these roots
have run deep
since 1941

Born as a purpose-built 4x4 for the front lines in 1941, Jeep® 4x4s soon transitioned from the battlefields to the farm fields and backroads, where they kept up with hard daily use in industry and recreation alike. Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

Limited with Elite Exterior Group in Billet Silver Metallic

Limited with Elite Exterior Group in Diamond Black Crystal Pearl

freedom, meet imagination

Jeep® Compass Limited enhances the freedom to Go Anywhere, Do Anything® with new standard safety features, like Blind-Spot Monitoring with Rear Cross-Path Detection Systems and Park-Sense® Rear Park Assist System.⁸ The available Elite Exterior Group adds welcome convenience, safety and security with its power liftgate and Bi-Xenon High Intensity Discharge (HID) headlamps with a unique LED signature strip of lights and LED taillamps that stand out, day or night. Limited's eye-catching chrome accents make an impressive display of extra shine.

Limited with Black leather-faced seats

take it all in

Limited with Black / Ski Grey perforated leather-faced seats

Dramatic and inspired, the available Elite Interior Group raises Limited's interior finery to elegant heights and includes a standard Uconnect® 4C NAV multimedia centre with an 8.4-inch touchscreen, GPS Navigation,² SiriusXM Guardian,⁵ SiriusXM Traffic Plus,⁷ SiriusXM Travel Link⁷ and more. Ventilated power 8-way driver's and front-passenger seats with driver's seat memory and a power 4-way lumbar adjust enhance comfort, no matter how long or short the trip, and a reversible carpet/vinyl rear cargo mat helps keep things neat. An available two-tone interior colour palette is dramatic and especially elegant on Limited models.

The dual-pane sliding-glass ceiling spans the full length of the roof and includes a power-controlled sunshade and glass panel with vents in front and a fixed-glass window in the rear. Pinch protection keeps hands and fingers safe. Available with the Sun and Sound Group.

Jeep[®] Compass is as eye-catching as it is functional with an available Gloss Black roof that seamlessly integrates with the available Dual-Pane Panoramic Power Sunroof, conveying a design of contemporary sophistication. It offers more than an amazing way of looking at the world — it can take you to a new world of fresh-air freedom altogether.

concert-quality audio experience

The 9-speaker Alpine® Premium Sound System is known for its outstanding tonal balance and definition. This system helps create a haven of audio enjoyment, delivering an impressive, realistic sound experience. It features a 12-channel, 506-watt amplifier, nine perfectly placed speakers and a dual voice coil, 8-inch subwoofer that work together in perfect harmony. Available with the Sun and Sound Group.

AUTO

SNOW

SAND

MUD

ROCK
(TRAILHAWK® EXCLUSIVE)

Selec-Terrain® traction management system

AUTO In this mode, Selec-Terrain® does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

SAND Converts to a uniquely calibrated Sand Mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

MUD Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

ROCK Delivers Trail Rated® Four-Wheel-Drive (4WD) Low capability thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Standard on Trailhawk®.

AUTO
SNOW
SAND
MUD
ROCK

THE FIVE MODES OF SELEC-TERRAIN

Every Jeep® Compass equipped with available 4x4 capability arrives with a Jeep Selec-Terrain Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. This system pairs with your Jeep Brand 4x4 systems to help adapt traction performance. Its selectable dial features Auto, Snow, Sand and Mud settings and, exclusive to Trailhawk, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels. Selec-Terrain effectively coordinates 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).⁹

Jeep Active Drive 4x4 System You'll automatically enjoy seamless operations in and out of 4x4 mode at any speed with the rear-axle disconnect. Yaw correction helps to keep Jeep Compass stable at all times. Jeep Active Drive also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability. Standard on 4x4 models.

power through with Trailhawk®

Trailhawk® Elite in White

The Trail Rated® Jeep® Compass Trailhawk® raises your confidence to go out and boldly conquer the most challenging road conditions out there. With Trailhawk, you're equipped to experience everything the road has to offer. You're sure-footed thanks to authentic Trail Rated Jeep Brand DNA. The Trail Rated badge of honour tells the world your Jeep Compass Trailhawk is fully equipped to Go Anywhere, Do Anything® and perform with exceptional Four-Wheel-Drive (4WD) capability. Every Trail Rated vehicle must successfully pass tests in five performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording.¹⁰

Trailhawk arrives with a standard Jeep Active Drive Low 4x4 system with Hill Descent Control, and lets you get all-weather tough and tackle off-road challenges with ease. Its disconnecting rear axle adds efficiency by seamlessly switching from 4WD to Front-Wheel Drive (FWD) when 4x4 capability isn't needed. It includes a 20:1 crawl ratio and low range for Trail Rated capability. Simply dial into the Selec-Terrain® Traction Management System Auto Mode, and Trailhawk will automatically adjust to meet your on- and off-road 4WD needs.

