further enhanced by standard Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then restarts when the brake pedal is released.

SEGMENT-FIRST 9-SPEED TRANSMISSION?

The Pacifica is equipped with a standard 9-speed automatic transmission — a primary contributor to an unsurpassed gas highway fuel economy rating of 8.4 L/100 km (34 mpg)²². Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transitions between gears. The transmission also enables lower engine rpm while cruising at highway speeds for optimal fuel efficiency.

Properly secure all cargo. Always tow within the vehicle's capacity.

Best-in-Class towing — 3,600 lb (1,633 kg).²³

WHEN BRINGING MORE IS THE BEST OPTION.

Whether it's loading up the trailer with home improvement supplies or pulling the family camper or boat, you'll easily get it done with an available Class-Leading towing capacity of up to 1,633 kg (3,600 lb)²³ when properly equipped. When you're pulling that much weight, it's nice to know the available Trailer Sway Control (TSC) will help keep you safely on course.

STRUCTURAL INTEGRITY.

The upper body and the frame of the Pacifica structure are designed as a single unit, helping to achieve premium driving agility. This exceptionally solid architecture carries advanced structural applications, optimized proportions and dynamic qualities like the use of high-strength steels. The door design also increases visibility around the front windows and pillars, while sound-absorbing barriers throughout the body and engine area help reduce overall cabin noise, contributing to less driver distraction.

- Trailer Tow Group

CHRYSLER PACIFICA HYBRID: THE FIRST AND ONLY PLUG-IN HYBRID MINIVAN.²

105

MPG_e²⁶

▶ Hybrid Pinnacle™ in Fathom Blue

ACCESS HYBRID OWNERSHIP BENEFITS BY PROVINCE: LICENCE PLATE
DESIGNATION AND AVAILABLE ROAD, FERRY AND TOLL PRIVILEGES

 up to 51 km
WITHOUT ANY GAS²⁷

A SIMPLE CHOICE FOR GOING GREEN.

From maximizing driving range to saving fuel while reducing emissions, the Pacifica Hybrid conserves resources without compromising versatility and space. Working seamlessly together, the gas and battery operations allow drivers to effortlessly gain efficiency with the choice of power as needed. The Hybrid powertrain offers an astounding 2.7 L_e/100 km (105 MPG_e) fuel efficiency rating in city driving,²⁶ easily covering an average daily commute of up to 51 km (32 mi) of all-electric range and a total driving range of up to 835 km (519 mi)²⁷ with a full fuel tank and charge.

REGENERATIVE BRAKING.

As part of the Hybrid powertrain, the regenerative braking system and motor function as a generator, when you slow the vehicle, to redirect power to the battery to extend the electric range.

EFFICIENT 3.6L PENTASTAR™ V6.

When more power is needed, such as accelerating quickly to merge on the highway, the gas engine is automatically engaged. The powertrain includes a commanding 3.6L Pentastar Variable Valve Timing (VVT) V6 engine that delivers an impressive 260 horsepower. This specially adapted engine works with the electric motor, contributing to Best-in-Class fuel economy ratings of 2.7 L_e/100 km (105 MPG_e) city/3.1 L_e/100 km (91 MPG_e) highway.²⁶

PACIFICA HYBRID 26

SEAMLESS AND STRESS-FREE HYBRID POWER.

LARGEST-IN-CLASS UCONNECT® 10.1-INCH TOUCHSCREEN²

The standard Largest-in-Class Uconnect 5 10.1-inch touchscreen system² with available navigation⁸ and voice command⁷ includes Hybrid Electric Pages, providing vehicle information screens for Power Flow, Driving History and Charging Schedule.

EFFICIENCY COACH.

The in-cluster display centre on the Pacifica Hybrid includes a coaching feature to help optimize fuel efficiency by showing a small green light to let you know when you're driving efficiently. When driving beyond the eco-friendly range, the light turns white so you can always be aware of your performance-to-efficiency operation.

CHARGES IN AS LITTLE AS TWO HOURS WITH
AN INSTALLED LEVEL 2 CHARGING SYSTEM.²⁸

THE POWER OF SAVINGS AND CHOICE.

