

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

2021
QASHQAI®

¹Available feature. ²Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ³Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁴Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information ⁵Leather appointments. ⁶Provincial laws may apply. Review before using. ⁷Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ⁸Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ⁹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ¹⁰Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ¹¹Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹²Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹³Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁴Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹⁵Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings are able to be detected. See Owner's Manual for safety information. ¹⁶ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. ¹⁷Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ¹⁸Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁹Virtual composite 360° view. ²⁰Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ²¹Extra cost option. ²²Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. ²³Whichever occurs first. ²⁴Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²⁵The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ²⁶Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ²⁷Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²⁸Information displayed is dependent on how vehicle is equipped. ²⁹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ³⁰XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2021 Sirius XM Canada Inc. The Sirius,® XM,® and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ³¹RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ³²Does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ³³Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁴Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁵Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁶Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁷Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ³⁸Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³⁹Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁴⁰Sport Mode not available with manual transmission. Street-savvy, adventure-ready

Calm, cool, connected

NissanConnect® works seamlessly with your compatible smartphone and Qashqai's 178 mm (7") colour touch-screen.^{3,7}

U.S. instrumentation shown.

NISSAN
INTELLIGENT
MOBILITY™

Intelligent All-Wheel Drive

Intelligent All-Wheel Drive is so responsive, it can adapt to changing conditions 30 times faster than the blink of an eye. Snow, rain-covered pavement, or tight turns, the system automatically sends power to the wheels that need it most.^{1,2}

Works with
Apple CarPlay

People to see? Places to be? Just ask Siri.® Equipped with Siri.® voice control, Apple CarPlay® brings on board your contacts, favourite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.^{3,7}

works with
androidauto

With Android Auto, you can keep your eyes on the road and hands on the wheel while using your voice to help you with your day. Ask Google to play your favourite song, navigate home, or respond to a text hands-free. Just say, "Hey Google" or long-press the voice control button on your steering wheel.^{3,7,8}

Divide-N-Hide®

Reversible cargo-floor panels adjust easily to provide multiple configurations, while the back seats fold down flat to accommodate larger gear, giving you space for your daily essentials and weekend getaways.^{1,9}

U.S. model shown.

Cold-weather features

Quick Comfort® Heated Front Seats Standard Quick Comfort® heated front seats not only take the edge off a chilly morning, they feel great on your back in any weather.

Heated Steering Wheel Gone are the days of leaving your gloves on in the car, thanks to the heated steering wheel.¹

Remote Engine Start System with Intelligent Climate Control On hot days, the Remote Engine Start System with Intelligent Climate Control can adjust temperature and airflow for a quick cool-down.^{1,6}

On cold days, the system can adjust airflow to warm up the cabin, defrost windows and windshield, and even turn on the heated steering wheel and outside mirrors.^{1,6}

A more confident, exciting, and connected ride

Nissan Intelligent Mobility is changing how you move forever. You'll drive with greater awareness and can even get an assist when you need it. Everything is easier too, as you sync from your compatible smartphone to your Qashqai® and the world around you.³ This is the future of driving, and it's here for everyone right now.⁴

An easier commute at the push of a button

Nissan ProPILOT Assist With ProPILOT Assist, you can actually look forward to your daily drive. Push the button to activate, and this advanced system shares some of the driving tasks with you, helping you stay with the flow of traffic and even helping to keep you centred in your lane.^{1,16}

ProPILOT Assist in highway traffic Take the tedium out of stop and go. ProPILOT Assist helps your Qashqai keep a set distance from the car ahead based on the traffic flow. It can even come to a full stop, and can bring you back up to speed when traffic starts moving again.^{1,16}

ProPILOT Assist on the open road No more drifting. ProPILOT Assist helps keep you centred in your lane through the straightaways, and even through gentle curves.^{1,16}

Drive assist technologies have your back

Standard Safety Shield® 360

Imagine feeling confident in most any situation. With a suite of standard Safety Shield 360 technologies, the 2021 Qashqai® can look out for you all around.¹⁰ This is peace of mind you can enjoy, kilometre after kilometre.⁴

INTELLIGENT EMERGENCY

EMERGENCY BRAKING¹²

REAR CROSS
TRAFFIC ALERT¹³

BLIND SPOT
WARNING¹⁴

LANE DEPARTURE
WARNING¹⁵

HIGH BEAM
ASSIST

Intelligent Forward Collision Warning Qashqai is on the lookout when you can't see what's going on ahead. It watches two cars in front, monitoring your speed and distance, and when it detects sudden deceleration, it gives you a warning to slow down.¹⁷

Intelligent Around View® Monitor Keep your pride and rims intact. Intelligent Around View Monitor makes parking easy with a virtual composite 360° bird's-eye view of your Qashqai. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen alert when it detects moving objects near your vehicle. We're looking at you, shopping cart.^{1,18,19}

Traffic Sign Recognition Missed that speed limit sign? Qashqai didn't. With available Traffic Sign Recognition, Qashqai detects road signs as you drive along, and will keep you up to date on the speed limit.^{1,20}

Intelligent Lane Intervention Qashqai helps keep you in your lane. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.¹⁵

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

DIMENSIONS/CAPACITIES/WEIGHTS/FUEL

Dimensions	
Exterior – mm (inches)	
Wheelbase	2646 (104.2)
Overall length	4388 (172.8)
Overall width	1838 (72.3)