Trailhawk® Elite with Black leather-faced seats and Ruby Red accent stitching

Trailhawk® is designed to help make your life more adventurous, and its sport-inspired cabin is designed to keep you comfortable and travelling in style while you're at it. Red accent stitching stands out on the cushioned seating, with Ruby Red bezels offering additional enhancements. The Trailhawk logo is embroidered in Ruby Red on the front seatbacks, a proud announcement of this vehicle's authentic DNA. The available Trailhawk Elite enhances your travels with additional upscale features, including premium leather-faced bucket seats with ventilated front seats and driver's seat memory, power 8-way driver's and front-passenger seats with power 4-way lumbar adjust, and the Uconnect® 4C NAV multimedia centre with an 8.4-inch touchscreen, GPS Navigation,² SiriusXM Guardian,⁵ SiriusXM Traffic Plus,⁷ SiriusXM Travel Link⁷ and more.

engineered for the long haul

2.4L TIGERSHARK® MULTIAIR® I-4 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. A fuel-efficient workhorse. Standard.

ESS TECHNOLOGY This welcome feature on Jeep® Brand engines helps minimize emissions while optimizing efficiency. ESS seamlessly turns off the engine at stops, then restarts it when the brake pedal is released and the transmission is engaged.

9-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK Smooth gear transitions through all nine gearshifts deliver a ride that feels luxurious and confident. Economies are maximized, and performance is optimal at all times. Standard on 4x4 models.

6-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. It's a highly efficient performer. Standard on Sport Front-Wheel-Drive (FWD) models.

expand the rules of play

59.8 cu ft (1,693 L) of cargo room

Loading is easier with the convenient power liftgate. Open the rear cargo area by using your key fob, and you'll put struggling with armfuls of packages in the past. Available.

The height-adjustable cargo floor adjusts up to three levels to accommodate the variety of items you need to carry. Keep the floor level for easy loading. Available.

Properly secure all cargo.

Limited in Redline Pearl Coat

A generous cargo area lets you carry on as you see fit, with room to accommodate gear, luggage and the family pet. Flip the second-row seats forward to reveal up to 1,693 L (59.8 cu ft) of room to carry along everything you need. With multiple cup holders, cubbies and storage areas, Jeep® Compass helps keep trips organized and uncluttered.

STASH IT. The centre console can carry devices, phones, cameras and snacks. Handy cup holders are situated in the doors, centre console and rear-passenger area. Standard.

CONFIGURE IT. The configurable 60/40 split-folding rear seats give you plenty of options. Rear passengers can adjust them to their liking. Two cup holders are revealed by folding down the centre armrest. Flip down one or both of the split seats to accommodate your gear. Standard.

STOW IT. Keep your cabin neatly organized with the many storage options throughout. The glove box opens to accept larger items. A netted side pocket holds even more. Standard.

Touchscreen Controls Set temperature controls, activate heated seats and steering wheel (if equipped), and so much more — all from the touchscreen. A drag-and-drop menu bar allows you to highlight your favourite features and services so they're always in sight on your standard 7- or available 8.4-inch Uconnect® 4 touchscreen display.

Apple CarPlay¹ shown on touchscreen.
Uconnect® 4C NAV multimedia centre with 8.4-inch touchscreen.

Android Auto™ shown on touchscreen above.

androidauto

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto™¹ and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel. Standard.

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri¹¹ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your journey. Standard.

Uconnect®

NAVIGATION

Dinner reservations at the new place in town? Uconnect® employs GPS Navigation² for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command and say the complete address to get directions quickly. Available.

North in Jazz Blue Pearl

PHONE/TEXT

Make hands-free³ phone calls or use your voice to send a text.³ Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply. Standard.

4G WI-FI⁶ HOTSPOT

All along the way, you can upload and download, post, and search. Uconnect 4C NAV with Wi-Fi⁶ links compatible devices to the Web so passengers can stay in play. Available.

SIRIUSXM connected services

Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

SiriusXM Listen to your favourite channel on your connected device, then flip to SiriusXM⁴ in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access⁴ trial, you get every channel available wherever you go on your portable devices with the SiriusXM App, which is included with your one-year trial. Available.

SiriusXM TRAVEL LINK Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link⁷ service are included. Available.

SiriusXM TRAFFIC PLUS Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus⁷ service are included. Available.