The Hybrid battery may be charged with a standard Level 1 (120-volt) home outlet or an available Mopar® Level 2 (240-volt) Charger, which can restore full power in as little as two hours.²⁸ The port located above the driver's-side front fender allows easy charging access after exiting the vehicle.

GOVERNMENT INCENTIVE PROGRAM.

When purchasing a Pacifica Hybrid, you may qualify for government incentive program rebates by province. Please visit chrysler.ca for more information.

PACIFICA HYBRID:
VEHICLE INFORMATION 28

POWER FLOW.

The Hybrid Electric Pages Power Flow screen displays the current power readings and the flow of power as it returns to the vehicle systems.

CHARGING SCHEDULE.

The Charging Schedule screen allows you to set when you want your vehicle to charge. To do so, press the box next to the setting "Enable Schedule" until a check mark appears in the box.

EASY-TO-TRACK HYBRID STATS.

From the Hybrid Pages displayed on the Uconnect® touchscreen to the five-point illuminated charging indicator located on the upper dash, as well as the compatible smartphone app, Pacifica Hybrid features make keeping track of your charge status as simple as a glance.

DRIVING HISTORY.

The Driving History screen within the Hybrid Electric Pages shows the kilometres driven in both Full Electric and Hybrid modes for current and previous weeks.

FIVE-POINT CHARGE LEVEL INDICATOR.

The convenient charge level indicator, positioned on top of the dash, is visible at a glance and from outside the vehicle so it's easy to identify the battery's charge level from a distance.

PACIFICA HYBRID:
ELECTRIC PAGES/INFORMATION/CHARGING 29

UP TO 835-KILOMETRE TOTAL
DRIVING RANGE WITH UP TO
51 ELECTRIC KILOMETRES.²⁷

AUTOMATIC POWER EXCHANGE.

Alternating between electric and gas power is seamless, thanks to the Electrically Variable Transmission (EVT), featuring two electric motors — both capable of delivering power to the front wheels. With an electric driving range of up to 51 km (32 mi),²⁷ the Pacifica Hybrid is less dependent on gas, helping lower emissions for a greener environment while increasing savings at the pump and beyond.

- Gas-powered backup to Hybrid battery
- Internal combustion Atkinson Cycle on V6 engine
- System decides and activates for you which power is more efficient for the driving situation
- Regenerative braking helps recharge the battery and helps reduce wear to brake components
- Charge in as little as two hours with the available Mopar® Level 2 Charger²⁸
- High-voltage electrically charged 16-kWh lithium-ion battery
- Automatic system seamlessly transfers between battery and engine power
- The battery has a fully transferable 10-Year/160,000-Kilometre Limited Warranty*

*See last page for warranty details.

PACIFICA HYBRID:
DRIVING RANGE/POWERTRAIN 30

TOURING

POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 Hybrid with eFlite Electrically Variable Transmission (EVT)

INTERIOR AMENITIES

- 2nd-row window shades
- 7-inch full-colour customizable in-cluster display centre
- Active Noise Cancellation
- Air conditioning with Tri-Zone Automatic Temperature Control (ATC)
- Auto-dimming rearview mirror
- Deluxe Insulation Group
- Full-length floor console and floor tray
- Media Centre:
 - 1st-row USB charging port
 - 6 speakers
 - Apple CarPlay¹⁷ and Android Auto^{TM17}
 - Hands-free communication⁷ with Bluetooth® streaming audio
 - Media Hub with 2 USB ports and auxiliary audio input jack
 - SiriusXM with 1-year subscription⁵
 - Uconnect® 5 multimedia centre with 10.1-inch touchscreen
- Power 2nd-row windows
- Power door locks
- Power front windows with 1-touch up-and-down
- Rotary E-shift dial
- Seating:
 - 3rd-row Stow 'n Go® fold-in-floor 60/40 split-folding bench seat
 - 7-passenger cloth seating with removable easy-entry sliding 2nd-row seats
 - Power 12-way driver's seat including 4-way power lumbar adjust
- Soft-touch instrument panel with accent stitching

