

2021 Renegade

Jeep[®]

these roots
have run deep
since 1941

Born as a purpose-built 4x4 for the front lines of 1941, Jeep® 4x4s soon transitioned from the battlefields to farm fields and backroads, where they kept up with hard daily use in industry and recreation alike.

Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

our standards are higher

Renegade Altitude raises you up With a standard Gloss Black grille and exterior accents, plus 17-inch Gloss Black aluminum wheels, Altitude shows up with extra exterior shine. A beautifully appointed interior sets the mood with ambient LED lighting and soft leather-faced seating, with a power-adjustable driver's seat and a heated steering wheel added for the person in charge. What's more, both occupants sitting in front find real warmth in standard heated seats. A large 7-inch Driver Information Display and a Uconnect® 4C NAV multimedia centre with an 8.4-inch touchscreen are added for Altitude. Standard Blind-Spot Monitoring⁸ and Rear Cross-Path Detection⁸ Systems are added on Altitude for additional peace of mind.

Look to the North for fun Your heart will be warmed, as well. Renegade North 4x4 is prepped to keep you cozy in the winter, arriving nicely equipped with the Cold Weather Group: heated front seats and steering wheel, Remote Start System, windshield wiper de-icer and all-weather floor mats. It plays the part of the decked out hero, with 17-inch aluminum wheels, deep-tint sunscreen glass, fog lamps, and body-colour mirrors and door handles.

2. 17-inch Gloss Black aluminum wheels on Altitude
3. Altitude with Black leather-faced seats

Canada's most capable small SUV ever⁹

Power up with Trailhawk[®] to enjoy Best-in-Class 4x4 capability¹⁰ with the Jeep[®] Active Drive Low 4x4 system, exclusive to Trailhawk. The standard 1.3L Turbo engine hands over power combined with efficiencies. Standard skid plates help protect the underbelly during your frequent off-road excursions that Trailhawk is sure to inspire. Inside, the configurable interior lets you combine passengers and adventure gear as needed. Unique style is found in Ruby Red interior accents and stitching, all exclusive to this Trail Rated[®] master.

1, 2 and 3. Trailhawk[®] Elite with Black leather-faced seats and Ruby Red interior accents

The Trailhawk Elite adds a higher level of luxury, offering premium leather-faced seating, and the Uconnect[®] 4C NAV multimedia centre with a large 8.4-inch touchscreen, LED premium projector headlamps, fog lamps, daytime running lamps and taillamps are also included. Additional safety and security features, like Lane Departure Warning with Lane Keep Assist,⁸ and Blind-Spot Monitoring⁸ and Rear Cross-Path Detection⁸ Systems, are welcome Elite features, as well as an 8-way power driver's seat with 4-way power lumbar adjust, heated leather-wrapped steering wheel and front seats, and 40/20/40 split-folding rear seats with a pass-through to the cargo area.

Studio-quality sound fills your cabin with the Sun & Sound Group, featuring the 506-watt Kenwood 9-speaker Premium Audio System. Its booming 6.5-inch subwoofer is situated in the rear cargo area, enhancing your listening experience. This Group also includes the Dual-Pane Panoramic Power Sunroof that invites sun and fresh air inside, too. Available.

Eight cup holders, located front, centre and rear, help keep items accessible and tidy when equipped with the 40/20/40 split-folding rear seats. The front console also offers a special slot that's perfect for a phone or small tablet.

driver's data

The large 7-inch **Driver Information Display** sits front and centre on the dashboard — a standard feature on Trailhawk® and Altitude. It provides all kinds of information that drivers will find useful, including operations of safety and performance features, vehicle stats, and much more. The 3.5-inch monochrome display is standard on Sport and North.

in touch with technology

The **Uconnect® 4C NAV Multimedia Centre** includes an 8.4-inch full-colour touchscreen that glows with crisp definition. Intuitive to use, the system lets you fully integrate your smartphone with Apple CarPlay³ and Android Auto,^{TM3} while a full menu of SiriusXM connected services⁷ is yours to explore. The navigation² system shows you the way to adventure, including route options and landmarks that let you take the long road to discovery. Standard on Trailhawk® Elite, Altitude and Renegade 80th Anniversary Edition.

Keyless Enter 'n Go™
With the fob in your pocket or purse, depress the brake pedal, press the Start button, shift into gear and go. Standard on North, Altitude and Trailhawk.

NAVIGATION Dinner reservations at the new place in town? Uconnect® employs GPS Navigation² for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command¹¹ and say the complete address to get directions quickly. Available.