Uconnect®

SiriusXM
GUARDIAN

Drive worry-free with SiriusXM

Guardian⁵ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN⁵ SERVICES + UCONNECT® APP

- > **SOS CALL¹²** In the event of an incident, push the SOS¹² button. You'll be connected to a SiriusXM Guardian agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL¹³** puts you in touch with an agent who can get you help while you're out on the road.
- > **LOCK/UNLOCK** your car from virtually anywhere.
- > **START YOUR CAR REMOTELY¹⁴**
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > **VEHICLE FINDER¹⁵** allows you to locate your vehicle on a map.
- > **SEND & GO¹⁵** enables you to send destinations to your navigation system.
- > **THEFT ALARM NOTIFICATION¹⁶** Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.
- > **STOLEN VEHICLE ASSISTANCE¹⁷** If the unexpected happens and your vehicle is stolen, this feature will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS** provide peace of mind when you hand over the keys. Allow you to set parameters to receive notifications when others are operating your vehicle.

Conveniently command your vehicle using your voice with the Jeep Skill²⁰ for Amazon Alexa on an Alexa-enabled device from the comfort of your home! Just ask Alexa to start/stop the engine, lock/unlock the doors, check fuel status or tire pressure and more. With available Uconnect Navigation,² you can also ask Alexa to find a business and send the address directly to your vehicle.

BLIND-SPOT MONITORING WITH
REAR CROSS-PATH DETECTION[®] SYSTEMS

heroic safety and security

PARK-SENSE[®] REAR PARK ASSIST SYSTEM[®]

PARK-SENSE[®] REAR PARK ASSIST SYSTEM[®]

This system uses rear ultrasonic sensors to help determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display notify the driver of rear-object proximity. Standard on Limited and Trailhawk.[®] Available on Altitude and North.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)[®]

Sensors help detect when Jeep[®] Compass may be approaching another vehicle too rapidly. They may send an audible and visual alert to the driver and may provide braking if necessary. Available.

ADAPTIVE CRUISE CONTROL WITH STOP & GO[®]

Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to help maintain a preset distance between you and the vehicle ahead and can bring Jeep Compass to a complete stop without driver intervention to help avoid a collision. Available.

ADAPTIVE CRUISE CONTROL
WITH STOP & GO[®]

ELECTRONIC STABILITY CONTROL (ESC)[®]

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC[®] coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Advanced Brake Assist, All-Speed Traction Control, and Trailer Sway Control (TSC), sending them into action when needed. Standard.

LANE DEPARTURE WARNING PLUS (LDW+)[®]

Provides a visual warning and steering wheel movement should the system detect that the vehicle is drifting outside of lane boundaries. Available.

BLIND-SPOT MONITORING WITH REAR CROSS-PATH DETECTION[®] SYSTEMS These systems monitor the space between you and other drivers. When a side or rear blind-spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Standard on Limited and Trailhawk. Available on Altitude and North.

Rain-Sensitive/Intermittent Windshield Wipers and Rain Brake Support Showers should never be a showstopper. Front wipers activate when raindrops are detected. Available. The smart Rain Brake Support System helps dry the front brake rotors on wet roads. Standard.

Trailer Sway Control (TSC) Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control,⁹ TSC helps keep you and the toys you tow safely on course. Standard.

70+

STANDARD AND AVAILABLE
SAFETY & SECURITY FEATURES

A Secure Air Bag¹⁸ System Your need for security is fully respected with this all-around air bag¹⁸ system. Full-length side-curtain, seat-mounted side thorax, and advanced multistage front and driver inflatable knee bolster air bags¹⁸ all work together to help provide protection. Standard.

Chassis Strength Ride with fortitude. Jeep[®] Compass delivers exceptional peace of mind with a champion's heart — a strong unibody structure is engineered with approximately 70 percent hot-stamped steel. Standard.

ParkView[®] Rear Back-Up Camera⁸ with Active Grid Lines Back out safely with grace. This system helps bring previously hidden rear objects to your attention on-screen in good time to react. Standard.

Tire Pressure Monitoring System Sensors immediately provide notification via the Driver Information Display if pressure drops below the minimum acceptable level on any tire. Standard.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2021 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 5 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.†

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To use Android Auto on your car display, you'll need an Android phone running Android 6.0 or higher, an active data plan and the Android Auto App. 2) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 4) Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at www.siriusxm.ca/terms. 5) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 6) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 7) SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 8) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 9) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 10) Do not attempt water fording unless depth is known to be less than 51 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 11) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 12) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 13) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 14) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 15) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 16) Theft Alarm Notification is compatible with factory-installed alarms only. 17) Stolen vehicle police report required. 18) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 19) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 20) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. 21) The Jeep SUV Brand has received more awards in its lifetime than any other SUV brand.