EXTERIOR FEATURES

- 17-inch Diamond-Cut aluminum wheels with 235/65R17 BSW All-Season tires
- Black grille
- Black Stow N Place® roof rack system
- Body-colour door handles
- Body-colour lower bodyside sill appliqué
- Body-colour, power, heated exterior mirrors with supplemental turn signals
- Bright daylight opening (DLO) surround moulding
- Chrysler wing grille badge and rear deck lid eHybrid badge
- LED automatic headlamps
- LED fog lamps with Chrome accent bezels
- LED signature daytime running headlamps
- LED taillamps
- Pacifica badge

SAFETY & SECURITY

- 4-wheel antilock disc brakes with Rain Brake Support and Ready Alert Braking
- 8 air bags²⁰ including advanced multistage driver and front-passenger, driver and front-passenger inflatable knee blocker, supplemental front-seat-mounted side, and supplemental side-curtain air bags for all rows
- Child Seat Anchor System (LATCH-ready)
- Electric Park Brake with SafeHold
- Electronic Stability Control (ESC)²⁴ with Hill Start Assist
- Keyless Enter 'n GoTM with proximity entry (all doors) and push-button start
- ParkView® Rear Back-Up Camera¹⁸
- Pedestrian Warning Speaker¹⁸
- Remote start¹¹
- Security alarm²⁵
- Sentry Key® antitheft engine immobilizer
- Tire Pressure Monitoring Display
- Tire Service Kit, including puncture sealant and portable air compressor
- Universal garage door opener

CAPABILITY & FUNCTIONALITY

- 5-point instrument panel charging indicator
- 6.6-kW onboard charger
- 16-kWh lithium-ion battery
- 650-amp maintenance-free battery
- Capless fuel-filler door
- Cruise control
- Electric power steering
- Heavy-duty suspension

OPTIONAL EQUIPMENT

- Cold Weather Group
- KeySense Programmable Key Fob
- Mopar® Front and Rear Splash Guards
- Mopar Interior Protection Package
- Mopar Protective Clear Film
- Mopar Roadside Emergency Kit
- Mopar Running Boards with Splash Guards
- Power Group
- S Model Appearance Package
- SafetyTecTM Group
- SafetyTec Plus Group
- Single Rear Overhead DVD System

DISCLAIMERS: 1. Based on awards received in 2016, 2017, 2018 and 2019. Based on the *WardsAuto* Small Van segment. Excludes other FCA US LLC vehicles. 2. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. 3. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. 4. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Based on non-hybrid Pinnacle models. Excludes other vehicles designed and manufactured by FCA US LLC. 5. Requires SiriusXM radio subscriptions governed by SiriusXM Canada. Customer Agreement available at siriusxm.ca/terms. 6. Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 7. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 8. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 9. All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 10. Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. 11. Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 12. Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 13. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 14. Stolen vehicle police report required. 15. Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 16. Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 17. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. 18. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his or her surroundings and be prepared to take corrective action to avoid collisions. 19. Driving while distracted can result in loss of vehicle control. Only use the FamCAM interior camera when it is safe to do so. 20. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 21. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2014 to CYTD September 2019. 22. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 8.4 L / 100 km (34 mpg) highway and 12.4 L / 100 km (23 mpg) city on Chrysler Pacifica non-hybrid models equipped with the 3.6L Pentastar VVT V6 engine and 9-speed automatic transmission. Miles per gallon (MPG) ratings based on imperial gallon. 23. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 24. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 25. Vehicle must be locked and system activated for alarm to sound. 26. Based on *EnerGuide* fuel consumption ratings for minivans in the *WardsAuto* Small Van segment. 3.1 L/100 km (91 MPG) highway and 2.7 L/100 km (105 MPG) city. 2021 Chrysler Pacifica Hybrid with 3.6L Pentastar VVT V6 Hybrid engine and eFlite Electrically Variable Transmission. L/100 km is an equivalent measure of gasoline fuel consumption for electric energy consumed by Plug-in Hybrid Electric Vehicles (PHEV) operating in electric mode. Miles per gallon equivalent (MPG) ratings based on imperial gallon. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 27. Electric range based on *EnerGuide* combined fuel consumption ratings, full battery charge and hybrid mode. Driving range based on *EnerGuide* combined fuel consumption ratings, fuel tank capacity, full battery charge and hybrid mode. Your actual driving range will vary based on driving habits and other factors. 28. Requires purchase and professional installation. See Chrysler retailer for details.