PHONE/TEXT Make hands-free¹¹ phone calls or use your voice to send a text. Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply. Standard.

TOUCHSCREEN CONTROLS

Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu allows you to highlight your top six favourite features and services so they're always in sight on your standard 7-inch or available 8.4-inch Uconnect touchscreen display.

Trailhawk® Elite in Alpine White
Properly secure all cargo.

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri to help you out while you drive.⁴ Get directions, make calls, send messages and connect to Apple Music, all without pausing your journey. Standard.

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto^{TM3} and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, "Hey Google" or long-press the voice-control button on your steering wheel. Standard.

SIRIUSXM connected services

Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

SiriusXM Listen to your favourite channel on your connected device, then flip to SiriusXM⁵ in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access⁵ trial, you get every channel available wherever you go on your portable devices with the SiriusXM App,⁵ which is included with your one-year trial. Available.

SiriusXM TRAVEL LINK Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link⁶ service are included. Available.

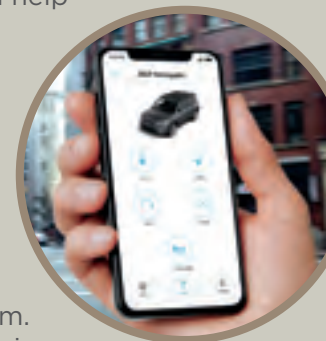

SiriusXM TRAFFIC PLUS Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus⁶ service are included. Available.

Uconnect® | **SiriusXM GUARDIAN** Drive worry-free with SiriusXM Guardian⁷ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN SERVICES + UCONNECT® APP

- > **SOS CALL¹³** In the event of an incident, push the SOS button.¹³ You'll be connected to a SiriusXM Guardian⁷ agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL¹⁴** puts you in touch with an agent who can get you help while you're out on the road.
- > **LOCK/UNLOCK** your car from virtually anywhere.
- > **START YOUR CAR REMOTELY¹⁵**
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > **VEHICLE FINDER¹⁶** allows you to locate your vehicle on a map.
- > **SEND & GO¹⁷** enables you to send destinations to your navigation system.
- > **THEFT ALARM NOTIFICATION¹⁸** Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.
- > **STOLEN VEHICLE ASSISTANCE¹⁹** If the unexpected happens and your vehicle is stolen, this feature will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS** provide peace of mind when you hand over the keys. Allow you to set parameters to receive notifications when others are operating your vehicle.

Conveniently command your vehicle using your voice with the Jeep Skill¹² for Amazon Alexa on an Alexa-enabled device from the comfort of your home! Just ask Alexa to start/stop the engine, lock/unlock the doors, check fuel status or tire pressure and more. With available Uconnect Navigation,² you can also ask Alexa to find a business and send the address directly to your vehicle.

Properly secure all cargo.

take on the world

Inner versatility Being practical can also be fun, and with its functional interior features, Jeep® Renegade is fully prepared. Its interior works hard to make room for travelling, with a standard height-adjustable rear cargo floor and a standard fold-forward front-passenger seat. Available ambient LED interior lighting helps you see where items are stored while setting the mood for fun.

The 60/40 and available 40/20/40 split-folding rear seats with pass-through accommodate all kinds of cargo and passenger configurations. Bring any combination of people, pets and luggage. Then, head for parts known, unknown and all points in between.

make room for more

Designed to adjust to your cargo-carrying needs

You're able to load up for big trips, whether they're to the corner grocery store or to your favourite camping spot. A generous rear cargo area offers up to 1,438 L (50.8 cu ft) of space with the rear seat folded down for a full interior volume of 3,358 L (118.6 cu ft).

Trailhawk® Elite in Glacier Metallic

display your adventurous nature

Trail Rated® Every Jeep® Brand vehicle bearing a Trail Rated badge is designed and built to Go Anywhere, Do Anything® and to perform with exceptional 4x4 capability. Each must successfully pass tests in five performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording.²⁰ Standard on Trailhawk®.

Your Trail Rated Renegade Trailhawk arrives with the Jeep Active Drive Low Four-Wheel-Drive (4WD) system and a set of skid plates that help protect your vehicle's most vulnerable parts when you're travelling over tough terrain. Rise to the greatest heights of on- and off-road mastery with Jeep Renegade. This capable SUV boasts an elite pedigree born of legendary strength and timeless style.

manage your grip on the ground

The Selec-Terrain® Traction Management System quickly tailors your traction control with the turn of a dial. In an instant, you've got the right amount of grip and capability for the type of terrain you're facing. By coordinating many vehicle systems, you're able to navigate the most challenging conditions with ease. Dial settings include Auto, Snow, Sand, Mud and, exclusive on Trailhawk®, Rock mode.

auto

In this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

snow

Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

sand

Converts to a uniquely calibrated Sand mode that utilizes an aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

mud

Maintains low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

rock

Exclusive to Trailhawk, Rock mode delivers low-speed 4x4 capability thanks to its rear-differential locking element. This allows Jeep® Renegade to command challenging terrain.

RENEGADE 4x4 SYSTEMS

Jeep® Active Drive Put your capability on automatic pilot. This 4x4 system does the work for you, targeting exactly when you need a boost of traction. It features a single-speed Power Transfer Unit (PTU) that combines proven Jeep Brand capability with welcome efficiencies to deliver a double whammy of 4x4 prowess and efficiency. Jeep Active Drive can seamlessly transition from Front-Wheel Drive (FWD) to Four-Wheel Drive (4WD) and back again, thanks to the system's smart rear-axle disconnect that operates in tandem with the available Selec-Terrain® Traction Management System's Auto mode. Under normal driving conditions, the front wheels provide most of the traction. Should the front wheels start to lose grip, power automatically transfers to the rear wheel(s), so you seamlessly maintain optimal traction without having to take additional action. Standard on 4x4 models.

Jeep Active Drive Low This system gives Trailhawk® its superpowers to easily conquer tough ridges, rocks and weather or the extra determination to pull a boat out of a lake. This one-speed system features Hill Descent Control that adds extra control over throttle, speed and braking, allowing you to smoothly travel down steep hills. Dial in to Rock mode when you need the boost of a 21:1 crawl ratio. Exclusive to Trailhawk.

fearless performance

1.3L MULTIAIR® TURBO I-4 ENGINE Its direct fuel injection helps to deliver 177 hp and 210 lb-ft of torque to push the envelope of towing power while handing over welcome fuel efficiencies. Engine Stop/Start (ESS) Technology helps improve fuel efficiency. Paired with the 9-speed automatic transmission. Standard on Trailhawk®.

2.4L TIGERSHARK® MULTIAIR I-4 ENGINE Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. Its 180 hp and 175 lb-ft of torque hand over its power whenever requested. This fuel-efficient workhorse is standard on Sport and North.

9-SPEED AUTOMATIC TRANSMISSION Shifting gears with a precision that's as smooth as silk. The gears are fine-tuned with a ratio spread of 9.81 to ensure quick takeoffs and a consistently refined performance. Exceptional efficiencies are produced through all gears at all speeds. Standard with both engines.

fun in tow

Expand your options by adding the available Trailer Tow Group, and you're able to bring along a tonne of toys, literally. The Class III hitch receiver and 4-pin wiring harness have a capacity to tow up to 907 kg (2,000 lb). Available with both engines.

higher standards

SAFETY & SECURITY

With an array of available sensors keeping watch of your perimeter and a cabin engineered with seven standard air bags,²¹ Renegade acts as your constant guardian when you're behind the wheel.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST⁸ Provides a visual and audible warning and steering-wheel movement should the system detect the vehicle is drifting outside of lane boundaries. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING⁸ Sensors help detect when you may be approaching another vehicle too rapidly. An audible and visual alert is provided, along with brake assistance if you do not react in time. Available.

ADAPTIVE CRUISE CONTROL⁸ Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. When activated, the system automatically adjusts cruising speed to help maintain a preset distance between you and the vehicle ahead. Available.

AUTO HIGH-BEAM HEADLAMP CONTROL Sensors eliminate the need to manually turn off high beams when oncoming traffic approaches. Available.

ELECTRONIC STABILITY CONTROL (ESC)²² A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC²² coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Advanced Brake Assist, All-Speed Traction Control, and Trailer Sway Control (TSC), sending them into action when needed. Standard.

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST SYSTEM⁸

This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into and out of parking spots as you gently brake and change from Reverse to Drive as needed. Available.

BLIND-SPOT MONITORING⁸ AND REAR CROSS-PATH DETECTION⁸ SYSTEMS Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARKVIEW[®] REAR BACK-UP CAMERA WITH ACTIVE GRID LINES⁸ When the vehicle is in Reverse, this system helps bring previously hidden rear objects to your attention on-screen in good time to react. Standard.

PARK-SENSE[®] FRONT AND REAR PARK ASSIST SYSTEMS⁸ This system uses sensors to help alert the driver with audible and visual warnings when objects come in close proximity to the front or rear of the vehicle. Available.

SAFETY & SECURITY

KEYLESS ENTER 'N GO™ With the fob in your pocket or purse, depress the brake or clutch pedal, press the Start button, shift into gear and go. Available.

LED LIGHTING Giving you the brightest visibility, you'll have a full complement of LED lights, including headlamps, daytime running lamps (DRLs), taillamps and fog lamps. Standard on Trailhawk® Elite.

BLIND-SPOT MONITORING⁸ AND REAR CROSS-PATH DETECTION⁸ SYSTEMS Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

RAIN-SENSITIVE WINDSHIELD

WIPERS Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected. Standard on North and Trailhawk.

TRAILER SWAY CONTROL (TSC)

Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control (ESC),²² TSC helps keep you and the toys you tow safely on course. Standard.

WINDSHIELD WIPER DE-ICER Maintain a clear view of the road ahead during snowy weather. Heating elements on the lower inside windshield glass help keep wipers free from ice and the windshield clear for an unobstructed view of the road. Standard on North and Trailhawk.

A SECURE AIR BAG²¹ SYSTEM Full-length front and rear side-curtain, driver inflatable knee bolster, seat-mounted side for front occupants, and advanced multistage driver and front-passenger air bags²¹ all work together to help provide encompassing protection. Standard.

CHASSIS STRENGTH Maintain peace of mind with this strong safety cage, constructed with high-strength steel. Exceptional ride quality is experienced as well. Standard.

STEERING — Electric power rack and pinion

Overall ratio	15.7:1
Turns (lock-to-lock): 4x2 and 4x4	2.68
Trailhawk	2.76

Turning diameter, m (ft)	
(curb-to-curb): 4x2 and 4x4	11.0 (36.3)
Trailhawk	10.7 (35.3)

CAPACITIES/WEIGHTS (kg (lb) unless otherwise noted)

Fuel Tank (L)	48
Base Curb Weight	
2.4L Sport 4x2	3,159
2.4L 4x4	3,323
1.3L 4x4 Trailhawk	3,527
Towing Capacity (when properly equipped; 4x4 models only)	907 (2,000)

POWERTRAINS

Engine	1.3L MultiAir® Turbo I-4	2.4L Tigershark® MultiAir
Displacement (cc)	1,332	2,360
Horsepower (SAE @ rpm)	177 @ 5,750	180 @ 6,400
Torque (SAE net lb-ft @ rpm)	210 @ 1,750	175 @ 3,900
Axle Ratio (:1)	4.585 (Trailhawk)	3.734 (Sport and North)
Fuel Injection System	Direct injection	Sequential, multipoint, electronic, returnless

CELEBRATING 80 YEARS OF THE JEEP® BRAND

(1) The Jeep SUV Brand has received more awards in its lifetime than any other SUV brand. (2) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. (3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To use Android Auto on your car display, you'll need an Android phone running Android 6.0 or higher, an active data plan and the Android Auto App. (4) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (5) Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at www.siriusxm.ca/terms. (6) SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (7) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (8) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. (9) Most Capable Small SUV Ever is based on historical Canadian unibody B-SUV segment competitors as identified by *WardsAuto* Small Crossover and Small SUV segments. Best-in-Class 4x4 capability based on Jeep Renegade Trailhawk models offering low-range Power Transfer Unit (PTU) with 21:1 crawl ratio, low-range 4x4 capability, Best-in-Class ground clearance, approach angle, departure angle, breakover angle, exclusive Jeep Selec-Terrain Traction Management System with five settings (including Rock) and has earned the Trail Rated certification, meaning this vehicle has passed capability tests in five categories: Traction, Ground Clearance, Maneuverability, Articulation and Water Fording. This claim excludes all FCA US LLC vehicles. (10) Jeep "Small SUV" sub-segmentation based on Small Sport and Cross Utility vehicles. Best-in-Class 4x4 capability based on Jeep Renegade Trailhawk models offering low-range Power Transfer Unit (PTU) with 21:1 crawl ratio, low-range 4x4 capability, Best-in-Class ground clearance, approach angle, departure angle, breakover angle, exclusive Jeep Selec-Terrain Traction Management System with five settings (including Rock) and has earned the Trail Rated certification, meaning this vehicle has passed capability tests in five categories: Traction, Ground Clearance, Maneuverability, Articulation and Water Fording. This claim excludes all FCA US LLC vehicles. (11) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. (12) Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. (13) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. (14) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (15) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. (16) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (17) Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (18) Theft Alarm Notification is compatible with factory-installed alarms only. (19) Stolen vehicle police report required. (20) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (21) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (22) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (23) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2021 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.*

*Whichever comes first. Some conditions may apply. *The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.
